

Charming Wedding at St. Matthew's Church on Saturday Afternoon

Two Popular Young People of the Town, Miss Gwendolyn Nellie Webb and Mr. Thomas John Goodman United in Marriage. Church Beautifully Adorned with Flowers for the Occasion.

White snapdragons and carnations adorned the altar of the St. Matthew's Anglican Church on Saturday afternoon at 2:30 o'clock for one of the season's loveliest weddings, when Miss Gwendolyn Nellie Webb, daughter of Mrs. E. S. Webb, of 68 Mountjoy street south, and the late Mr. Webb, became the bride of Mr. Thomas John Goodman, son of Mr. and Mrs. James Goodman, of 212 Birch street north. The Rev. Canon R. S. Cushing performed the marriage ceremony, assisted by Captain F. Butler.

Mrs. Chas. Ellis presided at the organ, and during the ceremony, the St. Matthew's Choir sang beautiful selections. Tall baskets of mixed flowers were suitably arranged throughout the church.

Entering the church on the arm of her brother, Mr. Raymond Webb, to Lohengrin's Wedding March, the bride made a beautiful picture in a bridal gown of white Chantilly lace, over rich white satin. Buttoned at the front to the waist, the fine lace was fashioned on princess lines, with a small Peter Pan collar, and long leg o'mutton sleeves. The full skirt was gathered at the back, falling gracefully into a long train, and the bride wore a long veil of embroidered silk net, caught in natural gardenias. She wore white lace mittens and white satin slippers, and carried a shower bouquet of white roses and white carnations, with lily-of-the-valley on the long white streamers.

Miss Madge Webb, sister of the bride, was maid-of-honour, charmingly attired in a gown of blue double net, with a bouffant skirt falling from a fitted bodice with V-neck. Over the gown she wore a fitted jacket of blue taffeta, buttoned at the front to the waist and with short, puffed sleeves. The maid-of-honour carried a dainty blue and pink flowered cap, pink gloves and pink shoes, and carried a nosegay of mixed sweet-peas. Her only adornment was a pearl necklace, gift of the groom.

The bridesmaid was Miss Grace McQuarrie, who wore a gown of pink net, fashioned identically to that worn by the maid-of-honour. Her accessories were in blue, and she also wore a pearl necklace, gift of the groom.

Dr. Clarence Irvine attended the groom, and the ushers were Mr. Harvey Webb, brother of the bride, and Mr. Colin Sellar.

After the ceremony, a large number of friends were received at the home of the bride's mother, 68 Mountjoy street, where a buffet luncheon was served. The bride's mother received the guests in an afternoon dress of grey crepe, with navy blue accessories and a corsage of sweet-peas, being assisted by the groom's mother, who was attired in a navy blue crepe two-piece ensemble, with white accessories, and a corsage of sweet-peas.

The luncheon table was beautifully decorated with yellow daffodils and blue iris, this being the colour scheme in the entire decorations, and a three-tiered wedding cake, proudly bearing a miniature bride and groom, formed the centrepiece.

Mrs. Stan Johns and Mrs. C. Sellar presided at the tea table, the former wearing mauve with black chiffon overcoat and matching accessories and cer-

sage, and the latter in henna crepe, with white accessories and corsage of white carnations. They were assisted by Mrs. J. Cretney, in a black and white ensemble, and Mrs. A. Larivee, in a navy blue and black ensemble.

Serving the many guests were intimate friends of the bride, Mrs. T. Clarke, of Schumacher, Mrs. Geo. Gedge, and Misses Isobel Andrews and Mary Andrews. Mrs. Gedge, Miss Marjorie Becker and Miss Adella Ansara were in charge of the church decorations.

Gifts to the bride's attendants were pearl necklaces; to the groomsmen, a leather wallet; and to the ushers, key chains.

Later in the day, the bride and groom left by motor on a honeymoon trip to points south. For travel, the bride chose a becoming ensemble of rose wool crepe, with black trim, and she wore a black fur jacket, black hat with rose flowers, rose gloves and black shoes and handbag.

