those concerned, this expression of my sincere thanks and appreciation of the generous and sympathetic spirit which has evidenced itself in this splendid gift to my fund. We here in England appreciate most warmly all the help we receive from the Dominions and Colonies. It means a great deal to us at the present time, when we feel that behind us stand the serried ranks of those of our fellow-countrymen 'out there' who are with us in the struggle. The citizens of your town, who have helped to raise this sum of money have provided further evidence of that loyalty which we know so well exists today in your great country.

Yours truly
G. Wilkinson,
Lord Mayor

Zone Meeting of Lions Clubs Will Be Held on Sunday

Postponed from last week owing to the impassable condition of roads throughout the district, the third quarterly zone meeting of Lions Clubs will be held at McIntyre Community Building on Sunday afternoon at 2 p.m. Clubs from Duparquet, Noranda, Kirkland Lake, Schumacher and Timmins will be represented. The speaker for the occasion will be Ellsworth Whelan, of Sault Ste. Marie.

At last Thursday's meeting, Gordon Cummings, general manager of the Monarch Life Insurance Company at Winnipeg, was the speaker of the day. He dealt with the recent Sirols report, expressed himself as strongly in favour of its adoption and charged that the Ontario government's advertisements, "Here Are The Facts," were a distortion of the recommendations of the committee.

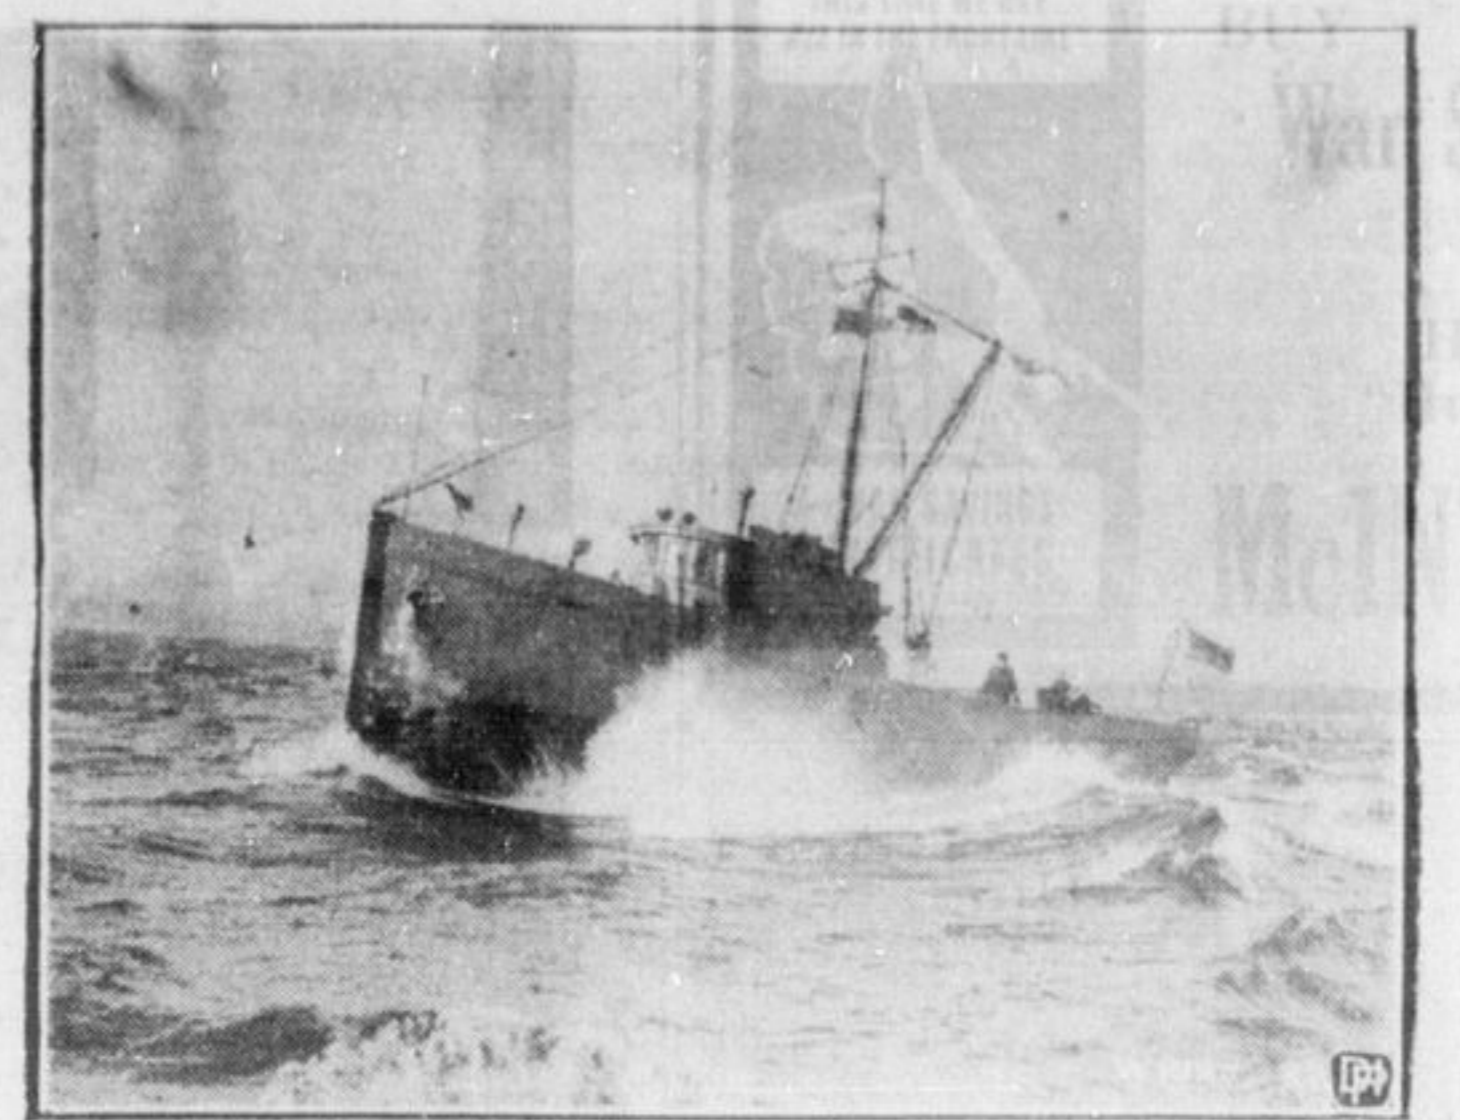

During his remarks Mr. Cummings urged all his listeners to forget that they are from Ontario, British Columbia, Prince Edward Island or anywhere else and consider the benefits that the adoption of the report would mean to the whole country.

Guests at the meeting included Al Falce and Mike Wernick, North Bay, and Gordon Buchanan, Wingham. Chairman Alex Allen presided.

Buying War Savings Certificates

Your pennies, your quarters, your dollars are needed in this war as much as the men at the front.

THEY are pledging their lives . . . will you not pledge your dollars?

THEIR lives may depend upon the planes, the bombs, the guns, the ships YOU help to supply.

Will you refuse to back them up?

VICTORY will come sooner if you save and lend to the limit. Will you shirk YOUR part in shortening the war and hastening Victory?

YOUR dollars will come marching home when Victory is won, to bring security after the war.
