

# Both Games At South Porcupine Last Night Tied

## Bisons and Pamour Play to Two-All Tie Score; Porkies Deadlock Hollinger 1 to 1

No Score in First Two Periods of Hollinger-Dome Game. Stewart and Huggins Score in Final Canto. Dynamiters Take Two Goal Lead in First Two Periods of Second Game and Barney Morris Ties Score With Pair Inside of a Minute.

The brand of hockey competition in the Porcupine this season was indicated last night in the South Porcupine Arena, where a double-header was played. Both games ended with scores deadlocked. Ankerite and Pamour tied two-all, and Hollinger and Dome finished their contest with the score deadlocked at 1 to 1.

It may have been the cold weather which kept the scores so tight. The inside of the as-yet-unbeaten South Porcupine arena was more than chilly—it was frigid. Fans, the few who turned out, stamped their feet and clapped their mittened hands together to keep warm. They rushed for heated waiting rooms at the conclusion of each period to thaw out.

The only people in the arena who were not chilled through were the players. They were working hard enough to keep their body temperatures at fever heat. The brand of hockey displayed in both games was fast enough to keep the players perspiring copiously in spite of the bone-chilling atmosphere.

It is significant that the two teams in the camp with the highest ratings Ankerite and Dome, were held in check by two other teams who, although they have not topped the standing, have been constantly threatening the league leaders throughout the season.

The well known fighting powers of the Hollinger served them well in their battle against the Dome. They got the first goal, after two periods of scoreless hockey, in the third period, but were not able to keep the yellow and white clad Porkies from scoring just before the end of the game.

In the second contest the Dynamiters' of goals in the first and second periods. Their efforts were equalized inside of two minutes by Barney Morris, who got both Ankerite goals.

**Dome vs Hollinger**  
Their blood apparently thickened and circulation slowed down by the cold, neither the Dome nor the Hollinger players burned up the ice with their efforts in the scoreless first period of the Hollinger-Dome game. Play dragged at times, slowed down by heavy checking on the part of both teams. Both defence lines were ready and willing to lay into whomever came their way and it was not exactly a pleasant task to run into the defence bulwarks of either squad.

Play speeded up somewhat in the second period but still neither forward line was able to penetrate both defence line and goal-tender. Brownlee, in the Dome goal, was called upon to do one fine and fancy acrobatics when the Hollinger line got under way but he always managed to get himself or his stick in front of the flying puck.

First goal was scored at the one minute mark in the third period. Stewart took the puck on a three-man play and laced it past Brownlee. Play was fast and furious from then on and the Domestics put forward every effort to deadlock the count. They were not able to do so until the eighteen minute mark however when the line of Maki, Nevins and Frank Huggins got through. End man Frank Huggins got credit for the goal.

**Ankerite vs Pamour**  
The Bisons and the Dynamiters provided hockey of a more exciting brand. Both teams broke loose in the first period and played a fast, open game that kept spectators on the edges of their icy-cold benches. At the seven minute mark Dynamiter wingman Lafoley and Ross closed in on Kemp and tallied the first on a fast, well-timed play. There was no other score during the period. Play was fast however and both Kemp and Bentley did not find much of their time idle around the goals.

Two minutes after the second period began the Pamour wingline, which has been improving with each game, struck again—and hard. Hannaberry, one of the league's most accurate shots and one of the best playmakers in the camp, tallied the goal which put the Dynamiters two up.

Throughout these two periods the Bisons were not just sitting back and waiting for the Pamour men to strike. They were often surging around the Pamour net but they seemed to lack that necessary drive at the last moment which scores goals.

Barney Morris saved the day for the Ankerite within a minute in the third period. He was badly assisted by the other two hotshots on the line, Hepworth and Allen. Morris got two goals one at the five minute mark and one about a second later. The second counter was scored on the play which followed the face-off after the first goal.

Near the end of the period Hughie Allen raced down alone and buried the puck in the net behind Bentley but the goal was disallowed because of an offside. Naturally the Ankerite supporters were not silent in their protests. However, their cries were all to no avail and the game ended in a deadlock.

Toronto Telegram:—One-half of the world wonders if the other half has a cold, too.

## Kirkland Not to Be Dog Derby Finishing Point

Val d'Or, Que., Jan. 17. — Three changes have been made in the program of the International Dog Derby which had been planned for seven days, commencing February 24. Probably the most important to Ontario sports fans is the announcement that Kirkland Lake has been struck off the route of the dog team race. The finish line will be in Val d'Or.

Two other changes have also been made. The management of the Derby has been changed from the original board, the route has been localized and with the curtailment of the course the prize money has been changed. About the only thing left in its original form is the cup which will be competed for, the Jack Hammell Trophy.

