

Dome Wins on Bison Penalties: Hollinger Outscores Pamour

Close Decision Goes to the Porkies When They Make Use Of the "Breaks" Last Night

First Period Scoreless. Ankerite Gets One in Second and One in Third. Doggedly Persistent Dome Attacking Results in Three Consecutive Goals. Hard-Checking Features Game.

It was not superior speed or playing ability which gave South Porcupine's Domesters a three to two victory over the Buffalo Ankerite, last night in the South Porcupine Arena, but penalties.

Second Period	
1. Ankerite—Morris (Allen)	2:50
Penalties: Woon, Frank Huggins, Dixon, McKay.	
Third Period	
2. Ankerite—Young	6:35
3. Dome—Nevins (Maki)	7:40
4. Dome—Maki (Nevins)	8:20
5. Dome—Nevins (F. Huggins, Maki)	12:02
Penalties: Pecore, Godin.	

Expect 100 at Ski School in Kirkland Over the Week-end

Kirkland Lake, Jan. 10.—Over 100 skiers from Timmins, New Liskeard, South Porcupine Larder Lake, Haileybury, Englehart and the local club are expected to meet here this Saturday and Sunday to attend the ski school sponsored by the Kirkland Lake Ski club and conducted by the Ontario Ski Zone Committee.

Local President Ed Kent and his various committees have completed nearly all arrangements and point to the coming two day classroom as the most important event ever staged by the club. New Liskeard will be represented by 12 of the best skiers in the club and similar representation, is promised from all other clubs from Cobalt on the south to Cochrane on the north.

Zone Officials Coming
The school will be supervised by Roy Herbert, M. G. Putnam Reg. Lehman and Ab Hansman, all officials of the Ontario Ski Zone Committee, who have had considerable experience in putting on schools of this kind. A meeting of the representatives and directors from each represented club will be held in the Princess Hotel on Saturday evening prior to the ski dance. The dance will be held at the Masonic Hall and all skiers are requested to get dressed in their tunics, with their club badges prominently displayed. This will give the local hostesses and hosts a better chance to get acquainted with the visiting "students."

Approximately 100 members and friends of the club took part in a "work bee" at the clubhouse and along the trails on Sunday. After the completion of work President Kent was able to announce that the trails were cleared of all brush and stumps and are in A-1 condition for the meet. The new course from the clubhouse to Cragg Mountain was also completed and is ready for use.

Bus Service Provided
The Kirkland Lake Ski Club will conduct its official opening of the season on Saturday afternoon at two o'clock, when the first day of the school for instructors will be officially opened. The classrooms will run on through the afternoon, open again Sunday morning and finish that same afternoon.

McLellan Transportation Company will operate a bus service to and from the clubhouses, which is located south of the Harvey-Kirkland Township, on Saturday and Sunday afternoon. The first bus will leave each afternoon at two o'clock, and others will leave at intervals during the afternoon.

Walked Thirty-four Miles to Attend Sport Course

That young men in the North still have the energy, the enterprise, the ambition and the stamina of the pioneer stock has been proved by the case of the attendance at the short course in agriculture conducted at Matheson under the auspices of the Ontario Department of Agricultural. Several young men have been walking from five to ten miles each night and morning to attend the classes. One young fellow mashes fourteen miles by dog team. Train travel did not daunt these modern youths either, for some of them came from places as far as 35 miles away. Perhaps, the most striking case of energy and ambition was that of the young man who walked thirty-four miles to Matheson to attend the classes, because his circumstances made that the practical method of travel. He found inexpensive board in Matheson, and at the conclusion of the classes intends to walk back. Evidently, he believes that walking seventy miles is not a prohibitive part of the price to pay for the advantage to be reaped from the short course in his chosen profession.

SUMMARY
First Period
No score.
Penalties: Nevins.

Mystery Curling Cup Won from Timmins by South Porcupine

Several Challenges Made for Its Return.

South Porcupine, Jan. 10th. Special to The Advance.
Great joy was manifest among our local curlers when a rink skipped by Mrs. F. C. Evans "lifted" the "mystery trophy," or "Quebec Cup," from the Timmins Curling Club where it has resided for many years, on Saturday night.

The rink winning was composed of F. C. Evans, skip; Wm. Fairhurst, vice; Winton Adamson, second and Stan Blake, lead. They defeated the rink of Dr. R. P. Smith, Karl Eyre, D. Fleming and H. H. Hudson.

