

Bisons Break Losing Streak With Rally in Second Period

Allen, Morris and Hepworth Begin Rushing in Second Period. Three Consecutive Goals are Scored. Bisons Look Like Smooth Skating Outfit Which Won Title Last Year. Pamour Crew Tries in Vain to Knot Count.

The Buffalo Ankerite Bisons looked like the smooth skating aggregation which wiped the slate clean last season to win the local trophy, for the first time this year on Friday night when they met the Pamour Dynamiters. The 3 to 2 win was the first obtained by the Bisons this season.

Three consecutive goals in the second period won the game for the Ankerite. Bepsectated Hughie Allen started the ball rolling with a series of

assaults on the Pamour citadel. Finally the Ankerite wingmen were successful although it was not Allen who got the goals.

The Ankerite forwards were in top form in that second period when they did such good work. Barney Morris was the pin-wheel around which the line revolved. His passes were accurate and easy for wingmen to take and his play-making reminded one of his work last year when he was adjudged the most valuable man in the league. Hughie Allen was in good form and it did Ankerite fans good to see his shining spectacles sailing down the ice at top speed again.

Allan, Morris and Hepworth put the pressure on Bentley, in the Dynamiters' goal immediately the second period started. They made several rushes which were very close to the danger mark and Bentley was worried. Hepworth went in to blast one at Bentley after four and a half minutes. His shot was deflected and Barney Morris was set to take the rebound but instead the puck came out to Len Godin and the husky defenceman took the disc just inside the blue line. His hard shot came through a crowd of players and evaded Bentley.

The Dynamiters took the offensive and for the next few minutes pressed the Bisons closely. Kemp was called upon more than once to turn away hard, dangerous drives.

However, the second goal came about five minutes after the first. Hepworth took the puck up the ice but at the blue line was stopped by a defenceman. Hughie Allen came zooming in after him and picked up the vagrant rubber. He took it in on Bentley and beat him on the shot. A few seconds after Allen gave a pass to Hepworth and the latter man scored but the goal was disallowed as the big fellow fired from inside the crease. However, less than a minute later Barney Morris took a pass from Allen and went in to beat Bentley for the third and final Ankerite goal of the evening.

Undaunted by the awesome Ankerite score the Pamourites staged a gangling attack that resulted in one goal in the second period. Marshall gave Harmon a short pass and the diminutive wingman got the first past Kemp.

Reed and Horbel co-operated on the Dynamiters' second goal of the evening. It was a good score. Reed went down centre ice and drew both defencemen to him before he passed to Jack Horbel who was at an extreme angle. Horbel chanced one and the puck just caught the inside of the net.

The teams: Ankerite—Goal, Kemp; defence, Dixon, Godin; centre, Morris; wings, Allen, Hepworth; alternates, Pilotte, Young, Morgan, Lever, Patterson, Buell, Pecore, Lynch.

Pamour—Goal, Bentley; defence, Reed, Marshall; centre, Ross; wings, Harmon, Fummerton; alternates, Hannaberry, Horbel, Lafoley, Bleitch, Wilson, Dudgeon, Zenuk, Mansfield.

Officials, Clark and Legrave.

Ladies' Curling Club at South Porcupine Re-elects Officers

Expect Ice Ready for Curling Christmas Week.

South Porcupine, Dec. 16th.—(Special to The Advance)—The ladies curling club held a meeting in the Rink Clubhouse on Friday Dec. 15th for the purpose of electing officers for the coming season.

A good number of members were in attendance and much enthusiasm was shown in making plans for the season's play.

The old executive was re-elected by acclamation:—President, Mrs. Verna Rayner; Vice-President, Mrs. R. P. Smith; and secretary-treasurer, Mrs. Harry Turner.

Committees were formed at this meeting, the ice committee comprising Mrs. J. Davis, Mrs. R. P. Smith, and Mrs. Hovey.

It is hoped that the ice may be ready for use by Christmas week.

Sudbury to Have New Outdoor Skating Arena

Sudbury, Ont. Dec. 16.—Sudbury is to have a new outdoor skating rink this winter.

The city parks commission last night gave permission to Frank Stack, well-known Sudbury speed skater, to go ahead with plans for a large rink in Queen's Athletic Field. The ice sheet will be laid out with a eye to providing a large enough surface on which to train speed skaters and figure skaters. The sheet will be 300 feet by 160 feet. The centre will be roped off for figure skating practice. It will be floodlighted at night, and music will be provided for public skating for certain hours each evening. The parks commission also approved the building of new quarters for ladies and men's dressing rooms.

Admission prices will be charged on the same scale as the Palace rink in Sudbury.

A speed skating club is to be formed, with its object the training of young skaters in the art of the fast sport. Frank Stack will head the club, and several teams are to be formed sponsored by firms in Sudbury and by divisions of Inco. Anyone interested in the club may get in touch with Frank Stack at 1352-3.

The club also plans to hold several meets during the season, bringing in outside talent to provide competition for district skaters.

Temiskaming to Have Covered Rink by 1940-41 Season

Temiskaming, Dec. 16.—There is a strong feeling here that this Quebec town will have a covered rink by the time the 1940-41 hockey season rolls around.

Developments along this line have reached the stage where consideration is now being given to a proposition submitted by the H. O. Hipel Company, contractors.

(The North Bay Arena was built by the H. O. Hipel firm.)

A representative of the company was in Temiskaming last week and presented plans and cost estimates of a rink suitable to serve the community.

From information at hand, the cost of the proposed structure is in the neighborhood of \$15,000. It would have a seating capacity of approximately 600, with regulation ice surface.

It is the consensus of opinion here that the necessary financing will be forthcoming to handle the proposition as submitted for consideration.

