

Inspiring Remembrance Day Service Held at South Porcupine

"We Pledge to Canada and the Empire the Full Resources of our Branch, and We Pledge our Individual Selves in Any Capacity We May be able to Render Service," Says President of Canadian Legion Branch.

South Porcupine, Nov. 11, (Special to The Advance)—Remembrance Day was fittingly honoured this morning when a representative gathering of South Porcupine people took part in the special ceremony and service at 11 a.m. at the High School.

A cenotaph—a platform with a painted white cross on a black pedestal—was erected before the flag pole in front of the school on Friday. This was the work of the Legion, and was necessary because South Porcupine has no memorial to those who fought in the Great War. It has been a matter of comment for some time that we have no cenotaph; lesser towns boast of some special memorial; and possibly now that our branch of the Canadian Legion is working so well it may become an established fact.

At any rate loyal Britishers and Canadians were glad to see even a wooden cross upon which to place their wreaths of remembrance for the honored dead who gave their lives that we might live. Members of the Porcupine Branch of the Canadian Legion; ladies of the Legion Auxiliary; Rover Scouts, Boy Scouts, Girl Guides, citizens took their places round this improvised cenotaph this morning each unit bearing its flag.

The music of "O Canada" was heard and all stood at attention—two minutes' silence—and Comrade Cotton sounded the "Last Post" on the bugle as the gathering saw the flag on the flagpole lower to half-mast, and when "Reveille" was sounded, slowly rose once more to its full prominence.

Wreaths were then placed. President Wilson placed the Legion wreath, and was followed by Mrs. Countryman, who placed one for the Ladies Auxiliary. Councillor Helmer acted as representative for the Township of Tisdale wreath, and one was placed for the Township of Whitney.

Other wreaths were placed by:—The Province of Ontario, Northern Power Co., Ritz Cafe, Ukrainian Labor Temple, and one "In memory of my daddy, —J. Huddleston" was placed by the late J. Huddleston's tiny daughter.

Sixty-five wreaths were purchased by the town merchants and fourteen were taken to the cenotaph. Following a prayer by Archdeacon Woodall (The "Remembrance Day" Prayer) based on the lines "They shall not grow old as we who are left grow old."

"Age shall not weary them, nor the years condemn. At the going down of the sun and in the morning We will remember them." — the people filed into the High School Auditorium.

"O Canada" was sung, followed by the hymn "Onward Christian Soldiers," a prayer by Rev. J. E. Lytle, a bible lesson by Archdeacon Woodall, and a hymn "Faith of Our Fathers," was followed by an address given by Rev. J. E. Lytle.

He spoke on "the changing times" and the "unchanging God"; also of Remembrance Day being a time for memory and meditation. Those who died in the last war, who stood between us and death, and held dear the ideals of our nation, through courage, determination, and earnestness have won a place that can never be taken from them in our memories. Silence is most appropriate as the medium of remembering—let us look forward, in vision not backward in retrospect. Today we must dedicate ourselves anew, re-arm ourselves physically and morally, and trust our case in God.

The hymn "Faith of our Fathers" was sung and President Wilson gave the speech he had planned to say at the cenotaph, but which owing to the cold he had postponed to give inside the auditorium.

"Your King and Country need you." These were the words of that gallant leader Kitchener of Khartoum twenty-five years ago. We, now the Legion, with others, were the youth of the country who accepted the challenge, and went out with the Maple Leaf in our caps, and the great name "Canada" on our shoulder straps to defeat a treacherous foe.

"The 'Silent Cities' of Flanders testify to the great losses sustained in the fight of Right against Might, yet, thank God, because of those losses we have enjoyed 21 years of peace.

"Unfortunately we have not applied as nobly to the pursuits of peace as our comrades at rest applied themselves to war, but this beautiful thing called Freedom must be preserved at all costs.

"We had hoped that our boys and girls would be spared the sufferings, the anxieties, horrors that were our portion. All those who served in bygone days realize with pride and gratitude the untiring efforts made by this country to promote Peace, Goodwill and understanding in international affairs.

"Canada through her Ministers of the Crown, who so sincerely desired peace, is at war again because her most precious heritage—liberty and honour—obtained and safeguarded in the past by untold sacrifice—has been ruthlessly attacked.

"The Vimy Memorial symbolized the passing of the torch to those who live today that they might be inspired to uphold the cause of peace and safeguard those ideals for which our comrades gave their lives.

"There is little I can say more, other than that we as an ex-service men's organization pledge to Canada and the Empire the full resources of this branch, and we pledge our individual selves in any capacity we may be able to render service. But first comes Patriotism—loyalty to Canada and the British Empire. We pledge the united support in service for King, for Country in the days of war that lie ahead of us."

