Funeral To-day of Late T. H. Richards

St. John Ambulance Brigade and Order of Moose Represented at Funeral.

Funeral services will be held this (Thursday) afternoon at 4 o'clock for the late Mr. Thomas H. Richards, who passed away at Toronto on Monday morning. The services will take place at St. Matthew's Anglican Church and the cortege will leave the home on Kirby Avenue at 3:30 o'clock.

The late Mr. Richards is well known throughout the North Land, with large numbers of friends in this district. In 1926, he formed the St. John Ambulance Brigade branch here, and under his able guidance, in the capacity of superintendent, that organization has made great strides in the entire district. For his fine work, the late Mr. Richards was chosen as one of the outstanding S.J.A.B. men in Ontario, to represent the Province in England for the Coronation ceremonies of King George and Queen Elizabeth and the Jubilee of the St. John Ambulance Brigade.

Not only did Mr. Richards work with the branch here, but he directed two mines ambulance teams to Dominion Championship honours, a tribute to his great work, and an honour for the community.

Three Ambulance Corps, South Porcupine, Schumacher, and Timmins will be at the funeral, as well as the Ontario Commissioner of S.J.A.B., Mr. Nesbitt, who arrived in Timmins last night. Also taking part in the services will be the Order of the Moose, which will perform its rites in tribute to an honoured member.

The late Mr. Richards was born in Dalton-On-Furnace, Lancashire, England, fifty years ago, and came to Canada in 1922. For a short time, he took up residence in Windsor, but then moved to Timmins where he made his permanent home. He leaves to mourn his loss his widow and one son, Billy, twelve years old, and also a brother, Mr. Bert Richards, in Timmins, while another brother and sister live in England, and to these their many friends will extend sincerest sympathy in their bereavement.

Since coming to Timmins in 1922 the late Mr. Richards was a valued member of the staff of the Hollinger Mine, being in the Safety First Department of the mine for many years.

Tuesday was April Fool's Day, but little attention was paid to the occasion here this year, not a single "good joke" being reported. At North Bay, however, to judge from The Daily Nugget, many were kept busy on account of April 1st pranks. The reporters even had some trouble disproving the report that one of the Quints was missing.

People of Poland Still Do Honour to Their History

(From Ottawa Journal)
 Comes word that a Polish Legion is to be recruited in Canada. Says Col. R. Arciszewski of the Polish military mission to The Canadian Press:

"We are expecting our commander-in-chief and Prime Minister, General V. Sikorski, to arrive soon from England to confer with the Canadian Government and military authorities. Then, we hope General Sikorski himself will open recruiting."

A salute to those heroic Poles. Their country overwhelmed by the first onslaught of Nazi fury, their spirit remains untamed. In Britain today Polish airmen ride the skies with the R.A.F., conspicuous for their bravery where every man is brave. Up in Scotland there is a Polish legion, on guard for Britain's defence, and Scottish folk, caught up by their manliness and chivalry, have taken them to their hearts.

Poland's history is of the stuff of heroism. But perhaps too many of us in the past have had too much of condescension for this heroic people, with their ancient culture, their brave traditions. If this war does no other good it will surely teach many of us more of understanding of other races, more of tolerance, more of companionship and human brotherhood in the vast company of the brave for the cause of human liberty. Poles, Norwegians, Danes, Hollanders, Belgians, Greeks, Yugoslavs, Free Frenchmen—these are our brothers, ready to march and die with us in war for decency and man's dignity and triumph over tyranny. May we always in the long future march with them proudly in peace.

GREAT INSTITUTION.

You got to hand it to a lot of drug stores. They not only sell you a dime horror tale to scare you out of your wits but they sell the sedatives to put you asleep after the story is finished.—North Bay Nugget.

Contractors Rush Work on Trans-Canada Highway from Hearst

Kapuskasing, April 2—Work is progressing favourably on the final stage of the Trans-Canada Highway between Hearst and Geraldton and the McNamara Construction Company, based at Hearst, has 15 miles of tote road in use to the west of Mileage 138.

A large fleet of trucks is operating on two night shifts and a number of steam shovels are going ahead rapidly on this section west of Hearst. It is reported that the three companies operating west from Mile 143 to Mile 115 have their tote roads and camps well in hand.

There have been no recent reports of the progress east of Geraldton.

Contracting firms faced great difficulties earlier in the winter as they went about getting their equipment to the scene of operations. However, working from both ends of the final stretch, all firms have succeeded in establishing their camps, and construction is now advancing to full stride.

Hadley-McHaffie and Angus and Taylor are other construction firms having contracts on the 150-mile stretch.

It is expected that when operations reach their peak, approximately 2,000 men will be employed by all companies who are completing this final link in Canada's transcontinental roadway.

The towns of Hearst and Geraldton are enjoying mild booms as a result of the highway work. Completion of the highway will be effected as soon as possible, it is stated, and the road may be in use before the end of the summer.
