Notable Concert Given By Ukrainian Prosvita In Aid of the Red Cross

Enthusiastic Crowd Enjoys Choral Selections, Tap Dancing, Mandolin Selections, Dancing, Gymnastics, Vocal and Instrumental Solos. Featured Artist was Mr. M. Holynsky, Operatic Tenor.

The Goldfields theatre was filled with an enthusiastic crowd on Sunday evening, when the Canadian Ukrainian Prosvita Organization presented a concert, with proceeds going to the Red Cross Society. The large crowd that attended was especially pleased with the variety and excellence of the programme presented, and with the fine costumes worn by the performers.

Included on the programme were selections by the choir, tap dancing, mandolin selections, dances, gymnastics, vocal solo selections, and piano solo selections, all of which were well-prepared and delightfully performed.

Mr. Herbert C. Trener, blind organist at the Timmins United Church, opened the proceedings with a welcoming address, and acted as chairman during the evening. The featured artist was Mr. M. Holynsky, operatic tenor, whose excellent vocal talent was greatly appreciated and heartily applauded by the audience.

Members of the Henry Kelnick Orchestra accompanied the dancing and gymnastics, and entertained during the intermission.

The following is the programme in full as presented on Sunday evening:—

1. Chairman's remarks, Herbert C. Trener.
2. Chorus—"Oy Stelys, Stelys," Choir.
3. Dance—"The Wind," by a group in national costume.

12. Chorus, "From Mountain Side to Mountain Side," Choir.
13. Solo National Dance, by Master J. Stodolny.
14. Chorus, "I Dream," Choir.
15. Piano Solo, "Air de Ballet," by Chamindae; Herbert C. Trener.
16. Vocal Solo—selected—by Miss Cummings.

V. O. N. Tag Day To-morrow

Support a Worthy and Worth-while Community Cause.

To-morrow—Tuesday Sept. 17th—is Tag Day here for the Victorian Order of Nurses. The V. O. N. has done—is doing—a notable work for the community. Its value can not be over-estimated. The good work of the nurses of the V. O. N. has been a genuine help and blessing to so many that it will be termed a vital service to the community. The continued increase in the work means a financial problem. Hence the tag day. The answer should be a generous response to the call. This, too, is a patriotic appeal—for the health of the community.

W. M. Whyte Honoured On the Occasion of His Eighty-eighth Birthday

Oddfellows, Rebekahs and Others Gather to Express Appreciation for the Life and Work of "Dad" Whyte, One of the Pioneers of the Porcupine and a Stalwart in Oddfellowship.

The Oddfellows hall on Spruce street, north was the scene of a very happy and impressive gathering on Thursday night when Oddfellows, Rebekahs and others gathered to do honour to Bro. W. M. Whyte on the occasion of his 88th birthday. It has been the pleasant practice for many years past to make special observance of the birthday of this good old man who has done so much for Oddfellowship and for the Porcupine Camp in the long years that he has lived so nobly and so well. On account of general conditions and the number of other meetings on that evening attendance at the event was not as large as last year, but there was a large representation present and the gathering was the friendly, happy one that would delight the guest of honour. Among the Past Grand's present for the event were—W. H. Pritchard, G. S. Drew, A. E. Prout, Walter Avery, C. Lacy, B. May, S. Spencer, R. Richardson.

