

Timmins Rugby Teams Score Double Victory In Week-end Fixtures

Senior High School Team Upset Kirkland Lake 10-6 to Stay in Running for Title. Juniors Shut Out Cochrane 11-0 and Gain Second Place Tie in Group Standing.

A determined band of Timmins High and Vocational School senior gridlers fighting a staid elimination handed Kirkland Lake seniors a big surprise when they scored a 10-6 win over the league leaders right in Kirkland Lake on Saturday. The victory marked the first one this season for the light and inexperienced Timmins aggregation and came as a result of good, steady work by the linemen and steady kicking accounting for their success.

The Timmins juniors also stayed in the running by defeating Cochrane juniors in the northern town 11-0, while Troquois Falls were winning from Kirkland juniors.

Coach Don Clarke's Timmins seniors were smart enough to take advantage of the high wind at their backs in the first and third quarters during which they counted all their points and then held Kirkland Lake at bay until well into the last period. Imbued with a will-to-win, the Timmins team paid particular attention to stopping the back through the centre which Kirkland found to be their best ground gainer in their previous two victories over Timmins.

About four minutes after the start of the game Timmins counted their first point when Toderon went down fast under one of Syl Moro's kicks and made the tackle. A Kirkland Lake fumble gave Timmins possession about 35 yards out and led to a major score. Two end runs got nowhere but on the third down Kirkland rushed the kicker and were penalized 15 yards. On the first down Crocco sifted through the line for 17 yards for a touchdown. The attempted convert by a placement failed and the period closed with Timmins leading 6-0.

By good defensive work Timmins kept the home team off the score sheet in the second quarter. Moro went down fast under one of his kicks, a short one, and gained about 30 yards on the play.

Timmins were penalized 5 yards for interference on the kick-off starting the second half but even then they scored another single when Moro kicked to McNaughton behind the Kirkland Lake goal line and the ball went off the latter's boot into touch when he attempted to return it. A 65-yard hoist with the wind by Moro led to Timmins 8th point as McCoy made the tackle on the next kick. The home team were penalized 25 yards and one man off for 5 minutes for roughing and Moro kicked Timmins' last two singles.

In a vain attempt to pull the game out of the fire, Kirkland tried a few forward passes in the closing period but did not connect until about five minutes before full time. Timmins nearly intercepted one when Gregoris and Everard leaped high into the air reaching for it. The former got his hands on it but couldn't make it stick and it went as incomplete. The Timmins line smashed Kirkland's first serious scoring threat when they broke through and blocked an attempted placement kick from in close.

The home team's only score came after Redmond tossed a forward pass which was completed and the receiver brought down one yard from the Timmins' goal line. On the first play, quarterback Kolvauchuk went over for a touchdown which he converted with a drop-kick. There was no further scoring.

Most of the Timmins players made their best showing of the season in gaining the victory. Eric Ormston at middle wing was strong on the offensive line where his deadly tackling played a big part in stopping the Kirkland line smashes. Nick Gregoris, playing his first game as snap, was getting the ball out like a veteran and then went back to catch the kicks. Syl Moro handled the team coolly at all times and used excellent judgment in calling his plays from his quarterback post. In his first kicking assignment, Moro actually outkicked the Kirkland halves on the day. Crocco was also strong on

the secondary, while Minthorn and Toderon at outside cut down the dangerous Kirkland end runs repeatedly. Aaltonen and Lachapelle held up in the centre of the line in their first starting efforts, while Amadio, B. Carson and Everard, the other halves played good ball, as did Gervais, at inside.

Timmins—Quarter, Moran; halves, Everard, Carson, Crocco, Amadio; snap, Gregoris; insides, Gervais, Lachapelle; middles, Ormston, Aaltonen; outsides, Toderon, Minthorn.

Kirkland Lake—Quarter, Kovachuk; halves, McNaughton, Slevert, Redmond, Armsirong; snap, Martin; insides, Jowett, Harriman; middles, Assad, Hodgkins; outsides, Boyce, Barrett, Bert, Giddis, Kydd, and Samson.

