

It's OUR Anniversary but we want YOU to help us celebrate. 32 years during which we've seen the NORTH rise to its present position, is a long time for any business to last. That we've managed to achieve it is just as much a tribute to every loyal customer as it is to our business policies . . . and the desire to do a better kind of job in our own particular sphere. We know of only one way to express our thanks to everyone—an Anniversary Sale!
