

Toburn Beavers Tie Series With Surprise Win

Dorey Holds Toburn Beavers To Three Hits in First of Series for T. B. L. Title

Romuaidi is Money Hitter for Hollinger. Drives in Three Runs With Two Hits, One a Double in the Sixth. Toburn Pitcher Finds No Support Behind Him in Crucial Stage of the Game.

Kirkland Lake, Sept. 3—Backing up Reg. Dorey's three-hit effort with some timely clotting, Hollinger defeated Toburn, 5-1, here this afternoon in the first game of a best-of-five series for the championship of the Temiskaming Baseball League.

Dorey worked effectively on the Hollinger mound throughout, allowing lone singles in the fourth, seventh and eighth innings. Ray Larose, on the Toburn fill found that his support left him at the crucial stages, two of the Hollinger runs being assisted by Toburn errors.

Lou Romuaidi, was the money man for the winners, driving in three runs with his two hits, one being a two-run smash in the sixth inning.

otherwise would have gone through. Here in the Porcupine Camp they have, in the matter of milk, respected both the interests of the consumer and the farmer.

"The cost of Living is going up rapidly today" said Mr. Teeple, in referring to a recent pamphlet on this subject issued by the Educational Department. "Furthermore, as the pamphlet states the situation is worsening. Therefore I would urge that you act upon the suggestions in this publication—namely that you join your Co-op. in the struggle against profiteering—and further that you write your local member of Parliament and ask that he do his utmost to further the work of the War Prices and Trade Control Board to stop profiteering".

Kirkland Girl Wins Ontario Tennis Championship

Toronto, Sept. 3—Patricia Rappell of Kirkland Lake and Don Campbell of the Corpus Christi Club, Toronto are the new Ontario junior tennis champions of Ontario. Miss Rappell defeated Barbara McLuckie of the Norwood Club, Toronto, and Campbell surprised W. Pidgeon of Weston, winner of the recent Ontario Red Cross tournament, in the finals played at the Toronto Lawn Tennis Club Saturday.

Before reaching the finals both of the new titleists were extended in the semi-finals by Elinore Strike, Ottawa junior champion, and Bill Wade of Toronto, respectively. Ruth Platt, Ontario Red Cross champion was defeated by Barbara McLuckie in the other girls' semi-final, while Kenny McCuaig bowed to Pidgeon in the boys' event.

Marked improvement and the even standard of play by contestants from all over Ontario proved the major feature of the tournament. Few of the games were one-sided.

Copper Cliff Wins Nickel Belt Title in the Fourth Game

Sudbury, Sept. 3—Copper Cliff won the Nickel Belt baseball championship and the Monel Trophy today, defeating Frood by a 7-3 score in the fourth and deciding game of a best-three-out of five series.

Copper Cliff had too much power for the Frood team today. The Cliff squad came from behind a 3-0 deficit in the fourth and fifth innings to completely and decisively rout the Frood team for the third and last time. Copper Cliff won the first game, lost the second, but came right back to win two in a row.

Gerry Wallace, first Copper Cliff third-sacker, was the potent batsman with three hits in five trips up. Joe Lora, centrefield ace for the Cliff crew, was next best with two hits. Doug May of Frood was the big thunder for the losers with three hits in as many trips to the plate.

Copper Cliff will now meet the Northern Ontario championship.

STARTS OFF LEGION PLAN

Annual Autumn Dance of the McIntyre Tennis Club

The annual autumn dance of the McIntyre Tennis Club—one of the most popular social events of the year—will be held in the Porcupine Badminton Club, Schumacher, on Friday evening of next week, Sept. 13th. Music for the occasion will be provided by Henry Kelneck and his orchestra and all the other features of the evening will be of a similar high standard. This is a dance event that few will wish to miss.

The Advance photographer snapped Mayer Emile Brunette just as he points to the sign on his car provided by the Legion to show that there would be a ride for a soldier as long as there was room in the car. This was the first car in Timmins to use this sign. The Legion has two hundred such signs.

SIFTING THE NEWS

By Hugh Murphy

Prime minister Winston Churchill has acquired a new title. He is known now, among other things, as "Jack the Jargon Killer". He was dubbed with the title by the Manchester Guardian following release of an interesting human-interest story.

The Premier ordered some of the stuffy personages in the Civil Service to stop talking what he termed "Officialese". Said he: "Let us have an end to such phrases as 'consideration should be given to the possibility of carrying into effect' and such terms as 'The receipt of your communication is acknowledged with thanks'".

The man with the pin-striped suit, cigar, bow tie, square bowler and the cane Edward VII gave him 32 years ago, is "hereby" tendered a vote of thanks—or is that "officialese".

