

# South Porcupine Makes Big Success of Theatre Sale War Savings Stamps

### Total of \$1120 Taken in Excellent Programme Provided for Monday Evening at the Theatre. Miss Margaret Easton and Her Wee Dancing Debs Make Big Hit at Crowded House.

South Porcupine, July 17.—(Special to The Advance)—South Porcupine may be proud of the way in which loyal citizens responded on Monday night to the Canadian theatres' plan for raising a million dollars for the Government for war purposes.

Mr. Sol Sky in charge of sales committee reports 500 war savings stamps sold—his full quota for South End. Every seat in the theatre here was filled, and long before the opening time a queue lined up before the door waiting a chance to buy a ticket. The grand total raised by South Porcupine was \$1120. Of this amount \$320 was raised by sale of stamps and \$800 by the sale of war bonds within the theatre on Monday night.

Miss Morgan and two of her nurses from the hospital (in uniform) were present and during the evening collected money for stamps and bonds among the audience.

Reeve V. H. Evans in his speech of welcome gave an explanation of the idea behind the theatre night, and hoped for success in the "campaign against Hitler and all that he stands for". He also spoke of the "stamp" crusade and commented on the fair and very generous appeal of the Canadian government.

Community singing was led by J. Trueblood and J. Fraser and Dr. Scriver assisted in the appeal for victory bond sales.

Miss Margaret Easton brought over some of her dancing pupils from Timmins through ever through the courtesy of Kwanlan T. Cahill in his truck and the audience were very enthusiastic in their applause for the excellent performances of these young people.

A military revue went over wonderfully with the young performers attired in colourful opera military costumes. The little girls dancing in this were: Jacqueline Marsh, Noella Caron, Mayzell Menear, Lois Montgomery, Helen Rhea Channan, Mary Kemsley, Elsie Yates, Nora Shields, Jean Shields, Barbara Bowie, and Thelma Pooley.

A ballet dance by little Helen Rhea Channan was received with much enthusiasm, and a solo tap dance by Mayzell Menear called down the applause of the house.

A Sallor's Hornpipe, another popular number was given in regulation "tar" costume by Ruth Wilson, Beverley Shantz, Patricia Cornell, Veronica Shantz, Helen Rhea Channan, Noella Caron, Mayzell Menear, Elsie Yates, and Lois Montgomery.

Miss Margaret Easton was given a wonderful reception when she came forward in response to request. Mr. Paddy Quinn played the piano for Miss Easton's pupils. Miss J. Jordison accompanied the community singing. Mr. J. McCurdie led the singing of "There'll Always Be An England." And "Rule Britannia" was given by the audience as it deserves.

## SIFTING THE NEWS

By Hugh Murphy

Like a moth emerging from its chrysalis, Hitler, we are told by Berlin despatches, came out of the shell of neurosis which has cloaked him for so long, and began to resemble a member of the human species when he received the news of France's capitulation.

He snapped his fingers delightedly and did a little goose step. He grinned all over his face. Beaming with pleasure, he rolled into Berlin in a special train to receive the plaudits of the multitudes. At the station he listened with glee to the savage chant of "Sieg Heil, Sieg Heil," which greeted him, and drove to the Chancellery over a flower strewn street.

He appeared on the balcony of the Chancellery, and while there, talked to big-wig Nazi leaders around him, laughed and waked them in the ribs, grinned and poked to the crowd. After several appearances he turned and disappeared inside.

The German press whipped itself to find extravagant enough titles for its master. It came through with "Lord of Battle," "Victor of 1940" and "Victor Over 1918," "Rouser Out of Stupid," "Leader From Darkness Into Light," "Triumphator."

Meanwhile hundreds of thousands of refugees trudged the highways back to their shattered and desolated homes—the same highways upon which they had been machine-gunned and bombed short weeks ago when fleeing from the mail-clad German legions and the merciless tanks.

When they arrived at their homes they found themselves under a new and harsh system of government in which they were told what to do, when to do it and how. They found new, petty bureaucrats in charge of their lives, exercising their spleen on a whipped people unable to further help itself.

In England was a still different story. There, there was grim preparation to meet the expected invader. There was grim and wrathful anger and a cold resolve to do one of two things, beat Hitler or die trying, but never to surrender to him.

Hitler laughed while the peoples of France, Belgium, Holland and the other raped countries of Europe wept. In England there was neither laughing nor weeping but only work and recollection of the adage: "He who laughs last—laughs best."

## Many from Timmins to Take Short Course Sponsored by W. I.

### Many Other Matters at Meeting of Women's Institute.

The Gold Star Branch of the Women's Institute held its regular monthly meeting on Wednesday afternoon in the Hollinger hall, with the president, Mrs. P. G. Howard, in the chair, and a large number of members in attendance.

A letter was received from the head office, explaining in detail the purpose and arrangements for the short course to be conducted from May 5th to May 9th, 1941. The course will consist of making over garments with commercial patterns, and it is expected that many Timmins members will take advantage of this opportunity.

Mrs. W. Wilkinson, reliever officer, tendered her resignation, and Mrs. Griffin was elected as the new convener. A letter from the Department of Health asked the Institute to find out how many of the members were capable of doing nursing in connection with the war work, and Mrs. Crispin was chosen as convener in charge of this work.

A quilt to raise funds for the war services, was raffled during the afternoon, and was won by Mrs. E. Charlton. The funds raised by this means were very creditable.

Announcement was made of a rummage sale to be held in the near future in the Red Cross rooms, proceeds to be donated to Red Cross work. Any members who have articles to donate for this purpose are asked to leave them with Mrs. Carl Briggs, of Commercial avenue, or Mrs. L. Durkin of Wilson avenue.

