

South Porcupine Helps Missionaries in Lands Suffering From the War

Many Mission Workers Now Stranded in Foreign Lands. Churches Going to Their Rescue. South Porcupine Making Good Contribution. Other News from South Porcupine and the Dome.

South Porcupine, Nov. 9th. Special to The Advance.

Churches all over Canada, of all denominations, have been asked by the International Missions Committee of London (Eng.) to assist in an effort to help those missionaries who are stranded in foreign lands. Those missions that have been formerly supported by the countries under Hitler's (temporary) domination are left destitute as no money for any purpose may be sent out of these countries.

South Porcupine is responding. Envelopes have been distributed to the congregation of St. Paul's Anglican Church and the sum enclosed, and given in to church on Sunday will be sent by Archdeacon Woodall for this purpose.

The United Church, in spite of the herculean efforts it is making towards a most necessary new church in town, took time off to hold a tea for this charity on Friday afternoon in the McIntosh Block. It was a most successful and very charming tea.

A long table graced the centre of the room, and looked extremely nice—a lace tablecloth and silver candleabra with white candles—a silver tea service at each end—presided over by Mrs. Anderson (senior) and Mrs. Wm. McDowell and a silver bowl of bronze chrysanthemums (donated) as the centerpiece formed a most effective grouping.

Thronous of people came in during the tea-hour and were received by Mrs. J. A. Lytle and Mrs. J. H. Evans. Those serving at the small tables were Mrs. Gordon Brown, Mrs. Wm. Oxby, Mrs. Bruce MacDonald, Mrs. G. Trueblood and Mrs. De Long also assisting were Mrs. Stitt, Mrs. O. McIntosh, Mrs. Coffey and Mrs. Kelly. The committee in charge are delighted with the success of the tea and thank all who helped in any way towards this worthy cause.

The Rebekahs are putting on a church party next Friday night in the Parish hall.

Sympathy is extended to Mr. and Mrs. Clarence Ward of 58 Powell ave. in the death on Saturday of their baby son, Keith, aged eight months. This is their only child. The funeral will take place on Monday at 2:00 p.m. at

the United Church. Rev. J. A. Lytle conducting the ceremonies. Until then the body is resting at Hunkins funeral parlors.

The Misses Helen and Jean Dunbar of Sundridge, are visiting their aunt, Mrs. J. Barron, of Crawford street.

Father Roberge, of the R. C. church, spent two days in Kirkland Lake this week.

Miss Valerie Bessette spent the week-end visiting her parents, from North Bay.

Miss M. Lynch, Miss R. Donley and Miss McPadden, of the Public School Staff spent the long week-end in Kirkland Lake.

Friends of Mr. Crawford Smythe will be sorry to learn he is ill in Porcupine General hospital.

Mrs. Bruce MacDonald is visiting this week-end at the home of her parents in Islington.

Miss B. M. C. Shaw spent the week-end visiting in Kirkland Lake.

The choir of the United Church is busy these days practicing for a Minstrel Show which they intend to produce possibly by the middle of December.

The men of the United Church are certainly doing their share towards making the basement of the new church building ready for use.

"Bees" of workers have been giving their time nightly to the work and next week the furnace is to be installed. Not have the ladies of the church been backward either, as they have kept the men going with hot coffee and lunches after the "bees." On Wednesday Mrs. Libby and Mrs. Burton served; on Thursday Mrs. Oxby and on Friday Mrs. Kelly and Mrs. Jordison.

The C.G.I.T. were entertained on Monday by Miss Jean Macdonald, of Timmins, who taught them to paint silhouettes.

Students night at the High School on Friday was marked by the first debate of the season. Kapuskasing represented by Gabrielle Dubois and Jacqueline Cote affirmed that "Education promotes happiness," the negative side being taken by Kathleen Connelly and Florence Sharp. Judges were Mr. Fred Mason, Mr. F. C. Evans and Mr. Don Simpson. Points were excellently

given by both sides. Kapuskasing being adjudged the winners. At Kapuskasing the South Porcupine school was represented by Jean Stringer and Joan Maxwell-Smith. The affirmative side was taken by South Porcupine but Kapuskasing the home team (negative) were adjudged the winners.

South Porcupine, Nov. 9th. Special to The Advance.

The happiest little girl in town today is Margaret McGregor, our little Scottish evacuee visitor, who received a cable last night telling her that her parents will speak to her to-night over the radio on the special B.B.C. broadcast. She is very excited over it as she hasn't heard her mother's voice for 3 months. She thinks this snow is great, never having seen any quite like this before.

South Porcupine, Nov. 9th. Special to The Advance.

A meeting was held in the Public School at Golden City on Thursday night, Nov. 7th, to re-organise for Red Cross work for the winter in Porcupine.