Officials, Kydd, and Samson.

Juniors Made Nice Win

Scoring two touchdowns in the first half, Timmins High and Vocational School junior rugby team had no difficulty defeating the inexperienced Cochrane juniors 11-0 at Cochrane on Saturday. Showing their superiority in all departments, the Timmins squad coached by Howard Rucnals and Fernande Gauthier did not attempt to pile up a score.

Of particular interest was the success they had with their short forward passes in spite of a wet ball and a muddy field. Altogether they completed six out of eight short ones for gains averaging eight yards each.

Not long after the opening whistle Timmins scored five points when Telkinnen skirted the end for 25 yards and crossed the line standing up. A placement for the convert failed. Timmins' second touchdown came in the next period as the result of a long run when Quarterback Koski picked a hole in the Cochrane line and sneaked through for a 20-yard gallop across the goal line. A placement for the extra point was no good and the score stood at 10-0 for Timmins. The locals got their final point on a rouse in the last period.

The Timmins line-up was Koski, quarter; Ikonen, Pellazeri and Telkinnen, halves; McLean, snap; Racine and Martin, insides; Pretule and Church, middles; Moro and Roy, ends; Glaister, Beaulne, Kaufman, Ormston, Warren, Turcotte, Senek, Sunega, subs.

Have Large Squad for First Drill of Blue Devils

Kirkland Lake, Oct. 16th.—Lake Shore Blue Devils get their first ice drill of the training season at the Arena here this afternoon when Coach Lex Cook will lead a squad of 18 players in limbering up their skating legs. The players will then practice regularly in preparation for their defense of the Northern Ontario championship.

Manager Bill Brydge has booked pre-season exhibition games with Atlantic City Seagulls of the United States Amateur League.

The chief absentee of last year's strong aggregation is Don ("Count") Grosso, who turned pro when the Blue Devils were eliminated and is now trying to win a place with Jack Adams' Detroit Red Wings in the N. H. L.

Eight players will be making their first appearances in Lake Shore uniforms although one, Scotty McPhail, defenseman performed here last season with the Toburn Beavers. Mel Snowden, Johnny McCreedy and Dick Kowcinak are newcomers from the world's championship team, Trail Smoke Eaters. Zeke Ferley will oppose Bill Durman for the goalie job. Ferley hails from Sherbrooke and played with the Memorial Cup Winnipeg Monarchs in 1937.

Frank Stahan, for Creighton, rounds out the string of imported defensemen, bringing the number to three. Art Stuart and Joe Brown, two centres, complete the list of recruits to the Shore brigade.

Remainder from last year is Bill Durman in goal, and Cook, Ray Milton and Doug Boston on the blue line patrol. Up forward there is the famous C-B-S line of Cooper, Bellingier and Smith—an importation from Sudbury. Kenny Grivel, Al Campbell and Bobby Walton are the makings of another three-fold attack unit.

Goebbels Claims Germany Will Make Things Bad Here

(From Blairmore Enterprise) A Polish officer who flew to Budapest from besieged Warsaw told newspapermen that some captured German prisoners were found pamphlets promising them that by Christmas Propaganda Minister Goebbels would speak to them from London.

Gambles in Second Place in Series in Bowling League

T. & N. O. Bowlers Top the League from the Bottom.

The race for the leadership in the Commercial bowling league finished close after last Friday's games, when The Advance checked the Power to split the points. Gambles came within an ace of the lead by taking all four points from the T. & N. O.

The standing of the teams to date: Power, 13; Gambles, 12; Advance, 9; and T. & N. O., 5 points.

Nine men reached the honour roll: P. Hornby and A. Guidice, Advance, 751 and 609; M. Berardini, H. Webb and E. Salcman, Power, 661, 693, and 617; C. Armstrong and J. Lee, T. & N. O., 640 and 633; P. Nicolson and Lambert, Gambles, 635 and 622.

	Power	Gambles	Advance	T. & N. O.
Berardini	272	188	201	661
McQuarrie	207	137	145	639
Towers	124	158	180	463
Salcman	177	212	228	617

Gambles, 4 points; T. & N. O., nil.