Originally first prize was \$1,000, now it has been deleted to \$500 with the rest taking similar reductions. The date of the race is also changed, with the teams scheduled to start on February 28 instead of four days previous. The race will finish on March 3.

## Dynamiters Pull Win Out of Hat With Last Canto Rally

Awaken With Start in Final Five Minutes of Game to Find Selves One Goal Down So They Score Four Consecutive Tallies Before Full Time. Hannaberry, Wilson Outstanding. Dynamiters' Plays Very Dangerous. Game Clean Throughout.

After two periods of scoreless hockey, Pamour Dynamiters suddenly came to life into the final frame of Monday night's match with the Buffalo Ankerite Bisons to slash four goals past Kemp in five minutes, smother the Bisons' one-goal lead and win four to one.

Five minutes before the game ended the Dynamiters opened up and began to put the necessary scoring punch into their attacks. Those qualities which make the Pamour squad ever a dangerous team to meet, came to the fore and were personified in the persons of Hannaberry, Horbel and Wilson. The trio began to smother the Bisons with goals and slashed down in on Kemp time and again.

There were many dangerous rushes and near-goals in the first period. The crack Ankerite line of Hepworth, Morris and Allen gave Bentley trouble around the net and Horbel, Hannaberry and Wilson were responsible for many close rushes around Kemp. Horbel missed a couple of good chances in a row shooting wide of the net on the first and missing the net altogether on the second try although he closed in unmolsted.

Play was held down at the Pamour end of the ice for a good part of the time in the second period and the line of Morris, Hepworth and Allen was at its smoothest—as it usually is in the second period. Bentley was too good for them on their every shot at the net, however, and the score sheet was kept clear. Only penalty of the period was given the Ankerite. At one time the Bisons had seven men on the ice and officials picked Morgan to serve the resulting penalty.

Net-minders' work stood out in the early part of the third period. Both Bentley and Kemp were kicking and shoving shots away and making it look easy.

At the six minute mark there was one combination that Bentley did not stop. Kucher passed to Morris from well out on the wing. From the blue line Morris drove a hard shot at Bentley who stopped it and slithered it out. Coming in fast, Kucher picked up the loose puck and shot the rebound. It too came out but Hepworth had only to touch the disc with his stick to shove it past Bentley.

Han Hannaberry got the equalizer with less than five minutes of play. He dashed through with Horbel, took Horbel's pass, calmly drew Kemp and lashed the rubber in behind him.

From the next face-off Hannaberry got the puck again and he and Wilson raced down the ice. Wilson took Hannaberry's smooth pass and put the Dynamiters one goal to the good.

While the Bisons were ganging around the Pamour net, Bill Wilson broke away with Horbel. The two were unopposed when they got past their own blue line and in a nice passing play they got the third goal. The fourth one came when Wilson scored on a co-operative rush in which Hannaberry and Horbel figured in the final moment of play.

The teams: Dynamiters—Goal, Bentley; defence, Marshall, Reid; centre, Ross; wings, Pummerton, Laroche; alternates, Dudgeon, Dixon, Lafoley, Horbel, Wilson, Hannaberry, Mansfield, Bleitch.

Ankerite—Goal, Kemp; defence, Godin, Dixon; centre, Morris; wings, Allen, Hepworth; alternates, Young, Morgan, Kucher, McKinnon, Patterson, Pilotte, Lavallee, Pecore.

## Play-off for the Timmins Curling Cup at Week-End

Finalists Prove to be Rinks Skipped by J. M. Belanger and A. R. Harkness

Final winner of the Timmins Cup will be decided at the curling rink here, probably over the week-end, when the two rinks which remain in play will meet.

The rinks which will meet in the final game are those of J. M. Belanger and A. R. Harkness. The rinks are, J. M. Belanger, skip; A. Tomkinson, vice-skip; W. J. Doyle, second, and A. E. Perry, lead; A. R. Harkness, skip, J. E. McGrath, vice-skip, P. N. Whaley, second, and B. McGill, lead.

The large number of curlers who entered the first round of play for the cup was finally eliminated down to seven group winners. Rinks which won their groups were skipped by Dr. Smith, P. J. Doyle, A. W. Pickering, Harvey Graham, J. M. Belanger, W. W. Tanner and A. R. Harkness. On Monday night six of the rinks met, Mr. Pickering having drawn a bye, and on Tuesday night play continued until only the rinks of Mr. Belanger and Mr. Harkness remained.

Blairmore Enterprise:—A proud father walked into a local store the other day and said to the sales girl: "One dozen of your very best diapers." The lady, handing him the package, said: "That will be one dollar, also three cents for tax," to which he replied: "We use safety pins at our house."

## Schumacher Takes Two Hockey Games from Iroquois Falls

Both Intermediates and Juniors Win from the Falls.

