Canadian Dorothys
Oh, do not give to the Spitfire Fund, because your are filled with hate. But rather because you are full of love for an empire so truly great. Love of your King and his gracious Queen, love of their daughters fair, Love of the men who guard our shores, by land and sea and air. Love of the children who journey here, far from their native land, And love of the ones who stay at home, and make a noble stand. "Dorothy" means a "gift of God," so let the Spitfire be, A gift of God to the British Isles, that His chosen race may be free.

Friday evening found the people of Iroquois Falls and district enjoying themselves at the annual Abitibi Golf Club dance . . . present, too, were guests from neighbouring towns . . . Her many friends in this district will congratulate Miss Dorothy MacRae, of Gould, Quebec, formerly superintendent at the Iroquois Falls hospital, who has been appointed matron of the No. 1 Canadian General Hospital, C. A. S. F. in England . . . the new matron who is the cousin of Mr. Armine Wood of 256 Maple street south, Timmins will leave for England about two weeks before Christmas . . . best wishes.

Your column has news of another very active knitting club . . . it's the Gold Nugget Rebekah Lodge . . . one evening a week is contributed by these ambitious women to the knitting of fine articles for the soldiers, which are distributed through the fine services of the Salvation Army . . . each week, one member of the Lodge acts as hostess, and supplies delicious refreshments for the members upon the conclusion of their evening's work . . . each member contributes 10c at each meeting, and the money is used to purchase the wool, which in turn is used by the women in their knitting . . . to-morrow (Tuesday) evening, the club will

meet at the home of Mrs. Dean 79 Toke street . . . compliments to the Rebekahs on this extra activity . . . it is the combined work of all women in Canada that will help Britain to win this war . . . and YOU to retain your right to freedom.

King's Maple street south, this afternoon . . . well, there has been a change in the plans, and the members are advised that the club will hold this week's afternoon meeting at the home of Mrs. W. H. Sever, 153 Mountjoy St. south . . . any members who wish to take part in the work are asked to meet there on Thursday afternoon.

Introduced by the Mendelssohn Choir at a concert in aid of a fund to help Voluntary Registration of Canadian Women, a new patriotic song, "Forever England" written by two young Toronto people seems destined to become one of the outstanding music compositions of the present war . . . you've probably heard it on several Canadian programmes during the past week, and perhaps you've learned to hum it along with the entertainers.

Composers of "Forever England" are Miss R. Marguerite Penman, lyrics, and Rex La Lacheur, well known radio and concert baritone, melody . . . the song was a highlight of the first public-hall concert in over a year given by the Mendelssohn Choir under Dr. H. A. Fricker, and the Toronto Symphony Orchestra, under the direction of Sir Ernest MacMillan.

Use of Leisure Time Discussed at Y.P.U. at South Porcupine

Survey Made of Camp's Facilities for Using Leisure Time.

South Porcupine, Nov. 16th. Special to The Advance.

At the last meeting of the Y. P. U. of the United Church, Ken Davis, in the absence of Mr. J. Trueblood and Mr. Crawford Smythe (due to illness) presided.

The meeting opened with the singing of a hymn with Betty McIntosh at the piano. As three weeks had elapsed since the last regular meeting Miss Stitt read the minutes of the last meeting the Hallow'een Party and the District Rally in Timmins.

The congratulations of the South Porcupine Young People were extended to the Timmins United Church Young people for the fine way in which they conducted the Rally.

Arthur Moyle gave a brief resume of the news, commenting on the naval achievement by the British in the Mediterranean and Atlantic.

"How do you spend your leisure time?" was the subject of Ken Davis' programme.

Audrey Bennett read from Scripture a fitting and unique introduction which was well received and enjoyed by all.

In the form of a general survey of the Porcupine Camp and of our town in particular, Ken discussed openly with his audience the manner in which most of us spend our leisure, the facilities open to the young people in this town and the problems confronting them; and comparing the situation with towns in the South. This talk and discussion proved keenly interesting and inspiring.

Convenor for next week's meeting promises a surprise, so a full attendance is merited.

Three Charged Following Week-end Police Liquor Raids

Two on Ronald Street Alleged to Have Been Entertaining More Than Twenty When Police Called.

As the result of week-end liquor raids Provincial Police laid two charges of keeping for sale and Timmins police laid one of having liquor in a prohibited place.

Charged by Provincials following a raid on number 8 Ronald Street, Mountjoy Township, early on Sunday morning were Napoleon Migneault, 49, and Jean Paul Timm, 21. The men were brought in and placed under arrest at 5.30 a. m. on Sunday morning.

