

Baking a Large Cake to Last Over the Week-end

It Should be Big Enough to Provide for the Unexpected Guests Who May Arrive at Any Time. "Try Devil's Food," Writes Expert in Household Arts.

It's a good old summer custom to bake a cake on Friday or Saturday for week-end use. Generally speaking, it should be of good size, in case there are unexpected guests, or members of the family, who just cannot resist home-

lice for both men and women. Men, however, are permitted to possess two pairs of winter gloves, whereas a woman has to get along with one pair.

Wedding at St. Luke's Anglican Church, Eardly

(From Pembroke Bulletin)
A pretty August wedding was solemnized Tuesday in St. Luke's Anglican Church Eardly, when Carl McLean, Schumacher, son of Mrs. Frederick McLean and the late Mr. McLean, of Eardly, and Miss Marion Poole, only daughter of Mrs. George Poole and the late Mr. Poole, of Beech Grove, were united in marriage. The ceremony was performed by the Rev. Liddon Nesbitt, Quyon. Given in marriage by her brother Harry Poole, Schumacher, the bride was attended by Miss Loyla Craig as bridesmaid. Mr. Percy McKibbin acting as bestman. The wedding music was rendered effectively by Mrs. Robert McMullen. The bride was charming in a street length frock of Queen's blue lace over taffeta, designed on simple lines with a V-neck fitted bodice and short puffed sleeves. With this was worn an off-the-face hat of blue velvet, blue suede shoes and lace mittens. She carried an arm bouquet of tallian roses and pink gladioli. The bridesmaid was gowned in pale green triple sheer with matching accessories, and a shoulder corsage of Johanna Hill roses and gladioli. Mrs. Poole, mother of the bride, was dressed in navy blue sheer, navy accessories and carried a corsage of gladioli. Mrs. McLean, mother of the bridegroom, wore a gown of figured navy crepe, navy hat and shoes, and wore red roses. Mrs. Harry Poole, Schumacher, wore yellow sheer over figured taffeta with white accessories, yellow roses were worn. Following a reception held at the home of the bride's mother, Mr. and Mrs. McLean left on a short trip to Quebec City and other points, the bride travelling in hunters green with green accessories. On their return they will take up residence in Schumacher.

made cake. It was unwritten law in our household that the Saturday cake could never be cut until Sunday.

I would never go so far as that myself; instead, I would just make a bigger cake. I would also choose one, which if it happened to survive the week-end will keep fresh as long as it lasts.

Of course, in hot weather, most frostings do not keep quite so soft as they do in cold. A butter frosting will be satisfactory if the cake is kept in the refrigerator; well covered, of course, to prevent the drying of the cake itself. I have also had good results with the frosting which is known as seven minute and which is so easy to make, when I add an extra amount of corn syrup.

I am giving you my very favorite cake recipe today. Don't comment that it is expensive. I know it, but it's worth the cost.

Severe Restrictions Now on the Women in Germany

What would Canadian women think of a regulation like this? A woman in Germany, under the present regulations, may not buy anything new if she has: Two dresses, three sets of underwear, two nightgowns or pyjamas, two petticoats, six pairs of stockings, six handkerchiefs. Men have to get along with two suits and three shirts. But what might be more embarrassing to them is the fact that they are permitted only one stick of shaving soap for five months. Two pair of shoes will suf-

How Women in Their 40's Can Attract Men

Here's good advice for a woman during her change (usually from 35 to 40), who fears she'll lose her appeal to men, who worries about hot flashes, loss of pep, dizzy spells, upset nerves and moody spells. Just get more fresh air, 8 hrs. sleep and if you need a reliable "WOMAN'S" tonic take Lydia E. Pinkham's Vegetable Compound, made especially for women. It helps Nature build up physical resistance, thus helps give more vivacity to enjoy life and avert coming jittery nerves and those disturbing symptoms that often accompany change of life. Pinkham's is WELL WORTH trying.

Mrs. F. Walker, of Harris Township, Buried Last Week

(From New Liskeard Speaker)
Death called another northern pioneer to her last reward, in the person of Laura Jeannette Weston, beloved wife of Frank Walker, of Harris Township, who passed away at her home on Saturday last in her seventy-first year, following an illness extending over the past year. Of a disposition that made her a host of friends throughout the countryside, Mrs. Walker thought more of taking care of the flowers and the birds than many persons do of humans, (but was always ready to lend a helping hand to anyone in need), and her flower gardens were one of the show places of the north. Mrs. Walker first came to Canada from London, England, with her husband about twenty-seven years ago, and the following year the couple were joined by their family. The family lived for a time at New Liskeard, later taking up residence on the farm where she died.

