

SIX RINKS UNDEFEATED IN MONSTER T. & N. O. BONSPIEL

Stirring Battle Forseen In Lee and Power Trophies As Strong Teams Win Out

Finals Will Likely be Played Late Friday or Early Saturday. Facilities at Dome Curling Club Being Used in an Effort to Speed up Play. Other Competitions Progressing.

Six rinks remain undefeated today in the big T. & N. O. Bonspiel which has made the McIntyre Community Building a hive of activity all week.

Three McIntyre rinks, skipped by A. P. McDowell, I. A. Solomon and J. W. Toole, have been returned winners every time out, along with D. Best, of Kirkland Lake, L. White of New Liskeard and W. R. Rinn of Timmins. All six clubs are battling it out for the George W. Lee and Power trophies. The third round of the Lee and Power events are just about complete. Play is into the second round in the Hill-Clark-Francis and the Purity Flour events. The Scotch Antheaite competition got under way this morning.

Among the undefeated rinks, the W. R. Rinn and A. P. McDowell quartettes, enjoy a technical lead over the four in the charmed circle, having drawn preliminary games in both the George W. Lee and Northern Power events. The other four rinks have only four wins, having been picked to play in only one preliminary.

No definite time could be set today for the finals but it is possible that they may go on late Friday night or early Saturday morning. In an effort to speed up the bonspiel, the facilities of the Dome Curling Club were obtained and the four sheets of ice there went into use this morning.

SWEEP - - SWEEP - - SWEEP

Oblivious to the cameraman, this pair of curlers were snatched during the T. & N. O. Bonspiel at the McIntyre Community Building. Like hundreds of others taking part, they really don't fool when it comes to sweeping a slow one over the hog line.

Last-Period Rally Brings Victory to Hollinger Team Over Stumbling Porkies 3-2

Greenshirts Score Three Goals in Last Period in Less than Two Minutes to Overcome Dome Lead. "Red" McArthur Notches Winning Tally to Highlight Brilliant Hollinger Recovery.

It took Hollinger Greenshirts just under a minute and a half in the third period of last night's Senior N. O. "Wink" Wilson. Just sixty-two seconds H. A. game to shade the stumbling Dome Porkies 3-2. Dome accumulated a two goal lead in the first period and held on through a scoreless second session with what looked like the winning margin. The Hollinger however, were apparently saving their "high-grade" for a sudden blast and with eleven and a half minutes nearly gone in the last frame, rapped home three quick goals that left the Dome beaten, bewildered and thoroughly established in the doormat position in the group standings. Hollinger are now a full three points ahead of Dome.

Carlo Catarello scored the first Dome goal at the two-minute mark in the first period. He backhanded a shot that never left the ice and caught Bentley napping. "Bummer" Doran was serving a penalty when Al Huggins clicked for the second Dome tally near the twelve minute point on a pass from Les Nevins. The score was the result of a power-house drive by the Porkies with a one-man show in himself. Rene Lortie started the Hollinger drive when he scored after a face-off in Dome territory on a pass from Gordon. Seventeen seconds later Gordon tied the score on a gangling attack with "Wink" Wilson. Just sixty-two seconds H. A. game to shade the stumbling Dome Porkies 3-2.
