Dollars to Home of Mrs. L. Newton on Thursday.

High winds coupled with a drop in temperature were responsible for an even dozen fire calls over the week-end. In almost every case the calls were for chimney fires or for overheated stove pipes. Timmins residents, in an effort to cope with the increasingly cold weather, stoked their fires with more vigour than carefulness, and as the result, firemen were kept busy throughout

Thursday and Friday especially. Only serious blaze was at 321/2 Commercial avenue on Thursday afternoon. Late in the day a call was received from Box 52 in that vicinity. Firemen found that fire had started in the apartment at that address occupied by Mrs. L. Newton. It evidently got its start in a clothes closet where clothing was piled around a clean-out vent in the chimney. When the chimney became hot the clothing ignited.

The fire, which was confined mostly to the one apartment, was very hot and firemen had a difficult time to get water on it.

Hubert Boudreau Makes Get-Away from Joliette, But is Re-captured.

Montreal, Que., Dec. 9.-Hubert Boudreau, 32, who on Monday escaped from a cell in the Joliette court house for the second time in two years, was captured by provincial police at 2.10 a.m. today as he slept in the home of a relative in Verdun. He was taken to the Montreal Jail, where he will be detained until Nagogami he is removed to Joliette for trial on two charges of escaping from custody and one of burglary.

Boudreau was awakened from a sound sleep by Detectives Aubudchon and Mondel. He offered no resistance, the officers said, and, on the way to jail, It was thought at the time that he told them that if he got another chance he would escape again. The suspect, a slightly-built man weighing about 130 him. pounds, is known to police as the "cat man" because of his ability to squeeze himself through narrow apertures. South Porcupine Girl Guides

The meeting of the 1st South Porcupine Guides on Wednesday, December, 6, began with a great disappointment. Our beloved Commissioner, Mrs. Tomney, had been obliged for health reasons to curtail her visit to this part of the division and was not present at the meeting. Captain Wilkins, however, gave us Madam Commissioner's messages and we shall look forward to seeing her next time.

We began our meeting by learning another movement of the dance and then Roll Call and Inspection were taken by Captains Wilkins and 53

Mr. Skinner continued the work on Fireman's Badge. Norbertine Ferrigan was judged to have given in the best work so far. Team games, tenderfoot and second

class, followed in due course, and Patrol Leader Eura Smith passed her test for reading Morse Code. Saturday was cookie day in South Porcupine and plans had been made for

this event at the camp fire. A Christmas good turn to another Guide company was planned and the meeting closed with "Taps."

Report Gun Battle Between Indians and Missing Trapper

Rouses Further Search for Sam McCann.

Cochrane. Dec. 9.-A story which alleges that a trapper was killed in a gun battle with Indians late in October has sent provincial police hurrying into the bush area south of Nagogami

The "rumor" is linked with the disappearance of Sam McCann, who has been "lost" since October 25. He has not been heard from since he left to go over his trap lines.

Constable William Noyes has gone into the bush to investigate the report that McCann found Indians robbing his cache of food and that he was killed in the gun battle which followed The story goes on to say that as there has been no trace of the body there is a suspicion that it was buried or thrown into a river or creek. A letter which had been received by the League from the Rev. Fr. O'Gorman was read acknowledging the fountain pen which the members had presented to the reverend father when he left Timmins to serve Canada as a chaplain. The members decided that they would ask the Rev. Fr. Roney to be the League chaplain until the return of the Rev. Fr. O'Gorman, the Rev. Fr Roney now occupying the post vacated by Fr. O'Gorman for the period of the as the Dominion's outlay in the

The Junior C. W. L. play which was to be presented in December, was postponed until January, definite date to be announced later.

Due to the absence of Mrs. Reynolds Red Cross Convenor, no report of this work was given, but it was noted that the members are still knitting socks, and helping in this worthy work.

A report was made on the Communion Breakfast held at the Fern Cottage when twenty-four members atthe late Isabella Shepherd, she was tended and it was noted that the members had provided flowers for the Virceived her early education at the pubgin's altar at the church on the feast lic and high schools. Each year the league has prepared a basket to be given to some needy family, and this year it will again continue this custom, although, at present, the receivers of the gift have not been chosen. However, the members will prepare the basket, along with personal donations, and will present it to some family in the district.

The sec. etary was asked to send Christmas cards to officials of the national league and other friends of the organization.

As the League-sponsored Girl Guides group has become much larger since last Christmas, the members decided that it would not be advisable to buy gifts for each girl as was done last year, but that the League would entertain the entire group at a party sometime after the New Year.

The Junior League will hold its Christmas party on the first Thursday in January, that is January 4th, at the Knights of Columbus clubrooms, when an exchange of gifts will take place.