Surviving, besides her husband, are three daughters, Mrs. J. W. Gadsby, New Liskeard; Mrs. D. Carr, Harris Twp.; Mrs. M. McChesney, Timmins; and three sons, Reg. of Timmins; Frank of Kerr Lake, and Vic of New Liskeard. Mr. and Mrs. Walker celebrated their golden wedding on Easter Monday of this year.

Funeral services were conducted at the home on Tuesday afternoon by Mr. Ray Stubbs, student pastor of Hanbury college of the United Church, and friends gathered on the lawn amidst the flowers that the deceased loved so well. Following the short service at the home, a public service was held at St. John's Anglican Church by Rev. R. H. Fleming and was largely attended. Interment took place in New Liskeard cemetery. The pallbearers were the three sons of the deceased, two sons-in-law and Wilfred Tucker.

Haileybury Store Goes on Strict Cash Basis

Merchants and others will have considerable sympathy for Whitty's Pharmacy in Haileybury in the notice issued last week, with appreciation of the frankness and courage shown and hope that the firm will be able to put the new plan in effect. The notice says:—"So great an increase of charge accounts has been made with us this last year, we find that our limited capital simply cannot finance a further continuance of it and compete with city prices; therefore commencing Sept. 1st, we will be forced to operate on a strictly cash basis until conditions are improved."

Credit is one of the problems in this North and is a handicap to many businesses. There are so many businesses in practically every line that competition is so keen that it is difficult to do anything about it. When effort is made to take drastic action in the matter, the experiment will be watched with very general interest by many.

TO-DAY'S FASHIONS

Fashionable favorites. By VERA WINSTON

PIEBED fabrics such as faille, bengaline and gros de Londres emerge as fashionable favorites this autumn. We use such fabrics used for suits, frocks, coats and accessories. Here is a new hat and a new bag of faille. The hat is combined with suede felt; its high pushed-in crown and forward movement are indicative of the new trend. The large bow and streamers are of the faille, and a snood holds the hair in place. To complement the hat, we show a handsome bag of suede and faille, the latter fabric draped softly over either side and pulled through the covered frame. The frame conceals a slide fastener.

Timmins Young Man Wed at Westmeath Church

Pembroke, Sept. 4.—Of interest to North Bay and Timmins people was the marriage August 29 in Our Lady of Grace Catholic Church in Westmeath of Miss Mauriela H. Laderoute, daughter of Mr. and Mrs. Alfred Laderoute, of Westmeath, to R. A. Desllets of Timmins, son of Mr. and Mrs. John Desllets of North Bay. Rev. J. L. Bourke conducted the ceremony.

The bride, who was given in marriage by her father, wore a white lace gown over satin, cut on princess lines with Queen Anne collar, and a crepe turban with three-quarters net veil. Her accessories were white and she carried a bouquet of pink and white gladioli.

The bridesmaid, Miss Dora M. Laderoute of New York, sister of the bride, wore a gown of green blue net with matching hat. She carried a bouquet of white gladioli and blue corn flowers and wore white accessories.

The flower girl, Miss Neida Plummer, wore a gown of white and carried a basket of pink and white asters. The best man was Leo Marleau. The wedding music was rendered by the choir with Mrs. Paul Wyman presiding at the organ.

Following the ceremony, a dinner was served at the home of the bride's parents with 30 guests in attendance. The couple left immediately for Niagara Falls and western points. On returning they will spend a few days in Westmeath and North Bay, where they will visit with the groom's parents before returning to Timmins. They will reside in Timmins.

Out-of-town guests at the wedding were Mr. and Mrs. J. Desllets of North Bay, Miss Dora Laderoute of New York, Mrs. E. Wing and Mrs. O. V. Johannson of Detroit, and Mrs. Frank Rose of Fort Coulonge.