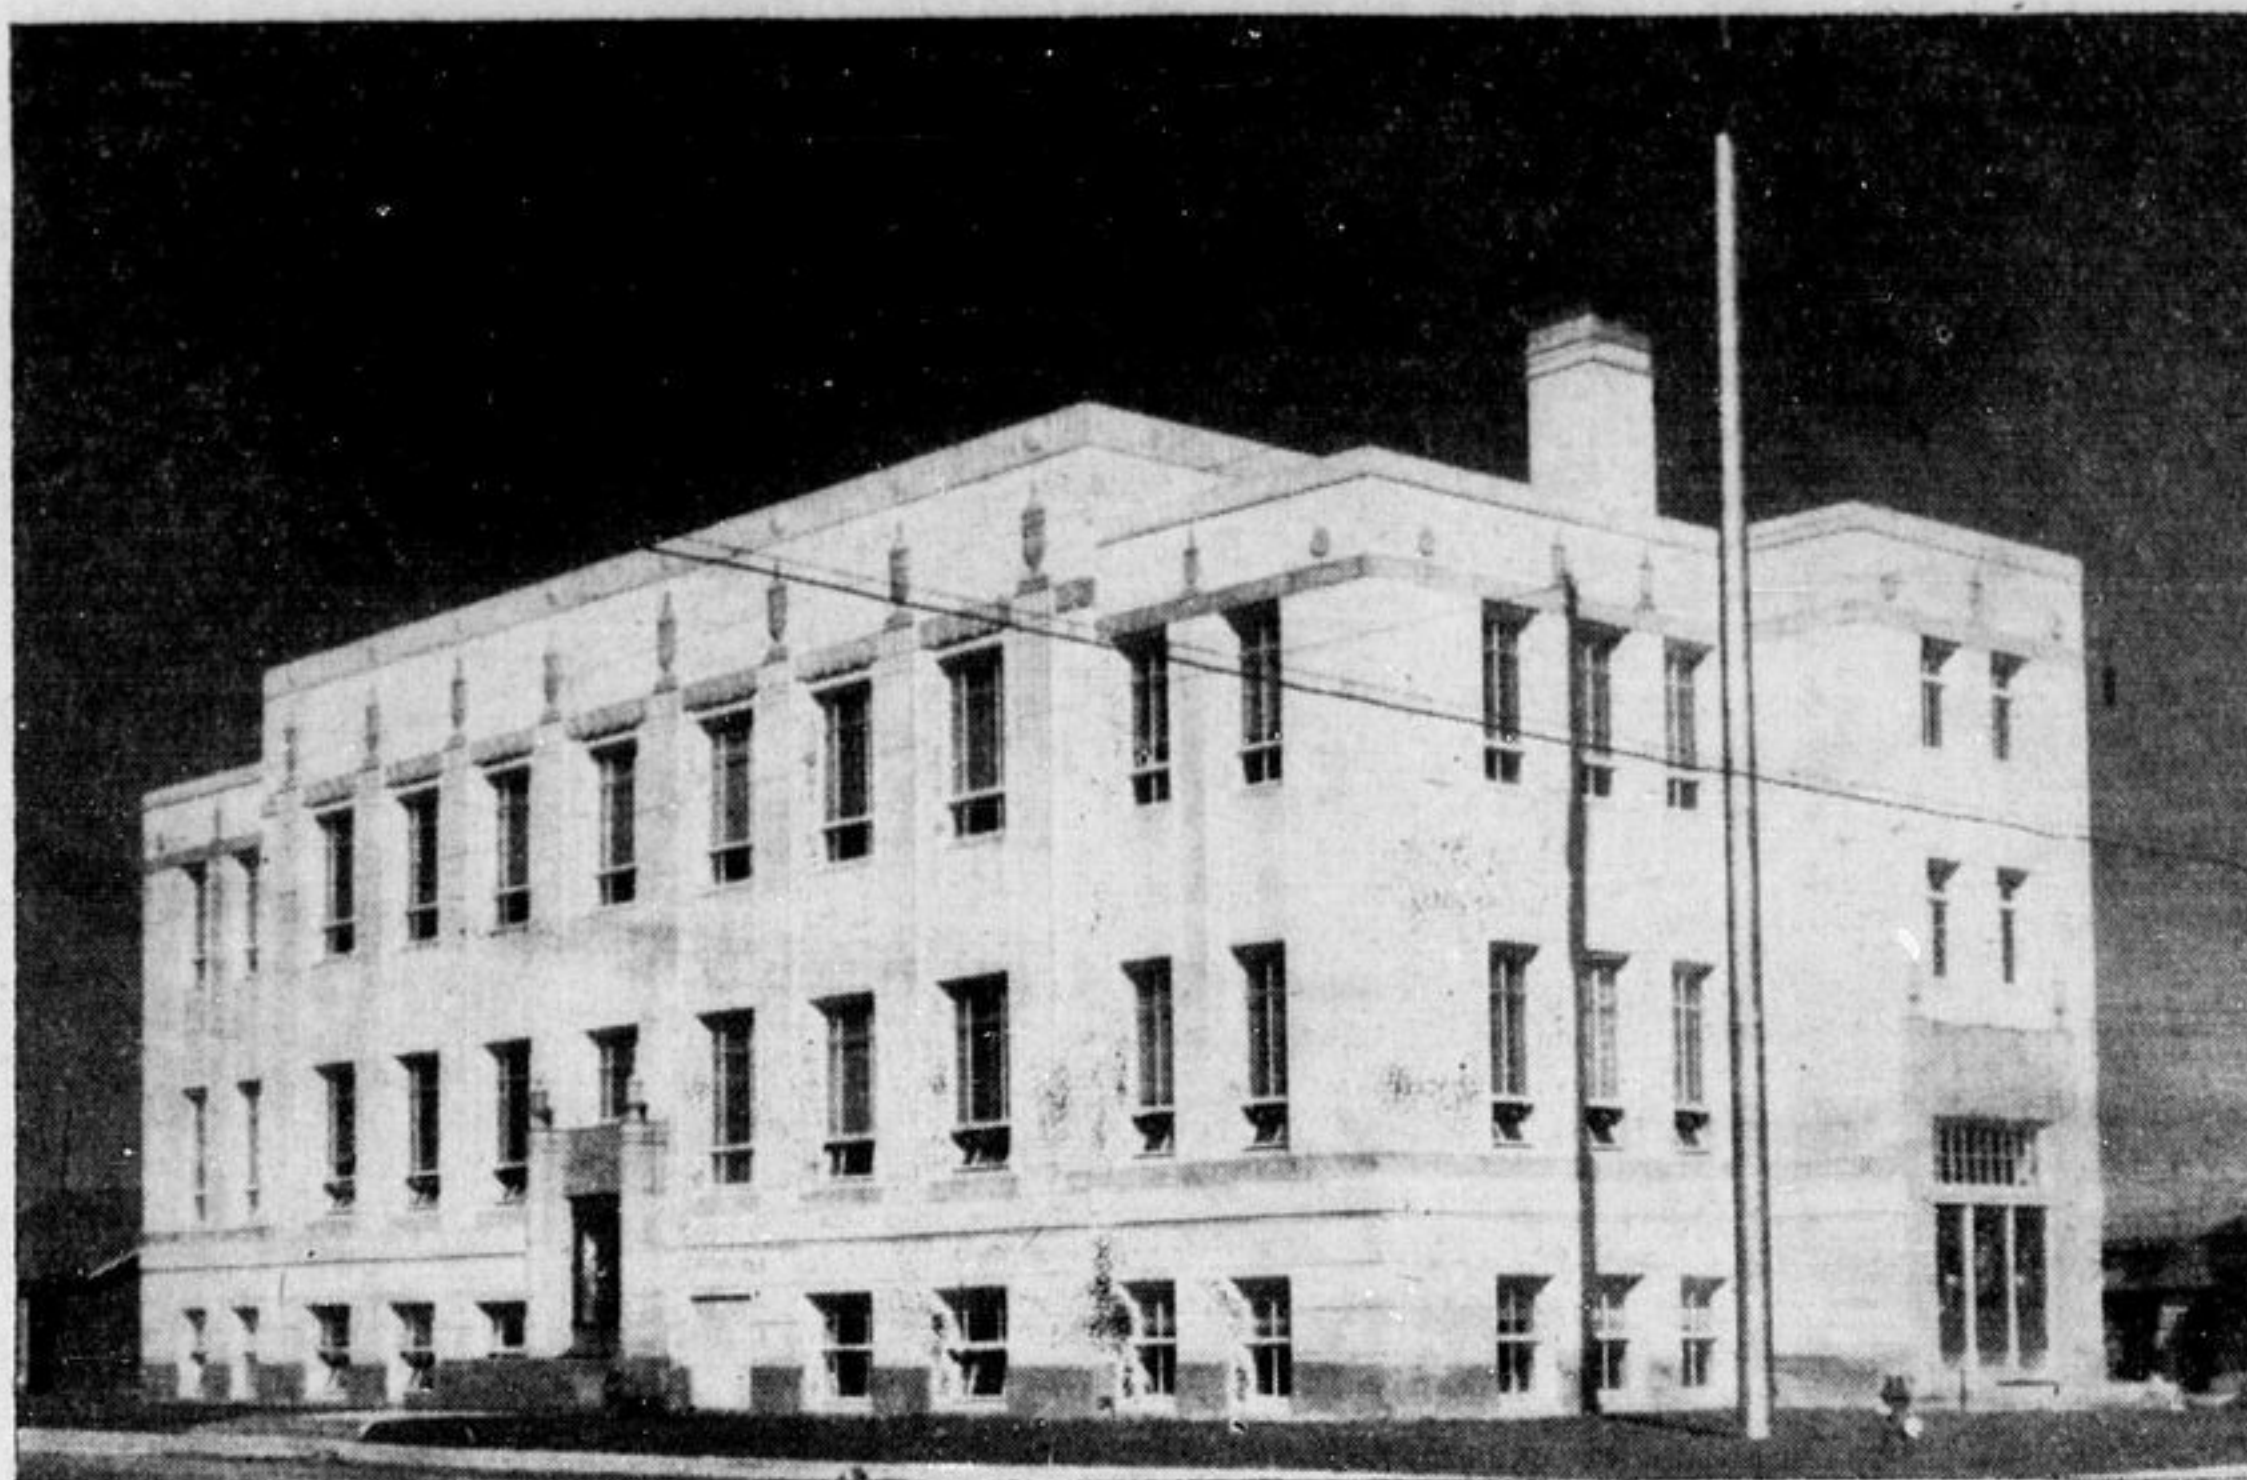

Bro. J. Jago presided in effective way for the evening, and after a word of welcome to all introduced the programme of community singing and other entertainment. Bro. Garroway presided at the piano for the evening and his part on the programme was a very helpful one. Solos by Raymond Wales and J. Jago were also greatly appreciated items on the happy programme. In the community singing patriotic songs were featured and a glance at "Dad" Whyte, showed that these were particularly dear to his heart. "There'll always be an England" was sung with special feeling by the audience, while Scottish favourites were also rendered with special favour as tribute to the honoured guest.

