Rev. Father Gelinas for Ten Years Parish Priest at South Porcupine, Passes

Noted for His Kindness and Charity, His Death is Mourned Not Only by His Parishioners but Also by Wide Circles of Others. Interment to be Made at Manchester, N.H.

South Porcupine, Aug. 28—(Special to The Advance)—A pall was cast over the parish of St. Joachim on Wednesday morning when the parishioners and townspeople alike were saddened by the news of the passing late Tuesday night of the Reverend Father Emile Gelinas, parish priest of St. Joachim's. Kindly and considerate, Father Gelinas was beloved for his devotion to the sick and unfortunate of his parish.

Ill only two weeks his condition for days gave grave concern but more recent news was most encouraging, thus his passing came as a shock to all. The late Father Gelinas came to South Porcupine ten years ago, succeeding Father Lagreval as parish priest. Father Gelinas worked incessantly from his parish and it was his hope to see a new church for the parish, plans for which have already been drawn. The altar and the altar rail are a tribute to Father Gelinas' craftsmanship, these having been carved by him.

Father Gelinas was ordained as a priest in Montreal in 1925 and first served as a curate in Cochrane. From there he was transferred to Rouyn, Que., where he was a curate for four years. He was then attached to the clerical staff of St. Anthony's Parish, Timmins. He was then transferred to South Porcupine parish, which at that time also included Schumacher and Connaught.

The son of Mr. and Mrs. Herma Gelinas he was born forty-one years ago in Manchester, New Hampshire. From his earliest youth it was his desire to be a priest and to that end he entered St. Hyacinth's Seminary in Quebec, where he studied for six years before going to Baltimore Seminary.

Left to mourn his loss are his parents in Manchester, New Hampshire; four sisters, Laura at home, Mrs. Pierre Valliere and Mrs. Alfred Valliere, of Williamstown, Conn.; and Mrs. Albert Marcotte of Central Falls, R.I.; and two brothers, Nerle and Victor, both at home. The brother, Nerle and sister Laura were with Father Gelinas at the time of his death and will accompany the remains to Manchester.

The body garbed in the vestments of the mass will lie in state in St. Joachim's church.

The requiem high mass will be sung at ten o'clock on Thursday morning.

Man Says He's Married, Widower and Also Single

(From Pembroke Bulletin)
How can a man be single, married, widowed and divorced all at the same time? It sounds impossible, but R. S. Graham, registrar for North Renfrew, found a man in Pembroke during the National Registration last week who claimed to be enjoying all four conjugal relations at once.

Asked by Mr. Graham to explain why he answered all four questions regarding his marital state in the affirmative, the man said, "It's this way. I was married some years ago and my wife divorced me. She died later and so I was widowed. Then I married a second time, but my wife left me, and so I am single again."

Swimming Contests Held This Week at Schumacher

Cochrane Swimmers Did Not Visit Here Because of Weather.

Schumacher, Aug. 28th—(Special to The Advance)—Swimmers from Cochrane were expected to visit Schumacher the past week-end and engage in contests in water sports at the Lions Club swimming pool. The weather, however, proved altogether too cold and the Cochrane swimmers phoned the Schumacher Swimming Club officials on Saturday to the effect that the visit would not take place as it was too cold for swimming, with the rain the way it was. The Schumacher club had prepared for the visit, however, even to the extent of preparing generous lunches for the visitors. It was not considered right to waste the lunches or any of the other preparations and so the members of the club decided to stage water sports and contests of their own and to utilize the lunches themselves. Accordingly the early part of this week saw crowds from Schumacher at the swimming pool and a series of contests in swimming. The young people especially enjoyed the water sports and competitions. On Wednesday (yesterday) there were record crowds at the swimming pool. There were a number of contests in progress, and then in the evening the occasion concluded with a dance which was a decidedly successful event.

Over 200 Have Already Taken Advantage of This Service.

For some years past Rev. A. I. Heinonen, minister of the Timmins and South Porcupine Finnish United Churches, has conducted classes in English for Finnish-speaking people. There have been also classes where the English-speaking may learn the Finnish language if they so desire. This year there will be less than the usual interest in the classes in Finnish for the English-speaking people. It is hoped, however, to carry on the classes in English for the Finnish people. The idea is to so perfect their English that the community as well as the individual may be benefited.