Already a challenge has been posted for the return of the trophy.

The Dome challenges Porcupine first on Jan. 11th—and Harvey Graham challenges the winners on Sunday, January 14th.
Karl Eyre challenges the winner of the 14th.

The "cup" is a very large ewer of beaten brass and copper. It is not a beautiful object to the lay eye, but there must be something behind the "mystery" name or the winners would not be so jubilant about it.

Some Helpful Hints in Regard to Winter Auto Driving

Suggestions by Executive of General Motors Products.

The arrival of winter marks a critical period for those who are learning to drive. In sounding this warning, C. E. McTavish, Director of Parts and Service, General Motors Products of Canada Limited, points out that with modern automobiles, the driver's control of his car is just as complete in the winter as at any other time, but it frequently requires greater skill to exercise this control. The new driver, contends Mr. McTavish, should be particularly cautious during the season when frequent rains, snow, slush, ice and periods of hazy weather complicate the task of driving.

"There is no better safety advice than the rule that is now almost axiomatic," says Mr. McTavish. "Always drive in such a manner that you can stop in the clear space ahead. Many a motorist has thought he was obeying this rule only to find that the stopping distance on wet or icy pavement was something quite different from the stopping distance on hard, dry concrete."

Mr. McTavish offers the following four simple rules for safe winter driving:—
1. Keep to a speed at which you can stop with a margin of safety, no matter what the conditions underfoot.
2. Apply the brakes gently and intermittently at first, with the engine still in gear and let the inertia of the power-plant slow you down.

3. "Feel" your way to a stop, releasing brake pressure at the slightest tendency to slide, and re-apply brakes gently as the wheels turn again.
4. If the pavement is very slippery, shift into second gear when the speed is slackened to eight or ten miles an hour, and then bring the car to a stop.

On the chances they missed and the calibre of play of the opposing team, the Miners should have won by twice the score. On his play in the nets, Carey deserved a shoutout, but he received little protection most of the time in front of his cage, as the Miners kept up the offensive through practically all of the game.

Best man on the visiting outfit was Hec "Squirrel" Pozzo, who was an alternate on Sudbury Cub Wolves a few years back. Sparky Vail, still going strong after being on the Memorial Cup Newmarket team of 1927, tried in vain to rally his forces, but he was unable to do so until half way through the last period.

Jim Dewey, relegated to a defence post, and replaced by Ab Conick at centre, turned in a fine job, but it was in the role of a rusher rather than a defenceman. He scored three goals to lead the Miners, with Johnny McIntyre, another defenceman, trailing him with two.

"Rosy" Rozzini turned in a brilliant game in spite of the fact he had to get out of a sick bed to do it. His play-making started the Miners off and he was still back-checking like a fiend in the final frame.

The veterans, Nap Carriere and Reg Shields, appeared on the score sheet, forming a line with Nick Nicholson. Earl Newbold alternated with Shields and Carriere.

Some Rough Stuff
Although few penalties were handed out, the game threatened to become rough at times, with high sticks, elbows and knees plentiful. It marked the first appearance of "Dutch" Hamel in a senior game for a season, and "Bubbles" Reid for the first time.

Right from the opening whistle the Miners went after their triumph, running the score to 3-0 before the six-minute mark. Lorne Beare, in the McIntyre nets, hadn't a chance on any of the tallies. Heximer came out of

Interesting Contests in the Dart League Series

In the first dash for the handsome Russell trophy, Cardinal were ousted by the last year's winners, United. The newcomers Algoma defeated the more experienced Wanderers in a close game, having to play the third game to decide the winner. Another interesting game was the lowly Robinsons and the Imperials which also required the third game to decide. J. McPherson of the Robinsons playing a nice steady game making some nice scores. Bert Hazlewood of the Imperials was the outstanding player for the winners. A Bellamy of the Dug Ups pulled the game out of the fire against the Gambles. The Seven Up scored over the National.

The draw for the second round resulted.
Imperials vs Seven Up.
Byes—United, Algoma, Dug Ups.

J. Gordon, the Dart League head, asks all players to enter for the single championship. A lovely trophy has been donated by the Vice-President, Arthur Leonard, for competition. Give your names to J. Gordon or A. Leonard.