Motorist Destroys Fifty Yards of Fence on Highway

The Haileyburian last week told of fifty yards of fence wire and posts being broken down by a motor car on the highway. The Haileyburian says:—"Fifty yards of fence wire and about ten posts were entangled with a motor car following a highway crash investigated by Provincial Constable Wm. Byrne on Tuesday night, just opposite the plant of the McNamara Construction Company, on the main road north of Earlton. Elvin McFarlane of Charlton was the driver who got mixed up in the wire after he had crashed into the rear of a car driven by Fred Nevera of Kirkland Lake, which had attempted to pass as both were travelling north. After practically tearing the rear end out of the Nevera car, McFarlane swung into the ditch on the west side and from there into the fence, finally coming to a stop more than 20 yards into the field which the fence was protecting. Nobody was hurt, but McFarlane will face a charge of careless driving, Constable Byrne said."

What to Do by Phyllis Belmont

THE sorority I belong to is going to have a formal dance very shortly. I would appreciate very much if you would advise me as to whether it is entirely proper for a girl to ask a boy to escort her. Should the girl expect the boy to pay for the tickets or does the boy expect the girl to do so? This question has me puzzled. Thank you.

UNCERTAIN GIRL.
Answer—It seems to be the custom for a girl to ask the boy she wishes to take her to a sorority dance and to pay for his ticket. He is generally a boy who has shown her special attention through invitations to movies and dances and this is a very nice way to show him her appreciation. The price of the ticket is the least expense connected with the dance—it is like a pudding without the sauce and garnishing. For if the boy has no car he takes the girl in a taxi and if a supper follows the dance, he takes care of that expense, too. And a boy usually will ask the girl what color of flowers she would like to wear to the dance.

Cosmetics You Might Try for Summer Grooming

It is with fear and trembling that a beauty editor tells you of cosmetics which has stood up under her personal tests—for cosmetics which are most satisfactory to one woman may be not at all satisfactory to another. But here goes, and it is up to you to try them or not. I just thought you might like to know about them as they are unique.

