

# PACKED HOUSE EXPECTED FOR ALL-STAR HOCKEY MATCH

## Ankerite and All-Stars Clash Tomorrow Night

Hockey Fans Have Picked a Strong Team to Meet the Ankerite at McIntyre To-morrow Night. No Reserved Seats.

Eighteen hundred seats will go on sale at the McIntyre arena tomorrow night for the All-Star game between that champion Buffalo-Ankerite team and a team of stars picked by public ballot. First there, first served, will be the order tomorrow. None of the seats will be reserved. For those that miss the seat tickets there will be standing room for about a thousand.

The game affords the hockey fans the opportunity to welcome the Bisons after their very fine effort in Toronto. Mr. and Mrs. Hockey Fan should be there in great numbers. All the Ankerite players will be on hand as they came through the series in Toronto without any injuries.

"Sparky" Vall, popular mentor of last season's McIntyre team will be in charge of the team and he is very optimistic about the outcome. He figures that the team he has picked for him will give the Bisons a good game.

In the nets, the fans picked the Hollinger goal, Russ Bentley. Bentley played a big part in getting the Hollinger into the group finals and was placed on the 2nd team in the All-Star selection.

A picture defence has been picked to face the Ankerite. They carry both kinds of players. In Frank Bowman and Chris Killeen they pack a 'lot' of power and heavy body checks and with Al "Cyclone" Taylor of the Dome and Bill Holouka of McIntyre they have two men that can break fast and can turn on the speed. Both have good reputations as "rushers."

Lloyd Doran of the Dome, all-star selection on the 1st All-Star team, will be one of the centre men on the three forward lines that will work against Ankerite. Mike Horbel, Hollinger, will be another of the centre ice men and will probably work between his regular wing mates. Henry Lone, lanky McIntyre pivot man will be the third centre. He too, will most likely have his regular wings to work with him.

For right wing, the fans placed Jackie Drummond at the top of the list. Jackie won the Hiram Walker trophy for the league leading scorer and is a threat any time he's loose in front of the net. Alex Stewart, of the Greenshirts, runner-up for the Hiram Walker trophy, Yvonne Lorraine, McIntyre, and Tommy Somers, of McIntyre, are the other wingers.

The fans put Al Huggins at the top of the list for the left wingers and probably made the wisest selection of

all in him. A former pro player Huggins carries just the right amount of experience, and is a dangerous man at all times. Bill Wilson, hard working Greenshirt will work on one of the lines and Bill Cooper of McIntyre will be the third left winger.

Hockey fans have a double reason to turn out for the game. Besides affording an opportunity to welcome the Bisons they will be contributing their share to the war effort. The total proceeds from the event will be turned over to the Timmins "London Bomb Victims Fund" and the Tisdale High School's "Dollars for Winnie" fund. Both are well worthy of the support of all.

The date again is, tomorrow (Friday) night, and the time, 8.15 p.m.

## Falconbridge Takes Junior 'B' Title

Score a Four to Two Win in the Deciding Game at Sudbury.

Falconbridge Falcons defeated Kirkland Lake Golden Gates 4-2 in Sudbury on Monday night to capture the N.O.H.A. Junior "B" championship. It was the third game of a best two-out-of-three series, Kirkland Lake winning the first game 8-6 and then losing the second to the Falcons 6-2.

Gee of the Falcons was the high scorer getting two goals and an assist. Out of the four counts that Falcons made. Curry of the Golden Gates was the best Kirkland man on the ice. Redmond in the Falcon goal was a big factor that might have just as easily won the game.

The teams were:  
Falconbridge—Goal, Lalonde; defence, Swales, Todd; centre, Gee; wings, Callanan, Croteau; subs, Lusk, Briedau, Barnoski, Sloan, Difant, Gasparini, Mayer.  
Kirkland Lake—Goal, Redmond; defence, Fenell, McNaughton; centre, McLeod; wings, Curry, Armstrong; subs, Speck, Lang, Smith, MacDonald, McLennaghan, Bowman.

Table with 2 columns: Period, Score. First Period: No scoring. Second Period: 1-Falconbridge, Gasparini (Briedau) 3:59; 2-Falconbridge, Lusk (Gee) 19:44. Third Period: 3-Kirkland Lake, Speck (Smith, MacNaughton) 1:33; 4-Falconbridge, Gee 7:06; 5-Kirkland Lake, MacLeod (Curry) 12:03; 6-Falconbridge, Gee 15:01.

