

# Macmen Batter Hollinger For Shut-Out Last Night

## Win Four to Nothing After Game More Distinguished for Rough Play Than Good Hockey

Macmen Win Third Game of Schumacher Lions Club Pre-Season Ice Tourney. Play Battering Style of Hockey Against Hollinger Team. Hollinger Squad Not Able to Achieve Any Sort of Combination in First Appearance.

Playing a different style of hockey than they did against the Atlantic City Sea Gulls, B-B Crosby's Macmen battered the Hollinger into submission in the McIntyre Arena last night in the third game of the pre-season tourney being sponsored by the Schumacher Lions Club. After three periods of bruising, bone-crushing hockey, the Macmen blanked the Hollinger 4 to 0.

It was the Hollinger squad's first appearance this season. Co-ordination was the element most lacking in its play although power rushes every so often gave Gordon in the McIntyre goal, a few anxious moments.

Bill Holoukka and Milne, on the McIntyre defence, proved to be a redoubtable pair. Time and again Hollinger forwards, down the ice on sorties took punishment for the shoulders of the bruising defence twins. Holoukka who is establishing a reputation as one of the toughest men in the league to get by with a puck, scattered players all over the ice.

First to hit the penalty box were Gordon and Lister. They reclined on their haunches in the cubicle of retribution when the first counter was notched.

Murphy picked up a loose puck near the Hollinger goal and eased it over to Murphy who slapped the disc home.

The next goal was not scored until after thirteen minutes had elapsed. When the Hollinger was a man short, Lortie having been put away for charging, Lister took a pass that was relayed down the ice by Lone and Milne and flicked it into the corner of the net.

The Hollinger power play looked good in the first period only for short spasms. The forwards from the big mine on the hill proved that they had the necessary ability so far as the rudiments of the game, skating and stickhandling, were concerned but they were woefully short on combination and co-operative play.

There were two short, sharp bouts near the end of the period. Mahn and Gordon were banished for mixing it in the Hollinger end of the ice and half a minute later Cooke and Chase were sent off for the same offense in the other end of the arena.

Rene Lortie, formerly with Timmins, and later with the English National League, stopped with a trip when both teams were two men short and the Hollinger was awarded a delayed penalty. When Bowman boarded shortly after both teams had delayed penalties.

Wilmott and Milne were the first to be penalized in the second period. They started an abortive fight which was cut short and both were given the thumb.

Lone sent a backhand shot into the net on a solo rush after he got the puck from Cooper, at the twelve minute mark.

Final goal of the game came in the third period when Cooke and Baker did a nice piece of playmaking to get through the Hollinger defence. Baker laid a lovely pass on Cooke's stick and he scored.

The teams: McIntyre—Goal, Hal Gordon; defence, Milne, Holoukka; centre, Richard; wings, Cooke, Baker; alternates, Murphy, Lorrain, Lone, Cooper, Lister, Mahn, Bowman, Colhoun.

Hollinger—Goal, Fargher; defence, Lortie, Delmonte; centre, Schreiber; wings, Millar, Stuart; alternates, Palmeter, Gordon, Chase, Maine, Boudreau, Dinelle, Dixon.