Maple Leafs Hope to Break Jinx in Porcupine Visit

Red Cross to Benefit by Visit to North of Hockey Team.

When the Toronto Maple Leafs come to the McIntyre Arena to bring big time pro hockey to the Porcupine camp on the 26th and 27th of this month, Conny Smythe, No. 1 boss of the Leafs, hopes to remove the jinx which has kept the big blues from the Stanley Cup for the last several years.

Jack Cusak, chief constable of the Spruce Falls Pulp and Paper Co. at Kapuskasing, is the medium through which the superstitious Smythe hopes to break the spell which misfortune has had over the Leafs. Cusak, who is an expert in callisthetics, was in charge of the training drills a few years back when the Toronto team trained at St. Catharines and then went on to win the Stanley Cup, and Smythe figures that with his hockey troupe again at the Garden City for pre-season workouts all that is needed to bring the favour of Lady Luck to his squad is to have Cusak here to talk to the boys at the arena next week.

So the genial ex-Toronto policeman, who is one of the most enthusiastic supporters of the Leafs is not only coming here himself but has arranged for a special train from Kapuskasing on Friday the 26th to bring other hockey fans of the district. The special will make stops at Smooth Rock Falls and at Cochrane and it is expected that a couple of hundred fans will be on it.

The Red Cross Society will benefit to the extent of 25c for every train ticket sold from Kapuskasing on the excursion.

The Leafs are bringing a full squad of twenty-six players to Schumacher. The Northern tour will start a week from to-night with a game at Copper Cliff and then the pros will swing over to Kirkland Lake for games on the 24th and 25th before coming here.

Youthful Girl Cyclist Injured When She Hit Truck

Louise Southam, aged 12, of 49 Lake Shore Road, suffered cuts to her face when she ran into a truck as she was crossing the intersection of Sixth Avenue and Mountjoy street on a bicycle on Friday evening.

Riding west on Sixth avenue, the youngster is said to have failed to stop at the stop street and drove into the front fender of a truck driven by Ovilva Lapierre, of Val Gagne.

Catholic Young People Plan to Organize Here

Preparatory to organizing a branch of the Catholic Youth Organization in Timmins, Catholic young people of Timmins met in the Palace theatre last night and heard several addresses from local and outside speakers.

The chairman of the gathering was Arnold Gleason, of Timmins, and the chief speaker, was Rev. Fr. O'Gorman, who urged the young people to organize themselves and to be ready to do their full patriotic duty to the community and the country.

Stratford Beacon-Herald:— Incredible as it may seem, a messenger boy was overtaken recently by a bolt of lightning while on an errand.

Nickel Belt Fans May Not See the Maple Leafs

Hockey fans of the Nickel Belt may not get a chance to see the Toronto Maple Leafs after all when the N.H.L. pro hockeyists swing through Northern Ontario for exhibition games at Schumacher and at Kirkland Lake. The management of Stanley Stadium balked at the terms offered by the Leaf management to take the team to Copper Cliff for an exhibition, claiming that the cost would be too high.

There is still a chance, though that the Leafs will play there since Wilfred "Shorty" Green, former New York American puck-chaser, and one of the leading figures in Sudbury's Lions Club, is investigating the possibility of getting the service club to sponsor the game as a means of raising money for the Christmas cheer fund.

If a game is played at Copper Cliff it will be on Oct. 23rd.

Suggest Zone System for Softball in the North

Officials of the Ontario Softball Association are recommending a zone system for Northern Ontario for next season in order to guard against this section becoming unwieldy. It is hoped that there will be three zones and each zone will declare a winner to proceed in the play-offs.

Another Open Week for Partridge Next Month

Although the week's open season for partridge hunting in this district ended on Saturday, hunters will have another chance when a further open week will be permitted in November.

While not plentiful, hunters reported that they were able to obtain their limit in the Porcupine district except in the places which were better known and more easily reached. Most of those who went well into the bush came back satisfied.

