

RECORDS FALL WHEN TIMMINS WINS MEET

Telkinnen Tumbles Ontario Intermediate Pole Vault Record; Breaks Two Others

Six Meet Records Broken at District Field Day Held in Hollinger Athletic Park on Saturday Afternoon. Bandiera Again Shatters His Own Shot-Put Record. Schools From all Northern Ontario Represented.

Six meet records, one of them an Ontario record, were shattered on Saturday afternoon when Timmins High and Vocational School won the district track and field meet for the fourth consecutive year. With nineteen firsts and a point total of 128, Timmins athletes were away out in front of those from the other ten-odd schools which participated. Next in line was Kirkland Lake with a point total of 78.

Six records tumbled, five men's marks and one girl's. Biggest day was had by Timmins' Telkinnen, who smashed the hop-step and jump mark, the high jump and the pole vault, in the intermediate division.

Chunky Leo Bandiera, who brought fame to Timmins with his prodigious shot-put heaves, again broke his own district meet mark. He threw the iron grapefruit further this time than ever before.

The old shot record in the senior class stood at 42 feet, 4 1/2 inches. On Saturday Bandiera lengthened that mark by seven inches.

Telkinnen, who broke the three marks, held the previous hop-step and jump mark. It was 38 feet 4 inches. On Saturday he set a new mark of 39 feet 7 1/2 inches. Telkinnen broke the high jump record of 5 feet 4 inches set by Baderski, of Timmins, in 1937. He raised the mark to 5 feet 6 inches.

It was in the pole vault that Telkinnen really let go. He not only shattered the meet mark, set by Ferris of Hall-eybury in 1938, but established a new Ontario record for that division. The former Ontario record, which also was the meet record in this district, was 9 feet 7 1/2 inches. The new mark, set on Saturday is 10 feet 1 inch.

Miss Penny, of Cochrane, clipped a second off the girls' 75 yard time and V. Spencer, added 2 1/2 inches to the junior high jump. The mark now is 4 feet 5 1/2 inches.

The breaking of records was the more surprising as Saturday could not by any stretch of the imagination, be considered a good day for track and field work. It was far too cold and athletes were forced to take vigorous exercise to warm up before events.

Churchill Stars as Macmen Have Fun During Game With South Porcupine on Friday

Gets Three For Four and Very Nearly Has Perfect Day. Macmen Lay Down Barrage of Hits, Including a Double and a Triple and Make Three Double Plays During Tilt. Ross, Substitute Catcher, Scores for Porcupine.

Apparently no one ever told youthful Bob Churchill, rangey McIntyre moundsman, that a hurler is not supposed to be a hitter. If he was informed he chose to ignore the widely held axiom at the McIntyre ball park on Friday last, when his team met and defeated South Porcupine five runs to one.

Churchill pitched nine innings of ball, and in four times at bat, got three hits, one of them a double. Had it not been for misjudgment coupled with bad luck he would have had four for four—a perfect day. In his first time at bat he slugged the apple deep into centre field. He galloped around to third only to be informed at that station that he had omitted to flick first in passing. It was one, two, three bases and out for him. However he did bring Quinn, who was sitting on second, safely across the pan for the home team's first tally.

Despite the fact that the South Enders got eight hits, it was McIntyre's day. No less than three double plays were effected between Richardson, Quinn and Starr, at short, second base and first base, respectively. In addition Richardson rounded the bases on a circuit, clout and Dunn hammered out a triple in the third.

Quinn tallied in the last of the second on Churchill's unfortunate clout. In the next inning Dunn led off with his triple and came in when Bougie hit a long, high fly to right field. Before Demonte could make the delivery to the plate, Dunn was in a cloud of earth.

In the fifth Dunn went on base with a centre field single. Bougie flied out and Thayer was awarded first when hit by a pitched ball. Starr rapped one down third base line and Kosick took it to out Dunn who was forced from second. Thayer made second and was put out on identically the same play when Quinn rapped a third base liner.

Churchill's double opened proceedings in the McIntyre half of the sixth. Laplante singled to bring him home and came in himself when Richardson hit a homer. Richardson's walk went to left field and the ball bounded away from Labag.

Messette was put in to pitch for South End in the last of the seventh inning and he held the Macmen scoreless from then on although they got three hits off him.

Ross, who had replaced Schultz behind the plate in the seventh, singled out over short when the South Enders came to bat. He made second on Cordick's single and came in when Kosick hit one into centre field that was good for two bases. Cordick and Kosick, two junior age players, were left on base when Coppis and Labag were thrown out at first.

Big Loyalty Parade at Kirkland Lake Yesterday Afternoon

Forty Organizations, Five Bands in Line of March.

Word from Kirkland Lake tells of a monster parade held there yesterday afternoon as an expression of loyalty and devotion to Canada and the Empire. There were from eight to ten thousand in the parade and crowd. Forty organizations took part, and five bands were in the line of march. There were representative groups from all national origins to express their loyalty. The immense gathering was addressed by Reeve Carter and others in patriotic addresses.

