

Hollinger Wins Northern Ontario Title

Trim Copper Cliff in Fourth Game of Championship Series Here on Saturday Afternoon

Coast Through After Five Run First Inning to Win the Championship. Frank Chase Stand Out Again. Mike Yasinchuk Goes the Whole Way for the Hollinger. First Title for Hollinger in Many Years.

The Hollinger for many years has wanted to win a championship. In soccer, baseball and other sports has the Hollinger striven to win. On Saturday afternoon when the Hollinger defeated Copper Cliff four runs to five not only the Temiskaming Baseball League was won but the championship of Northern Ontario.

Inasmuch as the Hollinger scored all five of their runs in the first inning and were almost overtaken in the eighth when Copper Cliff staged a rally that netted four, it was a sensational game.

Approximately 1,600 persons saw the game. They saw the hard-hitting Hollinger crew smash out six hits for five runs in the first inning and coast through the other eight on their margin.

Big hitter of the day was Frank Chase. In the first inning he smashed out a triple. He came through again in the seventh with a double.

First Inning
Copper Cliff: Wallace, Perigo and Hann all thrown out at first base. Hollinger: Rodney singled to centre field. Scarlett lined a bunt down the first base line that was good for a hit. Savoie laid one down on third to load the bases and Chase hit a money-making triple out into centre field to score three men. Chase himself came across the plate on an outfield error—a wild pitch to the plate. Cookson struck out and Romualdi came through with the fifth hit of the inning. He was thrown out catcher to second, trying to steal. Rudel walked and Olean brought home with a triple. Olean tried to extend his triple into a home run and was caught right field to short stop to pitcher to catch, at the plate.

Second Inning
Copper Cliff: Lora was out on a fly to first base. Parent hit to centre field. Bertull flew out to second and when Paquette got a piece of one, Parent was forced out at second.
Hollinger: Yasinchuk was filed out at first base. Rodney walked, stole second and was left on when Scarlett filed out and Savoie walked and was forced out at second base.

Third Inning
Copper Cliff: Kinkley was thrown out at first base. Avery struck out and Wallace was thrown out second to first.
Hollinger: Cookson filed out to second. Romualdi and Rudel both singled and were left on base when Olean fanned and Yasinchuk filed out.

Fourth Inning
Copper Cliff: Perigo filed out to first, Hann to second and Lora to right field.
Hollinger: Rodney was thrown out at first base and Scarlett filed out to centre field. Savoie walked and Chase

AT THE McINTYRE TENNIS CLUB DANCE

Four in One New Liskeard Family on Active Service

Case of Wm. Long and Sons Thought to be Record for the North.

The case of a New Liskeard father and his three sons on active service is believed by The New Liskeard Speaker to be a record for the North and possibly for Canada. There are several cases in Timmins of father and son on active service in this war, and one or two where there are a couple of sons as well as the father in the active forces, but three sons and the father is a record for this part of the North. According to some of the Toronto newspapers, it would be hard to get any kind of a record anywhere else in Canada.

However, here is what The New Liskeard Speaker says in its last issue: "Believed to be a record unique in the North Country, and possibly for the whole Dominion of Canada, a father and his three sons, members of a New Liskeard family, are serving with the Canadian Active Service Forces in the present war. One of the quartet, Private Kenneth Long, who enlisted at eighteen years of age, already is in England, and letters from him this week to his sister and younger brothers here note that prices are high in the Old Land and that he got lost in London's famous 'tube' system. William Long, father of the family is a sergeant with the Forestry Company at Haileybury, and has another son, Elmer, with him in that unit, while Herbert is at Camp Borden with the Algonquins.

Kenneth joined the Royal Hamilton Light Infantry last September and his sister, Mrs. Berry Huggins, said that he had landed in Britain about six weeks ago with his regiment. Two letters came from him this week, both written from the Union Jack Club in London. In one, he observes that "I was over at the Beaver Club for a while and it is pretty smart. Everything is the Canadian way; you know, like the city restaurants, where you go along a bar and pick out what you want. It's the cheapest place I know." In the same letter, he records having gone to a show, which cost him two shillings and sixpence (60 cents).

"Sergeant William Long is a widower and his daughter, Mrs. Huggins is keeping the family home open while her father and all her eligible brothers are in the army. With her are two younger brothers, aged 14 and 12 years, respectively, and visiting with them is Mrs. Herbert Long, a bride of two weeks ago last Sunday. She is the former Muriel Bate and her home was in Houlong Landing. Her husband, is the second member of the family to be married since joining up. Kenneth having taken a wife last March. Her maiden name was Mildred Calligan, and at present she is living in Hamilton, where she first met her husband.

"The father of this soldiering family and his son Elmer joined the Forestry Company, under Major W. A. H. Ferguson, the same day. Before enlisting, Sergeant Long had been hoistman at the Millwright Mine in South Lorrain. Kenneth Long went to Hamilton a year ago looking for employment. He was not there long when war broke out and he joined up with the R.H.L.I. In one of his letters from England, he writes that "everything is so dear here it costs you a shilling to say 'hello.' He records also having talked with an English sergeant who was in Dunkirk and who told him of being hard pressed by German troops after the Belgians collapsed.