In connection with the collection of tin foil, paper, etc., a committee was appointed to work with Mrs. Friedman and her committee, which is in charge of the work in Timmins.

An apron raffle was won by Mrs. McChesney, and announcement was made that the picnic for the Women's Institute will be held on the third Wednesday in August, at the Buffalo-Ankerite Grounds which have been kindly donated for the purpose by Mr. R. P. Kinkel. The committee in charge of the event is Mrs. Thibeault (convener), Mrs. McLean, Mrs. Harndon, and Mrs. Livermore.

Roll call was answered with household hints, and a short programme followed.

All the members joined in singing "There'll Always Be An England," and a contest was conducted, the members all enjoying the prize, a cake. A social half-hour and afternoon tea brought the afternoon to a close.

## Lady Golfer Makes Hole-in-One on Timmins Course

### Fulfills Life-Long Ambition of all Golfers on Number 7 Hole.

A life-long ambition of all golfers, to make a hole-in-one, was fulfilled by Mrs. Robert Moore on the course of the Timmins Golf Club yesterday afternoon.

Mrs. Moore teed off and drove for Number 7 hole. The ball travelled a distance of approximately 135 yards, landed on the green and rolled into the cup. Naturally the fortunate feminine golfer was the subject of her friend's admiring congratulations.

Veteran members of the Timmins Golf Club said today that they dimly recalled that one other lady made a hole-in-one on the course here. It was a long, long time ago, they said, and they were unable to recall the name of the lady.

## Gold-Mining Classified as an "Essential Industry"

This week the government gave official recognition of the fact that gold mining is an essential industry and that steps are being taken to co-ordinate military training of eligible mine employees with their mine work in such a way as to avoid, as far as possible, interference with the industry.

G. C. Bateman, metals controller, on Tuesday wired gold mine managers as follows:

"Please inform your employees that in carrying on their present work, they are performing a real service to this country. You should also inform them that you will co-operate with the authorities in charge of the militia training scheme in working out an orderly programme so that while all eligible men will receive training it will be done in such a way as to disrupt operations as little as possible."

## Notable Entertainment Events at Theatres Here On War Stamps Night

### Palace, Cartier, Goldfields and Empire Theatres All Filled. Programme at Each Unusually Pleasing. All Committees Do Their Parts in Perfect Way.

In aid of the sale of Canada's War Savings Stamps and Certificates the four theatres in Timmins, the Palace, Cartier, Goldfields, and New Empire, donated their services along with theatres throughout Canada at a special performance on Monday evening. Entire proceeds from the event went to the Canadian Government, and tickets were given without charge to every person who bought two or more war savings stamps from the convassers in charge of this work. (Elsewhere in to-day's issue will be found a complete report of the results of the sale.)

The Timmins Citizens' Band opened the proceedings at the Palace theatre with a few patriotic selections, following which short features were shown. Mr. Bill Wren acted as master of ceremonies, and introduced the speaker for the evening, His Worship Mayor Emile Brunette. Mayor Brunette spoke briefly about the sale of war savings stamps, and firmly stated that it was the duty of every Canadian to aid the government by the purchase of these stamps, thus assisting the Empire "to stamp out Hitler."

Featured entertainers were the dancing pupils of Henry Bergeron's class, the Henry Kelleck Orchestra and Mr. Lionel Barrette, soloist.

The dancers, whose talent was especially pleasing, varied in size from the "teen-age to four 'tiny tots'" whose dainty charm won the hearts of every person in the audience. Their dancing was accompanied by the orchestra, which added to the programme with several war medleys, as well as a few popular dance tunes, in answer to request. Mr. Barrette, as soloist, chose such suitable numbers as "It's the Navy", which aided in reminding the audience of the purpose of this special performance.

At the Cartier theatre, Dr. James B. McClinton was speaker, and Mr. Fred Darling acted as M.C. Local talent was represented in the show by the appearance of two talented youngsters, Grace Larcher and Fernand Larcher, and the music of Andy Cangiano's eight-piece orchestra, while the regular performance was given by the RKO vaudeville troupe.

The Goldfields theatre presented the popular dancing pupils of Mrs. Harold Purr's classes, and the Timmins High and Vocational School orchestra. Mrs. Purr's pupils gave a rhythmic performance, and the T. H. & V. S. orchestra although not complete, added to its

laurels won at other events. Councilor Karl Eyre was the master of ceremonies, and Mr. E. L. Longmore spoke on behalf of the sale of stamps and certificates.

Miss Patricia King, Miss Joy Fitzgerald, and Miss Betsy Dodge were featured at the New Empire theatre, along with a pleasing male chorus. Both Miss King and Miss Fitzgerald are known to local audiences as dancers of outstanding ability, while Miss Dodge has given delightful vocal solos at several entertainments. Councilor Bill Roberts acted as master of ceremonies, and Mr. A. F. McDowell was the speaker.

Mr. Lorne Moore, of the Hanson Theatres, was in charge of the arrangements for the event in this entire district, and was assisted in Timmins by two committees. The entertainment committee was in charge of Dr. Henry Hudson, while Mrs. N. H. Russell was the convener of the sales committee.

Assisting Dr. Hudson were Messrs Maurice Williams (Goldfields theatre), Walter Greaves (Cartier theatre), Tom Todd, and Karl Eyre. Mrs. Russell was assisted by several of the leading women's organizations of the town, and to these committees and Mr. Moore is due a great deal of the success of the campaign in the town.