## Kirkland Lake Cagers at the McIntyre Saturday

Kirkland Won the First Game 29-25. McIntyre to Have a Dance After The Game.

The McIntyre basketball team plays host to the Kirkland Lake team on Saturday night when they play the return game in their two-game total-points series at the McIntyre gymnasium.

The McIntyre basketekers are four points down now but confidently expect to wipe out that little lead on Saturday. The McIntyre team has arranged to hold a dance after the game and any who go to the game will be admitted on the same ticket.

In the event that McIntyre does win the round against Kirkland Lake they will continue to meet either Sault Ste. Marie or Sudbury in the finals. Sudbury eliminated North Bay in two games by scores of 57-30 and 72-14, making a combined score of 129 to 44 in the two games. The Sault team and Sudbury are playing their semi-final series this week.

## Hawks Win 3-2 to Gain Semi-Final Berth in Stanley Cup Play-offs

Eliminate Fast Skating Canadiens in Third Game of Series.

Cully Dahlstrom's third period goal in Chicago's game with Canadiens on Tuesday night eliminated the Frenchmen, from further competition and sent the Windy City's entry into the Stanley Cup semi-finals with Detroit. Allen sent the Hawks into the lead in the first period just past the fourteen minute mark and then Dahlstrom put them two up halfway through the second. The vaillant Frenchmen rallied and crept up to even terms before the period ended on goals by Benoit and Gettiffe.

Dahlstrom then scored what proved to be the winning goal at a little past the three minute mark of the last period. Canadiens applied terrific pressure for the remainder of the period but were out-lucked every time they shot.

The teams were:  
Montreal Canadiens—Goal, Gardiner; defence, Reardon, Portland; centre, Chamberlain; right wing, Sanders; left wing, Gettiffe; alternates, Goupills, Benoit, Blake, O'Neill, Adams, Quilly, Graboski, Singbush, Demers.  
Chicago Black Hawks—Goal, L. Presti; defence, Mackay, Seibert; centre, Dahlstrom; right wing, Allen; left wing, Papike; alternates, Wiebe, March, Cooper, Hergesheimer, Mariucci, D. Bentley, Carse, M. Bentley, Chad. Referee—Ion; linesman—McVeigh.

Table with 2 columns: Period, Score. First Period: 1-Chicago, Allen (Mariucci, Dahlstrom) 14:56. Penalties—Allen 2, Chamberlain, MacKay. Second Period: 2-Chicago, Dahlstrom (Allen, Papike) 12:11; 3-Montreal, Benoit (Blake, Quilly) 18:37; 4-Montreal, Gettiffe (Chamberlain) 18:58. Penalties—M. Bentley. Third Period: 5-Chicago, Dahlstrom (Papike, Allen) 3:31. Penalties—Benoit, Cooper, Singbush, Mariucci.

## Leafs Take Game Lead Over Bruising Boston Bruins, Tues.

Defeat Boston 7-2 in Wide Open Game. Aps Scores Three and Schriener Two.

Sylvanus Aps, lanky captain of the Toronto Maple Leafs, heralded his return to the team by leading them to an overwhelming win over the Boston Bruins in the third game of their Stanley Cup playdowns. Over thirteen thousand fans saw him rip in three goals to lead the Leafs to a lop-sided 7-2 win over the powerful Bruins.

The Leafs had to come from behind twice before proving their superiority. Schmidt put Boston one up late in the first canto and before the period had ended Schriener had tied it up.

A goal by Cain sent the Bruins into the lead again early in the second. Two minutes later Aps scored his first one to knot the count again. Late in the period McDonald got one and then Aps fired his second one to send the Leafs two ahead.

Three more Toronto goals in the last stanza sewed up the game and set Boston back with the worst beating they have taken for quite some time.

The snipers were Schriener, Aps and Nick Metz.  
The following were the teams:  
Toronto Maple Leafs—Goal, Brodie; defence, McDonald, Hamilton; centre, Langle; right wing, Marker; left wing, Davidson; alternates, Aps, N. Metz, Drillon, Stanowski, Church, Taylor, Schriener, D. Metz Heron. Referee—King Clancy; linesman—Archie Wilcox.