Red Propaganda at South Porcupine Greatly Resented

Effort Made to Find Distributors. Other South Porcupine and Dome News.

South Porcupine, Nov. 11th, (Special to The Advance)—Some of us found the Communistic red rag propaganda poking into the dark entrances of our homes this morning. The doorways where the light shone at night were not favoured—only the dark corners. Police have orders from headquarters to arrest any such pamphlet distributors and citizens will be doing a patriotic service in notifying them if such persons are seen and held. The only reaction to date of the propaganda is that good British patriots are intensifying their loyalty and are determined to watch closely and note where in our town there is any element of disaffection to the Empire and to Canada.

These papers were distributed (as always) at night under cover of darkness. An accident involving the car in which Miss Ada Hornby, of 64 Railroad St., was riding occurred at 4 a.m. on Saturday on the Rea Hill. The car was proceeding towards S. Porcupine when it met two cars going west and a collision occurred. Miss Hornby was badly cut about the face and was taken to Porcupine General Hospital where several stitches were necessary to close the wounds. The driver of the car (who had only bought the vehicle the day previous—a second-hand car) was cut also but much less seriously.

A whist-drive under the auspices of the Canadian Legion will be held on Monday evening at 8 p.m. in the Masonic hall. The Rebekah Lodge will hold a bridge party on Friday next in the Parish hall. All welcome.

Mrs. T. Mahon is progressing well in hospital after operation. Her son-in-law, Mr. H. Robitaille, of Shawville, is visiting at her home.

Mrs. W. P. McLean, of the Dome, is getting along nicely after operation in the Porcupine General hospital. The new station is almost completed. It is hoped that within a week it will be opened for use.

Mr. Ben Schultz left on Sunday for two weeks' holiday with his parents in Noranda. The Rev. Father Joy, of Iroquois Falls, was the guest speaker at the Kiwanis Club on Thursday night. His talk on Remembrance Day was listened to with much interest and appreciation by the members. Members of the Canadian Legion were guests of the Kiwanis, the President, Mr. T. Wilson, giving a short speech during the evening. Next Thursday is election of officers for the Kiwanians.

Mr. and Mrs. D. Houston are moving this week from Connaught Hill to William St. Mr. W. R. Smith, of Porcupine, is in Porcupine General hospital where serious operation was undergone recently. Mr. Smith is a veteran and has been ill for a long time.

Mrs. Floyd of Kirkland Lake, is visiting her daughter, Mrs. Barber, at Golden City. A meeting of the Building Committee of the United Church, under leadership of Mr. Honer, met in the church on Friday and reviewed their whole policy, making it definite that determination to go ahead with building in the Spring is the aim of the committee.

The Y. P. S. of the United Church met on Wednesday, Miss Mary Anderson giving an interesting address on the relations of East and West Canada regarding relief work of the churches. Armistice and Remembrance Day for High School pupils was honored specially on Thursday when a service conducted by Archdeacon Woodall and Rev. J. E. Lytle was held in the School auditorium.

Reeve Evans and Mrs. F. C. Evans returned on Saturday from Ottawa where municipal business had occupied their time. Mr. W. S. Blake has returned from a business visit to Toronto.

We are glad to note that Sidney Hughes who suffered an accident to his hand at the Dome Mines, is getting along nicely in hospital. Mrs. Hannan, and Miss Margaret Hannan, of Cochrane, were visiting Mrs. Sidney Hughes for a few days.

Remembrance Day Hymn

O valiant hearts, who to your glory came Through dust of conflict and through battle-flame Tranquil you lie, your knightly virtues proved. Your memory hallowed in the land you loved.

Proudly you gathered, rank on rank, to war, As who had heard God's message from afar, All you had hoped for, all you had, you gave To save mankind — yourselves you scorned to save.

Splendid you passed, the great surrender made, Into the light that nevermore shall fade; Deep your contentment in that best abode, Who wait the last clear trumpet-call of God.

Long years ago, as earth lay dark and still, Rose a loud cry upon a lonely hill, While in frailty of our human clay, Christ, our Redeemer, passed the self-same way.

Still stands His cross from that dread hour to this Like some bright star above the dark abyss; Still through the veil, the Victor's pitying eyes Look down to bless our lesser Calvaries.

These were His servants, in His steps they trod, Following through death the martyr'd Son of God; Victor He rose, victorious too shall rise They who have drunk His cup of sacrifice.

O risen Lord, O Shepherd of our dead, Whose cross has bound them and whose staff has led, In glorious hope their proud and sorrowing land Commits her children to Thy gracious hand.