Iroquois Falls, Jan. 17th.—(Special to The Advance)—The Schumacher Hardware Hockey teams were both successful, when the Intermediates and Juniors played their first game in the series here last night, to take home both titles.

Running a special from the Porcupine Camp here, and bringing along many spectators, the games were started at 7.30, with the Intermediates going into action first. This was a three period game of hard hockey, with a final score of 7 to 4 in favour of Schumacher.

The first period opened a little draggy but soon whipped into fast playing, when the Falls scored the first goal, as R. Gignac made a lone dash victory. G. Conti later took the puck from the two defence men to nick the goal for a 2-0 ending the first period.

The second period saw a much different game, as both sides went into a whirlwind of playing, and after ten minutes, Scholote scored on a lone rush for Schumacher. This was closely followed when Cordick, assisted by Scholote, scored the second for Schumacher. One minute later Cordick repeated the goaling on the same assist to send the game topsy-turvy. Only another minute lapsed, with both teams going full pelt, for Moore to score, from a thrown puck by the goalie. Gignac again gave the Falls the lead at the end of the second when he took an assist from C. Cameron to make the score 4-3.

The third period found Schumacher scoring 4 more goals, with O'Brien scoring on a lone run. Colquhoun scored on a rebound to the boards, O'Brien made it a cinch game when he picked up a pas from Cordick, and Cordick again scored when taking a pass from O'Brien. This ended the game with a 7-4 victory for the Schumacher Intermediates.

The line up was: Schumacher:—Goalie, Lang; defence, Colquhoun, Warner; forwards, Scholote, O'Brien, Cordick, Kenty, Moorehouse, Byers; subs, Smith, Drury. Coach, Warner; Manager, H. Haggerty.

Iroquois Falls:—Goalie, Lavallee; defence, Porter, Wawson; forwards, C. Cameron, R. Gignac, N. Moore, D. O'Marah, A. Abramson, Conti, D. Cameron, A. Ronholm. Coach, W. Birch; Manager, S. Andress.

### Junior Game

The Junior game, which started about 9.30, commenced a little rough, as though the boys had to wear a grudge off, which tended to mar the fine reputation of Junior hockey in this area. The first period produced much bumping, slashing and knocking. However, after this was done, the boys got down to business, and the game ended in a 3-0 victory for Schumacher. Schumacher had the edge for weight, and were a little faster, which helped the victory.

The second period produced a free for all, and it was noticeable after this was done, that the game got away to real hockey. No grudges were then held.

Innerelli, for Schumacher showed real stick handling, and Porter with Clark for the Falls made some nice showings.

Four penalties were meted to Schumacher shortly after starting the first period, with the Falls taking two. Lone rushes on both sides were tried, but without success. J. Innerelli scored the only goal for Schumacher on a lone rush at 10 minutes.

The second period found three penalties, two of which were for five minutes. Two of these were Schumacher, and one for the Falls. The latter part of the second period and the third period were real hockey, with good fast skating, and fine stick handling. Senyub scored the only goal for Schumacher in this period, near the finish of the period, when he drew the goalie from his net.

The third period was fast, with Poirier scoring on again taking the goalie from his net, at 44.5 minutes. McGrath for the Falls took the only penalty when hitting one of the Schumacher players.

Line up: Schumacher—Goal, Vezzini; defence, D. Innerelli; forwards, J. Innerelli, Innerelli, Poirier, Cavanagh, LeVigne, Senyub; subs, Godin, Giovannelli. Coach, Haggerty. Manager, C. W. Macdonald.

## Junior Committee of Ski Club Plans to Help Along Sport

Instruction to be Given in Jumping, Cross-Country and Slalom.

At their first meeting, last Saturday, the Junior Committee of the Ski Club, organized approximately twenty-five enthusiastic members in preparation for their instruction.

Although the number is comparatively small, the quantity of snow was smaller—making the coming week-end the first good one this year.

Among the members who turned out were two young girls who definitely established the fact that they are going to take second place to no mere boy. For instruction three sections—Jumping, Cross-country, Down-hill and Slalom were formed. These sections were then broken into classes—B Class from 13 to 16—C class from 8 to 13.

Each class will have an instructor from the ranks of the senior members who have generously agreed to contribute their time to the cause. As is the usual case with the Ski Club no charge is being made for this instruction—their sole aim being to develop juniors who will carry on the good name of the club.

As might be expected almost all the

skiers wanted to jump. However for the benefit of all it might be wise to point out that it never hurts to know how to go up and down a hill properly in a country where all the trails are not highways and the stumps refuse to be worn out.

The regular meeting time will be half past two at the chalet (ski clubhouse) for the duration of the winter. Junior Committee