Table with 2 columns: Period, Score. First Period: 1-Boston, Schmidt (Hollett, Bauer) 13:34; 2-Toronto, Schriener (Taylor, D. Metz) 18:03. Penalties—Jackson, Davidson (major), Hollett. Second Period: 3-Boston, Cain (Reardon, Hollett) 5:07; 4-Toronto, Aps (Hamilton, N. Metz) 6:58; 5-Toronto, McDonald (N. Metz) 13:46; 6-Toronto, Aps (Drillon, N. Metz) 17:35. Penalties—Smith, Schmidt, Hamilton, Reardon. Third Period: 7-Toronto, Schriener (Taylor) 5:26; 8-Toronto, Aps (Stanowski) 16:43; 9-Toronto, N. Metz (Aps, Drillon) 17:05. Penalties—None.

## KNOW HER DISPOSITION

"The spirit of your late wife is here," announced the medium to the sitter, after the usual preliminaries. The husband was silent. "Don't you understand?" pleaded the medium. "You may speak to her." "If that is really my late wife," said the other calmly, "she'll begin of her own accord."—Globe and Mail.

## Toronto Marlboros Lose First Game to the Royals

Toronto Marlboros, conquerers of Buffalo-Ankerite Bisons, met Montreal Royals on Monday night in the first of their five-game series in the Allen Cup playdowns and were beaten 3-1. The second game was scheduled to be played last night.

Jimmy Haggerty was the big gun for the winners netting two goals, while Russ McConnell got the other. O'Brien counted the losers' lone goal.

Haggerty scored late in the first period to send Royals into the lead and O'Brien knotted the count half a minute later. McConnell scored in two minutes of the second canto and then Haggerty finished the scoring a minute later when he sailed through alone.

## Detroit in Stanley Cup Semi-Finals by Beating Rangers 3-2

Rangers, Defending Champions, Lose to Red Wings. Detroit Now Meets Chicago.

The highly rated New York Rangers, defending Stanley Cup champions, were eliminated on Tuesday night by Detroit Red Wings in a furious struggle that ended in a three to two win for the Red Wings.

The first period went scoreless and then Jennings sent the Motor City gang into the lead a little over halfway through. Four minutes later McDonald tied the count then Stewart put Detroit up again.

Bruneteau scored Detroit's third at the half way mark of the third canto and a minute later Neil Colville brought Rangers to within one. Rangers put on a determined bid in the last ten minutes but couldn't get the equalizer.

The game's seven penalties were all handed out in the last ten minutes of play.

The teams were:  
Rangers—Goal, Kerr; defence, Pratt, Coulter; centre, N. Colville; wings, Hextall, L. Patrick; alternates, Coulter, Heller, Watson, Hiller, M. Patrick, Smith, MacDonald, Pike.

Detroit—Goal, Mowers; defence, Stewart, Orlando; centre, Giesebrecht; wing, M. Bruneteau, Howe; alternates, Motter, Goodfellow, Liscombe, Grosso, Abel, E. Bruneteau, Jennings, Fisher, Brown, Jackson, Whitelaw, Kilrea. Officials—Stewart and Smith. Summary:

Table with 2 columns: Period, Score. First Period: Scoring—None. Penalties—None. Second Period: 1-Detroit, Jennings (Grosso and Stewart) 11:38; 2-Rangers, MacDonald, 15:25; 3-Detroit, Stewart (Grosso and Abel) 19:48. Penalties—None. ## ALL FOR NOTHING

"I understand that you called on the complainant. Is that so?" demanded a browbeating barrister of a man he was cross-examining. "Yes," replied the witness. "What did he say?" Counsel for the other side objected that evidence as to a conversation was not admissible, and half an hour's argument ensued. Then the court retired to consider the point, announcing some time later that they deemed the question a proper one. "Well, what did the plaintiff say?" repeated the cross-examining barrister. "He wasn't at home, sir!" was the answer.—Globe and Mail.

## Radio Stations on This Continent to Change Wave Lengths This Week

Saturday the Date for the Change to be Made.

America—and by that is meant all of North America—should reserve its radio service man early to prepare for radioing's great moving day.