AMEN

their main object is to conserve the suppleness of the muscles. There is no question but that for the average middle aged individual lying in bed for 5 or 10 minutes before getting up to take exercise is wise. I have taken my pulse when I first awakened and found it to be 66, then lay thinking for 5 to 10 minutes and without moving the body have found it at 72 or even 76—the normal rate. With the heart beating at 72 to 76 it is quite safe to take any form of exercise.

The thought then is that everybody of any age can take exercise every morning, but those past 50, and those with high blood pressure should rest for 5 to 10 minutes after waking before taking the exercise.

IS IT SAFE TO TAKE MORNING EXERCISE?

I've been wondering how many over-weights and others stopped taking their regular morning exercise a few months ago when the newspapers carried an article by Dr. Boigey, Paris, on the danger of getting up rapidly from bed and lying on the floor to do abdominal exercises—raising legs from floor. Dr. Boigey points out that this exercise gave the blood vessels in the head a distinct blow by sending the blood to the head too rapidly owing to the fact there is a rise in blood pressure, and the circulation of the blood becomes stronger. Exercise at this time increases the congestion of blood in the brain because the vessels have not had time to adjust themselves to this extra flow of blood. It is therefore important for these individuals to stay in bed long enough to allow the circulation (which has been at a slow rate during sleep) to become normal in rate.

However there was one point that the newspapers did not mention or emphasize. This precaution (not jumping out of bed when first awakening) was for individuals past 50 years of age, and all those with high blood pressure should then dress to avoid sudden cooling of their bodies before taking the exercise.

Dr. Boigey thinks that these persons—those over 50 and those with high blood pressure—should exercise between 4 and 6 p.m., as at that time of day their body temperature, muscular strength and general vitality are at their best. The exercise should be done without much effort or speed because

Walter Greaves, the President of the Legion, spoke briefly thanking the public for its support in buying poppies on "Poppy Day," the preceding Friday. The sale of Veteran wreaths, he said, would greatly benefit the disabled veterans who made them.

Major J. H. Cornthwaite, of the Salvation Army, offered a prayer and the discharge of a time bomb prefaced the two minutes of silence in honour of Canada's war dead. After the silence two more bombs were discharged. At the same time the Hollinger whistle blew.

A trumpeter from the Canadian Legion sounded "The Last Post" and followed with "Reveille."

Mayor J. P. Bartleman, who followed with a short address, said that the necessity had again arisen for Canadians to fight and we would carry on. We should pledge ourselves to bend every effort to bring the present "terrible war" in which the nations were engaged to a successful conclusion. Then could the rehabilitation of Poland and Czechoslovakia begin.

The hymn "O God Our Help In Ages Past" was sung. "Men fought and died in the last great conflict that a better world might arise from their efforts," said Rev. Mr. Smith. "Nations had apparently not learned the lesson they died to teach and so we must, of necessity fight again until such times as nations would learn to settle their difficulties by reason and not by force," said Mr. Smith.

Representatives of various organizations then placed wreaths upon the cenotaph. The Province of Ontario the Ladies' Auxiliary of the Legion, the Town of Timmins and Canadian Legion wreaths were among the largest and first placed. Other societies and groups included, the Hollinger Mine, the McIntyre Mine, the Coniaurum Mine, the Buffalo-Ankerite Mine, the Noybb Mine, the Timmins Fire Department and Timmins Police Department, the Ontario Provincial Police, the Daughters of England, the I.O.D.E., the Porcupine District Pipe Band, the Algonquin Rifles, the Czechoslovakian Society, the Assyrion Society, the Lancashire Club, the B'nai B'rith Lodge, I.O.D.E. Girl Guides and Brownies, and the Second Timmins Rangers, Hadassa Chapter, the Boy Scouts, the Brownies, Guides and Rangers, the St. John Ambulance Society, the Kiwanis Club, the Lions Club, the Royal Order of the Moose, the Masonic Lodge, the I.O.O.F., the Sons of England, the Sons of Scotland, the Sons of Italy, the Italian Veterans Club, the Italian Canadian Society, the Polish White Eagle, the Ukrainian Prosleta, the Young Rumanian Cultural Club.

In addition to the societies mentioned there were other private wreaths, placed by various smaller organizations and by private individuals. A full list of purchasers of Veteran Wreaths along with Poppy Day financial statement will be published in the very near future in The Advance.

The parade then wended its way back through Timmins streets to the Legion hall and the Remembrance Day celebration was over for another year. Stores which closed at 10 a.m. on Saturday remained closed until one o'clock.

No Remembrance Day service would be complete without "The Flowers of the Forest," the Scottish lament played on the pipes. That was provided by the Porcupine District Pipe Band.

After positions were taken at the cenotaph the hymn "Onward Christian Soldiers" was sung by the assembly.