Hannaberry Tallies Trio in Final Period for Goal Win

Turns What Looked Like Defeat Into Victory by Three Consecutive Counters in Final Period of Pamour-Dome Game at South Porcupine on Monday Night. Hard-Checking on Part Defencemen and Good Work on Part of Goalie.

Three last period goals, all scored within ten minutes and all by the same man, gave Pamour Dynamiters a victory over the bullying South Porcupine Domesters in a game played in the new Porcupine Arena on Monday night. Hank Hannaberry was the hero of the night. His persistent, inspired rushes on the Dome net in the final period turned what had appeared to be inevitable defeat into a hard-fought victory.

Scoring began early in the game. With less than a minute elapsed Bill Maki rushed the length of the ice and handed Nevins a pass. The league leading scorer got a bead on the net and piled the first goal in. Encouraged by the tally, the Domesters rushed dangerously time and again but were unable to repeat. Near the end of the canto the Pamour attacks began to click and the veteran Brownlee was forced out of his lethargy. He displayed his usual cool ability making shots look easy as they were stopped by his stick and rolled off his pads.

Simpson was banished and the Gilmore crew began to apply the pressure in earnest. They were unable, however, to equalize the counter scored by Nevins.

After a brief flurry in which Brownlee, in the Dome goal, was given a few anxious moments, due mainly to the lack of clearing on the part of his defencemen, the Dome again took charge of the play. Maki, Nevins and Dunn sallied down and in during rushes each of them took a pot shot at the net. Bentley displayed ape-like agility and bounced between the goal posts like Junior's rubber ball in an effort to be two places at once. He did manage, however, to keep the disc out of the net.

Play was not all the Dome's however. For brief moments the Pamour forwards would begin to drive with easy power and their free-wheeling attacks, when they got in close, were plenty dangerous.

Hannaberry got the first unassisted. He fired a backhand at Brownlee from a scramble in front of the net and the rubber slipped into the upper left hand corner to deadlock the score. Four minutes later Hannaberry got loose again and coming in close, flipped one at Brownlee that the Dome goalie failed to focus his eye on.

Taylor was sent to the penalty box and the Dynamiters took full advantage of his absence to press their offensive on the Dome net. Finally, after several shots had been turned away from the goal-mouth, Hannaberry and Wilson got loose and scurried down the ice. Dead in front of the goal Wilson eased a perfect pass over to the husky wingman and Hannaberry not only got his third consecutive tally of the evening but put his team two counters in front.

Taylor was replaced in the penalty box by Mansfield but the Domesters were too disorganized to make full use of the loss to the Dome team. When he returned to the ice however, the losers really went to town. In the last moments of the game they were the old battering Dome team which has given so many headaches to mines league squads in the camp. Finally, after repeated attacks on the Pamour net, Frank Huggins and Bill Maki cooperated on a tally to give the home team its pair of goals. Despite the desperate Dome attacks in the final moments of play, Bentley managed to hold the boothel out of the net.

The teams: Pamour Dynamiters—Goal, Bentley; defence, Reid, Marshall; centre, Horbel; wings, Hannaberry, Wilson; alternates, Ross, Fummerton, Dixon, Dudgeon, Lafoley, Laroche, Mansfield, Bleitch.

Dome: Goal, Brownlee; defence, Dunn, McKay; centre, Maki; wings, F. Huggins, Nevins; alternates, A. Huggins, Horne, Cattarello, Woon, Simpson, Mayes, Taylor.

Wanderers	18	9	4	5	23
Cardinal	18	6	6	6	18
Imperials	18	5	5	9	17
Dug Ups	18	5	6	7	17
Gambles	18	5	6	7	17
Algoma	18	4	6	8	16
Robinsons	18	3	10	5	11
National	18	3	10	5	11

Russel Trophy results:
Cardinal 0, vs United 2.
Robinsons 0, vs Imperials 2.
Algoma 2, vs Wanderers 0.
Seven Up 2, vs National 0.
Gambles 0, vs Dug Ups 2.

Haileybury Armoury to be Available as Rink

Word from Haileybury is to the effect that the armouries there, used in past years for hockey and skating, but taken over at the outbreak of the war by the military authorities, is again available for rink purposes this year, with the promise that should it be needed for war purposes it can be taken over at any time. Members of the Haileybury fire brigade have undertaken to operate the rink on a 60-40 basis with the municipality.

Globe and Mail:— Nothing is more annoying to a well dressed man to find that his back stud has become unfashioned. His choler immediately rises.

