## Second Dome Victory Gives Porkies Right to Meet Lake Shore for Northern Title

Score Shut-Out in Third Game of Series at South Porcupine Arena on Friday Night. Get One Goal in Each of First and Second Periods and Three Goals in Third. Pamour Starts Second Line Against Dome's First Line.

Dome Porkies won the right to meet Lake Shore Blue Devils for the Northern Ontario Hockey Association championship, when they defeated Pamour Dynamiters five to nothing on Friday night in the South Porcupine Arena. It was the second time in the series that Dome defeated the Dynamiters by large score. The first game went to the Porkies twelve to one. In the second game Pamour showed a reversal of form and surprised with a three to two win. The Dynamiters didn't know how to figure Friday night's game but those that bet on Dome doubled their chips.

The game was played in the South Porcupine Arena after a telegraph poll was taken of members of the N.O.H.A. executive to determine their feelings on the matter. Pamour wanted the game on McIntyre ice. The Dynamiters feared that they might encounter the soft ice they played on in the first game. However, the surface on Friday was hard and smooth.

Pamour's second line of Lafley, Harmon and Fummerton started against the Dome's first string line of Nevins, Maki and Frank Huggins. The Dome forwards skated Pamour's second line dizzy and half way through the period the Dynamiter board of strategy changed back and tried no more to get a good Pamour line against a weak Dome one.

Richer was thumbed for holding Hume and Al Huggins. Hume and Hume laid down a barrage of shots none of which got past Bentley.

Fummerton and Harmon were in alone once during the early part of the game. Harmon passed to Fummerton who was in scoring position but he later man fell and tripped the first and they both landed on the ice in a heap. Meanwhile the puck went slithering into a corner. Fummerton should have been one goal up on the effort.

First goal came when Nevins raced in and took Maki's short pass. He shot and the puck hit Bentley on the arm and bounced into the net.

Horbel Hanberry and Wilson gave Brownie, two of the hottest minutes he has ever had in hockey. The veteran Dome goalie was literally punching them out of the net. The rubber was coming from all sides and angles.

In the first three minutes of the second period Bentley stopped at least three shots which were labelled goals. They climaxed a series of four man Dome rushes.

Mayes was sent off for scolding and while he was in the penalty box the second goal was scored. Dunn broke away and outskated the pack. He beat one defenceman and shot from the blue line. Bentley never saw the puck as it zipped past him.

Just before the end of the period someone in the audience got very excited and tossed a half gallon of wine on the ice. The big jug bounced but did not break and the referees kindly carried it over to the press box.

Maki, Nevins and Huggins went down on a rush and came very close to scoring.

A three man rush, featuring Thomas, Woon and Cattarello was responsible for the third goal early in the third period. Bentley's view was partially obscured by two defencemen who were standing in front of him and he did not have a chance on the marker. It was good three man play which led up to the tally however.

Al Huggins was sent off and while he was in the penalty box Nevins took Maki's pass and shot from close by the side of the net to score.

Just after the goal was scored someone threw another bottle out on the ice. It was a pop bottle, however, and it broke. The game was held up until the ice was swept.

Hume went into the Pamour end to get the puck and after he trapped it he closed in on Bentley and just before scoring passed to Al Huggins. Huggins drew Bentley out of the goal and popped the disc in behind him.

Pamour threw five forwards out on the ice to try and regain some of the lost counters but Brownie worked like a puppet on a string. Wherever a shot

was directed he was there before the puck.

Near the end of the period Bentley came out to the blue line to beat Mickey McKay to the puck.

## Commercial Bowling Calls the Final Games of Season

Gambles and Power the Winners in Concluding Games.

The Commercial bowling league rolled their final games of the season Friday. The games didn't make any difference in the standing of the teams, the Power winning both halves with The Advance being second in both halves and Gambles in third and T. & N. O. holding the final spot.

On Friday Gambles took three points from The Advance, while the Power did the same to the T. & N. O.

The only objective of the games was, that the players with good averages were trying to protect or boost their averages.

Next Friday will be the play-offs for the silverware.
