Hitch-Hiking Bringing Death to Men on Leave

From the North Bay Nugget:—Through the activity of women in North Bay looking to the interests of the soldiers, a petition is being circulated in the city seeking to have the government give consideration to the question of providing free railway passes for soldiers on home leave from the various bases at which they are stationed. In the preamble to the petition, which is being very widely signed according to the reports, attention is drawn to the danger to which soldiers are exposed when, through lack of adequate funds, they are forced to hitch-hike their way to their homes.

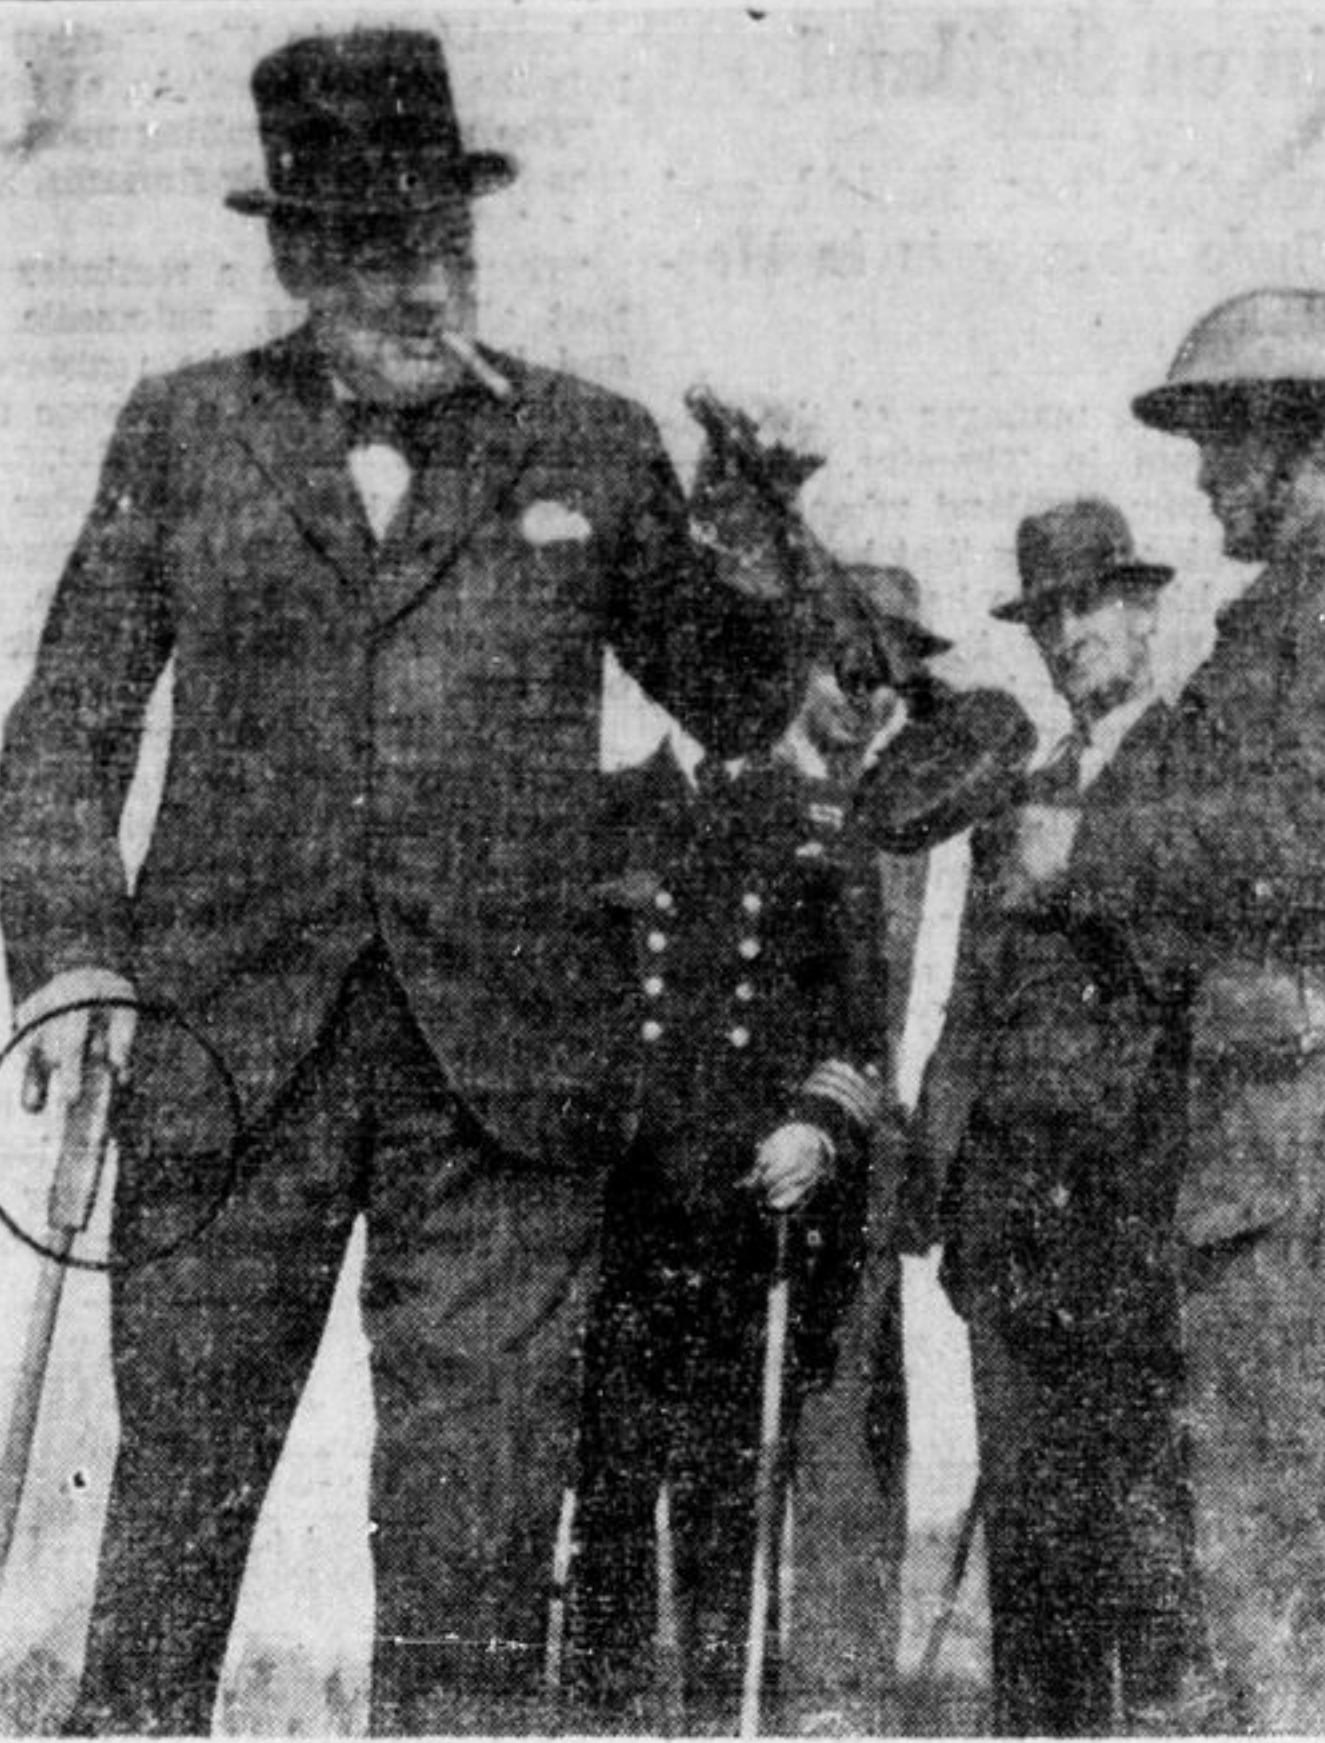

The soundness of the claim did not take long to be proved. News despatches of Saturday told of the death of four soldiers and the injuring of five others as the result of highway accidents. Two of the deaths and the five injuries were due entirely to hitch-hiking. The seven soldiers, all on leave from Camp Borden were on their way to Toronto when they succeeded in getting a ride on a truck which was Toronto bound. The truck swerving to avoid a collision with an automobile got out of control, crashed through a guard rail at the side of the road and down into a deep ditch. The impact hurled the seven soldiers through the roof, one of them being thrown a distance of 50 feet.

The other two soldiers killed were returning to camp in their own auto when they crashed into a wagon loaded with steel. The two accidents show the dangers to which the soldiers are exposed when they must thumb their way along the roads. It is true that they are given half-fare on the railways but in the case of a soldier coming to North Bay from Barrie that means a cost of approximately \$5. It means, for a married man who must assign half his pay to his dependents, that he spends one week's income to make the trip home. That does not allow him much to carry on the other days of the month. It would seem that some plan could be worked out by which soldiers could be given travelling warrants when they are on home leave. Certainly, if the North Bay petition even gets the government considering it, it will have done some good.

Jury at Dublin, Ireland Places Blame on Hitler

Dublin, Aug. 28—A Coroner's jury returned a verdict today that German aircraft dropped bombs that killed three girls Monday at Campile, on the southeastern coast of Eire. Several witnesses testified they saw German markings on the plane. "Evidence clearly shows that these deaths were caused by German aircraft," Coroner Fintan O'Connor told the jury. "I do not know how anybody could for an instant suggest the bombing of Campile was in any way accidental."

