

Lake Shore Blue Devils Win N.O.H.A. Senior Title

Take Third Straight Game From the Dome in South Porcupine Saturday Night

Won First Game in Kirkland Lake by Good Margin. Defeated Dome by Narrow Margin in Second Match and Take Title in Third Game on Saturday. Outscore Locals in Great Second Period During Which Shoremen Get Three Consecutive Goals.

Lake Shore Blue Devils won the N.O.H.A. championship at the South Porcupine Arena on Saturday night. For the third consecutive time they defeated the Porcupine Mines League champions, the Dome Porkies. Saturday night's score was 5 to 2.

Throughout the whole final N.O.H.A. championship series, it has been, simply, a matter of two teams meeting, one better than the other. The Dome squad has not got the class or ability of the Lake Shore team and that is the secret of the whole series.

The first game, played in Kirkland Lake, was won by the Blue Devils, six to nothing. In the second game, played at the Dome on Thursday night, the Devils won by the narrow margin of five goals to four. Saturday night's win completed the three victories necessary to take the title.

Only goal of the first period was scored by the home team. Boston and McCready were both off the ice when the counter was tallied. Taking advantage of the fact that the Shoremen were two men short, the Dome squad staged a series of rushing attacks. On one of them Nevins took a pass from Bill Maki and rounded the one man left on the defence line. He shot low when Ferley was looking for a high drive and the gutta percha slid under the clever Shore goal.

While McCready and Boston were off the ice the Dome messed up several good opportunities through lack of co-ordination on plays or inaccurate shooting when in on the goal. Ferley, in the visitors' goal, shone throughout the session.

Top men on the ice in the first period were the goal-tenders, Ferley and Brownlee. Several times Lake Shore attacks got through the Dome defence and it was only the spectacular work of Brownlee, in the home nets, which saved the day.

Mays was sent off in the second period and the Shoremen pressured the Dome while he was in the box. Brownlee came through again. The four man attack of Grabowski, McCready, Cooper and Brown was poison to the Dome defence stalwarts.

At the five minute mark Smith took a pot shot from the blue line. Brownlee made the stop but Brown followed in fast and banged the rebound into the net.

While Al Huggins was in the penalty box, Boston, McCready and Kowinack, along with Grabowski, closed in. Grabowski gave a long pass from just inside the blue line, to Kowinack, who slid the puck over to McCready. McCready lifted the rubber into the net.

Penalties were disastrous for the Dome. While Cattarello was off Walton banged in Brown's pass from behind the net on a Shore power play. It was the third consecutive goal for the visitors.

Early in the third period Cattarello, Woon and Thomas outplayed the line of Kowinack, Cooper and Bellinger and several times got in on Ferley. They never were able to beat the goalie however.

Bellinger took Kowinack's pass from behind the net and tallied the first in the third period. Brownlee had no chance whatsoever on the shot.

Cooper, Bellinger and Kowinack gave a great exhibition of team play in this period and throughout the whole game. While Brown was in the penalty box the Dome pressed hard, but to no avail and when the Dome had only one man back Smith and Walton got loose. The latter man got the goal.

In the last minute of the game Maki took a short pass from Horne and slid a backhand shot past Ferley.

The teams: Lake Shore: Goal, Ferley; defence, Milton, Snowden; centre, Brown; wings, Walton, Smith; alternates, Grabowski, McCready, Duff, Kowinack, Cooper, Bellinger, Cook, Boston, Stahan.

Dome: Goal, Brownlee; defence, McCready, Dunn; centre, Al Huggins; wings, Thomas, Hume; alternates, Maki, Nevins, P. Huggins, Cattarello, Woon, Horne, Mays, Taylor.

Change of Tactics Enables Dome to Nearly Hold Shore

Play Defensive Game and Check Shoremen Closely. Bottle and Smother Visitor's Plays. Each Team Gets Two in First Period and Each Tallies One in Last. Devils Take Edge in Middle. Second Victory for the Lake Shore.

In the first game of the final series between Lake Shore Blue Devils and Dome Porkies for the Northern Ontario Hockey Association title the Porcupine representatives tried to make use of offensive tactics to beat the Shoremen. They soon found that such strategy was playing into the hands of the Devils—witness the score 6 to 0.

On Thursday night, when the second game of the series was played, the Domesters changed their style—with much better results. They waited for the Blue Devils to come to them and then used their superior weight to batter the Kirkland players all over the ice and to break up their plays by simple defensive tactics. The result was much better and the score at the end of sixty minutes was 5 to 4 for Lake Shore.

