

Dome Suffers Fourth Straight Loss 4 - 3

Goal By Alex Stewart Gives Hollinger Hard-Earned Win In Close Battle Last Night

Winners Overcome Two-Goal Lead Built Up By Porkies in First Period of Rousing Contest. Both Goalies Turn in Smart Performances in Display of Wide Open Hockey at South Porcupine Arena.

Trailing by two goals at the end of the first period, Hollinger Greenshirts put on a roaring attack to tie the score at the end of the second and win out 4-3 over Dome Porkies in a regular Mines League game at South Porcupine arena last night. It was the fourth straight defeat for the faltering Dome crew and a notable history for Hollinger, who seem to be improving rapidly under the guidance of Rene Lortie. As a result of the victory, Hollinger again move into a tie with McIntyre for third place. The two teams met on Friday night at McIntyre arena and the verdict will be decided who will take over the third and second positions in the league standings.

It was a scintillating goal by Alex Stewart on a pass from Mike Horbel with less than three minutes to go that clinched the game for Hollinger. This game Stewart is playing heads-up hockey and is one of the most dangerous men in the league around the nets. In addition to his goal he also came through with an assist on the first Holly tally in the second period.

Manager Rene Lortie of the Greenshirts played a strong game throughout the entire night and chalked up two nice goals that went a long way to turning the tide of victory.

Eric Patzer was in goal for Hollinger and the former South Porcupine monarch turned in a sparkling effort. On at least four occasions he robbed Dome forwards of sure goals with perfect blocking. The two counters that beat him in the first period were the result of loose play around the nets in front of him. Brownlee in the Dome citadel stopped many a hard drive and the goals that went past him were all labelled.

The whole game was a speed contest and right from the first whistle the play roared from end to end and both goalies had to do the splits on several occasions. Finally just after the six minute mark, Harris opened the scoring for Dome when he took a pass in the clear from Bruce in front of the Hollinger goal. About half way through Frank Huggins picked the off corner on a pass from Maki to put the Dome two goals up.

With a two goal lead it looked as if Dome had shaken the jinx that had followed them for the past three games but the second period was only seven-teen seconds old when from a face-off in the Dome end of the rink, Mike Horbel batted in a pass from Alex Stewart to start Hollinger down the victory path. Dome fought back furiously and only stellar goaltending by Patzer kept them from scoring at least two. On one occasion Pirie, Dome defenceman, was right in on top of the goal and Patzer smothered his shot. Les Nevins was in a few minutes later on a pass from Maki that was made to order but again Patzer was a stone wall. Late in the period Doran was given a penalty for dumping "Red" McArthur and before he got back Harris was given a penalty, leaving Dome two men short for a brief time. Before Doran returned to bolster the Dome defence, Rene Lortie tied the score for Hollinger in a gangling attack on a pass from W. Wilson.

At exactly the three-minute mark in the first period, Lortie sent Hollinger into the lead for the first time, sinking a pass from Palmateer. The latter made a smart rush and despite the fact that he was nearly clawed down as he went through the defence, the pass to Lortie couldn't have been improved on. That one-goal lead didn't look like much of a margin the way the two teams were continuously putting on power attacks but both goalies rose to the heights to turn everything aside. The checking was close and hard and both defences handed out solid body-checks to incoming forwards. Finally at the peak of a swarming attack, "Red" Doran put the Dome right back into the fight on even terms when he laid over a pass to Harris that the latter made no mistake on.

The climax came with less than three minutes to go when Stewart and Horbel broke at top speed. Horbel fed the puck to Stewart and the latter, drawing Brownlee to one side, slipped over in front of the goal and flipped the puck into the open side of the net. It was one of the nicest goals of the season. Dome gave everything they had to score the tying goal but the Greenshirts hung on until the final gong was sounded.

See Fast Hockey Junior "B" League Operating Here

Teams From Hollinger, McIntyre, South Porcupine and Iroquois Falls.