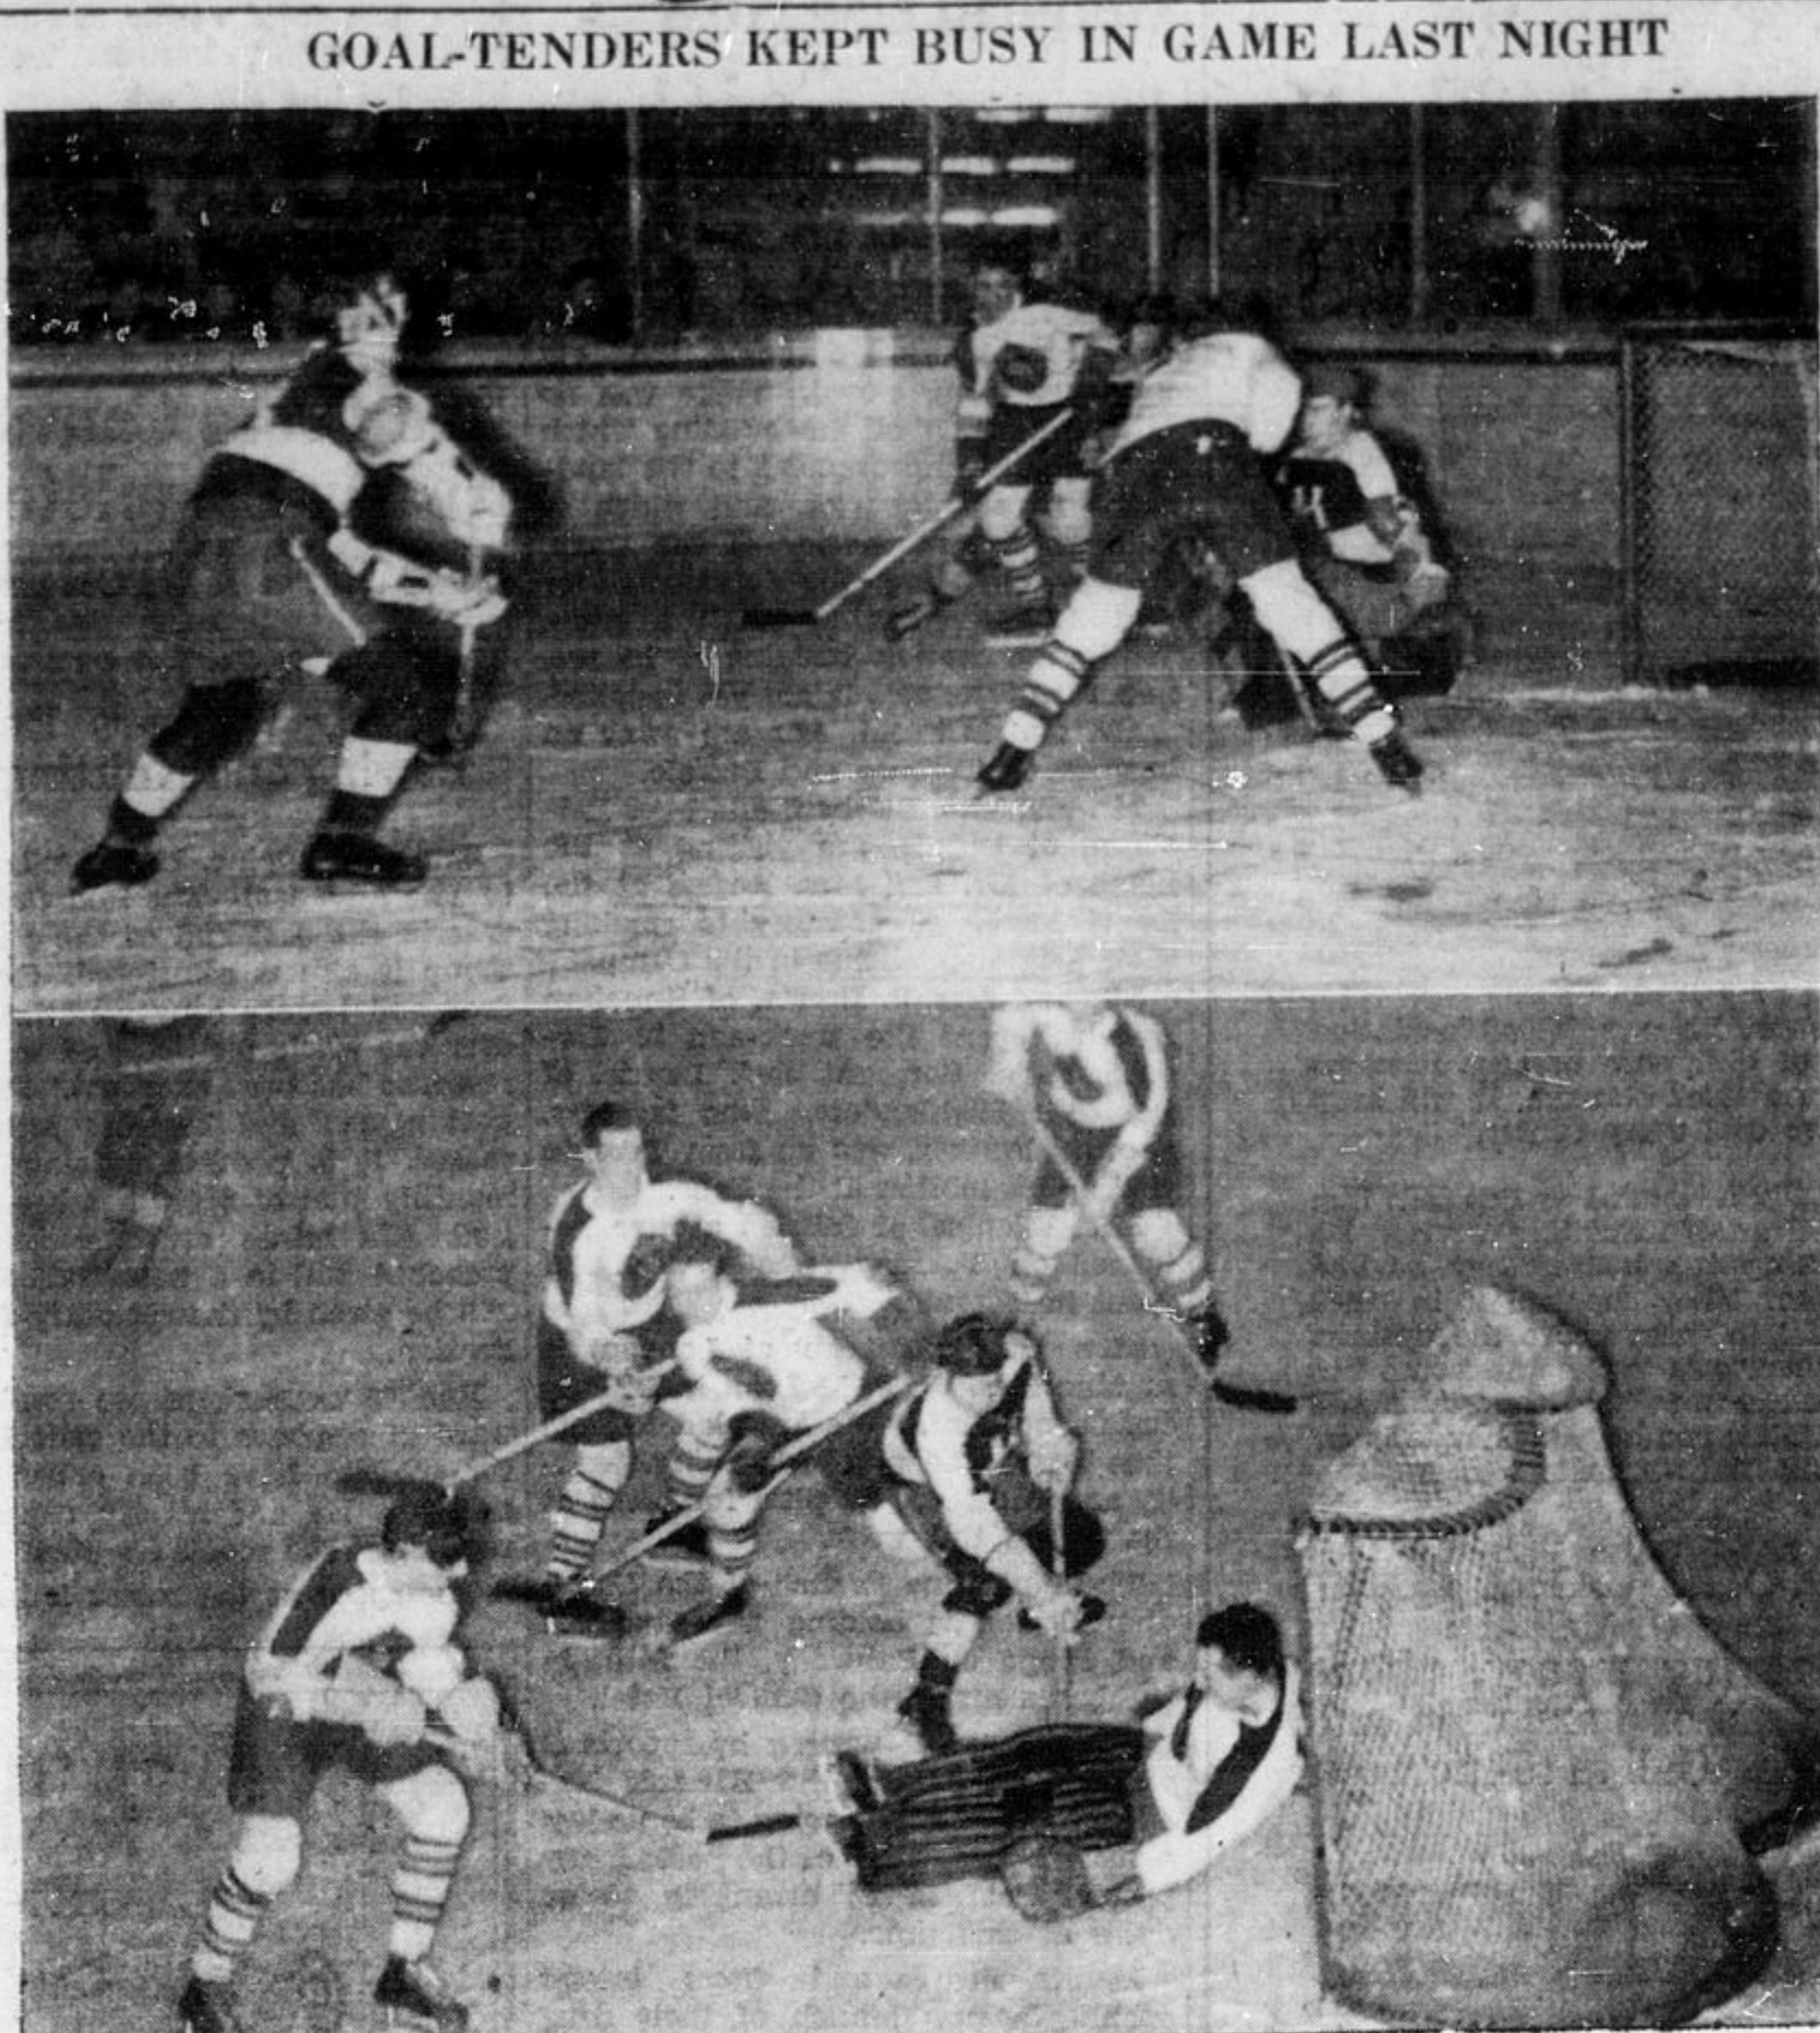

Officials: Wilder, Frawley.

### German Plane Crashed in Belgium Yesterday

Brussels, Nov. 22.—A German plane crashed on Belgian soil today during an aerial fight involving German, French and British planes.

The German plane, damaged in the fight, managed to get over the border in the vicinity of Turnout. It was riddled with bullets and three of its four occupants evidently were killed.

The pilot landed by parachute, and was captured. The plane crashed.

