After a few songs, under the direction of Mr. Young, the assembly closed with "O Canada."

## SENIOR ASSEMBLY

Senior Assembly opened as usual with the Scripture reading followed by the Lord's Prayer. After the singing of the National Anthem, Irene Feneau gave a news report on the present situation of Greece. Following this talk, Lucette Hansen delighted us with a vocal solo, the title being "The Lass With the Delicate Air." The student body showed its appreciation by its hearty applause. Then Mr. Murray gave his weekly talk with regard to the various school problems. For the remainder of the period we took part in community singing. We sang "Wish Me Luck," "The Singing Hill" and "O Canada." To the tune of "True Pals" we marched back to our classrooms.

## SOCIAL ACTIVITIES

The third form party on Saturday night was a great success. Among those present besides third formers and teachers were the Junior Rugby players who had been invited by the committee. One of the teachers started "the ball rolling" with a Paul Jones. A girls' tag dance was the "hit" of the evening. During the night a spot dance was held, and Bertha Sheridan and Jim Forrester, who were on the spot when the music stopped, received a prize. In order to get this prize they had to give an exhibition dance on the stage.

After the lunch which was served about half time, the dancing continued. For one of these dances, the boys drew girls' names and had to dance with the girls whose names they had drawn. The party ended about eleven o'clock. Last Saturday evening, after the volley ball tournament, a dance was held in the Schumacher High School auditorium. The music was supplied by the Swingerovians, had everyone "Truckin' On Down" Very few girls were present, but those who were there were greatly in demand. Among the students presents were our top-notch volley ball players.

The library tea, held in the school library last Saturday afternoon, was very successful. Many guests were present and were interested in being conducted on a tour of the new wing of the school. Much to the approval of the guests, a very pleasing programme was presented by the following students: Jenn Gordon, May Wong, Lucette Hansen, Joyce Lalonde, Claire Vachon, and Theresa Sauve. During the afternoon Miss Carthy introduced the officers of the library club and said a few words about the library. She expressed her appreciation of the interest taken by the Board of Education in building up a valuable library, and in equipping and furnishing a beautiful room.

## INCIDENTALS

Incidentally, dear readers, it is once more time to take a peek through the keyhole of T. H. & V.; and the first glimpse we have is of a pupil with a painful look on her face, rubbing her ears tenderly. It appears that the weatherman pulled another of his proverbial tricks, to the distress of this poor damsel. Not waiting to look at the thermometer before leaving for

After this ceremony the Guides repeated the promise and the Guide Prayer.

To purchase cigarettes for the soldiers with the forces in Canada, the Sweet Caporals Club entertained on Wednesday evening at a whist drive at the home of Mrs. O. McCann, 39 Laurier avenue. Four tables of whist were played, and a delightful social time spent by those who attended.

Winners were as follows: 1st, Mrs. Cooke; 2nd, Mrs. Patterson; 3rd, Mrs. Adams; and consolation, Mrs. Hall on a cut from Mrs. McCann. Mrs. Wharton won the prize for remaining at one table for the longest period of time.

Following the cards, the hostess served a delicious lunch, and it was announced that the next weekly meeting of the club will take place at the home of Mrs. Owen Sleep 18 Strong avenue, South Porcupine.

school, she had hastened off with only nannies' covering on her head and had arrived at school, certain that the temperature had dropped to 40 degrees below zero.

Knowing that the "Bogged Professor of Experience" had once more succeeded in teaching his daily lesson, we moved on to where a group of girls were discussing the coming of Christmas examinations. Each was predicting that these exams would test her ability to the limit. "Cheer up, girls, every cloud has a silver lining! But this does not necessarily mean exams."

Every one is looking forward to the second of the inter-scholastic debates. This debate is between Timmins and Schumacher High Schools and is taking place on Friday afternoon, November 29th. In Schumacher upholding the affirmative for Timmins will be Irene O'Grady and Anita Somi, while in Timmins, Jorma Kallikowski and Donald Wallingford will take the negative. The topic "That only scholars of exceptional ability should be allowed the privilege of a higher education," provides a wide scope for argument.

So come one and come all, dear friends and judge for yourself, if you should qualify for higher education.

## W. J. McCoy Bereaved by the Death of His Brother

Mr. W. J. McCoy received the sad news of the death of his brother, Mr. Fred McCoy who passed away at his home in Labanon, Indiana, on Friday, Nov. 22nd, in his fiftieth year. The late Mr. Fred McCoy was known to many in the North and his death will be deeply regretted by all who knew him. In the very early days of the North he travelled to Cobalt and Haileybury as representative of the Toronto Lithographing Co. Some ten years ago the late Mr. McCoy visited his brother, W. J. McCoy and during his stay in town he paid a visit to the Advance office where several pleasant hours were spent as he was intensely interested in the printing business and had a very complete knowledge of it. The late Mr. McCoy had spent his whole adult life as a printer and in allied lines. At the time of his death he was connected with a large printing and business concern. He is survived by his widow.

## 3 MONTHS ON BISCUITS AND MILK

Woman's Digestive Troubles  
Everyone who is subject to any form of indigestion should know of this woman's experiences. Advice from one who has had such severe attacks is advice worth having. She writes:—  
"I suffered from indigestion, gas, and constipation, and was so very ill, I had (on medical advice) to live on soda biscuits and milk for three months. Well, a friend advised me to take Kruschen, and now I am pleased to say I am greatly improved. I can eat and enjoy a good meal without any painful after-effects, my skin is clearer—in fact, quite clear—and there is no sign of constipation. I would advise anyone suffering the same to take Kruschen."

(Mrs. M. R. L.)  
The immediate effect of the several salts in Kruschen is to stimulate your liver and kidneys to normal action and help to free your system of poisonous waste matter. Soon after you start on Kruschen you will find that you are able to enjoy your food without distressing after-effects.
