

# Expect Heavy Entry In Bowling Tourney

## Four Teams Left In Southern Section of Temiskaming League

Kerr-Addison Team Withdraws Their Entry at Meeting Last Sunday. Want Junior Age Limit Raised to 21. Northern Teams May Go To Quebec in Exhibition Tilts.

Kirkland Lake, May 14—In a surprise announcement, Kerr-Addison delegates at the executive meeting of the Temiskaming Baseball League here on Sunday afternoon withdrew the Virginiatown mine's entry from the Southern Section of the league. The officials stated that the mine athletic association officials felt that they could not field a team strong enough to compare with the other clubs.

Kerr-Addison's entry would have made a five-team circuit here. Now it has been reduced to a competition between Macassa, Toburn, Lake Shore and Wright-Hargreaves. Games will be played every Monday, Wednesday and Friday afternoon with the schedule to be of 3 games. The opening game will be played about the first of June.

### To Play Exhibitions

Representing both Noranda and Beattie Mines, Earl Killoran, athletic director of the Beattie Mines, entered a strong plea for Kirkland Lake teams to arrange some kind of an exhibition series between the three centres during the summer months. Lately the East Malartic team has dropped out due to lack of players, and as Killoran explained, it would be impossible for Beattie and Noranda to carry on throughout the season without some exhibition games to add a little spice to the program.

Lake Shore definitely agreed to go in and play double-header bills with the two teams in the Quebec section. Macassa, a new entry, may follow suit but a definite statement will not be made until the question has been taken up by the mine's athletic association. All of the games will be Sunday fixtures and the Quebecers will guarantee expenses.

Delegates from the North section of the T.B.L. also offered that their teams would make side trips into Noranda and Beattie while they were in Kirkland Lake for Ennis Cup games with Toburn or Wright-Hargreaves. The majority of officials at the meeting felt that the Ennis Cup games should not be dropped, although the Kirkland clubs appear to be weaker than the Porcupine entries.

### Set Empire's Fees

League president Bill Hotchkiss told the meeting that R. J. Ennis has contributed a great deal to baseball in the North and that his trophy should be kept in circulation. None of the Kirkland clubs gave any definite answers in regard to this exhibition competition except Lake Shore, which said they were definitely out of the cup warfare.

The meeting decided to set the rates for umpires this year at \$5 for the plate and \$3 for the bases. These rates will coincide with the ones which were current in the Northern Section last season. For playoff games the arbiters will be paid \$10 for the plate, and \$5 for the bases with a \$10 travelling account for the visiting umpire.

A motion was passed by the meeting that all postponed games must be played within ten days after the date of the original fixture. In the Northern Section last year, a five day deadline

## Wadsworth Drops a Decision to Frankie Genovese in Toronto

Wadsworth is Beaten All the Way Through But Floors His Man in Last Round.

Frankie Genovese, of Toronto took a six-round decision from Len Wadsworth, of Timmins, who was fighting under the Hamilton colours, in one of the preliminaries at the boxing show in Toronto last Monday night. Len's middleweight title was not at stake.

Genovese met Wadsworth at the McIntyre Arena last summer for the Canadian Middleweight title and was beaten at that time. Last Monday he went out to square matters and did a fine job of it. Genovese out-boxed Len for five of the six rounds and only started to look bad in the last round when he got tired. As soon as he showed any sign of weakness, Len was all over him and floored him for a seven count just before the last bell.

In the first five rounds Genovese jabbed at Wadsworth and piled up enough points to win a half dozen fights. The decision was a popular one.

Nels Broadbent, brilliant young Hamilton bantamweight, fought with his gloves and heart to finally score a technical knock-out over Eddie Petrin, of Montreal, Canadian Bantamweight champion, in a non-title bout that was the feature attraction of the card. The end came in the eighth and last round with Petrin hopelessly beaten.