GOAL-TENDERS KEPT BUSY IN GAME LAST NIGHT

Two photographs taken by The Advance photographer at the Hollinger-McIntyre game last night, give some indication of the fast action to be seen in the pre-season tourney now in progress.

In the top photo Fargher, Hollinger goalie, is being pressed. The two McIntyre players around the net are Lister and Stuart and Palmeter of the Hollinger at left and Miller, Hollinger defence man in the background.

Gordon, in the McIntyre goal, is having an anxious few moments in the lower picture. He is sitting on the puck and Palmeter, Hollinger player with the helmet, is more or less stymied as Gordon is sitting on his stick also. To the left of the photo is Richard and immediately behind Palmeter, Cooke, Baker may be seen in the background.

## Coniaurum Files Notice of Intention to be Threat in Mines League This Season

Surprise Camp With Win Over Highly Rated Pamour Dynamiters in Pre-Season Tourney Game at the McIntyre on Monday Night. Young, Morgan and Kerr One of Smoothest in Camp Teams. McArthur Good.

Led by the veteran line of Young, Morgan and Kerr, the Coniaurum Flyers came through with a surprise victory over the Pamour Dynamiters in the McIntyre Arena on Monday night in the second game of the pre-season tourney being staged by the Schumacher Lions Club. Tossing in a crowd of veterans against the Pamour powerhouse, Red McArthur, playing manager for the Flyers, netted himself the first win of the current season by a score of four goals to two.

It was McArthur himself who started the surge which led to victory. When his team was down one, the carrot came through with a rush goal to deadlock the count and give the Flyers another chance for a win.

As is their custom, the powdermen opened the game with an edge on the scoring. However, they were unable to meet the terrific second period during which the Flyers applied the pressure and kept right on applying it. Grudgingly they relinquished a lead that they never again came in sight of for the rest of the game.

The line of Morgan, Young and Kerr, which did yeoman work for the winners were well bulwarked in the rear by Johnny Kukkela and Sparky Vail in the rear-guard. The two defence huskies blasted open attack after attack and used their shoulders to good advantage.

The penalty box was never deserted for a very lengthy period throughout the tilt. Penalties were numerous and one reason the Dynamiters were forced to give ground was that they got their calls at the wrong time.

Fummerton talked the first. A shot came off one side and Forster, youthful Coniaurum goalie, came out of the net to ward it off. Before he could get back into position, Fummerton speared the rebound and flicked it into the twine.

The Flyers opened the second period with a series of power-house plays. Inside of two minutes they had equalized the score. Jackie Young flipped a neat pass over to McArthur and the agile red-head was right there, as is his wont, to drill the puck by the goalie.

Kerr, Morgan and Young drew blood about three plays later. The trio maneuvered the puck past the Pamour defence and Kerr, end-man, took the rubber disc for the tally.

Driving hard for a commanding lead the Flyers kept pelting rubber at Bentley. He managed, by dint of acrobatic dives and good steady goal-tending, to keep the rubber out until six minutes later when Sparky Vail took the puck from a scramble in front of the net and flipped it into a corner.

In the final period the Pamour machine began to function again although its action was a bit laboured. Time and again the Pamourites drove down the ice and time and again they were turned back on the shoulders and by clever skating on the part of Vail and Kukkela. The big Finn drove bruising body-checks into the mid-riffs and other portions of Flyer wingmen's anatomies and often he was banished. Hannaberry finally drifted down the

## Lake District League Gives Up Ghost, Lets Men Go

Caused by Withdrawal of Wright-Hargreaves Athletic Association

Kirkland Lake, Nov. 21.—When Toburn and Wright-Hargreaves representatives announced that their Athletic Associations would not back teams in the circuit, sponsors of the Kirkland District Hockey League last night decided to drop plans for the season and release all players signed for duty in the league this coming season. When the two mine squads withdrew, leaving only Bidgood and the Swan Athletic Club entries, those arranging the league schedule decided that it would be useless to play two teams over a winter's schedule.