Police will allege when they testify in police court before Magistrate Atkinson on Tuesday that they found more than twenty persons in the place drinking when they raided. They will say also that although a small amount of beer was found on the premises there was a great number of empty bottles.

Joseph Clouthier, 21 Hollinger Ave., was charged by Timmins police with having liquor in a place declared public by the court.

Local police said today that they found two bottles of liquor in Clouthier's residence when they raided yesterday. Clouthier's place, they said, was declared to be a "public place" following his conviction for keeping liquor for sale on July 30. At that time the accused man was sentenced to three months in jail and his liquor privileges cancelled.

Dome Public School Holds Open House in Education Week

Interesting Programme in Various Classes.

South Porcupine, Nov. 16th. Special to The Advance.

Education Week was noted at the Dome Public School by a special invitation to parents and friends to attend on Friday afternoon and look over the school, the pupils' work and make the acquaintance of the teachers.

The Dome School, like S. Porcupine School, is friendly and homelike, and the invitation was accepted by nearly every parent at the Dome and Dome Extension.

They were received by Miss Lynch and her staff of teachers and made most welcome.

One point noted by all was the patriotism displayed everywhere in posters and placards made by the pupils.

On a bulletin board we noted that on Monday morning over \$18 had been handed in by the Dome children for war saving stamps. These stamps are bought by the school and children encouraged to save. Each Monday owners of books have the privilege of putting in their stamps. We were told that this sum is about the average sum turned in weekly.

Miss I. Smith's kindergarten pupils were having a lovely time "acting" a little story for the benefit of their proud parents, and Miss Dean's room was the centre of another group who were amusedly and interestedly seeing the story of Snow White put on by the pupils. Costumes, singing, and the children's delight in their own performance marked the little play with importance. Little Magdalen Smith made a charming heroine and the curtain-raiser were by no means the least important personages in the play!

Laughter from Miss Lynch's room proved that the reading of the personal jokes in the school paper were meeting with the approval they deserved. Murals in this room, too, were wonderfully well done.

Some excellent specimens of needle and wood craft were on exhibition, and gained her share of admiration. Miss Hammond and Mr. McDermil had their share in the teaching of this.

The final event of the interesting afternoon was a Scottish programme put on by the senior pupils.

A little sketch of the life of Sir Walter Scott was given by Mildred Mitchell and Beulah Lang gave a life of Robert Burns.

Some really sweet singing—"Flow, gently Sweet Afton," and "Bonnie Dundee," followed and two boys Jack Phillips and Jim Macdonald, gave some really good violin playing of old Scottish melodies—"Auld Lang Syne" "Comin' thro' the Rye," finishing with "Wish Me Luck" and "There'll Always be an England."

Six little lassies in Scottish plaid kilts did an excellent Highland Fling; Phyllis Letterman Mona Richardson, June Allan, Virginia James, Doris Mitchell and Pauline Burke.

To the piano accompaniment of little Clara Campagnola, who played remarkably well, six smaller girls gave a

Highland Schottische, also well done, and which met with popular approval: Mary Letterman, Mary Kemsley, Mary Countryman, Barbara Raymer, Beulah Lang and Doris Kellow. Later tea was served, Mrs. Letterman and Mrs. G. Starling pouring from a daintily set flower-decked table, and the older girls assisting in serving. Altogether an interesting and entertaining afternoon which parents and pupils (and we) thoroughly enjoyed.

HAVE you ever thought of your bank as a citizen, taxpayer, employer and consumer? Your bank strives to be a good citizen — to render a useful service for a moderate remuneration. **AS A TAXPAYER**, your bank pays heavy sums to your community, your province and the Dominion — Canada's chartered banks paid over \$9,000,000 last year alone; \$42,000,000 in the last five years. **AS AN EMPLOYER** your bank and other chartered banks in Canada furnish employment to thousands of persons who are an asset of real value to the Community and to the Dominion. The banks paid last year over \$35,000,000 in wages — in the last five years, \$174,000,000 — a direct distribution of buying power all over Canada. The value of the services rendered by our men and women workers cannot be appraised in dollars. Their efficiency, courtesy and integrity are largely responsible for the goodwill and pleasant relations between Canada's chartered banks and the people they serve. **AS A CONSUMER** the bank is a customer of your utilities — water, light, power; it pays rent, buys fuel, office equipment, telephone and telegraph services, everything needed in modern business.

[In war, as in peace, Canada's Chartered Banks maintain, uninterrupted, their useful services — safeguarding depositors' funds; facilitating the nation's business — looking forward to peace with freedom as the only sure basis of enduring prosperity.]
