## Local Finnish Y.P.S. to Celebrate "Little Christmas"

### Event To-morrow Night to be Featured by Famous Finnish Music.

"The Little Christmas" celebrations of the Y.P.S. of the Timmins Finnish United Church will be held Friday, Dec. 8th, at 8 o'clock in the evening. A fine program of choral music singing by three of the most famous choruses of Finland will be heard by electrical transcription. The male chorus of Helsinki University Students, which gave several concerts two years ago in the largest cities of Canada and the United States, will be represented by twelve selections. The "Finlandia" Male Chorus, which also visited Canada and the United States last spring, giving concerts in Montreal and Toronto, New York, Boston, Chicago, etc., and at the World's Fair in New York, will be represented by another twelve selections. The most famous mixed chorus of Finland, "Suomen Laulu" of Helsinki, Finland, will be represented by two selections. In addition to the above transcribed music, the choir of the Timmins Finnish United Church will render a few selections. Also the Y.P.S. Orchestra, under leadership of Miss Elma Nykanen, will give a few selections. There will also be recitations, etc., on the program. On account of the limited accommodation, no more tickets can be secured, as all tickets have been sold in advance by members of the Y.P.S. Refreshments will also be served to the public this year by the young ladies, as last year this task was gracefully performed by the young men of the Y.P.S.

## To Observe 26th Anniversary of Finnish Church Here

### Anniversary Services on Sunday, Dec. 10th, at the Timmins Finnish United Church.

At the twenty-sixth anniversary services of the Finnish United Church of Timmins and South Porcupine next Sunday, Dec. 10th, there will be three special speakers in Timmins. The Rev. W. M. Mustard, M.A., B.D., minister of the Timmins English-speaking United Church congregation, will, as chairman of the Presbytery of Cochrane, deliver a message from the presbytery and also from the English-speaking sister congregation of Timmins. The Rev. F. J. Bain, M.A., B.D., of Schumacher, will bring a message from the congregation of the Trinity United Church, and the Rev. James A. Lytle, minister of the South Porcupine English-speaking United Church sister congregation. The choir of the Timmins United Church "in corpore," under the leadership of Mr. Treener, the organist and choirmaster, will also present and will render several selections. The sermon in Finnish will be delivered by Rev. A. I. Heinonen, and the choir of the Timmins Finnish United Church will present several special choral selections in the Finnish language.

On Dec. 12th, 1913, the first service of worship was conducted in the Finnish language in both Timmins and South Porcupine by the first minister appointed by the erstwhile Presbyterian Church in Canada. Several children were also baptized at these services. Some of them are still living in Timmins and South Porcupine, and are expected to be present on this occasion together with the few older members, who were present twenty-six years ago at the first service.

Rev. A. I. Heinonen was the first minister of these congregations, visiting Timmins and South Porcupine once a month, conducting services all along the T. & N. O. Railway, at Cobalt, North Cobalt, Halleybury, Porcupine and Cochrane in Finnish and Swedish languages. At that time he had his headquarters at Copper Cliff, which was at that time the greatest Finnish settlement in Canada. After a couple of years Rev. Edward A. Hart was ordained at Halleybury and he continued the work in the Northern end of the wide parish of Northern Ontario, including Cobalt, North Cobalt, Halleybury, Porcupine, Timmins, Cochrane and Hearst, having his headquarters. After he had moved to U. S. A. Rev. Heinonen again took up the work also in this North end, until he received a call to Dunblane, Saskatchewan. The Finnish and Swedish-speaking field was left vacant for a number of years, as no suitable minister could be found by the Board of Home Missions, until eleven and a half years ago when Rev. August Lappala was appointed to take charge of the Finnish-speaking work with headquarters at Timmins. After four years he was transferred to The Church of All Nations, Toronto, to minister to the Finnish-speaking congregation, and Rev. William Leeman, his predecessor in Toronto, was appointed to Timmins. Mr. Leeman was transferred to Kirkland Lake, July 1st, 1936, when the present minister was transferred from the pastoral charge of Searchmont and A. C. Ry, Sault Ste. Marie, to Timmins.

## Timmins Finnish Church Ladies' Aid War Service

The War Service Unit of the Ladies' Aid of Timmins Finnish United Church held their last work meeting of the fall season last Monday evening at 7:30 at the home of Mrs. Humphries, Wick's Saw Mill Townsite, Mattagami. It was decided to discontinue these work meetings during the balance of the month and to continue the work in the beginning of January. A number of sleeveless sweaters and a quantity of socks have already been knit. A voluntary offering has also been taken at these meetings to pay for the materials needed. The War Service Unit is registered with the War Service Committee of the United Church of Canada among close to three thousand similar groups within local United Churches throughout the Dominion of Canada. All finished work of the local Finnish War Service Unit will be delivered to the Timmins Depot of The Red Cross Society of Canada which also supplies the materials needed in this work. Work meetings have been held by this unit in different Finnish-speaking homes of the Porcupine Camp every Monday evening since Sept. 27th, when this War Service Unit was organized at the Ladies' Aid meeting of the Finnish United Church congregation.

## Italian Social Evening Visited by Mayor-elect

A large number of Italian people gathered at the Oddfellow's hall on Tuesday evening, at a happy social event when dancing was much enjoyed. Music for the event was supplied by Andy Cangiano's band, and special Italian numbers were a feature of the event.