CHURCHILL'S CANE LIGHTS BLACKOUT

Recent pictures of Prime Minister Churchill have aroused widespread interest in certain features of his dress and appearance. One question frequently raised—the meaning of the protuberance near the head of his cane—is answered in this picture which shows the British war leader inspecting an American-made "Tommy" gun during a visit to northeast coast defences. Strapped to the cane is an electric torch in a leather case, operated by a press-button. The light shines on the ground for use in blackout. Still inexplicable is the reason for the prime minister's recent adoption of a curiously high hard hat, somewhat in the style worn at the turn of the century.

Charming Wedding at the Church of the Nativity on Monday

Miss Helene Caroline Landers and Mr. Joseph John M. Pelletier Married.

One of the season's loveliest weddings took place in the Church of the Nativity on Monday morning at 10.30 when the Rev. Fr. Thaddeus Osewski, united in marriage Miss Helene Caroline Landers, daughter of Mr. and Mrs. John Landers, 136 Commercial Avenue and Mr. Joseph John M. Pelletier, son of Mr. and Mrs. Jos. Pelletier, of Metis Beach, Que. The bride was charming in a floor-length gown of net over white satin with lace inserts in the full skirt, sweetheart neckline and finger-tip length veil, the halo caught with orange blossoms, white elbow-length gloves and a diamond-set brooch, belonging to her mother which was handed down from the bride's grandmother. She carried a bouquet of red roses.

Mrs. Bessette of South Porcupine sang three beautiful hymns during the marriage ceremony. "Ave Maria," "Immaculate" and "Oh Mother on this Wonderful Day." Miss Olive Lafrenier played the wedding music. Mrs. Edith Beaulieu, sister of the bride, was Matron of Honour, and was lovely in pale pink chiffon with lace top, with white accessories. She carried a bouquet of Talisman roses.

Miss Monica Franklin, niece of the groom, was the junior bridesmaid, lovely in pale blue chiffon with white accessories. She carried an old-fashioned nosegay of sweet peas. Mr. George Smith, uncle of the bride was best man.

The 1st Timmins Company, C.W.L. Girl Guides, of which the bride is Captain, together with the Rangers, formed a guard-of-honour as the bride entered the church and also when the bridal party was leaving the church.

A wedding breakfast was served at the home of the bride's mother, 136 Commercial Ave., which was very appropriately decorated. The long table was centered with a three-tier wedding cake, white candles being the only other table decoration. Mrs. Landers, the bride's mother, received the guests, wearing a rose crepe afternoon dress with lace bodice. She wore navy blue accessories and a corsage of roses. Mrs. Franklin, the groom's sister, assisted Mrs. Landers wearing a rose printed chiffon afternoon dress with rose accessories and a corsage of roses.

Out-of-town guests at the wedding included the following:—the bride's grandmother, Mrs. Caroline Landers, of Kirkland Lake; Mrs. Chas. Boone, Mr. and Mrs. Lockie McKinnon, Mrs. Eric Ritchie, Miss Ida McKinnon and Mr. Pat McKinnon, all of Kirkland Lake; Mrs. W. Reid, of Connaught, and Mrs. Labine, of Sandy Falls.

In the afternoon the happy young couple left for a two week's motor trip to Ottawa, Montreal, Metis Beach and Toronto.

On their return they will take up residence at 68 Crescent Ave., Timmins. Previous to her marriage the bride was much entertained and received many beautiful and useful gifts for her new home.

Frontiersmen Make Offer of Services to Town Police

Ready to Serve Under Police in Any Emergency Letter States.

An offer to assist the Timmins Police Department in any way possible and to be at the department's disposal should it need men for any emergency was contained in a letter from the Legion of Frontiersmen. The letter was read on Tuesday night at a meeting of the Police Commission, held in the committee room of the town hall.

The local unit of the Frontiersmen consisted of present of 23 or 24 fully uniformed and equipped men, the letter pointed out. It would be at the disposal of the local, Provincial or Royal Canadian Mounted police whenever needed.

Upon reaching full strength—about 104 men—the Legion intended to offer its services to the military authorities. The Department of National Defence might put it to whatever use it saw fit.

Chief Gagnon said that the Legion was the first to offer its services to him in the event that there was an uprising of subversive elements, after the

declaration of war. A resolution thanking the Legion for its offer was passed by the Commission. The Canadian Association of Chiefs of Police convention will be held in Halifax on September 10, 11 and 12. Chief of Police Leo H. Gagnon was granted leave to attend by the commission. The matter of his attendance will be passed on to the town council for its consideration.

A request that the commission take care of the legal fees of \$125 incurred in the case of Sergeant John Downey versus Jack Ryan, of Timmins, was deferred. The case arose out of an accident which occurred some months ago. Sergeant Downey shot at an injured dog to kill it. The bullet from his pistol missed the dog, struck an iron fence, was deflected and struck Ryan in the ankle.
