

HOLLINGER DEADLOCKS PAMOUR; DOME TRIMS McINTYRE

Dynamiters and Hollinger Battle for Sixty Minutes Final Period is Scoreless

Pamour and Hollinger Live up to Reputations as Tough, Hard-Fighting Teams in South Porcupine Last Night. Two Wilsons, One on Each Team Score Goals. Teams Almost a Perfect Match.

Pamour Dynamiters and Hollinger Greenshirts lived up to their reputations as two of the toughest, hardest-fighting teams in the Porcupine Mines League last night in the South Porcupine Arena. Sixty minutes of hard-driving hockey produced only two goals—one for each of them. The teams, almost a perfect match, countered each other's moves from the first of the game and finally ended the duel in a deadlock.

The Dynamiters got the first goal. They battled through almost the whole of the first period before they were able to tally. It was in the final moment of the second period when the Hollinger managed to retaliate with an equalizing counter. When that goal was scored, play slowed down. In the third period checking was hard enough and close enough to take all the free style and open play out of the game. Each team was making an effort to protect its one goal and the opposing attacks of each squad were met with hard, jolting body checks from defence-men.

The game, despite the hard checking, was not rough to the point where the rule book was treated with disrespect. Checks were hard and penalties were mostly the result of over-enthusiasm rather than the desire to go out and deliberately "get" an opposing player.

After seventeen minutes and forty-six seconds of torrid play in the first period, Reid, who was in close to the Hollinger goal, took a pass from Wilson, who was crossing the blue line. He drew Fargher out of position and slapped the disc past him with neatness and despatch. It was the only goal of the period.

Lafoley was thumbed in the first period when he rubbed Wilson's fur the wrong way and Gordon was pointed off when he boarded Hannaberry with more vigour than discretion.

The Hollinger squad's Wilson got the only goal of the second period and the final counter of the game.

It looked like a scoreless period and a one goal advantage for the Pamour when W. Wilson picked up a rolling puck on a breakaway and skated in fast. He swerved in front of Fargher and slapped the puck between his pads for the final goal of the game and the one which deadlocked the score.

Marshall got the only penalty of the period when he gave Palmateer the hip and bounded him.

Play in the third period tightened up and neither team was able to get in scoring position. There were many rushes on both nets but the goalies kept their citadels inviolate.

The teams: Pamour: Goal, Bentley; defence, Reid, Marshall; centre, Ross; wings, Fummerton, Lafoley; alternates, Dudgeon, Dixon, Bleitch, Horbel, Hannaberry, Wilson, Zemka.

Hollinger: Goal, Fargher; defence, Lortie, Stewart; centre, Schreiber; wings, Wilson, Wilmont; alternates, Delmonte, Gordon, McArthur, Kerr, Maine, Miller, Malloy, Palmateer.

SUMMARY

1. Pamour—Reid (Wilson)	17:46
Penalties: Lafoley, Gordon.	
Second Period	
2. Hollinger—Wilson	19:00
Penalties: Marshall.	
Third Period	
No score.	
Penalties: Marshall.	

Barrie Examiner:—A British soldier, who has what is described as an "uncanny talent" for mimicking such things as birds, trains, etc., attempted for the first (and probably the last) time recently, the British air raid warning signal. So realistic were his efforts that troops sprang to action stations—anti aircraft guns were manned—and a convoy dashed off to guard a nearby town. The talented "Tommy" is spending an indefinite period in the guard house.

Expect 300 to Go From Here on Ski Train to Kirkland

Timmins Club Will Enter Five-Man Team in Down-Hill Run on the Kirkland Slopes.

Close to three hundred Porcupine ski enthusiasts are expected to board a special train from here to Kirkland Lake on Sunday morning. All along the line from Timmins to Kirkland stops will be made for skiers who will spend the day as guests of the Kirkland Lake Ski Club.

This will be the second annual visit of Porcupine skiers to Kirkland. The trip, it is expected, will become an annual affair.