Mrs. James Keene, former President of the Rebekah Assembly of Ontario and for many years prominent in the district in the work of the Rebekah Lodge, spoke briefly but effectively of the notable part played by Bro. W. M. Whyte in Oddfellowship and in the welfare of the community and the affectionate esteem in which he was held by the Rebekahs, in whose lodges he had taken so helpful and kindly an interest. Mrs. Keene gave instances of "Dad" Whyte's talent and services and his unflinching kindness and helpfulness. Touches of wit and humour added to the effectiveness of Mrs. Keene's address.

HANDSOME NEW TOWNSHIP BUILDING

Above is a view of the exterior of the handsome new administration building for the township of Tisdale at South Porcupine. It was opened to the public for inspection on Saturday and Sunday. A full description of the building appeared in the last issue of The Advance and other particulars appear elsewhere in this issue.

Local Ladies' Auxiliary Give Welcome to Officers Of Provincial Command

Work of the Ladies' Auxiliary Branches of the Legion in Ontario Reviewed. Social Evening Enjoyed After the Regular Session. Programme of Much Interest. Several Members of South Porcupine Auxiliary Present.

There was a very good attendance of members of the Ladies' Auxiliary of the Canadian Legion, B. E. S. L. on Friday evening in the Legion hall when the Timmins Branch met to welcome Provincial Command officers of the organization. Several members of the South Porcupine Branch were also present.