The reason for it is the North American Regional Broadcast Agreement—to give it its full solemn title—which will cause the shifting of a majority of radio stations in the United States, at least 100 in Canada and numerous ones in Mexico and Cuba from one to three places away from their familiar dial settings.

The signing of the Agreement by Mexico on March 29, 1940, put the radioing reallocations into effect one year from that time. Hence, on Saturday, March 29 next, at some early hour which will cause no inconvenience to listeners, the stations, will move to their new wavelengths. Many, no doubt, may curtail their operating hours on that day to make the change-over.

Already the crystal grinding laboratories of the nation are busily turning out scores of the accurately ground quartz disks which will keep radio stations on their new assigned frequencies.

If listeners are inclined to grumble slightly at the cost of a service man to change their push button settings, let them charge off the cost to the betterment of Latin American relations. For these reallocations will make better harmony in the ether between the Americas. By shifting a majority of American stations, Canadian stations, Mexico and Cuba are to be provided with some frequencies of their own so that each nation will have its place in the air. The wavelengths of one nation will not clash with the wavelengths of the others.

Great numbers of hand-tuned radio sets will not, of course, be affected by the station changeover except that familiar stations may not be found in the usual places.

Pushbutton receivers, however, must be reset. Otherwise, the listener who fails to have this done may find himself in the familiar dilemma of those in the daylight saving time zones who forget to change their clocks. Either a blast of unfamiliar entertainment, or silence will greet his efforts on Sunday morning.

Listeners should remember that stations in the frequencies between 550 and 720 kilocycles (55 to 72 on the average dial) will not be affected by the change. The frequencies of 730 and 740 kilocycles will go to other nations. Beginning at 750 kilocycles, thence down to the bottom of the band at 1,600 kilocycles, American stations will range themselves.

Virtually all of the new sets tune down to 1,600 kilocycles, the revised "bottom" of the radiocast band, which was formerly 1,500 kilocycles. The 100-kilocycle band at the bottom which harbored certain "high fidelity" stations will disappear into the general radiocast band. Certain older receivers which were able to tune only to 1,500 kilocycles will, of course, be unable to tune the lower part of the revised radiocast band, even as they were in the past.

## Pasteurizing Milk in Ontario Proving Success

Application of compulsory milk pasteurization in October, 1938, has not only made 98 per cent of all fluid milk sold in Ontario safe, but has demonstrated that it is feasible to obtain pasteurized milk in small places.

An analysis just completed by the Ontario Department of Health, of the pasteurizing plants now in use, reveals that 36 per cent of these are operated by the individual producers for processing milk from their own herds. A grouping of pasteurization plants according to the volume of milk handled, shows also that 64 per cent have a daily output of less than 500 quarts and that only 9.5 per cent of the dairies sell more than 2,000 quarts.

Contrary to fears expressed when the milk pasteurization bill was first presented, the small distributors control the great majority of the pasteurization plants which came into operation under this Act. Premier Hepburn this week advised members of the Legislature.

The number of pasteurization plants under the supervision of the department had increased to a total of 812 at the close of 1940. This increase in the consumption of pasteurized milk has resulted in a substantial decrease in those diseases which are spread by contaminated milk.

Deaths from typhoid have dropped more than 50 per cent to give Ontario the lowest typhoid death rate in Canada. Undulant fever, the germs of which are found in milk from cows suffering from contagious abortion, has declined by 45 per cent, and practically all the cases now occurring come from farms or small centres in which there is no pasteurization. An all-time low has been reached for tuberculosis and similar downward trends have been recorded in diseases such as paratyphoid fever and diarrhoea among infants and young children.

The quality of the milk distributed has only materially improved. This fact is convincingly demonstrated by the findings of the provincial laboratory, which last year examined 24,684 samples of milk.

## Provincial Field Secretary Visits Scouts and Cubs

Provincial Field Secretary E. A. Padon, paid one of his regular visits to the local Boy Scouts here on Monday and addressed a gathering in St. Anthony's hall on Monday evening.

About a hundred scouts and about seventy-five cubs attended the talk. The gathering represented eight troops. The field secretary pointed out, in his talk, the importance of brotherhood and good fellowship at a time like this and complimented the Scouts on their progress.