Hollinger Wins With Tally In First Minutes of Final Period Against Dynamiters

Greenshirts Again Display Ability to Give An Extra Ounce of Energy When it Most is Needed. Hollinger Gets Two. Dynamiters Deadlock Score and Greenshirts Come Through With Lone Counter in Final Period.

Of the two games played at the South Porcupine Arena last night the Pamour-Hollinger match was to have been the "added attraction". However, it proved to be a full fledged feature in its own right before it was over. Once again the Hollinger Greenshirts displayed that grim courage which has characterized many of their contests this season. Final score was three goals to two—for the Hollinger.

The Greenshirts got two before the Pamour team got well into its stride. When it did, however, it proved to be deadly in action. Driving hard throughout the second period, the dynamiters managed to tie the score and leave the final outcome to be settled in the third and last frame.

It did not take the Greenshirts long to decide things. Inside the two minute mark the goal which won the game was scored. It came from the stick of Palmateer, who was assisted by Schreiber, in a straight break down the ice and heady work in front of the net. Four of the goals scored during the game came immediately after period play got under way. The first was scored two minutes and twenty seconds after the first period began.

While the teams were still testing each other, Gordon took a pass from Schreiber, who in turn, took a pass from Palmateer. He golfed the disc through two players and it found a comfortable niche in the corner of the Pamour net.

Play was wide open in the first canto and the Dynamiters lived up to their name with sudden, explosive attacks which often seeped through the Hollinger defence and in on the goal. Malloy, in the Greenshirts' net, handled them capably however.

Second Hollinger goal came just more than a minute after play began in the second period. A scramble in front of the net and the puck came out to Malloy who relayed a short, fast pass to Miller. Miller was credited with the tally.

Less than a minute later, while play was at a fever heat, Hannaberry took a pass from Wilson in the corner and beat Malloy for the first time in the evening.

It took the Dynamiters close to fifteen minutes of concentrated effort to get the next counter. In one of the prettiest plays of the evening, Lafoley took a pass from Dudgeon. He shot and retrieved the rebound. Making a half circle in front of the net he drew Malloy out of position and very calmly slipped the bootheel in behind him.

After Palmateer and Schreiber collaborated on the winning goal a minute and fifty-six seconds after the third period began, play opened up. In the third period, especially towards the end, the Greenshirts had the best of things. They contented themselves with defensive hockey and managed to stave off the Dynamiters' attacks.

In the last two minutes of play the Pamour team looked very much as though it was in a position to deadlock the score. Horbel, Lafoley and Dixon all were in close and one attack

was merely the signal for another to begin. It was all Malloy could do to keep the rubber out of the net but what he did was well done and it was due to him that the game did not end in a tie.

The teams: Hollinger—Goal, Malloy; defence, Lortie, Delmote; centre, McArthur; wings, Wilson, Wilmott; alternates, Stewart, Schreiber, Palmateer, Maine, Miller, Bleitch, Gordon.

Pamour—Goal, E. Malloy; defence, Reid, Marshall; centre, Dudgeon; wings, Lafoley, Dixon; alternates, Mansfield, Bleitch, Wilson, Horbel, Hannaberry, Laroche, Ross, Fummerton, Wats.

Officials: Frank Frawley and Jerry Legrave.

SUMMARY
First Period
1. Hollinger—Gordon (Schreiber, Palmateer) 2:20
Penalties: none.

Second Period
2. Hollinger—Miller (Maine) 1:30
3. Pamour—Hannaberry (Wilson) 2:05
4. Pamour—Lafoley (Dudgeon) 16:45
Penalties: Reid, Lafoley.

Third Period
5. Hollinger—Palmateer (Schreiber) 15:56
Penalties—none.

A.Y.P.A. Enjoyed Happy Skating Party Last Night

The A.Y.P.A. held a very successful skating party last night when a number of A.Y.P.A. members and friends gathered at the Parish hall, warmly clad and ready to enjoy a few carefree hours at the McIntyre Arena. Amid the friendly atmosphere which has helped make this sport so popular the A.Y.P.A. members became better acquainted. After skating for two hours the members and friends went back to the Parish hall where doughnuts and coffee had been prepared.

Globe and Mail:— Another theory is that iHter hasn't really started the war on land yet because he wants to see what effects his threats will have. He remembers that they worked pretty well at Munich.