Young Broadbent, who hitch-hiked to Toronto to take the match, was pounding the little Montrealer unmercifully when referee Tommy Bland stepped in and topped it at 1:20 of the last round. It was the first time that Broadbent had ever fought more than four rounds in one fight.

It was one of the most popular victories in a Toronto ring for years. The small crowd of about 2500 gave him a great ovation.

Patsy Zoccano, 134, of Brantford, won a four-round decision from Johnny Keeler, 135, of Highland Creek, in the semi-final.

Beverly Garter, 140, of Toronto, scored a technical knock-out over Johnny Hart, 138, of Niagara Falls, after 1:05 of the second round in a scheduled four-round battle.

## Some of Baseball's Big Names Leave Active Careers Today

Their Glitter Gone They Are Sent Down the Line or Given Outright Releases.

Some of baseball's longest and most colorful voyages are about to go on the rocks today.

That is a barrier major league clubs can't pass with more than 25 active players, and to get down to the limit, managers have cast adrift such once-great players as Paul Waner, Dick Bartell, Wes Ferrell, Van Mungo, Tex Carleton and Earl Averill. It's also the date for Jimmy Dykes' official retirement as a player, but the fiery White Sox manager hasn't done any playing to speak of since 1938.

Latest to go are Waner, Bartell and Mungo, whose combined term of major league service up to this season totals 39 years. The first two drew their outright releases from Brooklyn and Detroit Sunday. At the same time Mungo was taken off the Dodger's active list with indications that he soon will join Carleton at Montreal. Carleton was shipped down to the Brooklyn "farm" a couple of weeks ago, just about a year after he had pitched a no-hit game against the champion Cincinnati Reds.

Boston Bees cast off Ferrell and Averill within the last week or two after taking them from American League clubs at the start of the season. A few years back these players would have been enough to win a championship for almost any ball club and probably enough to turn the manager's hair white at the same time. Waner and Averill did most of their talking with their bats, of course, and kept out of trouble but "Rowdy Dick" Bartell, the temperamental Ferrell and the even more erratic Mungo could create disturbances for the lot.

Ferrell's big league career probably set a record of some sort for ups and downs. At his best, he was one of the American League's greatest right-handers. At his worst, he was the kind of fellow a manager fines \$1,000 instead of \$100. He drew one such fine for refusing to leave a game and another for walking off the mound when the manager wanted him to stay.

Mungo's outbursts, temperamental and otherwise, his quarrels with the management and his desertions of the club, his ailing arm, his fireball and his fiery temper, all contributed to the lore of the daffy Dodgers.

Will Be Held Each Monday, Wednesday and Friday at 10 a.m. Nine More Men Leave.

It was announced at the Timmins Armories this week that there will be three medical boards each week now instead of two. They will be held every Monday, Wednesday and Friday mornings at ten o'clock. This new arrangement is to speed up the recruiting and the passing of recruits in conjunction with the Department of National Defence.

Sunday it was announced that the department wanted 32,000 recruits in the next two months and holding three medical boards each week is one of the ways that the Timmins recruiting centre can clear the recruits faster.

Nine more men left on Tuesday for Military District No. 2 headquarters. They boarded the train Tuesday evening after passing their medical board here. Included among those who left were four men from Timmins, two from South Porcupine, two from Iroquois Falls and one from Goldlands.

The following were the men: R. W. Appleton, Timmins, I. K. Dimock, Timmins, W. F. Dunlop, Timmins, Norman Uren, Timmins, H. G. Barron, South Porcupine, O. Loberg, South Porcupine, J. H. Clark, Iroquois Falls, George Vatcher, Iroquois Falls, and W. J. Richardson, Goldlands.

The next medical board will be held at the armories tomorrow morning at ten o'clock. Recruits are still needed for "D"

## Annual Dinner of Boy Scouts This Evening

The annual dinner of the Timmins Boy Scouts will be held this (Thursday) evening at the Legion hall, Cedar street south, commencing at 7 o'clock. This event is always an interesting and enjoyable occasion and promises this year to be well up to former standards in every way.