The new season will open on Nov. 6th and continue to Nov. 11th, both days inclusive.

Barney Sky Gives Invention and His Services to Empire

Left on Sunday to Take up New Duties in Service of Canada.

Mr. Bernard Sky, well-known as one of the pioneer business men of the Porcupine area, and prominent among the Jewish people of the community, as well as specially popular with all classes and creeds in the community, left yesterday for Ottawa to enter the service in connection with Canadian and Empire defence.

Failing to be accepted as medically fit for overseas services, after several trials, Mr. Sky was able to realize his ambition to serve the cause in another way. He has invented a new plan of camouflage that has been accepted by the Militia Dept., as especially effective. This he offered to give to the Government, together with his services, without charge or cost. The offer being accepted after fullest consideration, Mr. Sky was called back to Ottawa to take up his new duties. Apart from activity in several lines of business and his interest in every worthy community cause, Mr. Sky has been particularly well and favourably known for his management of the annual Purim Ball, which he has made a regular grand community feature. "You can expect me back to help put over the Purim Ball next year, again," Mr. Sky said on Saturday.

Sudbury Star:—The people back home begin to grumble at the inaction along the Maginot line. We remember when all quiet on the western front was considered good.

Sudbury Star:—A chorus girl gets her 40 winks every night, but they're always from the front row.

Auspicious Opening of Badminton Club for the Season

Dance of Special Interest Held on Friday Evening.

The Porcupine Badminton Club opened its fall and winter season with a successful and entertaining dance in the Badminton club on Friday evening. A large number of members and their friends were present to enjoy the delightful occasion, and to officially usher in another year of social activity at the club.

Music for the event was ably supplied by the Buffalo-Ankerite Orchestra, directed by "Rick" Roberts. The ladies were charmingly attired in the newest of fall formal wear, their colourful evening dress adding much to the entertaining occasion. A delicious buffet lunch was served.

This is the first of the dances planned by the club for the year. It is planned that a dance will be held probably every month, as well as other social events for the members.

Bravery of Boy of Twelve Saves Sleeping Family

(From Northern News)

Val d'Or—An act of heroism on the part of a 12-year-old boy saved the lives of a sleeping family as flames ate their way through the Trench Avenue house occupied by the brave young schoolboy and his family early Friday morning. Awakened by some unkind instinct, Freddie Pelletier was the first to know of the danger which threatened his mother, two brothers and a sister as well as other occupants of the house owned by Miss Gervais of Val d'Or, but occupied by his family, and his clear and fast thinking was responsible for the saving of more than one life, as the fire was of such a nature that little in the house was saved before the flames had been brought under control by the Val d'Or fire department.

While Freddie assisted his mother and others from the house, his sister, whom he had previously aroused, ran to a neighbor and telephoned in the alarm which brought the local fire brigade.

Sudbury Badminton Loop Adopts Five-Event Game

To avoid the possibility of split points and ties at the end of the season, the Nickel Belt Badminton Association has adopted a five-event game for this coming season instead of the six-event games of last year.

Eight clubs were represented at the annual meeting of the Association and officials and players have ambitions for the Northern Ontario championships which will be played at Schumacher next year.

Regimental Course of Infantry to be Conducted Here

To Commence on October 23rd.

A regimental course of Infantry (Rifle) has been authorized by Brigadier R. O. Alexander, D.S.O., District Officer Commanding Military District No. 2 for 2nd Lieutenants and N.C.O.'s of the Algonquin Regiment, to commence on the 23rd October, 1939.

In Timmins the course will get under way on Thursday, October 19th, with a registration of candidates desirous of qualifying, and a distribution of syllabus to those candidates. From then on the course will be conducted on Tuesdays and Thursdays from seven-thirty to ten o'clock in the evening. The first part of the course will consist of a certain amount of Squad Drill and Weapon Training, combined with lectures on General Organization, Administration, Map Reading, Tactics, and Military Law. Later there will be further lectures on Tactics and Field Engineering and Technical subjects peculiar to an Infantry (Rifle) Battalion.

