Yesterday's Ball Game Postponed Because of Rain

McIntyre and Hollinger were to meet yesterday in the first ball game to be played within the confines of this municipality but old Jupiter Pluvius took a hand in the proceedings. It rained most of the day and softened the turf on the Hollinger park, where the game was to be played. Although it was not actually raining at five o'clock it was very threatening and so the game was postponed.

Ramsay, Kelly and Abrahams Make Possibles at Shoot

Exceptional Shooting in Weekly Shoot.

The week-end shooting of the Porcupine Rifle Club saw some very fine scores posted. The match of Thursday night was called off because of the inability of the Timmins Club to have a team free from work. The boys were able to get in some extra practice and the results of the two nights were excellent. Ramsay, Kelly and Abrahams all scored possibles to lead the club. Several other good scores were posted. Tommy Harkness qualified for his bronze award while Don Ramsay qualified for his first silver spoon, which required ten "possibles."

South Porcupine Show Up Poorly In Season's First, Monday

Used Three Pitchers, Three Catchers and Replaced Men in Three Other Positions and Managed to Get Only Two Hits for Two Runs as Compared to Hollinger's Ten Hits and Eleven Runs. Lawton Has Big Day With Three Hits and Two Runs For Five.

Monday afternoon was the first time the South Porcupine ball club went on exhibition this year. The fans, naturally were eager to see what it had in the way of strength. They saw—and it wasn't much.

The South Enders used three pitchers, three catchers and two men each in three other field positions but they were able to get only two hits for two runs as compared to ten hits for eleven runs for the Hollinger which opposed.

The game was not exciting. Gower went in hurling for the South Porcupine squad and he was knocked out of the box early in the fourth inning. Dominus went in and the Hollinger squad completed a fourth inning which finally netted eight runs. Finally, in the eighth, it was deemed advisable to yank Dominus and replace him with Pirie. The youthful, near-junior pitcher, made as good a job as anyone of the three.

For the Hollinger Avery hurled right through to the last of the eighth. Manager Vince Barton then put Yasinchuck in to get the feel of the ball. It was, though, Avery's game all the way through.