Only competition to be held in Kirkland will be a down-hill run. Six men will be taken from here as a team to enter the race although only five comprise a team. The six from among whose numbers the quintet will be chosen are: Bob Hammond, captain, Ray Kleven, Jules Baderski, Adolph McFadden, David Banning and Ross McFarland.

The return trip from Kirkland will be made on the same day. The special train will leave there probably early in the evening and is expected to arrive back in Timmins around midnight on Sunday or early on Monday morning.

Greenshirts Storm Bison Citadel; Win Five-Three

Hollinger Trims League Leading Bisons by Same Score as Pamour Defeats McIntyre in First Game of Twin-Bill at McIntyre Arena on Monday. Line of Morris, Allen and Lever Kept Bottled by Greenshirts.

It seems to be characteristic of double-header hockey games in the Porcupine that they both end with similar scores. In the first game of the twin-bill at the McIntyre Arena on Monday evening the Pamour Dynamiters trimmed McIntyre 5 to 3 in a final period rally. The second game, between the league leading Buffalo Ankerite Bisons and the Hollinger Greenshirts ended with a 5 to 3 victory for the Hollinger.

The surprising Hollinger squad, which has displayed so much power this year especially near the end of games, had, throughout the evening, an edge on the play. After Delmonte scored the goal which deadlocked the score the Hollinger squad was out to win and it would have had to be a powerful team to gansay it.

Play in the first period was confined pretty well to the centre area as defence-men were handing out stiff and effective checks to anyone who ventured within their zones. The first goal was more or less of a fluke. It was scored when Young took a pass from Morgan and shot from the blue line. The puck slid slowly in and under Malloy into the Hollinger goal.

Delmonte equalized after the next face-off when he took a pass from McArthur at the defence and went in to pull Kemp out of position.

Morris and Allen were in several times during the period but they were not able to clock and get one past both the Hollinger defence and Malloy, in goal. Play during the first period was just about even.

After seven minutes of the second period Ab Kerr rifled one from the defence. Kemp got it but Kerr followed in fast, picked up the rebound and slapped it home.

After five minutes the Bisons board of strategy sent five forwards out to try and get the equalizing goal. They all tested Malloy but it was not until

Bisons to Play Return Game With Devils on Saturday

Kirkland Lake, Jan. 24—Lake Shore Blue Devils and Buffalo Ankerite Bisons will meet in two games this week, it was announced yesterday afternoon by "Doc" Ames, manager of the Blue Devil squad. The Devils play in Timmins on Thursday night, and are back on home ice Saturday night against the Bisons.

Arrangements for the home-and-home game series were completed when Lake Shore and Ankerite officials met in Timmins on Saturday night, following the Dome-Devil game.

The Ankerite Bisons are strong this season and play an entirely different type of hockey in comparison with the McIntyre Miners and Dome Porkies, who have shown their wares here this season. A wide-open offensive is the Bisons' forte and they are said to always be carrying the game to the opposition.

Thursday's game in the North will be played in the McIntyre Arena in Schumacher. Coach Lex will likely use the same lines as the ones which worked against Dome on Saturday night. About the only change expected will be Bill Durnan in goal, replacing Zeke Farley. Ray Milton, who missed the week-end trip due to sickness, is expected to be ready for Thursday's Northern jaunt. Milton took his regular position on defence during yesterday afternoon's practice.

Doing the usual change-about Fery will be in the nets when the two teams meet here on Saturday night. A good crowd is expected as the Ankerites are of an "unknown quality" in this section and have aroused quite a bit of interest.

Sudbury Star:—British contraband officials are permitting rat poison to go through the blockade. Perhaps hoping some of it will find its way to Hitler's soup—if he has any soup.

Nineteen Tables of Whist at Ladies' Auxiliary Event

Nineteen tables of whist were played at the regular weekly whist drive of the Ladies' Auxiliary of the Canadian Legion held at the Legion hall on Tuesday evening. The event was convened by Mrs. A. Harvey, and she was assisted as M.C. by Mrs. R. Hardy, president.