Indian Affairs Departmental officials are in somewhat of a dither. Reason is that there charges are no longer, because of the European war, able to get tiny beads used in Indian craftwork.

It seems that the only beads found satisfactory by the Indians in their work are those imported from Czechoslovakia. These are no longer available and there is only a limited supply of them in the country.

Other beads on the market, including those from Italy and those made up in this country have never come up to Indian requirements. Beads for Indian purses, moccasins and other craft wares must be of even size with smooth edges that will not cut the thread and the beads durable. Best Czechoslovakian beads for that purpose were of porcelain.

If you are troubled with "pink elephants" be reconciled by the fact that alcohol has been found to be "not the principal factor in the production of delirium tremens". So say three American physicians. And it seems that they have made a very good case for their contention in the "American Medical Journal".

Vitamin B1 banished the elephants in short order, the doctors found in their experiments, although the patients continued to drink a quart of whiskey daily.

These five patients were, it seems, seeing every animal ever shown by Barnum and Bailey and a lot that weren't, in a variety of hues and distortions when admitted to the hospital. They recovered on the average in 2.4 days on a treatment of large doses of B1 plus a drink of four ounces of bonded rye whiskey every three

Rolly Bussier Credited With Win Over Hollinger Team in Kirkland Lake

Next Games Here on Friday and Saturday of This Week. Hollinger Has Bad Seventh Inning and Toburn Runs in Four Runs. Cherevaty Relieved After Three Score and Relieved on Mound by Nels Avery.

Kirkland Lake, Ont., Sept. 4. Special Toburn Beavers of Kirkland Lake evaded their Temiskaming Baseball League Championship Series with Hollinger mine of Timmins here this afternoon, when they won 5-1 to even the count in the best of five series at a win a piece.

The Toburn victory was made possible through the effective pitching of Rolly Bussier, who hurled his best game of the season, to rack up 12 strikeouts along the route, besides showing great form to pull himself out of three bad spots during the nine innings.

As an added attraction he gave a stellar showing on the mound, driving in the first Toburn run with one of his three hits and scored another for good measure.

After battling tooth and nail for six innings, Toburn finally made full use of a bad Hollinger seventh inning to score four big runs. It all started off when Cherevaty allowed two hits and then Chase threw wild to the first to allow the first run of the innings. Cherevaty was taken out after three had scored and Avery was put in, but his wildness accounted for the fourth and final score of the inning. The only Hollinger run was scored in the third inning to equal an earlier Toburn count by Jack Doherty on a single by Bussiere. For Hollinger Ab Cookson doubled, and scored on Rudy Rudel's duplicate hit. For the losers, Cookson was the best, hitting three for four and making four classy put-outs in the centre gardens. The teams meet hours day and night.

Another five patients admitted to the hospital at the same stage, following long drinking bouts, were given the same nursing care and diet. But they get neither the vitamin treatment nor the whiskey. It took an average of 4.2 days before these patients recovered.

The fact that recovery from acute symptoms of delirium tremens occurred approximately twice as fast when Vitamin B1 was injected into the patients' veins despite the fact that they were still getting their quart of whiskey a day, indicated to the physicians that the cause of the condition was primarily a deficiency of the vitamin along with the presence of a deranged sugar-starch chemistry in the body.

Reason for the vitamin deficiency which brought on the ping elephants was the fact that a person who gets delirium tremens has a habit of failing to stop and eat after twelve hours or so of alcoholic meanderings.

Reason for the vitamin deficiency which brought on the ping elephants was the fact that a person who gets delirium tremens has a habit of failing to stop and eat after twelve hours or so of alcoholic meanderings.

Hugh Brennan Named Best Hitter in Kirkland Lake

Kirkland Lake, September 3—Hugh Brennan, hard-hitting Wright-Hargreaves catcher, who came to the Duncanite club after the season opened but played enough games to make him eligible for participation, has been named the hitting champion for the Southern Section of the Temiskaming Baseball League. Figures released today show Brennan leading the field by a comfortable margin with a season's plate average of .441.

For the first time this season, every club in this Southern Section is represented on the "Big Seven" standing, with Wright-Hargreaves, Toburn and Noranda placing two apiece, and Lake Shore adding the extra member.

In the third and remaining games of series in Timmins, commencing on Friday afternoon. The winners will then meet Coppercliff of the Nickel Belt League for the Northern Baseball Association championship.

Line Score
 R H E
 Hollinger 003 100 000—1 7 2
 Toburn 010 000 40X—5 7 2
 Cherevaty, Avery and Oitean, Bussiere and Campbell.

Next games of the series will be held at the Hollinger athletic field.

Hollinger, it is expected, will be able to recoup its fortunes on its own playing field.
