At the ten minute mark Beare stopped one right on the line that started quite an argument. It wasn't till the eighteen minute mark that Dome were able to score in a ganging attack Doran passed from the corner to Harris who was behind the net. Harris slapped it at the goal and it bounced in off Beare's skate This goal seemed to pep up the Doma team and they turned on a relentless attack that kept Bears warm. They pressed until the end of the period without any results on the score sheet.

The second period started slow and it wasn't till eight minutes had gone that Harris scored on Doran's pass at the defence. Al Huggins got a penalty for tripping Murphy and the Macs went to Brownles but were turned back without a count. Near the end of the period Frank Hugghs was chased for a cross-check and McIntyre again went on the offensive. With fifty seconds of the period left Teady Lister banged in Holouka's short pass to bring the Macs within one goal.

Shortly after the last period started Beare stopped a hot one with his chin and was taken of for repairs. It required three stitches to close up the cut. The game kad only got started again when Harris was chased for tripping and the Macs came in again, with all the Mac team inside the Dome defince zone Drummond picked Lorraine's pass and dented the twine behind Brownlee to knot the count,

While Harris was still off "Red" Doran shot the puck up the ice to clear and seeing nobody back at the Mac Line he streaked after it. It was a race between him and Murphy and he won. He circled around the net and pulled it in lovely goal and i sent the Dome into the lead agair. At the eleven minute mark the red light flashed behind the Dome goal after Lister had taken a shot but the referee didn't allow That seemed to nake the Macmen furious because ifter that they kept up a relentless a tack on the Dome goal. that eventually resulted in the two goals. From the way they were travelling and the number of scoring chances they had missed, it appeared that the Ankerite crew had hit their stride and were on the way for more goals. Hollinger however cracked in two quick counters and it then appeared as if they might coast through to a win. Just after the sixteen minute mark however.
