Education Week Being Observed This Week in South Porcupine Schools

Parents Visit Public School on Tuesday and Watch the Pupils at Work. Special Interest Taken in Some of the Work of Pupils. Other News from South Porcupine and the Dome.

South Porcupine, Nov. 13th. Special to The Advance.

This is Education Week. In our public school no special celebration was planned, but pupils were told to invite their parents on Tuesday afternoon to visit the school and see their offspring at work in classrooms and make the acquaintance of their teachers. Numbers took advantage of the invitation and went from room to room enjoying the contacts and admiring the work. Special mention must be made of the admiration evoked by some really clever mural work (blackboard) which was done entirely by the pupils. The atmosphere of our schools, as we have mentioned here before, is something which is so friendly and inviting that all who enter are impressed. The true comradeship spirit existing between pupil and teacher and centralized in the beloved principal, is a real factor in making our school a happy and pleasant place.

Remembrance Day Given Observance at South Porcupine

Other News of South Porcupine and the Dome.

South Porcupine, Nov. 13th. Special to The Advance.

Remembrance Day observance in S. Porcupine was noted by the majority of flags being flown at half mast during the morning, schools being closed, and stores closed for the morning.

At the Legion Hall a service of memorial was held and outside, on a temporary platform was erected a wooden cenotaph round which the initial ceremonies of the observance were held.

The service was well attended. Legionnaires, Kiwanis, Guides and Rangers and the citizens of our town formed a circle and veterans G. Munroe, H. Barnes, H. Edwards and J. Douglas took their places at each corner of the platform. "O Canada" was sung, and the impressive ceremony of "reversing arms" before the two minutes silence was observed. The bugler blew the "Last Post" and "Reveille" and passing traffic, as well as those surrounding the cenotaph honored the memory of those who fell in the last great way, by stopping and "remembering them".

Wreaths were placed on the cenotaph by Girl Guides and Rangers (M. McGregor); Dome Guides and Rangers; Province of Ontario (J. J. Gallagher); Township of Tisdale (Reeve Evans); Public School (R. Ship); Kiwanis Club (P. C. Evans); S. P. Fire Dept. (Max Smith); Purdon and Laflamme (C. P. Walker); Township of Whitney; Porcupine Legion (Ed. Richardson) and the Ladies' Auxiliary of the Legion.

The address from the cenotaph was given by President Ed. Richardson, and was (in part) as follows:—

"A year ago today the Porcupine Branch 287 of the Canadian Legion held their first Remembrance Day service in S. Porcupine. The year has passed quickly. We in this country are very well informed by press and radio of the tremendous changes that have been made in the lives of all the people of the British Empire, especially those in our mother country. We could hardly realize a year ago that a great conflict was in progress across the seas. But since then 120 men have joined from our small community and some forty or fifty gone over. And so I ask that while we meet today to honor the memory of those who gave their lives in the last great war that we also include those who have paid the supreme sacrifice while performing their duties in this present conflict. Your wreaths which will be placed upon this cenotaph in memory of those who sleep 'in Flanders fields' will also remind us of the men whom the people of Canada must never forget—and whom the men to whose memory we are holding this service would never forgive us if we failed—those veterans who were returned disabled—those who were wounded, shell-shocked, gassed, from the last war. And so when purchasing wreaths or poppies from authorized members of the Legion or Ladies' Auxiliary, realize that you are helping to keep these men in gainful employment. Remember them also. And on this Remembrance Day remember our motto, 'They served till death—why not we?'"

In the Legion hall prayer and lesson were given by Archdeacon Woodall and Rev. J. A. Lytle; hymns, "Onward, Christian Soldiers," "Fight the Good Fight" and "Eternal Father Strong to Save" were sung (Vet. M. Smith accompanying at the piano), and Rev. J. A. Lytle in a short address spoke of the Cross and the Cenotaph, that the seeming waste of youth and life in a noble cause was paralleled by Christ's death upon the Cross—and that in the years of history yet to come their Record shall never perish and the Force of their Sacrifice never pass away. "These men whom we remember today have a definite kinship with Christ—a sacrifice for the world!"

Benediction was pronounced by Archdeacon Woodall.

Record Number of Calls for Firemen at South Porcupine

South Porcupine, Nov. 13—(Special to The Advance)—A record for the South Porcupine Fire Department in the matter of calls was that of Monday when six calls were made in twelve hours, three coming in almost simultaneously at 4 p.m. The high wind blowing at the time made quick response imperative. The first call was to 17 Commercial to a chimney and hot stove-pipe fire. Firemen Skinner, upon the icy roof, slid off a distance of fourteen feet, and required a doctor's attention. While the firemen were busy at this house the alarm went again.

The second truck made response to 4 Bruce Avenue (another chimney), and before the first fire was completely subdued, a third alarm for Crawford Street (chimney) was on the air. All three were put out in record time with little or no damage.

At 11 p.m. when the wind was once more blowing furiously the firemen were again called, this time to 5 Commercial—another chimney. No sooner was this menace quenched when they rushed to an alarm at Golden Avenue. They were enjoying a well-earned rest when before 6 next morning they were called again—this time to Strachan Ave.

It is a mark of efficiency to note that our brigade was able to cope successfully with these calls in rapid succession.

On a day such as Monday was, one of those fires—had it got out of hand—might have proved dangerous to the whole town with such a wind blowing.