The four-team Junior "B" hockey loop operating in this district is producing a fast brand of hockey and a banner year is being looked forward to by the executive. Clubs from South Porcupine, Hollinger, McIntyre and Iroquois Falls are operating in the loop and a double schedule is being played between the four teams as a league and a single schedule for the three Porcupine teams only. As a result all games against Iroquois Falls will count three points and other games two. Games scheduled at McIntyre and South Porcupine arenas will start sharp at seven o'clock in the evening unless otherwise arranged. The following is the balance of the schedule yet to be played:—

Thursday, Jan. 9—Iroquois Falls at Hollinger.

Friday, Jan. 10—McIntyre at South Porcupine.

Saturday, Jan. 11—South Porcupine at McIntyre.

Saturday, Jan. 11—Hollinger at Iroquois Falls.

Wednesday, Jan. 15—McIntyre at Hollinger.

Wednesday, Jan. 15—South Porcupine at Iroquois Falls.

Thursday, Jan. 16—Hollinger at McIntyre.

Saturday, Jan. 18—Iroquois Falls at South Porcupine.

Wednesday, Jan. 22—Iroquois Falls at McIntyre.

Thursday, Jan. 23—McIntyre at Hollinger.

Friday, Jan. 24—Hollinger at South Porcupine.

Saturday, Jan. 25—McIntyre at Iroquois Falls.

Wednesday, Jan. 29—Iroquois Falls at Hollinger.

Thursday, Jan. 30—South Porcupine at Hollinger.

Friday, Jan. 31—McIntyre at South Porcupine.

Ontario Badminton Tournament to be Held at Toronto on Feb. 13

Proceeds to Go to War Services.

The Ontario Badminton Tournament will be held this year at the Granite Club, Toronto, on Feb. 13th, 14th and 15th. And the tournament will be on a special basis for 50 per cent of the net proceeds is to be donated to the Sports Service League as part of the war effort of organized badminton in the province.

The provincial titles and trophies will be at stake as usual and as in previous years, only members of clubs affiliated with the Ontario Badminton Association will be permitted to enter. But two special exceptions are being made this year as juniors will be able to play in the junior events, although not members of a club, and men on active service in His Majesty's Forces, stationed in Ontario may enter, though not members of a club. Of course the tournament is open only to amateur players.

All the usual events will be played including men's and ladies' singles; men's, ladies' and mixed doubles; senior men's doubles, junior boys' and girls' singles and consolation in the usual events. And most of the outstanding players of the province have already announced that they will enter the tournament. It is expected interest will be very keen, as it will probably be the only major badminton tournament to be held in the city this season.

Information concerning the tournament may be obtained from Mr. A. L. Richardson, chairman of the tournament committee, at the Granite Club or from Staff Beck, 17 Chestnut street, Toronto, honorary secretary-treasurer of the Ontario Badminton Association. Entries for the tournament close at noon on Saturday, Feb. 8th.

Former Kirkland Lake Ski Instructor Honoured

Kirkland Lake, Jan. 8—Flying officer Peter Loughnan, former ski instructor at the Kirkland Lake Ski Club, has been named as one of the three Canadians now serving with the Fighter Command of the Royal Air Force to receive the Distinguished Flying Cross for heroic air fighting.

Loughnan who was well remembered here as one of the best skiers in Northern Ontario and also as an official of the local club, left Kirkland Lake a year ago to join the Royal Canadian Air Force. Recently at the theatre in Kirkland Lake he was spotted in news reel shots of R. C. A. F. activity in Britain.

Originally an Ottawa boy Loughnan is one of the flying officers who assisted in bagging more than 70 German raiders over England in the last few weeks. He went over with the No. 1 Royal Canadian Air Force Squadron and with seven other Canadians was drafted to the Fighter Command of the Royal Air Force.

Loughnan with flying officer Morrison of Regina and Brown of Regina compose the trio of Canadian flyers to receive the D.F.C. for effective work in the air against the enemy.

Dr. Manion Sponsoring Move by Irish-Canadians

Ottawa, Jan. 8—A movement to tell the government of Eire that Irish-Canadians are solidly behind Great Britain in the war against the European dictators is being sponsored by Hon. E. J. Manion, former leader of the National Conservative party.