Meanwhile, Temiskaming is preparing for another season of hockey and skating on an open-air rink. The rink committee held a meeting this week and re-elected Joe Ryan as president. Frank Lefebvre was returned as treasurer and F. Presseault as secretary.

Work is being done on the open-air rink now and it is believed that ice will be available by next week.

Plans are now being made to call a meeting of all hockey clubs to prepare for the 1939-40 season.

During the past couple of seasons Temiskaming hockey has been confined to the operation of town leagues, the Grimmer-Bullbrook series with North Bay intermediates and exhibition games. A few seasons back Temiskaming had N.O.H.A. affiliations, but these have been dropped.

Hollinger and Macmen Play on Their Third Tie Contest

McIntyre Scores Goals in First and Second Periods. Hollinger Get Two in Third—One Twenty Seconds Before Game Ends by Freak Shot. Brawl in Third Period Livens Match. Vail and Stewart Get Into It In Box.

Most spectacular duel in the Mines hockey league to date this season has been that between the Hollinger Green-shirts and the McIntyre. On Friday night they met for the third time and for the third time reached a deadlock after sixty minutes of hockey.

The Macmen came very near to breaking the jinx on Friday night, but a fluke goal by Alex Stewart with but twenty seconds to go, tied the count at two goals each.

The McIntyre scored early in the opening period. Lister scurried a pass across to Cooper and the former St. Catharines wingman batted it into the net behind George Fargher.

The Hollinger went out to get the goal back but was unable to do so in the first period. Several of their gangling attacks were thwarted by the expert work of Beare, in the McIntyre goal. Wingmen were skating man for man and the edge on the play was very narrow.

The Hollinger attack seemed to be able to surge right in around the goal but it lacked the necessary punch to result in a score. In the second period the Hollinger forwards sailed up to the goal several times and each time Beare's efforts would be enough to prevent the scoring of a goal.

The Macmen went two goals out in front in the second. Cooper was thumped for batting Rene Lortie, and while he was off the ice, Leo Richard scored. He hooked the disc away from Lortie at about centre ice and went in alone to score.

Bowman went off in the second but the Macmen managed to hold fort while he was off the ice.

The third period was a hectic exhibition spotted with near brawls and many penalties. Cooper was the first to go off. He cross-checked Wilson and was given the nod.

It started when Sparky Vail and Palmateer went to the ice together where they thrashed around a bit. Vail came up swinging. The referee and Stewart tried to separate them and Vail clipped Stewart on the ear and then beat it for the box. Vail and Stewart went off the ice and then went at it hammer and tongs in the penalty box. Final result was that Stewart and Vail each got major penalties. Palmateer also sent off.

While Wilson was off the ice, Stewart gave a pass to McArthur and the redhead got the first tally.

Near the end of the game Stewart lifted a backhander into enemy territory in order that his team mates might be able to surge in and have a try for a goal. The puck dribbled in and past Beare, in the McIntyre net, for a freak goal and a tied score.

McIntyre—Goal, Beare; defence, Holoukka, Milne; centre, Lister; wings, Lone, Cooper; alternates, Richard, Pozzo, Harris, Murphy, Baker, Mann, Somers, Bowman, Vail.

Hollinger—Goal, Fargher; defence, Delmonte, Stewart; centre, Schreiber; wings, Gordon, Maine; alternates, Gordon, McArthur, Wilson, Wilmott, Dinnelle, Kerr, Lortie.

Referees, Clark and Legrave.

Canadian Golfer Up With Top Pros in Miami Tourney

Miami, Fla., Dec. 16.—Samuel Jackson Snead, scourge of the professional golfing ranks until he developed a misery in his back three months ago, is on the warpath again.

"All I need is a few good holes to get my confidence back," he said a few days ago after regaining his health, "and I'll catch fire again."

Yesterday Snead scored a two-under-par 68 that tied him with seven others for the first round lead in the \$10,000 Miami Open, the year's final tournament.

Out in front with Snead and other top-ranking pros was Stanley Horne, Canadian stylist from Montreal.

Horne, who found his "chipper" was hot, bettered par by three strokes on the homeward nine after going one over on the outward route. The former Ottawa player sunk a 15-foot putt for a birdie two at the 11th and sunk a spectacular chip shot for a birdie four on the 540-yard 15th.

Powassan and Sundridge Clubs Play 6 Games Each

North Bay, Dec. 16.—Powassan and Sundridge clubs will have six games each in their O.H.A. intermediate "B" activities this season. Both teams are also intermediate members of the North Bay Hockey Association.

The schedule covering games in the Parry Sound-Muskoka Hockey League this season shows that both Powassan and Sundridge get into action in the openers on January 5. Sundridge will be at Huntsville that night, while Powassan Hawks will be at home to Parry Sound.

It will be a four-team race. Gravenhurst and Bracebridge are not in the group this season.

The first two teams will play a best-of-three series for the title and the right to go into O.H.A. intermediate "B" play-offs.

Kamloops Sentinel:—In the glare of burning Helsingfors and dying Finland, Canada's path is pitilessly clear. The right to live our own lives in our own way is again up for renewal.

Starting the Second Half of the Commercial Bowling

Power Takes Two From The Advance. Gambles Win Three from T. & N.O.

Starting the second half of the Commercial bowling league with handicaps, the Power and The Advance ran neck and neck all through the first two games and it was the last two frames in each game that decided the winner. The Advance took the first by 15 pins, the Power nosed out the printers in the next two by 29 and 60 pins.

Gambles picked up three valuable points at the expense of the T. & N. O. After dropping the first game, they came back to take the next two handily.
