### The Advance Pictures The News

#### All The News In Words and Pictures

of happenings of local interest is brought to you by The Porcupine Advance.

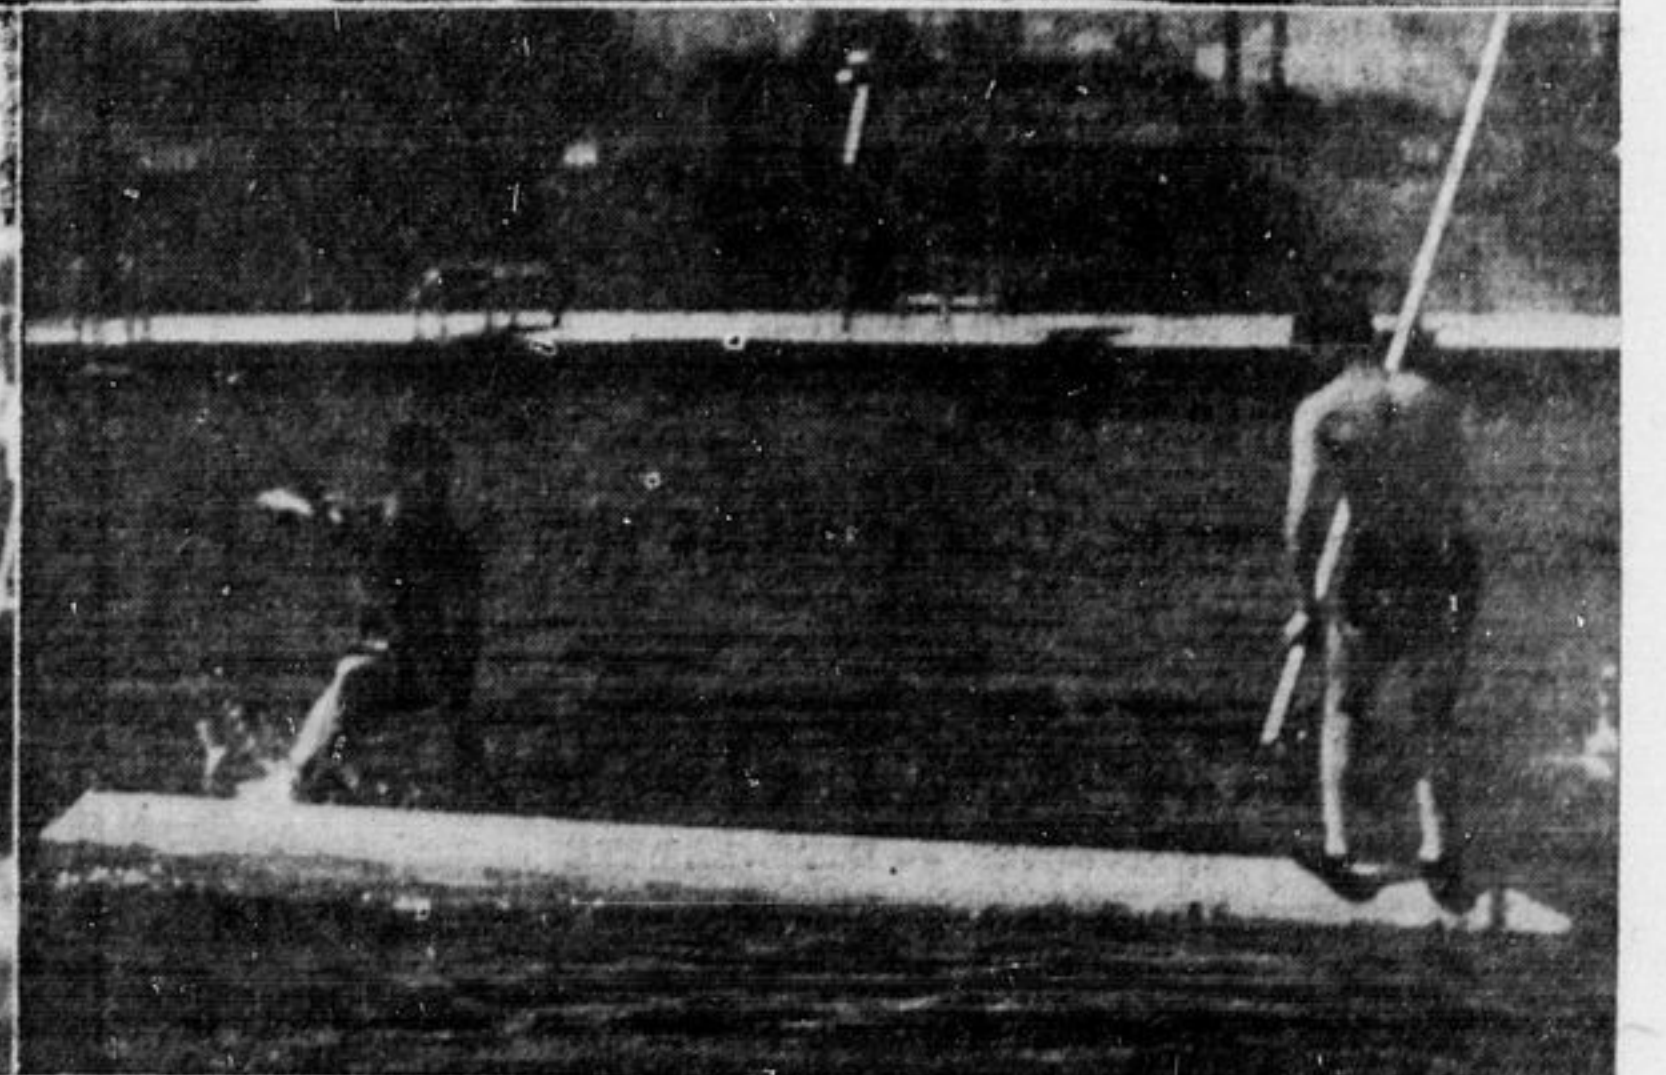