Upon their return, Mr. and Mrs. Goodman will take up residence at 33 Lakeshore Road.

Prior to her marriage, the popular bride, who was employed at the Timmings High and Vocational School office, was entertained at numerous events. Among those who entertained in her honour were: Mrs. A. Larivee; the lady teachers of the Timmings High and Vocational School; Misses Marjorie Booker and Bonnie Bailey; Mrs. A. Guidice and Miss Grace MacQuarrie; Miss Marion Ostroser and Miss Helen E. Carthy; Mrs. T. Clarke, of Schumacher; Miss Adella Ansara; and the students and staff of the Timmings High and Vocational School.

POPULAR COUPLE WEDDED SATURDAY

One of the most attractive weddings of the year was that of Miss Gwendolyn Webb and Mr. Thomas Goodman at St. Matthew's church on Saturday afternoon. The church, beautifully adorned with flowers for the occasion was crowded to the doors and the young couple were able to make only slow progress down the steps of the church after the ceremony, being surrounded by hosts of friends throwing confetti and good wishes.

Members of the Retail Merchants' Association asked that the Council prohibit the entry of carnivals and travelling shows to Timmings. These shows were "thinly disguised gambling outfits," said the merchant's letter, and they took thousands of dollars out of town. Council agreed to give the matter consideration.

Amendments to the by-law governing electrical contractors in town, suggested by the electricians themselves, would make it necessary to have all work done under the direction of a journeyman electrician.

Form Association at South Porcupine for War Comforts

To Send Parcels to Soldiers on Active Service.

South Porcupine, May 4—(Special to The Advance)—A meeting of the Legion and the Ladies' Auxiliary was held in the Legion hall on Friday evening to form an Association to look after the needs of the soldiers who have enlisted to serve with His Majesty's Forces from this end of the camp.

The object will be to send direct to each soldier, parcels at regular intervals, of necessities and comforts. Any person interested is urged to join this association. Parcels will have to be made up and wrapped periodically—perhaps some who do not sew and cannot knit, can help in this work.

Finances are looked after. The committee merely have to find the articles to go in each parcel, and complete the list of soldiers who have gone and are going from here.

Mesdames Countryman, Curtis, Ewing, Mitchell and Durkee are on the committee, also Messrs Lightbody, T. Neil and T. Wilson.

Any interested person please communicate with a member of the committee.

Officers will be elected at the next meeting.

Huntingdon Gleaner.—To celebrate his 100th birthday last month, Isaac Newton Wray, of Hopkins, Mo., asked for a family reunion. After his birthday dinner, the aged man gave each of his eight living children a cheque for \$100. The money represented savings from his pension as a Civil War veteran.

responsible parties, as the case may be, immediately assumes the responsibility. Where this financial status is not satisfactory the municipality, the Provincial police, or the government, as the case may be, will guarantee to this Society some definite indication that compensation is forthcoming. Failing this the doctor is relieved of the provision of further services when he notified the patient (or immediate family if a minor) or the municipality, the police, the government and whoever may be involved.

"A copy of this resolution is to be sent to the Township of Whitney, the Township of Tisdale, the Town of Timmings, the Ontario Medical Association, the Ontario College of Physicians and Surgeons, and the Department of Health of the Province of Ontario."

"It would be in the interest of the municipality if we could persuade the government to have all these relief recipients fixed up and gone over by a doctor. I know of one man suffering from a hernia. A \$40 operation would have fixed him up. Now he has, to date, cost the town \$150," said the Mayor.

The Mayor will bring up the matter at the next meeting of the Canadian Confederation of Mayors. It also will be brought up at the next meeting of the Northern Mining Municipalities.

Sabotage Attempted at South Porcupine in Red Cross Work

Enemy Agents Spread Malicious Lies in Hopes of Harming Work.

South Porcupine, May 4th—(Special to The Advance)—Sabotage is in our camp, hitting at a steadily working machine which is doing marvellous work in our country's cause—the Red Cross.

Rumour rears its dirty head and hints that our women are "taking Red Cross articles" and selling them.