Winners at whist were: Ladies—1st, Mrs. Foden, 2nd, Mrs. Parnell, and 3rd, Mrs. E. Stevens; gentlemen: 1st, Mr. O. I. Maynard, 2nd, Mr. O. L. Evans, and 3rd, Mrs. A. Rioux (playing as gentleman).

A dainty lunch was served after the cards by the kitchen committee. The regular monthly social of the Ladies' Auxiliary of the Canadian Legion will be held on Tuesday evening, January 30th, and it is hoped that a large number of members and their friends attend the event.

Globe and Mail:—Stalin will think twice before taking on the Swedes and Norwegians—people like the Finns, and more of them.

Dynamiters Blast Quartet Home in Third to Take Win

Lift Selves Out of Cellar Position in Game With McIntyre on Monday Evening. Horbel, Hannaberry and Wilson are Life-Savers in Final Period of Game. McIntyre Leads by Two at One Time.

Smashing four goals home in the final period, Pamour Dynamiters blasted their way out of last position in the league on Monday evening in the opener of a double-bill at the McIntyre Arena. The Dynamiters came out of the fray with a 5 to 3 decision over the McIntyre.

The Macmen and the Dynamiters each tallied one in the opening period of the game. In the middle canto the home squad had it all its own way and scored two goals to take the lead. The Pamourites came out in the final period with a blast of speed and power which swept the Arena host off its feet. Horbel, Hannaberry and Wilson tallied all the points between them.

Sandy Milne served a penalty early in the first period but the Pamour forwards were unable to poke the disc past Gordon, in the home nets.

At the fifteen minute mark Lister and Vail took the puck down the ice and from a scramble in front of the net, Milne got vengeance for the penalty inflicted on him. He poked the rubber into the twine for the first.

Three minutes later Laroche took the puck from a rebound off the boards and relayed it across to Dixon. Straight and true Dixon let fly at the goal. The count was deadlocked and scoring in the first period was brought to an end.

Less than a minute after the second period got under way, Murphy tallied the goal which put the Macmen in the lead. Before the period was over Lorraine picked the puck up in the corner, and while the Pamour defence-men were off guard, he passed to Murphy who took it in on the net. Bentley went flat on the ice to save but Murphy flipped the bootheel over his prostrate body.

Before the second period ended, Richard passed to Lister who went in fast on a pretty play and got the goal which put the McIntyre two to the good.

The Dynamiters began staging power plays early in the third period and they kept right on applying the pressure until, at the three minute mark, Horbel came down the boards fast and passed short and sharp to Wilson. Wilson had the puck whizzing towards the net almost as it touched his stick and Gordon was given no chance to save.

Wilson, Horbel and Hannaberry all had a hand in the next goal. Wilson and Horbel brought the rubber down the ice and when Hannaberry got it he smacked it at Gordon. The puck trickled by Gordon's stick and dribbled into the net.

With the score tied it was Horbel's turn to tally. Wilson picked the disc

Bisons Meet Shore Blue Devils at McIntyre To-Night

Game Seen as One of Stand-out Hockey Contests of the Season.

Lake Shore Blue Devils will be in the Porcupine this evening. They will meet the Mines League leaders, the Buffalo Ankerite Bisons, at the McIntyre Arena in one of the exhibition tilts scheduled between the Kirkland team, which is handicapped by having no squad in its own area with which to play, and team from the Porcupine. That the highly rated Shoremen are not unbeatable has been proven by several close decisions this year between either the Dome and Lake Shore or the Ankerite and the Kirkland team. The Bisons are at the top of their form right now and this game should be one of the stand-out contests of the season.

Nevins Counts all Three Dome Goals for Win Last Evening Over Macmen

Speedy Wingman Stars in Three to One Dome Victory at South Porcupine Last Night. Dome Score One in Each Period. Beare in McIntyre Goal, Plays Standout Game Against Porcupine Battering.