Best Baseball News Heard in Toronto in Six Long Years

Toronto Head for League's First Division! And Why!

Toronto, June 8.—The Leafs are headed for the International League's first division and that's the best news baseball fans in Toronto and vicinity have heard in six long years. For there has been nothing but grief around Maple Leaf Stadium since 1934, the year the club last got into the playoffs.

All spring Manager Tony Lazzeri has kept insisting, "We're a better club than most folks think. We've got the pitchers, and we've got the hitters; we just haven't been getting the breaks. The pitchers have been doing their part but the hitters haven't had any luck. They've been hitting the ball right on the pick, but it always seems to go right at a fielder. The law of averages will look after all that in time."

So now the law of averages is at last operating in favour of the Leafs' hitters and the team has started to roll. The only thing that can stop it is injuries. Jim Walkup, the curve-baller who was counted on to win twelve or fifteen games this season, has come down with a muscle injury in his shoulder and the doctors say he will be out for another three weeks. On top of this big Jim Reninger, who has already won four games and was one of the club's leading pitchers, pulled a muscle in his arm, an injury which will keep him on the sidelines for at least a couple of weeks. But to counteract these misfortunes, 48-year-old "Sad Sam" Jones, who joined the club in the role of coach, has come out of retirement and surprised everybody with his relief pitching.

The big improvement, of course, has been in the hitting. Eric Tipton and Dario Lodigiani are in the charmed circle with marks of 345 and 309 respectively, and Fred Chapman, Buddy Bates, Johnny Tyler and Fern Bell have picked up many points in the last couple of weeks. As this is being written the Leafs have won eight of their last twelve games, most of them away from home, and are now conceded to be one of the league's "hottest" teams.

Manager Tony Lazzeri has contributed a little to this splendid showing by the skill and ingenuity with which he has handled the club. "Ball players who can't win for you are much dead-wood," he declares. "You might as well get rid of them first as last."

Putting this theory into practice, he got rid of John Berly and Earl Caldwell, two veteran pitchers, and replaced them with Les McCrabb and Pat McLaughlin. Both McCrabb and McLaughlin have been able to win right from the first go-off. He gave Mel Mazzera, an outfielder secured from the St. Louis Browns a year ago for \$10,000, his outright release, and farmed young Billy Southworth out to Wilmington. Then he sent Harley Boss, who has been a disappointment at first base, to Knoxville, and purchased young Bob Latschaw from Indianapolis as a replacement.

Still Lazzeri wasn't satisfied. "You need a couple of 300 hitters and three or four more who will hit between 280 and 290 before you've got a winning ball club," he said. "I need another of those 280 and 290 hitters in my infield." So, in an effort to get that extra batting punch into the line-

Hollinger Breaks Hex; Hammer Home Win Over the Dome

Jinx of Four Years' Standing Shattered when Dome Falls 3 to 1.

"If at first you don't succeed, try, try again."

The Hollinger football team has been trying again for four years—and finally—they succeeded in winning a game. The jinx is off and the hex is broken; morale has been restored both among the players who have tried so valiantly for close to 1460 days and in the hearts of the fans who, for so long, have plugged for their team.

Even the supporters of the Dome Blues, who lost three goals to one, could scarce forbear to cheer when the Hollyites came through with a victory and the Hollinger fans, naturally, were semi-hysterical with elation.

It was flame-thatched John McClusker, recent recruit to the Hollinger team, who got the two markers which clinched the win. Both were scored in the second half of the game when the Dome team was one goal in the lead.

The Hollinger squad was listless in the first half of the game. Its players were content merely to defend the net and they did not do a very masterly job of that. The powerful Dome offensive rushed in time after time on the more or less unprotected Hollinger citadel.

Fraser got the first Dome goal on an assist from Pickup. Pickup took the motion from the side and crossed it and Fraser pedalled the pumpkin between the posts.

Running true to form, the players from the big mine on the hill began to show up when they were on the red side of the scoring ledger. They were galvanized into life in the second half and took over the task of deadlocking the count. They threw themselves into the work with gusto but for twenty-five minutes, all they were able to do was hold the Blues.

Findlay started the scoring play and Parkins took the ball in a pile-up, booted it clear and into the corner of the goal.

Ten minutes later the Hollinger squad opened with another fierce offensive. McClusker took the ball this time and raced down the side. As he passed the last back he gave it a terrific kick towards the goal. The ball hit Baxter on the shoulder and ricocheted backwards in the pocket.

Not content with a margin of one goal the Hollinger lads continued to press against the by-now somewhat demoralized Dome defence. Final goal of the session came when McClusker took a pass from Welsh and banged another by Baxter.

Dome—Baxter, Bruce, Foster, McMahon, Painter, Gray, White, Horne, Fraser, Fulton, Pickup; subs Chambers, Wisheart.

Hollinger—Williams, McClusker, Gallagher, Findlay, Fasso, Mearan, Parkins, Syme, Hancock, Welsh; sub, Miller.

Official: Dick Mitchell.
