Speaker at Kiwanis Club Meeting is Col. G. W. Peacock

Officials of the Salvation Army Guests of Kiwanis Club.

"Ships of the Fleet" in which were included, citizenship, friendship, comradeship and other vessels of virtue, was the title of an address delivered at the Kiwanis Club on Monday by Colonel George Walter Peacock, Chief Secretary of the Salvation Army in Canada.

Colonel Peacock is second in command of the Salvation Army in Canada, Bermuda, Newfoundland and Alaska. He was introduced to the meeting by Brigadier Joseph Acton, Divisional Commander, Northern Ontario Division. Mrs. Peacock and Major and Mrs. Cornthwaite, of Timmins, were present.

The "Ships of the Fleet," said Colonel Peacock, and he enlarged on several, were all factors in Kiwanis work and constituted the bases on which the ideals of Kiwanianism were founded. He lauded the work of the Kiwanis Club and referred to the fact that he was a member and had started his work with the service club in Chicago.

Ladies were present at the meeting. Many of the wives of the members of the club and their guests graced the assembly.

The meeting on Monday celebrated the fact that this is International Kiwanis week during which Kiwanis clubs all over the continent meet at the same hour and carry on similar programmes. A letter from Kiwanis International headquarters was read by President A. F. McDowell.

A large number of members, their wives and guests heard Col. Peacock. The meeting was one of the best attended this year.

Col. Geo. W. Peacock and Mrs. Peacock Given Welcome Here

Visiting Officers from Cochrane and Kirkland Lake Here on Occasion of Visit of Chief Secretary of S.A.

This week Col. Geo. W. Peacock, Chief, Secretary for Canada, Newfoundland, Bermuda and Alaska for the Salvation Army, and Mrs. Peacock, head of the Ladies' Auxiliary of the S.A. Red Shield War Services work, were on an official visit to Timmins. They were given enthusiastic Public welcome at the Citadel on Monday night. Col. and Mrs. Peacock were also guests of the Kiwanis Club at their dinner. Col. Peacock being one of the speakers at this event. Brigadier Joseph Acton, Divisional Commander Northern Ontario Division, was also here to welcome the distinguished visitors. Adjutant Batten, of Kirkland, and Lieut. See, of Cochrane, were also here for the occasion.

Mrs. Cornthwaite conducted the opening part of the meeting, the Salvation Army band under the leadership of Major Cornthwaite adding to the interest by the stirring music provided. On the arrival of the visiting officers Major Cornthwaite called on G. A. Macdonald, editor of The Advance, to introduce Col. and Mrs. Peacock, who were given a rousing reception. In a brief but effective address, with touches of pleasing humour, Col. Peacock referred to the astonishment they had felt at finding a city here in Timmins. He also gave concise review of the work of the Army for the soldiers on service. Mrs. Peacock in a very pleasing address referred to her acquaintance with the North in earlier days, when she had been stationed at New Liskeard. This was the first time, however, that they had been as far North as this, and the country and its people had made special appeal to her. Mrs. Peacock then briefly reviewed the work of the Salvation Army war services, and particularly the efforts of the Ladies' Auxiliary, Brigadier Joseph Acton, Adjutant Batten and Lieut. See also spoke briefly. Brigadier Acton then conducted an evangelical service, in which the address was given by Col. Peacock, whose words of patriotism and religious zeal touched all hearts. Singing was featured during the evening and the many present found the event of particular interest and of spiritual value.

Timmins I. O. D. E. Helping Raise Funds to Purchase Bomber

I.O.D.E. Intends to Present Bomber to Government.

In opening the June meeting of the Imperial Order Daughters of the Empire, the Regent, Mrs. Traver, mentioned the plight of France, and expressed deep sympathy for France and its people in their distressful circumstances. Mrs. Traver also spoke of the fear that the seat of the British Empire will also have to face and combat the shadow of Nazism, which is now hovering over all of Europe.

Congratulations were extended to Mrs. G. Morin by the Regent, on being the first member of the Chapter to have a son go to the defence of freedom, and extended best wishes for the welfare and safe return of Sapper Robert Morin of the Royal Canadian Engineers.

The chief business was the arrangement of an event to raise money for the bomber which the I.O.D.E. will present to the government. The date and manner in which this money will be raised will be decided in the near future, and announcement will be made. The I.O.D.E. is endeavoring to raise \$100,000 for this purpose, and any donations from individuals or groups will be gratefully received by the local Chapter. Cheques should be made out to Timmins Golden Chapter, I.O.D.E. and sent to the local treasurer, Mrs. J. Holtze, (upstairs) 78 Lake Shore Road, or to the Regent, Mrs. H. L. Traver, 14 Toke street.

Members of the Chapter are making individual contributions, and one member, Mrs. Warnock, recently held an afternoon tea, which was eagerly patronized to donate a worthy sum towards the funds for the bomber.

Mrs. L. E. Dorway, convener of the committee sponsoring work for the Blind, read a letter from Capt. Baker, expressing appreciation for the assistance given by the Chapter in the successful tag days for the Blind at Timmins and Schumacher.

The educational secretary, Mrs. Warnock, read an interesting letter from Miss Betty Mann, of Upper Albert Street, Brisbane, Queensland, Australia, which had been received by the local Empire correspondent of the I.O.D.E., Miss Mary Stock. This work of the I.O.D.E. links up students in the various parts of the Empire by means of correspondence.

Mrs. A. Allen, hospital convener, reported on the work accomplished, and the requirements for the year.

Regular meetings of the Chapter were adjourned until September, but war work meetings will be held throughout the summer.

Sentenced to Year for Wounding Pulp Worker

Cochrane, June 19.—Matti Jalke, Finn pulp cutter, was found guilty in police court here Monday of attempting to maim and of unlawfully wounding George Beaudoin, 68-year-old settler of the village of Driftwood. Jalke appeared in court in his bush clothes, with a beard about a half an inch long. He took the sentence of one year in jail without showing any emotion.

George Beaudoin, aged settler who almost had his head severed by Jalke, appeared in court. Beaudoin related that he had known Jalke for many years. He made arrangements for Jalke to peel 150 cords of wood. Jalke had done about a cord when, Beaudoin related, he saw that the sap had not started to run in the wood, and he told Jalke that he would not peel any more until the sap was running better. Jalke quit work and they started towards the cabin. He then said he felt a blow on the top of his head

Lighting Set Fire to Curtains During Storm

A serious fire was averted during the electrical storm early Tuesday morning by the prompt and effective action of Mr. G. Chénier and his son, Leo. At the height of the storm, lightning struck the radio antenna at the Chénier home on Bannerman avenue, travelled through the window and set the curtains on fire. Normally this room would not have been occupied during the night and the burning curtains would soon have spread the fire, most likely with very serious results. On the occasion however, Mr. Chénier was sleeping on the chesestfield in the room, his daughter and her husband from Detroit being on a visit to the home and extra bed accommodation being necessary as a consequence. Mr. Chénier was awakened by the storm and startled when he saw the curtains blazing. He called to his father and between their efforts it did not take long to extinguish the blaze. The damage done was not serious, a little injury from the fire occurring around the window frames and chesestfield, but had there been no occupant of the room, it is easy to see that the results might have been serious indeed, had the blaze been allowed to gather force and spread. The prompt work of Mr. Chénier and his son dealt with the matter, however, and it was not necessary to call the fire brigade.
