

Timmins I.O.D.E. Honors the Memory of the Late Provincial President

Tributes Paid to the Late Mrs. Wm. Morrison by Timmins Golden Chapter I.O.D.E. Reports on Summer War Work, Other Activities Planned. / Bomber Fund Campaign Great Success.

At the opening meeting of the I.O.D.E. a two-minute silence was observed to honour the memory of the late Mrs. Wm. Morrison who had been a very dearly beloved Provincial President for the past eight years, and whose passing away so suddenly on September 7th, is deeply mourned by the Executive of the Province, the National Executive, and all members of the I.O.D.E. who had come in contact with Mrs. Morrison during her outstanding leadership.

Mrs. L. E. Dorway, 1st Vice-Regent of Timmins Chapter I.O.D.E., expressed the great loss in such a great leader, and Mrs. Traver, Regent of the local chapter, told the meeting of the inspiration and encouragement Mrs. Morrison continuously gave to the members for progress in their work. Mrs. Traver also mentioned that although Mrs. Morrison had not been in good health for the past four or five years her deep interest in the work seemed to rise above her failing health.

Mrs. Traver related how Mrs. Morrison had reminded members of the conventions of the many blessings women had enjoyed in recent years, of the lessening of labour in their homes due to the development and manufacture of labour-saving appliances for homes. Also, she had spoken of the franchise and said that all these things had been brought about by the efforts of many people who had passed on, so that in return for these blessings women should feel it a duty to give a part of their time to the betterment of conditions in their community, and to help to foster a just appreciation of the blessings of being subjects of the British Empire.

Mrs. Traver said that those members who had had the privilege of knowing Mrs. Morrison would feel she had left footprints of encouragement and inspiration to guide members forward in the work of the I.O.D.E.

The Educational Secretary, Mrs. Warnock, reported the sorting and shipping of books and magazines for soldiers, sailors and settlers' district schools.

Seven new members were enrolled and welcomed to the Chapter by Mrs. Dorway, 1st Vice-Regent, and the Regent, Mrs. Traver, who voiced their pleasure in having these seven new members to start the fall season of general activities of the Chapter.

Mrs. Wheeler, Guide Convener, reported visiting Guide Company meetings, and announced the tea to be held at St. Matthew's Church Parish hall by the 106th Guide Company, on November 2nd, and hoped that a large number would attend this annual event which is usually a pleasant and very successful occasion.

Mrs. A. Booker, war work convener, reported on the summer's war work. Much work had been accomplished by the I.O.D.E. members during the summer months, knitting meetings having been held each week.

Mine sweeper jackets are included in the new line of work which has been successfully developed by the Provincial Headquarters. Headquarters have asked Primary Chapters to undertake this work, and Mrs. W. Wheeler said she had seen these jackets in the I.O.D.E. booth at Toronto exhibition this year. They are made from used articles of both leather and suede.

Mrs. Wheeler, 11 Hemlock street, was appointed to collect the material for the minesweeper jackets. Any persons in the Porcupine camp who have used gloves, bags, purses, windbreakers, and shoes of suede or soft leather, and would like to help the I.O.D.E. in this way, may send articles to the convener at 11 Hemlock street, or phone Mrs. Wheeler at 1158.

Following the business of the meeting, the members enjoyed a talk on V.O.N. work given by the local V.O.N. supervisor, Miss Greenaway, who stressed that this service is not only available for maternity cases, but convenient for patients not requiring a full time nurse. This V.O.N. service may be contacted in the daytime at the town hall and at night by the telephone exchange operators.

The secretary, Mrs. Wm. Mackie, read a letter from the National President, voicing her appreciation of the splendid response of the I.O.D.E. Chapters to the war effort, and especially for the Bomber. The required amount for the latter was oversubscribed within two months after the appeal was made. The total amount received was \$151,200.16; the bomber cost \$100,000, which left a balance of \$51,200.16. Of this balance a \$50,000.00 cheque was sent to Lord Beaverbrook to purchase aeroplanes for the air force.

By popular request, the National Chapter advises that this bomber fund is being kept open and the balance of \$12,000.16 will be added to as donations are received and sent to Lord Beaverbrook.

Any one in the Porcupine camp who wishes to contribute to this fund may send the donations or cheques to the Timmins Golden Chapter, marked "Bomber Fund", and the local Chapter will promptly forward donations to the National Office.

The Chapter wishes to thank, through the kindness of The Porcupine Advance, all persons who so kindly donated articles of old gold and silver. The local collection was promptly forwarded to the Provincial headquarters, to be melted down with

the collections from other chapters in this Province.

It is interesting to note that of the \$151,200.16 total, \$71,908.10 was raised by the chapters of Ontario, and \$636.08 in personal donations, making the splendid total of \$72,543.18, as Ontario's total raised towards the bomber.

