Trades, Labour Council Announce Parade Sept. 4

Announcement of a parade on Labour Day has been made by the Porcupine Trades and Labour Council. All unions, labour and fraternal organizations are asked to participate. The parade will assemble in the old ball park grounds and will proceed to Third Avenue and west to the Mattagami bridge via Wilson Avenue.

The Councils of Timmins and Tisdale Townships have been asked to march in the parade and merchants have been asked to enter floats.

A public appeal has been issued to all employers to grant a day's pay to their employees. In the past, the Trades and Labour Council says, the mining companies in particular did not recognize Labour Day as a holiday despite the fact that it was statutory.

Following the parade a picnic will be held on the Mattagami Picnic grounds, Councillor Bert McCabe will be the speaker. Celebration will conclude with a dance at the Riverside Pavilion in the evening.