League negotiations were started approximately six weeks ago and it looked then as if six mine teams would be entered. Since that time various entries have been withdrawn and last week the league was reduced to four teams, three from producers.

At a meeting on Friday night representatives were present from the Wright-Hargreaves, Toburn, Bidgood and Swan Club teams. It was the general feeling of the meeting that a four-team league could be operated at a profit in Kirkland Lake this season and everything was ready for the drawing of the schedule. The delegates felt that, with the absence of a Senior hockey league this year, a District circuit could operate and draw its quota of fans.

In explaining the Wright-Hargreaves withdrawal to last night's meeting in the manager's office of the Arena, Jess Spring, athletic director at the Duncan Avenue mine, stated that the majority of the players he would use were already signed with teams in the Industrial Hockey League. The entry of a Wright-Hargreaves squad in the District set-up would mean the departure of many players from the six Industrial teams to make up the mine roster.

Regret of failure of the league was expressed by all present.

**Dress-Up FOR THE HOLIDAYS**

Of course you'll want to dress up for the holidays, and what would be an easier way than to visit Intercontinental Tailors, and order this good looking double-breasted model-to-day! Prices will never be lower or quality any higher, so choose your new suit to-day from over 200 patterns.

## Will Play Double Schedule With Double-Header Games in Mines League This Year

To Draw Up Schedule To-Night at Meeting. Play Four Games Weekly in McIntyre Arena and Two Games at South Porcupine. Discuss Board of Nine Referees Under Supervision of Head Referee From Outside. Mull Over New Rules.

### Juvenile, Junior Certificates Must be In by December 10

Certificates and Fees Must be in Hands Local Secretary, A. B. Fish, Schumacher.

Junior "B" and Juvenile hockey teams in this district are warned by the Association Secretary, Allan B. Fish, of Schumacher, that all players' certificates and entry fees must be in his hands by December 10.

This is in order that Mr. Fish may be able to forward the same to the N.O.H.A. Secretary by December 15. Junior "B" fee has been set at \$10 and Juvenile at \$2.

All clubs intending to operate in these series should apply immediately to Mr. Fish for certificates in order to have them filled in and returned by the above date, December 10.

Both junior and juvenile players are required by the terms of the N.O.H.A. constitution to furnish birth certificates. In that connection it is very important that the name on the player's certificate correspond exactly with that on his birth certificate.

An executive committee including representatives from each club, will be held in the Schumacher Public School on Monday, December 11, at seven o'clock to discuss plans and check certificates and transfers.

Further information may be obtained from the local secretary.

Toronto Telegram: Among the famous war crosses is the double one.

A double schedule with two games every playing night was the plan which found favour with officials of the Mines hockey league when they met on Tuesday night in the McIntyre Arena. Present also were representatives of the various teams in the Mines League.

If plans materialize as they were proposed on Tuesday night two games a week will be played at the McIntyre Arena in Schumacher and one game in the new South Porcupine Arena. None of the team representatives at the meeting were particularly anxious to have their teams play in the frigid Timmins Arena.

There was a lengthy discussion of rules. Many of the officials, did not clearly understand them, and through controversy, they had their misunderstandings ironed out. By the time the meeting broke up those who attended had arrived at a more or less common understanding of the "icing the puck" and other new rules.

Decision was to meet again tonight and start work on the drawing up of the schedule for the year.

A plan which would revolutionize the refereeing system which has been in force in the camp, was discussed, under the direction of a Head Referee, nine men would be set up to referee all games. All nine local men would be under the direction of a Head Referee, who would be a prominent hockey authority from outside. Each game would see the head referee on the ice with one of the board of nine men alternating with him.

No definite decision was reached on the plan but it was talked of at great length and will further be discussed. A board of nine men was chosen.