Lex Cook's crew found the close checking of the Porkies hard to cope with. They were not able to break out into the open, free style of play at which they excel and their efforts were many times smothered before they got well under way.

Each squad counted twice in the first period. The Shoremen won the game in the second period when they outscored the Porkies two to one. In the final canto each scored once.

The Maki, Nevins and Frank Huggins line was on the ice for about one minute when the first goal was scored. Maki hooked the puck away from a Shore defenceman at about the five minute mark, sped across the front of the net and banged one past Ferley.

It was twelve minutes later before the equalizer came. The Domesters, meanwhile, were stopping the Shore plays in centre ice with shattering body checks which threw the Bombers away off stride. At times the ice was literally sprinkled with prostrate Shoremen.

Woon was sent off for tripping Cooper at about the nine minute mark. As he came back on the ice he took a pass from Al Huggins and let fly. The puck hit the post.

Kirkland Takes Basketball Game from S. Porcupine

South Porcupine High School basketball team left on Friday noon for Kirkland Lake where they played the Kirkland Lake High School in a friendly tussle in the evening.

Miss Vivian Foster, their instructor, accompanied the team, composed of Elaine Dugue, captain, Helen Hanberry, Joan Maxwell-Smith, Louise Kellow, Kathleen Connelly, Isabel Smith, Oille Huhta, Mary McEvin and Florence Sharp. The game resulted in a win for Kirkland, the score being 33-5.

We are assured, however, that the score was no real indication of the game, which was a very good one, all players being on their toes.

After playing, they sat down to a lunch provided by the school, the tables out of courtesy to the visitors being decorated in S. Porcupine colors of blue and gold.

Each visitor was the guest of a Kirkland player, and they returned on Saturday night full of praise for the wonderful hospitality of their hostesses.

Winter Hike by the South Porcupine Girl Guides

The First South Porcupine Girl Guides went on a winter hike on Saturday March 9th. Although the weather was stormy there was a good turnout of warmly-clad Guides. A start was made at two o'clock and the company went due north. Each Guide made a map and we eventually arrived near the Division Mine.

Here Norbertine Ferrigan passed her fire-lighting test and over this fine fire-lit wieners were roasted. Even the tenderloins turned out to be good cooks and the cocoa and tea made at home and carried in thermos bottles were a great help.

On the way back some of the Guides passed their "Scouts' Pace Test" and many hiking songs were sung.

The company arrived back in town at 4.30 after a really "Guides" afternoon.

On Wednesday the Guides held their regular meeting in the Parish hall.

Games were played and then the meeting was called to order by Captain Wilkins. Inspection followed.

The Guides then marched into a hcrshoe. The color party, Tina York, Mary Elizabeth Pearce, Ellen Disher, Norbertine Ferrigan, Mary Connelly and Ida Mahoney, brought on the colors. Captain Wilkins then introduced a guest, Miss Sharp, whom the Guides hope will decide to be a Guide.

Patrol Corners were held where the Guides did badge work. They then practised their country dancing for which Captain Bessette played. Then Captain Wilkins showed two ways of laying and lighting a fire.

Campfire was held and a new song was taught to the Guides by Captain Bessette. The meeting was brought to a close with the singing of "Now the Shadows Softly Gather" and "Taps."

Finnish Y.P.S. Activities Include Ski-ing, Scrubbing

The Y.P.S. of the Timmins Finnish United Church motored out to the Porcupine Ski Club gulch last Friday evening at 7 p.m. There was a good turnout. Tobogganing and skiing were enjoyed. At nine o'clock the return trip was made to the church, where the ladies had prepared a lunch of hamburgers, pies and coffee. On Saturday the Y. P. S. members had a scrubbing bee at the church, both young men, as

well as young ladies, competing in usefulness while the scrubbing and washing of the floors, walls and ceilings of the auditorium and the kitchen-refreshment room was carried out. On Sunday the older ladies complimented the young people on their work.

The teams: McIntyre: G. Richardson, R. E. Sturgeon, G. Rodney, J. Rodney, J. Adams, A. Elias, W. Duxfield, J. Anderson, R. Anderson.

East Malartic: C. Zachary, W. Hall, S. Salsberg, W. Fraser, A. R. Mears, Rutledge, H. Brunet, A. R. Johnson.

Because of the fact that the game was so closely contested and because checking was very tight, it was not as fast as it might have been. Floor zones were rigidly marked and kept throughout the evening, and cheeks followed their men like shadows.

At half time the Malartic crew was on the heavy end of a 12 to 10 score. However, in the last half of the game the Macmen managed to get loose more often and their shots on the basket were more accurate.

Claude Zachary got the majority of points for the visitors, and for the home crew Rodney was good.