Dr. Manion who receives a wide response to a number of letters on the subject of the attitude of Eire to the war which were published in various Canadian and American newspapers told The Canadian Press Monday he hopes a meeting or representative Irish Catholic Canadians will shortly be held in Ottawa.

Object of the meeting would be to send a cable to the De Valera government. Such a meeting in the national capital, he thought might be followed by other similar meetings in other parts of Canada which could endorse the views expressed by the Ottawa group.

"My feeling is that this war is as much Eire's war as it is ours," said Dr. Manion in an interview. "If Britain is defeated Eire will be treated as other countries were which tried to remain neutral. Belgium, Holland, Norway, Denmark, because this man Hitler is an international criminal who cares for none of the decencies of Christianity or democracy, whether in his actions towards people in his own land or in his dealings with leaders in other nations."

Collingwood Enterprise:—Buljetin: Simcoe's county town, Barrie, is getting along to the city class. The latest return of its population is 59,211. But after all, a town purse may have advantages over a city pocketbook.

WILL BE IN ACTION TO-MORROW NIGHT

The above group shows one of McIntyre's fast travelling forward lines that will see action tomorrow night in an important battle against Hollinger Greenshirts. The two teams are now tied for third place but with Dome only one point ahead, the winner of the game will go into second place. From LEFT to RIGHT they are, Yvonne Lorraine, right wing, Ken Murphy, centre and Ted Lister, left wing.

Woman Mayor, Webbwood Returned for Sixth Term

Mayor Barbara Hanley was re-elected mayor of Webbwood on Monday, with a majority of 37. She received 87 votes, as against 50 for her opponent for the mayoralty. The contest was especially interesting because of the fact that her opponent was another woman, Mrs. Walter Blue. This will be Mrs. Hanley's sixth term as mayor, and there is general admission that she has filled the position with dignity and efficiency. Webbwood is a small town about 80 miles west of Sudbury.

Junior "B" Loop Produces Tie For Group Leadership

McIntyre won a hard-fought N. O. H. A. Junior "B" game at McIntyre arena last night when they edged out the fast South Porcupine entry by a score of 1-0.

The only goal of the game came in the first period at the 17:40 mark when Guidolin scored on a pass from Cecchini and Orlando. The win gives McIntyre a tie for first place with the South End crew. The league standing is as follows:—

Says Germany Will Declare War on U.S. in a Month

New York, Jan. 8—A noted American surgeon says that if the German plight becomes desperate, they will use disease and gas bombs.

That's the opinion of Dr. Charles F. Beve, who for 20 years was chief surgeon at the American hospital in Paris. Beve says the disease bombs carry dormant germs, which become active after four or five hours in the sun.

Beve says he thinks Germany will declare war upon the United States within a month. Meanwhile, he is trying to arouse interest in a plan for underground hospitals.

Expect Large Attendance At Northern Ski School To Be Held In Kirkland

A Ski School for the Gold Belt District of Northern Ontario is to be held in Kirkland Lake on January 18 and 19. Similar schools have been held for the past several years and have been so successful that the Northern section of the Ontario Ski Zone Committee have decided to continue them. Every club in the T. & N. O. region is invited to send delegates to the school. It is pointed out that it is not essential that those chosen be expert skiers but rather that they are willing to return to their club to impart their new-found knowledge to the rank and file.

A nominal fee of \$1.00 will be charged to those taking the course, the proceeds to be used to defray the expense of qualified instructors who will conduct the school. This year the Kirkland Lake school will be under the

Paymaster Wins Opening Contest Basketball Loop

Basket in Last Few Seconds by Durbin Defeats McIntyre by 32-31 Score.

In a thrilling battle that was not decided until the dying seconds, Paymaster defeated McIntyre 32-31 in the opening game of the Senior Basketball League at McIntyre arena last night. Only forty-five seconds remained when Lou Durbin dropped a neat basket to snatch a last minute victory for the Paymaster team. It was a see-saw battle all the way and at half time McIntyre were leading 15-13. Hyeski, of Paymaster, was the high scorer of the night with 12 points and right behind him was Art Harvey, of McIntyre, with twelve.

McIntyre won a hard-fought N. O. H. A. Junior "B" game at McIntyre arena last night when they edged out the fast South Porcupine entry by a score of 1-0.