Mrs. George Banerman, who has had charge of the work in this district since last November, resigned, and the ladies present appointed Mrs. Lane as the convener of work.

Mrs. Banerman gave her report of work done by the ladies in Pottsville and Golden City from November 24th, 1939, to Nov. 7th, 1940.

The following is a list of the work turned in by this band of workers to the Eastern Porcupine Branch at S. Porcupine:

- 29 suits men's pyjamas.
- 24 Hospital gowns
- 8 pneumonia jackets
- 5 surgeon's gowns
- 15 prs. wristlets
- 41 sleeveless sweaters
- 1 pair half mitts
- 8 scarves
- 73 pairs army socks
- 297 surgeon's towels

Out of the above the Finnish ladies have knitted 18 pairs army socks, 4 pairs wristlets and 3 sleeveless sweaters.

Mrs. Lane, the new convener, hopes that the ladies will continue the good work and that many more ladies will make an extra effort to do what they can for the Red Cross.

Knitted articles for our sailors—scarves, helmets, seamen's stockings and half-mitts—are urgently needed. Mr. Lane would like all ladies to offer their services; please do not wait to be asked. Ladies who can sew may take their work home.

Mrs. Banerman wishes to thank all the ladies who have helped her and hoped that the Red Cross work in Golden City and Pottsville will more than double its work in the coming winter.

Remembrance Day Observed at Schools at South Porcupine

Inspiring Address by Mr. R. E. Dye.

South Porcupine, Nov. 9th. Special to The Advance.

Remembrance Day was honoured on Friday in our schools as Monday is a general holiday. Arch-deacon Woodall conducted a short service in the High School auditorium in the morning at 9, and Reeve V. H. Evans gave a short address to the students.

On Friday afternoon a special memorial service was conducted in the Public School by the senior classes at 8:30. A poppy wreath was in evidence on the platform and a bouquet of poppies on the table. Miss Corkery who played the accompaniment to the singing and two pupils Madeline Smith and Peggy McLellan, were dressed as Red Cross Nurses; and Leslie Costello acted as chairman. "God Save the King" (both verses) was sung before one minute silence while all stood with bowed heads in honour of those who died in the last Great War.

Miss Shaw in the absence of Father Roberge led the devotional period.

"O God our help in ages past" was sung before Mary Harper in a neat little speech introduced the guest speaker—Mr. R. S. Dye, of the Dome Mines.

To his "cordial and flattering" introduction Mr. Dye responded with thanks. He spoke of Remembrance Day, and said that while we note it as commemorating the close of the war, now, we are re-seeing the meaning and significance of it, get a clearer understanding of the brave deeds done by our soldiers and honour the morals and traditions we all cherish which they so finely exemplified.

He spoke in simple language of the significance of the poppy—the symbol of sleep—and quoted "in Flanders Fields"; then told of the returned soldiers and the need of supporting their cause. Poppies made by the Veteran shops are sold on Remembrance Day and the money obtained helps to support them. His message to the children was "Take the torch of liberty and freedom forward". Paul Pearce, accompanied by Andy Sliz proposed a vote of thanks to Mr. Dye, which was given heartily by all present.

"There'll always be an England, sung by all, was given a second verse.

Ensure Delivery of Mail Overseas for Christmas

Care should be taken in packaging Christmas gifts to be sent to men on Active Service, whether in Great Britain, Iceland, or points in Canada. Letters from boys overseas received locally indicate that very often parcels are damaged when received.

It is advisable to use heavy cardboard boxes and stout cord when parcelling the gifts you want the boys to have for Christmas. The postal rate on gifts for soldiers is 12 cents per pound—just half the civilian rate—and the maximum weight allowed is 11 pounds. A little extra precaution, such as using plenty of heavy paper and binding the corners of the parcels securely, would ensure the gifts reaching their overseas destination in good shape.

And, above all, early mailing of Christmas parcels is urged by the Post Office Department. At least six weeks should be allowed from time of mailing. Better to mail your parcels a week early than to have them arrive a day late.

Many people will be sending gifts to civilian friends overseas this Christmas. Similar precautions should be taken in packaging and mailing. A scale of postal rates on parcels for civilians appears elsewhere in this paper.

Shipping dates are uncertain this year due to the necessity of merchant ships travelling in convoy.

On best information we are advised that parcels designed for Overseas should be mailed AT LEAST SIX WEEKS IN ADVANCE OF CHRISTMAS! "Better still, they tell us, "mail all gifts for Great Britain, Iceland, Newfoundland and Bermuda, right now."

Therefore, to make sure that gifts to the boys on active service, or gifts for friends in the Old Country, arrive in time for Christmas, you are urged to buy—package—and mail right away.