Cosmetic Tooth Paste

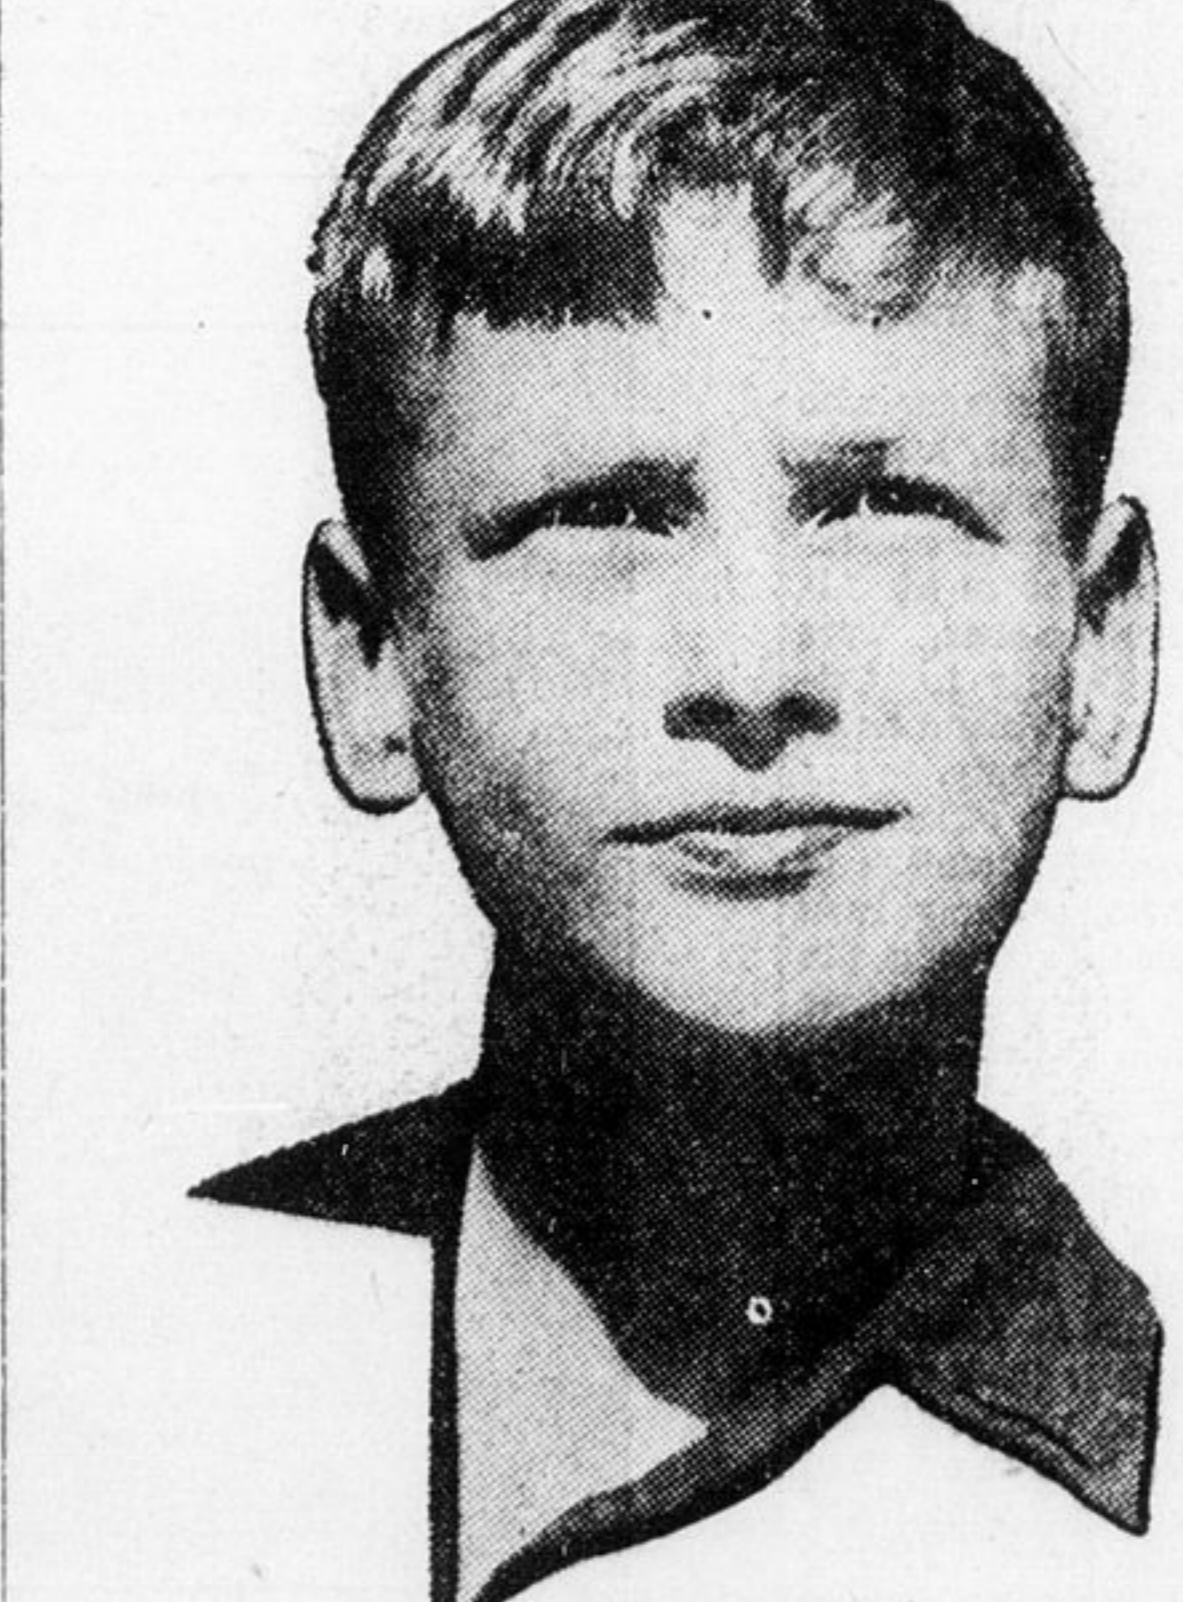

A perfectly reliable tooth paste has made its debut which tints your gums a pretty natural pink as you brush your teeth! Its harmless colouring lasts them three to four hours and when you smile your teeth seem whiter and your gums look rosy and healthy. Of course you must brush your gums with the brush, as well as your teeth, and this gives a much needed massage two or three times a day. Naturally it costs more than the average tubes of paste.

Dry Shampoo

There definitely are times during the summer when a girl wants to use a waterless shampoo and it is good news to say there is one which seems to leave your hair clean and glossy with the minimum of effort. When poured on your hair and massaged with the fingers it forms a miraculous lather which you simply wipe off later with a fresh towel. Your hair quickly dries and you then give it a good brushing with a clean hairbrush. Girls with very dry hair, or hair which has had too many dunks in the lake or ocean will adore it.