Nobody with any brains believes it. But the very fact that some enemy has started the lie has made our workers boil with indignation.

The women who work for the Red Cross in our town scorn the dishonest implication, but feel that in the interests of the cause, the lie should be brought out in the open and squelched.

The contributions in money and supplies made by the people of the Porcupine Camp have been such as to excite the respect and envy of the rest of Canada. When the campaign for funds was begun last autumn, the citizens were generous in their response to the appeal for money; and within a short space of time all three Branches of the Red Cross Society were able to begin their war work.

Since that time there has been a steady stream of goods pouring into the Toronto Headquarters, and this stream represents the willing sacrifice of time and energy by the women of the Camp to further the cause of caring for our soldiers overseas.

Of course, occasional criticism of the effort being made is inevitable, although it is unfortunate that some of it is decidedly inaccurate.

An illustration of such inaccuracy is to be found in the rumour that some Red Cross worker or workers in this Camp are selling Red Cross articles to private individuals; and this rumour has been brought to the attention of the Executive of the Eastern Porcupine Branch of the Red Cross Society. Now this Executive wishes to emphasize its faith in the honesty of its workers, and its pride in their loyalty and industry. Moreover, it is proud also of the efforts being made by its sister Branches in Schumacher and in Timmings. One of the members of the Executive has offered, out of his own pocket, as an expression of his faith in the Red Cross workers in the Camp, a reward for proof that any Red Cross worker has taken Red Cross material and sold it. Anyone feeling that he has proof of dishonesty on the part of Red Cross workers in the Camp should bring it to the Red Cross Workrooms in South Porcupine.

Juvenile Committee at South Porcupine Asks Co-operation

Parents and Others Urged to Help in Regard to Youngsters.

South Porcupine, May 4th—(Special to The Advance)—We have in South Porcupine a Tisdale Township Juvenile Court Committee which has investigated recently a number of cases of juvenile delinquency.

This committee has asked us to bring to public notice—particularly to parental notice—the fact that several boys and girls are not showing proper respect for the rights and property of others.

Some few weeks ago the old station was entered and a great deal of malicious damage done—windows broken and contents of boxes strewn all over, although the windows were barred.

Last autumn it was necessary to buy half a ton of insulators to repair damage done to equipment along the T. & N. O. right of way, particularly to our own stretch of tracks.

Persistent damage has been done by boys, and when asked to desist from throwing stones, etc., the result has been impudence and name-calling. Bicycles ridden on the station platform to the danger of legitimate business people, is another complaint.

The Railway Co. officials in South Porcupine have a record for kindness and leniency to children for when interviewed concerning the latest nuisance of widow-breaking, they were willing to withdraw the charges against those who were caught and summoned to court.

However, they do not think they should be asked to submit to these conditions.

Therefore this appeal is being made to parents to co-operate with the authorities and see that their children do not offend. The Juvenile Court Committee would like to add that the practice of playing on the road is not only dangerous to motorists and pedestrians but is against the law.

The Police Department will prosecute all offenders and also those who ride bicycles at night, without lights.

No one can deny that by such action the Police Department is acting in the public good.

The co-operation of the public is solicited.

Peterborough Examiner.—Mayor Morrison of Hamilton addressed a banquet of Boy Scouts, and said he had never known of a Scout who appeared in court. That same claim has been made before, and while it does not in any way describe the Boy Scout movement it is worth repeating in an age when youth and crime are becoming miserably linked together.

SENTENCED TO SIX MONTHS FOR THEFT OF BICYCLES

Val d'Or, May 4—Six months in jail was the sentence handed to a young man here this week. He had stolen two bicycles, and had already disposed of them, and was endeavouring to find a buyer for the other, when he was arrested.

Edinburgh Dispatch.—Mr. James Scott, speaking at a bakery whist drive in Crawford Cafe, Edinburgh, said:—"Baking is an ancient craft. I read the other day that pancakes were first made by the monks in old English monasteries. This no doubt accounts for the popular expression 'Out of the frying-pan into the friar'."