The visiting officers were: Mrs. A. C. Norley, provincial president; Mrs. H. Long, provincial treasurer; Mrs. R. J. Pegg, provincial secretary, all of Toronto; and Mrs. T. Richardson of North Bay, 1st vice-president. The latter was also the Northern Zone Representative for a number of years.

Mrs. R. Hardy, president of the Timmins Branch opened the meeting and welcomed the visitors in a short address.

Mrs. Norley expressed her pleasure in being present once again in Timmins, this being the second visit here, as Mrs. Norley, Mrs. Pegg and Mrs. Richardson were in Timmins at the Legion convention three years ago. "Our trip to the Northern Branches has been one of great enjoyment and pleasure," she continued.

Touching the work of the auxiliaries throughout Ontario the speaker told of the formation of the Ambulance Fund. This ambulance was just presented to the Government and the funds were contributed by members of the organization throughout Ontario. It was gratifying to know that the fund had been over subscribed. The ambulance was 99 per cent Canadian built, only the engine coming from elsewhere and was solely an Auxiliary effort each of the members contributing their share.

Mrs. Norley told the various branches visited, giving illustrations of the war efforts being conducted. One incident touched her greatly, an Indian member of a branch visited, telling her she had given four sons in the Great war and was happy to let the remaining son go this time, to fight for Canada. In closing, Mrs. Norley expressed the wish that the Auxiliary would continue its work with success and prosperity.

Mrs. Pegg outlined in detail the secretarial work of the organization, and read a letter of thanks from Col. Ralston for the gift of the ambulance.

Mrs. Richardson and Mrs. Long also spoke on Auxiliary matters and the splendid welcome they had received from the branches in the North.

The provincial officers had been two weeks on the tour, Mrs. Richardson acting as chauffeur for the party. A new branch at Smooth Rock Falls had been opened and was the most northerly branch visited.

Each of the visitors was presented with a token of appreciation from the members.

Mrs. W. A. Devine secretary of the Timmins branch, gave a review of the war efforts of the members which proved of interest to the Provincial officers. The meeting closed with all singing the National Anthem.

The social side of the evening followed the meeting, members of the Legion and Auxiliary enjoying an entertaining programme.

The opening item was the drill put on by the junior class of the Finnish Aid Society, instructress Miss Neima Johnson. These six young girls showed splendid training and their drill was given generous applause. Mrs. C. (Continued on Page Three)

Weather To Remain Pleasant

Next Few Days Will be Fair and Warm Weatherman Says Today.

Today will be fair and quite warm, the weatherman said. He prophesied, further, that the next few days would continue warm.

There was a trace of rain on Thursday last.

Temperatures, maximum and minimum, since Thursday have been as follows: Thursday, 50 and 39; Friday, 61 and 43; Saturday, 67 and 47; Sunday, 71 and 51. At eight o'clock this morning the temperature was 52 degrees.

Must Have Permit to Buy Sell, Borrow, Lend Gun

Law Requires Permits for Transferring of Possession or Ownership of Shot Gun or Rifle. Provides That No Alien or Person Naturalized After 1922 May be in Possession of a Gun at All. Extend Time for Gun Registration.

If you want to borrow your neighbour's gun to go duck shooting this fall you must first get a permit. He, furthermore, must have a permit to loan the gun. Similarly under the amendment to the Defence of Canada regulations a person must have a permit to sell his gun. The buyer must also be armed with an official permit.

By one paragraph of the regulations no person shall buy a firearm for resale without first having a permit to do so.

An extension of fifteen days has been made in the time for registration.

Under the former ruling Saturday was the last day of registration for rifles and shot guns and persons found with unregistered weapons after that time were to be charged. Word has been received here from official sources, however that time for registration has been extended until September 30.

It is, of course, contained in the regulations governing weapons that no alien or person of Italian or German origin naturalized since September 1, 1922, be allowed to have a gun at all. Inasmuch as there has been some confusion and police have been deluged with calls as to what the regulations required in the matter of transferring possession of firearms, they wished to make it clear that it was illegal to lend, borrow, buy or sell a gun without the proper permit.

