

Archbishop of Moosonee Guest Speaker at South Porcupine Kiwanis Club

Gives Interesting Address on Kiwanis Club Principles. Impressive Story of the Career of Most Rev. J. G. Anderson, Archbishop of Moosonee, Given in Club Bulletin. Other News from South Porcupine and Dome.

South Porcupine, Feb. 22—(Special to The Advance)—The Most Rev. J. G. Anderson, B.A., D.D., LL.D., Archbishop of Moosonee was guest speaker at the Kiwanis dinner on Thursday. The "Weekly Tallings", leaflet sent each week to members of the South Porcupine Club, pays the following tribute to his lordship—"His Grace may be truly termed a Frontiersman of the Empire. Born at one of the outposts of Britain, the Orkney Islands, seems to have been prophetic of his mission in life. For over thirty years he has been the Chief Factor of the Diocese of Moosonee. His diocese extends north to Pond Inlet, Baffin Island, and south to the height of land to the south of the Porcupine... and including in its breadth Chapeau and Geraldton. Before the days of aeroplanes his missionary journeys took months. No man knows the Indian better than the Archbishop who has a complete knowledge of their language and has contributed many translations of books of devotion for the aborigines of his diocese. It was fitting that such a gentleman be accorded the honour of election as Metropolitan of Ontario for his devotion to the work of Christ in the outposts of the Empire."

The Archbishop, instead of giving his Indian experiences, told the Kiwanians quite a lot about the Kiwanis movement which some did not know. He told them (with a smile) that in 1924 he was asked to speak at a Kiwanis Club gathering, and, knowing nothing of the movement got busy with an encyclopedia and "read up" on it. His memory proving faithful through the years, he was able to repeat for the benefit of the South Porcupine Club some of the facts he learned nearly twenty years ago. He proved an interesting and entertaining speaker.

Familiar Landmark at South Porcupine Torn Down and Moved

South Porcupine, Feb. 22—(Special to The Advance)—A familiar landmark of South Porcupine is no more. A huge gap between Fairhurst's Bakery and the Dominion store is the spot where once the building which bore the title "Municipality of Township of Tisdale," stood.

It could not be moved in its entirety but, was taken apart piece by piece. A new structure is to rise in its place which will be handsomer and more representative of the new South Porcupine; but pioneers of the town see another link with the past gone into the discard, with the building—the arena which saw factions rise and fall and was the setting for many a battle of wits—the office of the Builders of the Porcupine.

Familiar names were linked with that building, and which will never be totally effaced—such names as Gallagher and Kennedy, and a dozen others, who in their turn, and of their times, contributed something, out of which has arisen the Tisdale of today.

Pioneers all—some good, some not so good, some worthy citizens, few wholly unworthy—they may be gone, as the building is gone, but they have left their mark on the town of today.

Buffalo-Ankerite Club Plans Unique Rummage Sale

With General Co-operation This May Prove Big Event

South Porcupine, Feb. 22—(Special to The Advance)—Spring cleaning may be a distant vision, but all housewives at this time of the year feel an urge to eliminate the superfluous household impedimenta which gathers during the winter months.

The Home and School Club of the Buffalo Ankerite has had a brilliant idea and is putting it into practice. A committee is gathering up such articles as you housewives want to throw out—the out moded clothing, partly worn shoes, superfluous pots and pans and bric a brac, magazines and books, to say nothing of the hats you never will wear again, and this club is planning a huge rummage sale to be held in the Oddfellows hall, Timmins, on March 20th. The money thus acquired will be used to buy layettes—baby clothes—to be sent as a special contribution from the H. and S. Club to the babies of the bombed victims of England.

A nice sum has been raised already, for as the articles come in to the Buffalo Ankerite depositing station, a good many are bought up quickly by the residents of this small community, who may not be able to get into Timmins for the sale.

All South Porcupine housewives who have any bundles to contribute towards this most worthy end, will have the articles called for if they will get in touch with Mrs. Altherr or Mrs. Vary of the Buffalo Ankerite or phone 34, South Porcupine.

Red Cross Work in January at the Buffalo Ankerite

Buffalo Ankerite, Feb. 19—The Buffalo Ankerite group of the Red Cross makes the following report for the month of January, of completed work taken to the Eastern Porcupine branch. During the first week of January a quota of articles was received. Besides completing this quota, a number of extra articles were made. Since November 1st, five quilts have been completed and turned in to the Eastern Branch.

A great deal of credit is due the conveners and members who helped to make this large shipment possible.

On Tuesday, January 21st, Mrs. Dye who is Chairman of Women's Branch was guest speaker at the meeting, and read an interesting detailed account of the various means by which the money collected by the Red Cross is spent, and means of distribution of the various articles which are made by the individual groups working for the Red Cross.

Owing to the fact that Mrs. Church was unable to carry on her duties as President, due to ill health, it was found necessary to nominate a new president. At the meeting of January 28th, Mrs. W. Mead was elected president for the coming year. Mrs. Humphreys succeeds Mrs. Mead as sewing convener.

It was decided to hold one business meeting a month in place of the weekly business meetings held previously. This meeting is to be held the first Tuesday of the month.