The examination will consist of two papers, the first is taken by candidates to all branches of the service and the second is a special paper taken by Infantry candidates alone. Other branches of the service would take a special paper covering subjects connected with their branch.

Officers and N.C.O.'s who pass this examination successfully will probably proceed to Toronto, or some other military station for a two weeks' practical course to complete their qualification. The course will be conducted in Timmins, by Major W. F. Morgan, M.C., E.D., assisted by Captain A. K. Stirling.

Even Their Present Names Were Appropriated by Them

Brookville Recorder and Times:—It is a strange coincidence (but quite in accord with their characters) that the two men who are today regarded as the greatest menaces to world freedom should be both travelling under assumed names. The dictator we know as "Stalin" (meaning "steel") was christened Joseph Dzhugashvili, and his mother called him "Soso" while the boy who has become Adolf Hitler bore quite a different and less pronounceable name during his early days in Austria. The rank-and-file of democratic people know them, however, by many other and far from complimentary aliases.

Sudbury Star:—The people back home begin to grumble at the inaction along the Maginot line. We remember when all quiet on the western front was considered good.

Several Amendments to Constitution of Northern Baseball Association

Annual Meeting Held at Kirkland Lake Yesterday. Major Officers Re-elected by Acclamation. Change in Residence Rule. Special Residence Rule for Recruits.

Rains Delay Start of Public School Soccer League

Schedule Calls for Senior Games on Tuesdays and Thursdays, Junior Games Monday and Wednesdays.

Junior and senior soccer teams of the primary public schools of Timmins are scheduled to play two games each this week at the Hollinger athletic field, rain and wet grounds having delayed the opening of the schedule last week.

The schedule calls for senior games on Tuesdays and Thursdays and junior games on Mondays and Wednesdays. The president of the Association, Mr. Jas. V. McClung, of Central School, announced that the junior fixtures originally billed for Oct. 11th would be played on Nov. 1st and the postponed fixture on Nov. 2nd.

Several amendments to the constitution were passed. A change in the residence rule now requires that transfers must be obtained and must be approved by the executive or sub-committee for any inter-association moves after March 15 of the playing year and any player in this class cannot take part in any regular league game until such transfer has been ratified.

Open Season for Deer and Moose Started To-day

Little Game Close to Timmins, Game Warden Points Out.

Moose and deer, especially the former, are plentiful but hunters have to go after them if they expect success. Game Warden Phil Boudreau declared to-day, advising Timmins hunters to go well into the bush if they expect good shooting, in the hunting season which opened yesterday and which continues until Nov. 25th.

"There are a lot of moose and deer, but they are back in far, so that it is quite a job to get in at them," Mr. Boudreau said, recommending Whitesides and Keefe Townships as good areas. "It is a real hunters' paradise in there," he stated, pointing out that there were few to be found within fifteen miles of the Porcupine camp as they had all gone further back.

About a dozen deputy-game wardens have been sworn in under Mr. Boudreau to see that game laws are observed. The territory under control by the local Game Warden extends to Kenora, Nighthawk Lake, Frederickhouse and south from Timmins about 45 miles.

Only Pennies Missing at Store Entered in Town

When the Taylor Hardware store was opened this morning it was found that the place had been entered over the week-end but a check revealed that only a few coppers had been taken and no stock was missing.

Investigations by the police indicated that a young boy was responsible since entrance was gained by climbing through a small cellar window after removing the screening and breaking the glass with a rock.

Young Boy Injured by Hit-and-Run Driver on Friday

A hit and run driver who struck and seriously injured Lucien Blais, 11-year-old Timmins boy, as he was walking along on the Mattagami bridge on Friday evening at 6.25, is the object of a search by the Timmins police.

Young Blais was struck by a truck which was said to have been going at a terrific speed across the bridge. The youngster was rushed to St. Mary's hospital where he is being treated for skull injuries.

Globe and Mail:—Sir Ernest MacMillan thinks Hitler imagines himself a Wagnerian hero—perhaps Lohengrin. But Lohengrin was quite a decent fellow, who rescued a princess—and married her.