Drowned Man Hooks Twenty Pound Pike

Believe Struggle With Fish Overturned Canoe.

The body of John Rozinsky, 34, was taken out of eight feet of water in Scott's Lake, Bartlett Township, a half hour after he fell in yesterday afternoon. In the man's hand when he was pulled out, was tightly clutched a fishing line. On the end of the troll was a pike which weighed about twenty pounds.

Provincial Constable H. Beaton flew in to Scott's Lake today and brought the body of the man out. The only address he could find in his clothing was 242 Shaughnessy Street, Sudbury.

Companions of the man at one of the camps of the A.E. Wicks Lumber Company said that the man went out to troll yesterday afternoon. When they searched and found his body on the bottom with the fishing line in one hand. Overturned on the beach a short distance away was the canoe.

Whether or not the struggles of the fish were sufficient to overturn the canoe is not known. There will, in any event, be no inquest.

Report Attitude Towards Parking Meters Next Week

Terminate Employment Life Guard and Playground Supervisors.

A report of the information obtained by Councillors Roberts and Spooner when they attended the recent Ontario Municipal Association convention, held in Toronto, and at the same time visited with several governmental officials, will be given at the next meeting of Council, Mr. Roberts said on Friday when the regular formal meeting was held.

At that time, said Mr. Roberts, he would outline the attitude of government officials towards the installation of parking meters in municipalities.

The subject arose after a letter from the Dual Parking Meter Company's representative was read in council. Enclosed in the letter was one from Mayor Laforest, of Sudbury, in which His Worship praised the meters recently installed on Sudbury streets and said that he believed the council intended to keep them.

Terminate Employment Employment of Leo Copps, Life-Guard, Ambrose Killen, William Roberts, Fred Laforest and Cecil Linder as playground supervisors, be terminated September 4.

Best Aviatrix

Jacqueline Cochrane, holder of several air records, has been selected by the International League of Aviators as the world's outstanding woman flier for 1939.

Terrific bursts of anti-aircraft fire and the sound of machine guns over the London area indicated that a big air battle was being fought this afternoon, shortly after sirens had signalled the capital's fourth air alarm since 2.10 p.m.

Yesterday the Royal Air Force and anti-aircraft defences scored their greatest victory of the war knocking 185 German planes out of the sky.

Bombs, including time bombs, were dropped on the London area during the fourth alarm today but the Germans met a terrific anti-aircraft barrage that seemed to centre over the Thames Estuary. Germans flew in from the southeast, heading for London, but were intercepted and driven back to France by R.A.F. fighters.

Today's first alarm sounded at 9.57 a.m. when sound detectors picked up planes crossing the coast. Fighter planes met the invaders and sent them fleeing back across the channel within ten minutes. The second alarm at 10.55 lasted for forty minutes and the third at 12.09, for 41 minutes. After their terrible losses yesterday the Germans used new technique today. One formation of Dornier bombers was so tightly together that the wings tips of the planes seemed almost to be touching.

In the fierce fighting yesterday wounded Nazi pilots pleading "Marad" fell in the streets and others were rescued by soldiers from angry Londoners who tried to seize them.

Buses pulled into shelter yesterday and unloaded passengers. Shrapnel was pelting down like hail and high explosive and incendiary bombs were smashing into houses in several areas and setting them afire.

Nazi raiders streaked back and forth across the sky meeting a murderous barrage of shell upon shell.

One of the oldest hospitals in London was struck by an explosive bomb and partially wrecked.

The Air Ministry reported the loss of only 30 British planes and 20 pilots.

First Meeting for Fall Season of the Women's Institute

To be Held in Hollinger Hall Wednesday Afternoon.

The monthly meeting of the Women's Institute, and the first meeting for the fall season, will be held on Wednesday afternoon, commencing at 2.30 o'clock, at the Hollinger Hall. All members are asked to be present at the meeting.

A splendid educational programme has been arranged by Mrs. G. Kirk, and there is much general business to be dealt with. Arrangements will be made for future events to take place during the fall months, and it is noted that the roll call will be answered with "A Country Id Like to Visit."