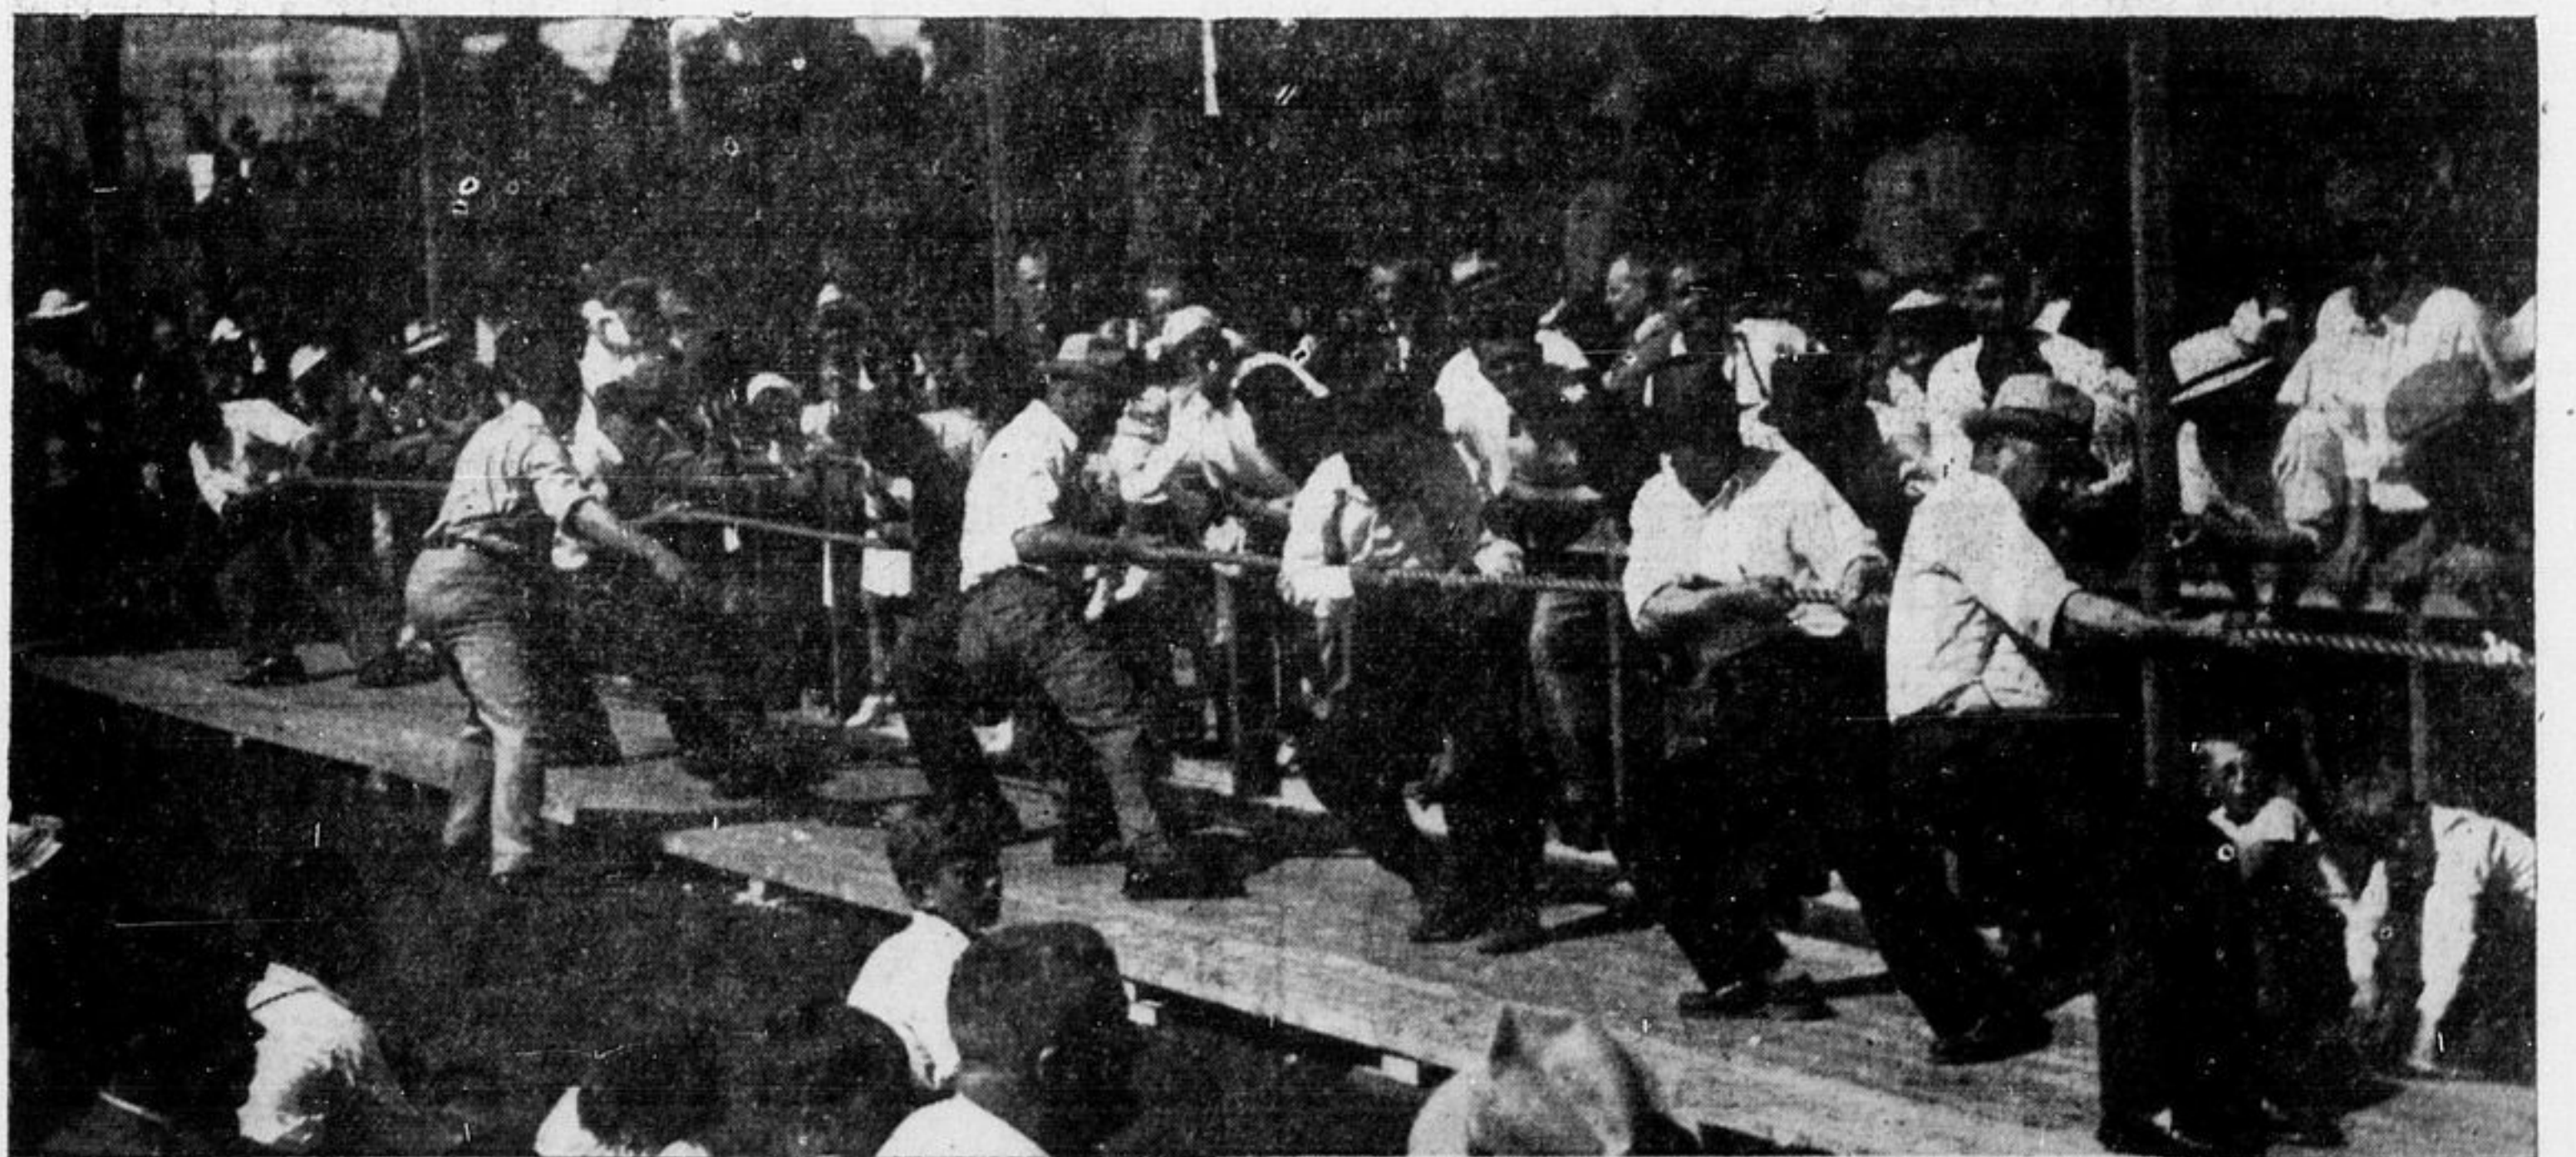

Over three years ago, noting the growing interest in pictorial news presentation, The Advance installed full photography facilities, the first in Northern Ontario. Now, practically every event of importance is caught by The Advance camera and brought to you along with complete news stories.

Shown here are a few pictures taken from recent issues. They are merely representative of the wide range of subjects covered.

See and read the complete news of Timmins and the Porcupine District every Monday and Thursday in