The National President congratulated the Chapters on their Bomber Fund effort, and its result, and on all the war work being done by the chapters. She concluded by saying "I use bend every effort until victory is won and civilization once again sure."

Tentative plans for winter season activities were arranged by the members, and announcement was made that the November meeting of the Timmins Chapter I.O.D.E. will be held on Tuesday, November 19th, in the St. John Ambulance hall, commencing at 8 o'clock.

The Timmins Chapter of the I.O.D.E. extends grateful thanks to the merchants of Timmins and Schumacher who kindly and generously provided bread, meat, fruit, butter, cheese and chocolate bars for the soldiers' lunches which the members of the local branch packed for the soldiers who left here on July 1st. Since that time, the Government has made arrangements to take care of this comfort for men who enlist.

GAME IN KASPUSKASING AREA

Reports from the Welland and other southern section tell of men from those areas returning from hunting trips in the vicinity of Kapuskasing. According to these reports, game is said to be plentiful. Evidence of this is quoted as follows:—J. E. Curry, Welland bank manager brought home a 200 lb. bear. Norval Yynn, another Welland man, bagged a moose weighing 1,424 lbs. while A. J. Koughly, a third Welland hunter, got a young moose weighing 1,000 pounds.

Dropped Between Stitches

By Ann

Congratulations are in order to Mr. and Mrs. Dolph McFadden whose marriage was a lovely event at St. Anthony's Cathedral on Saturday. The bride was formerly Miss Simone Savard, and to Mr. and Mrs. Harold E. Babcock, whose twenty-fifth wedding anniversary took place on Monday. May the next twenty-five years be as happy as the ones that have become treasured memories.

It's a bright idea but probably not very practical. . . we mean that solution to the world's problems given by a group of young lads, the youngest being about eight years of age, and the eldest a mere eleven years. . . but those lads were very serious diplomats, as they formed their round table conference. . .

The scene was the backyard of a local mid-town home. . . the popular gathering place of many youngsters for it bears an old automobile, slightly the worse for having stood in the same spot for the past fifteen years. Usually the lads proceed to drive fiercely, attaining a marvellous speed of hundreds of miles an hour. . . the car doesn't move. . . but lately, world problems, as discussed by their parents at home, have detracted their attention from the former popular pastime. Seriously discussing the "best way to get rid of that 'crazy' man Hitler", the local diplomats decided that the wisest thing to do was to let "Superman" know about this awful thing that was going on, and surely, surely, he would remedy it all. . . the only trouble was that the youngsters didn't know where to find him. . . wonder if they are still puzzling about it?

Pies, bananas, oranges, cups and saucers, flour and even the piping from the kitchen were used in one of the acts at the Cartier vaudeville this week. . . perhaps the "musical chefs" were giving housewives a slight hint to not only sing at their work, but also to "make a wee bit of music".

Timmins women are forming new clubs to provide comforts, cigarettes and funds for the soldiers overseas; to do their "bit" to help win this war. . . one of the newest clubs is the "Sweet Caporals" which was organized last week. . . not only do the members knit articles for the soldiers, but they also donate the club funds for the purchase of cigarettes. . .

The students of the Central public school who presented a play last week in aid of the Red Cross. . . the children of the Holy Family school who gave up their pennies to help refugee children. . . the little ladies who conducted a booth at the local market to sell "goodies" for the Red Cross. . . all these deserve a special "thank you" for their real Canadian generosity. . . surely these Canada will have no difficulty in "carrying on".

TIMMINS BOY SCOUTS HOLD "APPLE DAY"

Saturday was the annual Apple Day for the Boy Scouts in Timmins, and as will be seen by the top picture the Scouts had a clever and attractive group of young salesmen to dispose of the apples to the public. The boys did a very effective job of it, and netted more than even the successful event last year. In the bottom picture a couple of the Scouts are shown putting the finishing touches on the baskets. Jack Potts is on the left and Lawrence Wagner on the right.

The top picture it will be noted included Cubs as well as Scouts, the Junior branch of Scouting as usual being ready and able to help along the good work.

South Porcupine People in Accident West of Pembroke

Four South Porcupine People in Hospital for a Few Days.

South Porcupine, Oct. 6—(Special to The Advance)—An accident involving four South Porcupine people occurred thirty miles west of Pembroke on Sunday at 4:45 a.m. A head-on collision between two cars, one driven by an Ottawa man, and the other by William Craig (of N.S., and South Porcupine) resulted in both cars being badly wrecked and four occupants of the South Porcupine car being taken in to Pembroke General Hospital for treatment.

Mrs. Urie Hodgins (nee Irene Kaufman) sustained shock and a cut on the head requiring several stitches, besides abrasions and cuts on the face; Mr. Hodgins has cuts on his eye and leg; Clifford Sharp suffered bruises and shock, and J. Kehoe has injuries to his back.