Happy Evening at the McIntyre Tennis Club Dance Event

Decorations of the Hall a Feature for the Occasion.

About one hundred and fifty couples enjoyed the annual McIntyre Tennis Club dance in the Badminton Club at Schumacher on Friday evening. The Club was fittingly decorated for the occasion with tall evergreens, autumn flowers, and a large replica of a tennis ball bearing the words McIntyre Tennis Club.

Music for the dancing was supplied by Henry Kelneck and His Orchestra which featured novelty numbers, as well as popular dance tunes. A very tasty lunch was served and a pleasant and merry evening was spent by all who attended.

Col. Adby on Visit to Timmins Sees Many Changes Here

On Saturday and Sunday, he conducted services and meetings at the Salvation Army Citadel, and this Monday evening, he will give a reminiscence of the early days of the Salvation Army entitled "Under the Flag for Fifty Years." Colonel Adby has been with the Salvation Army for fifty-three years.

Charming Wedding Event at Church of the Nativity

A charming wedding took place at the Church of Nativity on Saturday morning at 10 o'clock, when Miss Margaret Koel, daughter of Mr. and Mrs. Anthony Kost, became the bride of Mr. Andrew Pappel, son of Mr. and Mrs. John Kapel. The Rev. Fr. Murray officiated in the presence of a large number of friends of the popular couple.

The bride was becomingly attired in a white bridal gown, and carried a shower bouquet of lilies and bouvardia. Miss Mary Stefnik was maid of honour and the bride was also attended by two bridesmaids, all of whom were attractively attired and carried pink Briarcliffe roses.

Mr. Fred Jaworski was the groomsman. Mr. and Mrs. Kapel will reside in Timmins.

TOO MUCH
Milton Vignette: It happened at Lexington Avenue and 42nd Street Friday night. One of those birds was popping off about everything. "Down with Roosevelt!" he shouted, "and nobody bothered to turn around. . . . "Down with Wall Street!" he persisted, and passersby kept going without giving him a tumble. . . . "Down with America!" he bellowed nobody touched him. . . . Finally, he said: "The Brooklyn Dodgers stink!"—and somebody slugged him. — W. Winchell

Committee Will Re-Draft Tisdale Tax Resolution

Resolution was Opposed by A. L. Shaw at the Ontario Municipal Association Meet.

At a joint meeting of councillors of the Town of Timmins and Township of Tisdale, in the council chamber here on Friday afternoon a committee was appointed to re-draft a resolution presented by the Township of Tisdale at the recent meeting of the Ontario Municipal Association, held in Toronto.

The resolution presented by the Township at the convention was opposed at that time by Town Clerk A. L. Shaw, of Timmins. It did not pass the convention.

Members of the committee appointed on Friday include Councillor M. Cavanagh, Township Clerk P. H. Murphy and Township Assessor Max Smith, and Councillor Wilfred Spooner and Town Clerk A. L. Shaw, along with Town Assessor A. L. Longmore.

The resolution presented by the Tisdale body to the convention was as follows: "Whereas the Assessment Act, Chapter 272, section 39, subsection 4, provided that certain buildings, machinery, etc., shall not be assessable. . . . "And whereas under the Mining Act, Chapter 28, section 4, municipalities derived a certain percentage of the tax on annual profits of producing mines. . . . "And whereas these municipalities are penalized in that they receive no taxes until the mines are producing and making profits over a certain amount and that even where these profits are being made, the municipality's share is negligible to the amount that would be derived if the assessment were based on the municipal mill rate.

"Therefore we ask the Ontario government absorb this difference themselves, and that this amount be paid the municipality, and that a copy of this resolution be forwarded to the Ontario Municipal Association for consideration."

Mr. Shaw, a delegate to the convention, objected to the resolution on the grounds that it was not as simply or as well expressed as it might have been. Mr. Shaw felt, further, that the resolution would not get the consideration of the government.

Louie Romualdi's Pay-Off Single in the Fourth Innings Scores Two Runs. Ties the Count and Gives the Bartonites the Necessary Incentive to Go After More Runs. Dorey, Avery and Cherevaty Ali Used on the Mound.

Sparked by Louie Romualdi's pay-off single in the fourth inning—which single scored two runs and deadlocked the score, Vince Barton's Hollinger crew went to town on the Copper Cliff Blues in the third game of the series for the championship of Northern Ontario, held in the Hollinger ball park on Friday afternoon, and swamped the visitors nine to five before the contest was over.

Two of the Copper Cliff runs were gifts with the compliments of the Hollinger ball club. Saving Reg Dorey for another game, Barton pulled him in the seventh inning with the bases loaded. Nels Avery walked into the tough spot and promptly walked two runs home. He was dragged and diminished Mike Cherevaty sent in. At his best when the going is toughest, Mike saved the day.

The Hollinger crew beat Spratt out of the box in the sixth inning. Fox Didone was sent in to finish the sixth inning, and in the seventh, youthful Vaillancourt took over and finished the game.

Best hits of the day were those of Reg Dorey who hit a long one down the first base line. It rolled deep into right field and Dorey made third. Another triple was hit by Joe Lora in the first canto.