Dome Routed By Ankerite Consolidating Position Of Bisons In First Place

Porkies Drop Third Straight Game to Ankerite Team 7-3. Penalties Play Big Part in Scoring. Major Penalty to Frank Huggins Costly. Hughie Allan Gets Three Goals and an Assist.

Buffalo-Ankerite consolidated their ascendancy to the top rung in the Porcupine Mines League race on Monday night when they cut down the fast Dome Porkies with a withering assault that saw the blue-clad Bisons emerge with the comfortable end of a 7-3 score. A large crowd witnessed the battle, with the Ankerite appearing to have the balance of power from the standpoint of supporters.

It was Dome's third straight loss in as many starts and the Porkies, after burning up the league in early games, have really hit the skids. Their passes lack the precision of other years and up against close-checking opposition, their effectiveness seems to have been considerably reduced. On the other hand, the other three teams in the league have shown marked improvement of late and the final honours are far from decided. Dome of course will likely snap out of their slump and they can be counted on as stiff opposition before the spoils are divided.

Hughie Allan, starry wingman from the Ankerite, despite the handicap of wearing glasses, performed the hat trick, scoring three goals and getting an assist on another. This rangy Bison speed artist is improving every time out and is deadly around the nets.

The first period of Monday's battle was rather listless, Allan scoring the only goal for Ankerite, unassisted, shortly after the three minute mark. Lever was penalized about half way through and Dome gave Bentley a busy couple of minutes. The hawk-eyed Bison net guardian kicked them out from all angles and turned back every attack.

With less than five minutes gone in the second, Les Nevins tied up the score. Messett of the Ankerite was serving a penalty at the time. It was a nice effort by Nevins as he came in alone, circled the net and slipped out in front to bang the rubber past Bentley. Pirie of the Dome was penalized and the Bisons swept in from all angles. Finally Herbie Carnegie took a pass from Ossie Carnegie and Hepworth to beat Brownlee and send the Ankerite into the lead. Pirie was just returning to the ice when Messett, of the Ankerite and Frank Huggins got into a fist-throwing, stick-wielding altercation and both were chased. Messett getting a two-minute minor and Huggins a ten-minute major. Both clubs were playing five men a side when Hughie Allan hung up his second goal of the night on a nice pass from Mansfield, putting Ankerite two up.

When the third period started, Huggins still had about seven minutes of his penalty to serve. Before he returned to the fray, Ankerite scored twice, Herb Carnegie and Allan being the marksmen. The two teams came back to full strength and Patton of the Ankerite was given the gate. Despite the advantage of one man Dome couldn't break through the stout Ankerite defence and then suddenly Hepworth broke away by himself to hang up an unassisted goal. Faint Dome hopes revived when Kosick scored for the Porkies on a combined effort with Bruce and Doran. Things looked even

brighter when with Hawkey serving a penalty, Bill Maki scored for the South End crew. At this point however there was less than three minutes left to play and with only a matter of seconds left Hepworth scored his second goal of the night to lengthen the Ankerite lead into a rout.

Seek Instructors Vocational Work Boys' "K" Club

Officers of the local Kiwanis Club are making an appeal for volunteer instructors for the newly-formed Boys' "K"-Club, the headquarters of which is in the former Finn Hall, at 550 Fourth Avenue.

The club membership now number 141 comprised of fatherless boys or boys whose fathers are serving with the Active Service Forces overseas.

Among the instructors the club hopes to secure are men qualified to teach handicrafts, carpentry, model airplane building, radio, photography, boxing, wrestling, physical training and other vocational subjects. Any person desirous of assisting the club in this work is asked to get in touch with Percy Molesley at the Molesley & Ball drug store, Third avenue.

The club has now commenced to operate and the Kiwanis are supplying heat and light. It is hoped to partly equip the building for club purposes with a portion of the proceeds earned by the boys in the monster salvage campaign that is now in progress.

As the club progresses in the way of equipment the organization will resolve itself into a community centre. The Kiwanis club are putting their full support into the project, which in the future will no doubt produce worthwhile dividends in the way of developing young boys in channels that will be useful in later life.
