# Armed Man Steals Plane at Sudbury

# Timmins Young Man to Face Charges Here and at South Porcupine

Jerry McNulty Sentenced to Two Years Less a Day at Sturgeon Falls Last Week Will Answer to Serious Charges in South Porcupine and Timmins Courts.

Locked up in Timmins jail, Jerry Mc-Nulty, who was sentenced to two years less a day for the robbery of the J. S. Jean & Sons hardware store at Concharged with robbery with violence and with theft of a car from Frank Laface in the early morning of Oct. 4th at Timmins when he is alleged to have assaulted Laface and taken \$50 from him and to have stolen his car which was later in the same day abandoned.

McNulty, along with Romeo Mayer and Jeanne Seguin, will also face trial in South Porcupine on Tuesday morning for breaking and entering and theft of goods from the Marshall-Ecclestone hardware store on the night of Sept. 30th. Police Chief Charles McInnis of South Porcupine, and Constable Harold Gall of the Provincial Police at Timmins, brought the prisoners here from Sturgeon Falls.

Despatches last week from Sturgeon Falls say that McNulty pleaded not guilty to the charge of robbing the Coniston store, and then went on to explain that on the night of the burglary he pulled up his car in front of the store and noticing a light burning he entered, the door being unlocked He told the court that he had taken the watches, pens, cigarette lighters, dresses, shoes, hats, gloves, etc., but that the other accused were not involved. On a second charge of assaulting Clement Bourassa, he pleaded guilty and was given thirty days, to run concurrently with the other term. Mc-Nulty and three others were in a Sturgeon Falls beer parlour and McNulty, taking a sudden dislike to Bourassa, threw a hard-boiled erg at him. Police were called, and McNulty was being questioned at the police station, he made a sudden dash for freedom. This roused the suspicions of the police that something more than an assault case was involved. Merchandise from the Coniston store was found cached along the Field road, and radios and flashlight believed to be from the South Porcupine store were later found in private homes at Sturgeon Falls. Romeo Meyer followed McNulty in the morning Stormy and colder weather prisoner's dock and pleaded guilty to will be upon us, he said. complicity in the Coniston robbery. He was sentenced to fifteen months.

# **Taggers** Wanted for S.A. Tag Day

Salvation Army to Hold Tag Day for War Work on Tuesday.

The Timmins Salvation Army is asking two things this week. First, taggers are wanted for the Salvation Army Tag Day for war world to-morrow (Tuesday), and second, generous response is asked for the tag day. Any young ladies who will assist in the tagging should phone Major Cornthwaite, phone 2458. The tag day to-morrow, Tuesday, Oct. 17th, is for funds to carry on the war work of the Salvation Army. This war work won the greatest appreciation in the last war. All soldiers speak in the highest terms of it. The Salvation Army intends to carry on the good work in this war. Already there are 50 or 60 S.A. huts established in France, as well as one at every camp in Britain and in Canada. The Salvation Army looks after the spiritual welfare of the soldiers but also does not forgotten the health or comfort of the boys. Anything given to this fund will be a truly patriotic contribution. Every donation will help some soldier, and every dollar of this fund goes to the war work of the Salvation Army.

# Lions Present Red Cross President with Cheque for \$500 for Campaign

Mr. Austin Neame, President of Timmins Red Cross, Reviews the Work of the Society in Peace and War at the Regular Meeting of Timmins Lions Club. Many Points of Special Interest.

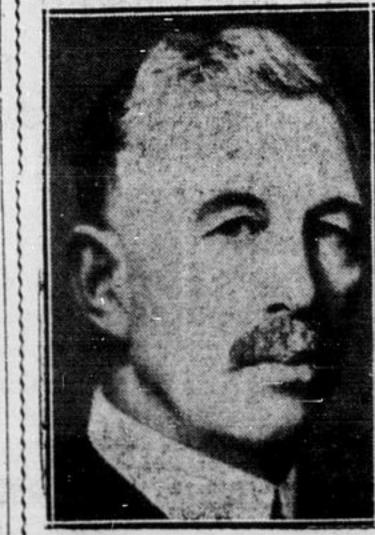

An explanation of the war-time and peace-time activities of the Canadian Red Cross was given to the Timmins Lions Club at their Weekly meeting on Thursday evening by Mr. Austin Neame, president of the Timmins Red

Lions President Wm. King made official presentation to Mr. Neame cheque for \$500 to the local Red Cross from the service club as its share toward the campaign for funds which

will commence on Nov. 13th. Introduced by Lion Walter Greaves, Mr. Neame outlined the formation of the Red Cross Society and traced its growth throughout the years during war and in peace. The speaker noted that supplies sent overseas during 1914-1918 by the Canadian Red Cross totalled 341,325 cases, of which 147,270 were supplied to hospital units in England. In addition to the assistance to France; supplies were sent to the allies in Serbia, Belgium, Roumania and Italy, Of particular interest was the fact that during the war they built and equipped a hospital at Vincennes, near Paris, costing \$375,000 and at the end presented it to the French nation as a gift from the people of Canada.

Several suggestions are made for the possible reasons for this unusual theft. Of course, there is the war angle, with suspicions of possible spying or sabotage in the North or elsewhere. There may bea less romantic reason. For example, the thief of the aeroplane may may have used this method to get away. Again, it may be that the plane is to be used for large scale highgrade ring purposes or other nefarious work in everyday crime.

Police in all large centres in the North have been asked to keep a sharp lookout for the stolen aircraft.

On Thursday evening last a mass meeting was held in the town hall, the suggested admission fee being one or more articles of clothing to be sent by the I.O.D.E. for the use of the evacuated children of England. The event was a good success in every way, except in regard to the attendance, the weather being unfavourable. The Timmins Golden Chapter Daughters of Empire had charge of the event and carried it through with the usual success attending events under the same auspices. A number of gifts were left in the afternoon by some who were unable to attend the evening event.

Mayor J. P. Bartleman occupied the chair for the evening and introduced the other speakers, Mr. A. Neame, president of the Timmins Red Cross, Rev. Fr. O'Gorman, of the Church of the Nativity, and Rev. Canon R. S. Cushing, rector of St. Matthew's Anglican

Mr. Neame asked the audience to try and visualize what the big cities of England must be like with the voices of the children hushed, the schools closed,—the sadness of parents in parting from their little ones, but so brave, ready to look after the boys again knowing that they must carry on. He felt that in Canada no better work could be done than to help to make these British lives a little brighter with a few extra comforts and the knowledge that their friends the Canadians were thinking of them.