The driver and another occupant of the car—Arden Johnson—escaped uninjured.

Mr. Hodgins came back to South Porcupine on Wednesday, and Mrs. Hodgins is expected home tomorrow. They were driving down to Shawville to spend Thanksgiving with Mr. Hodgins' parents when the accident took place.

stantial cash donations to the Government, and now they are endeavouring to raise funds to buy a new fighter plane. In order to receive the co-operation of Canadian people, Lord Beaverbrook, upon the request of the Imperial Order Daughters of the Empire is sending a Nazi bomber to Canada, to go on display from coast to coast and even to the Yukon. This Nazi bomber is one of the many brought down by those English fighter planes that the I.O.D.E. is hoping to purchase with the funds collected at displays of "the machine which was used to kill women and children in London and other parts of England." It is a worthy undertaking, and one which deserves the support of all Canadians.

NAPOLEON AND UNCLE ELBY

Schumacher Red Cross to Commence Home Nursing Course

The Red Cross Society of the Schumacher branch intends to start a course in home nursing in the near future. These classes will be conducted once a week afternoon and evening in the McIntyre Community hall, Schumacher. Anyone wishing to register for this course may do so by phoning Mrs. Sinclair MacMillan—Phone McIntyre 26. Registration must be completed by October 31st.

Township Installing Sewers and Water Along Fern Avenue

South Porcupine, Oct. 16—(Special to The Advance)—At a council meeting held on Tuesday this week the following business was transacted:—The Kiwanis Club wrote asking permission to salvage the town dump. This discussion was deferred for one week.

Councillor Helmer was appointed Acting Reeve in the absence of Reeve Evans.

Resolution:—"That dual connections be installed to the lot lines in connection with the present construction on Fern Ave. and that these can be paid for at the present rate (less for dual connections) and that all lot owners be advised of the installation." The township has received permis-

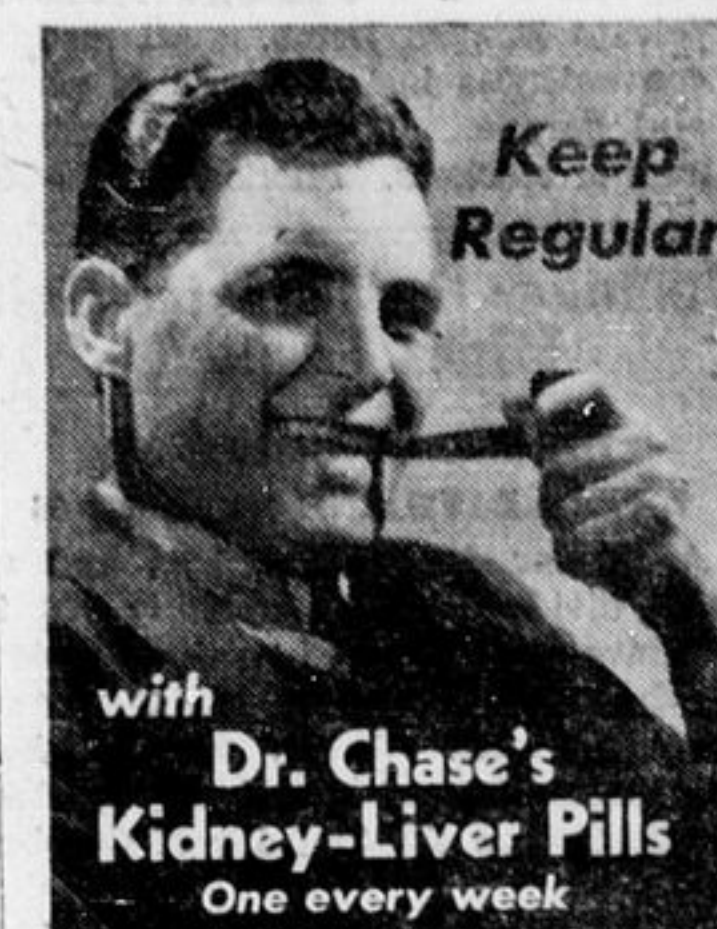

sion from the Municipal Board to install sewer and water along Fern Ave. and has already commenced work. If connections are made at the same time as the mains are being laid a substantial saving is made and savings are passed on to the lot owners.

ST. MATTHEW'S A.Y.P.A.

The regular weekly meeting of the A.Y.P.A. was held in the church hall on Wednesday evening, with Harry Atkinson, acting-president, in the chair, and a good attendance of members.

After the regular business meeting, Madge Webb, missionary convener, took charge of the programme.

Two articles on missionary work in China were read by Tom Djang and Mrs. Shipley, and a discussion followed. A Biblical game was played, with Jack Robinson as the lucky winner.
