Hallowe'en Happy Time at South Porcupine With No Damage Done

Great Array of Costumes. Some of the Smaller Youngsters had Costumes of Particular Charm. Event a Very Happy Occasion. Adults Enjoyed Parties. Other South Porcupine and Dome News.

South Porcupine, Nov. 1.—(Special to The Advance)—Hallowe'en is now a thing of the past. Every child in town under the age of 18 called on us last night, and on all the neighbours too. Costumes were diversified.

While the same old last minute costume of brother-and-sister exchange and blackened faces with long indescribable feminine garments were well to the fore, some of the smaller youngsters came in costumes that were really charming. And such polite parties! No yelling, no screaming, no rudeness!

They came in droves party after party, each with a large bag or pillow case held out invitingly. One small boy brought his little dog on a leash who, after the hand-out had been safely deposited in the bag, was told to say "Thank you"—which he did by standing on his hind legs and barking. We really believe he enjoyed the Hallowe'ening as much as his master.

All kind people, in South Porcupine (and there are many!) lay in a stock of candies, apples, and peanuts on this night of nights, and enjoy the fun with the kiddies who called.

And we are informed today by all these folks, that in no single instance were they annoyed in any way by these small brigands.

Which speaks well for the training our children are getting in politeness and the proper way to conduct themselves from our teaching staff at school.

Last Friday they all had a party at school and we believe that all were told not to get into mischief on Hallowe'en.

Well, teachers, give them a word of praise. They didn't!

We are mentioning only lightly that possibly two gates and three garages cans up our street found new temporary homes!

Hallowe'en parties and dances were of course the order of the day.

At the Parish hall over thirty members and friends of the A.Y.P.A. gathered at a Masquerade party at 8 p.m. Miss Ethel Jones as a Mexican gentleman won the ladies' prize for the best costume, while Jim Curtis as "Sleepy" won the prize for the best men's costume. The evening was spent in games, dancing, fortune-telling, and the spinning of ghost yarns. Lunch was served at a table at which the young people had excelled themselves in preparing Hallowe'en favours in form of pumpkin faces made from apples, candle-sticks made from black and yellow jelly-beans, and long black and yellow streamers for decoration, set off a most delicious lunch featuring those dainties which are linked with Hallowe'en festivities. The young people ate lunch by candle-light. The president, Miss Ione Andrew, presented the Past President, Miss Kathleen Woodall, with a Past President's pin in appreciation for work done during the past year. Next Wednesday is Educational meeting under the leadership of team B.

South Porcupine, Nov. 1.—(Special to The Advance)—The next big public function at South Porcupine will be the observance of Remembrance Day on November 11th. Poppy Day will be observed here on Friday, Nov. 10th. In aid of the disabled war veterans in Canada and to provide Porcupine District citizens with a token of Remembrance Day members of the Ladies' Auxiliary of the Canadian Legion Branch No. 287 will conduct their annual Poppy tag day on Friday. The ladies will be out early in the morning and will remain on the streets until each and every pedestrian and motorist has received a red flower and contributed to the worthy cause. Every cent collected on Poppy Day will go to the wages and upkeep of disabled war veterans working in Vetracraft shops throughout Canada. Your donation will be gratefully accepted. Everything is arranged and all the tagging will be done by the ladies. Golden City, Pamour and Hoyle will all be tagged by this branch. The Community hall at the Dome, which has been acquired by the Legion, must be moved into town as soon as the snow fall makes it possible to move it on skids. The Legion has great ideas concerning turning this into a desirable hall but lack of funds may make these impossible of realization just yet. But plans are being made just the same, and weekly whist drives and a big "Bingo" on Dec. 9th are already settled as means toward this end. It is early to give in detail plans for the celebration of Remembrance Day in South Porcupine. But it will be fittingly done and a service of remembrance will be held in the High School, and a cenotaph put up by the Legion on the grounds for the ceremony.

Rumania Said to Offer Benefits to Bulgaria

Bucharest, Nov. 1.—Reliable sources reported to-day that King Carol is prepared to offer Bulgaria a "psychological settlement" of her territorial dispute with Rumania over Dobruja.

Vasile Stoica, Rumanian ambassador to Turkey, was said to be on his way to Sofia, Bulgarian capital, with the offer.

Diplomatic circles said in the proposal assures new privileges for Bulgarian-speaking inhabitants of Dobruja, but held the view that any actual cession of territory at this time would imperil Rumania's existence as a nation.

Rumanian possession of Dobruja was confirmed in the First Great War settlement. Recent reports have indicated Bulgaria's claims to the territory.

POPPIE-DAY, 1939

(From S. P. Legion)

On city streets the poppies bloom. With blood incarnadined; We wear them for the lads who fell And, falling, saved mankind.

"So wear a poppy red to-day," The patient tagger cried, "Wear it—just in memory Of your boy—and mine—who died."

And few there are who say her nay. But one, with brows that lower, Wearing a marigold, replies: "Thank you: I have a flower."

"A flower of shame," I cried to him, "Though lovely it may be: To-day the poppy red should reign For you, as well as me."

He stared,—and then, "By Jove, you're right!" He said, "and here's a ten: On Poppy Day—twill poppies be: I shall not fall again."

New York World-Telegram:—A Berlin broadcast has denounced for "bad taste" the English soldier song which runs, "We're going to hang out the washing on the Siegfried line, if the Siegfried line's still there." It is, says the German announcer, mere empty bragging. Well, perhaps it isn't a very good song. But criticism of musical bragging comes strangely from a country which roars out "Deutschland Uber Alles" and gives its youth, as a marching song, "Today we own Germany, tomorrow all the world."