Scoring all of the Dome's three goals Les Nevins, flashy Porcupine wingman, trimmed the McIntyre almost single handed last night in the South Porcupine Arena. The speedy South End star darted in on Beare, in the visitors' goal, once in each of the three periods to tally. The Macmen were able to get free and began to function it meant of the third period.

The Macmen were no match for the bruising Domesters. They were able to hold them down for parts of the sixty minutes but, every once in a while the Dome machine would cast off its shackles and break loose. When it did get free and begin to function it meant trouble for McIntyre defence-men and for Beare in the Macmen's nets.

Huggins supplied the pass which resulted in the first goal. He gave the pass to Nevins at the blue line and the wingman skated in on two defence-men. He stickhandled his way through them and close in on Beare. His shot never left the ice and it sizzled into the corner of the goal.

In the early part of the game, the South Enders hemmed the Macmen inside their own blue line and laid down barrage after barrage over the goal. Beare was in all directions at once at points during the game and it was mainly his agility which kept the score from mounting.

Near the end of the period Somers was banished for carrying his stick high. He was still in the box when the second period began and the Domesters turned on a wave of pressure but to no avail. They were not able to count.

It was not until the end of the period that the second goal came. Holoukka was sent off for boarding and he had no sooner stepped back on the ice when Maki gave a pass to Nevins, when went right in on Beare and picked the left hand corner of the net for the goal which put Dome two in the lead.

A man was off each team when the first McIntyre goal was scored early in the second period. Somers and Woon had been banished for high sticks and a scramble occurred in front of the Dome net. Holoukka, McIntyre defence-man, skated in from the side and gofied the loose puck into the goal behind Brownlee.

Taylor very nearly gave the Dome another goal advantage soon after but he missed a breakaway near the net as he was off balance and not able to get his shot away. Love cleared the puck.

Using the shot which he had found so effective all during the evening, Les Nevins got his third goal just before the game ended. He sizzled one at Beare from an angle. The puck burned the ice into the corner of the net.

The teams: Dome: Goal, Brownlee; defence, A. Huggins, Taylor; centre, Maki; wings, Nevins, P. Huggins; alternates, Thomas, Woon, Horne, Mayes, McKay.

McIntyre: Goal, Beare; defence, Holoukka, Vail; centre, Murphy; wings, Lorraine, Lister; alternates, Milne, Somers, Love, Richard, Mann, Cooper, Bowman, Colquhoun.

First Period

1. Dome—Nevins (Huggins)	4:35
--------------------------	------

Second Period

2. Dome—Nevins (Maki)	19:55
Penalties: A. Huggins, Holoukka.	
Third Period	
3. McIntyre—Holoukka	2:40
4. Dome—Nevins	19:00
Penalties: Somers, Woon.	

South Porcupine Arena Not Cold for Fans at Games

And Will be as Comfortable as the McIntyre or Any Other Artificial Ice Rink When the Heating System is Complete.

A story in the issue of The Advance of January 18 about a hockey game which was played at the South Porcupine Arena on the evening of January 17 reported that the inside of the Arena was "more than chilly—it was frigid." The story also said, "Fans, the few who turned out, stamped their feet and clapped their mittened hands to keep warm."

The Advance is informed by Mr. C. G. Kemsley, President of The Porcupine Skating Rink Company Limited, that the temperature inside the Arena was 30 degrees Fahrenheit while the outside temperature was 15 degrees Fahrenheit below zero. The inside temperature obviously was not "frigid."

It may be that the comfort of the heated McIntyre Arena has softened hockey fans to the rigours which were accepted as part of the winter game in the past. If this is so they soon will be accommodated at the South Porcupine Arena, which, when its heating system is functioning, will be as warm and comfortable as any artificial ice arena anywhere. In the meantime, however, it is only fair to say that the South Porcupine Arena is by no means "frigid," but its temperature allows games to be enjoyed without discomfort.
