Many Original and Interesting Costumes Featured at the Event.

A very large number of members celebrated Hallowe'en at the A.Y.P.A. Hallowe'en party held in the parish hall Wednesday night. The hall was decorated for the occasion with the black and orange of Hallowe'en and with numerous oddities that proclaimed the event.

Many of the members were attired in costume, winners of the costume prizes being Misses Winnie Atkinson, Bea Atkinson, Orva McGrath, and Laura Quinn. An interesting feature of the

costume contest was the fact that these young ladies were not recognized by their fellow-members until they unmasked.

Games and other amusements were thoroughly enjoyed, and the lunch was a special feature of the event. Misses Eunice Bailey, Margaret Hargreaves and Bea Atkinson had prepared pumpkin pie and whipped cream for the party, and sandwiches and soft drinks were also served.

A welcome visitor at the Hallowe'en party was Miss Mary Williams, of North Bay, formerly of Timmins.

The regular meeting of the A. Y. P. A. will be held on Wednesday evening in the parish hall.

### South End People Shaken Up in Rae Hill Accident

Receive Minor Cuts About Face When Car Hits Truck Parked on Brow of Hill.

Glen Childs, L. Childs and L. Webster, all of South Porcupine, received minor injuries on Tuesday night when their car crashed into a truck parked at the top of the Rae Hill, just east of Schumacher.

Glen Childs was the more seriously injured. He was taken to the South Porcupine hospital following the accident. He was found to have minor cuts about the face and to be suffering from shock and slight concussion. The other two men received trivial cuts about the face.

The car was believed to have come up the hill at a normal speed of perhaps thirty-five miles an hour. The driver, Glen Childs, did not see the rear light of the truck until it was too late to swerve and avoid the accident. The car struck the truck, which was owned by Alcide Boucher, of Timmins, a glancing blow.

Globe and Mail:—In view of an announced moratorium on municipal elections for two years, or while the war lasts, citizens should be alert in scanning the qualities of candidates offering their services at the next voting. Those elected may be there for several years, and they should be the best available.

### Afternoon Council Meeting Said to Be Emergency

Council Deviates from Usual Custom of Having Council Meeting at Night.

Asked today why the meeting of Council, which ordinarily is held on Wednesday evenings, was held yesterday afternoon instead, Mayor Bartleman said that the reason was that there were some important documents to catch the afternoon train. They first had to receive the consideration of Council and for that reason the town fathers were called together in the afternoon.

Newspapers were not informed of the decision of the Council to hold afternoon meeting, and consequently were not able to report much of the discussion which took place.

Asked if it was the intention of the Council to have special meetings of Council, which are held every second week, in the afternoon, the Mayor said

that he believed that the town fathers would follow their regular routine of evening meetings, although he could not definitely say. Yesterday's meeting was more in the nature of an emergency, he said, and for that reason it was held in the afternoon.