## 130,000 Britons Defy Bombs to See Football Cup Finals

60,000 See Game in Wembley Stadium and 70,000 in Glasgow.

Arsenal and Preston North End played a 1-1 draw in the football league War Cup final at Wembley Stadium before a crowd of 60,000 last Saturday. The match will be replayed May 24 somewhere in the provinces. All the scoring was done in the first half. McLaren scored for Preston North End soon after the start and Denis Compton drove in the equalizer six minutes before the interval. No overtime was played.

The game opened at a fast pace and Arsenal was awarded a penalty shot three minutes after the start. Fairbrother, the Preston goalkeeper, flung himself full length on the ground to save brilliantly from Compton.

A few minutes later Preston took the lead, McLaren driving a 45-foot shot past goalkeeper Marks after trapping a pass from Finney. Preston kept up the pressure but Arsenal settled down and forced Fairbrother to make three spectacular saves before Compton scored the tying goal.

Both goalers were tested with hard shots in the second half but the teams played strongly on defence.

West Ham United won the cup last year. The biggest sporting event of the season drew the war's largest crowd. The stadium could have accommodated twice as many but the Government ordered a 60,000 limit because of the danger of air raids.

Tickets were gobbled up as soon as they were put on sale and all were gone nearly a week ago. For the first time this season there were queues at the ticket booths and in the underground railways, and automobiles crowded roads leading to the stadium. As in peacetime, many spectators were carrying haversacks containing meat pies and other cup final delicacies, as important to the Englishman as hot dogs and peanuts are to Canadian baseball fans. They are rationed now and the stadium announced in advance that they would not be plentiful.

There were many signs that this was a wartime cup final. London tea shops usually crowded on match day with men and women wearing caps and rosettes of their favorite team reported business poor.

"We haven't had one footballer in," the manageress of a Strand bus shop said. Many soldiers obtained special leave for the game, and one coach had travelled all the way from Scotland. Poles, Czechs and Free French mingled with Timmins and Canadians and seemed to know the rules as well as the Britons and cheered just as loudly.

## Scottish Teams Tie

Rangers were forced to come from behind to tie Hearts 1 to 1 in the Scottish Football Cup final played at Hampden Park before a crowd of 70,000 Saturday. The teams will meet again on the same grounds next Saturday.

## 3 Medical Boards at Armouries Each Week From Now On

The Provincial Police of Timmins have received a second threat this week when an unknown man telephoned the police office and threatened to do away with Constable Stromberg unless he closed up all the "blind-piggers." Police have been unable to track down the person who made the phone call as yet but they have an idea who it is.

The phone call was received at the Provincial Police office at about four o'clock on Tuesday afternoon when Constable Stromberg happened to be in the office. The constable answered the phone and the caller asked if that was Stromberg. Constable Stromberg then asked the man what his name was and the man is said to have answered, "Never mind my name, but if you value your life you had better close up all the blindpigs."

The first threat that the detachment here received was last week when they got a letter that had been sent Ontario Liquor Control Board in Toronto saying that if the Provincial Police here were not transferred he would shoot all of them. The letter was signed by Frank Prijately, of South Porcupine. Prijately had been convicted a week before on a charge of selling liquor.

Prijately appeared in South Porcupine police court Tuesday morning charged with threatening the police and his case was remanded. The man who phoned the police on Tuesday will also be charged if he can be located. The phone call came from an up-town pay station and as soon as the man had hung up the call was traced to Company Algonquin Regiment, 2nd battalion. There are vacancies for about thirty-five or forty men in the company. It is the intention of the officers of the company to be at full strength by the time they entrain for Camp Niagara next month.

## Whirlaway Gunning For Triple Racing Crown at Belmont

Sets New Record to Win Derby and Then Wins Preakness Last Saturday.

The "triple crown"—goal of every 3-year-old thoroughbred in this unpredictable racing business—appears now to be Whirlaway's for the taking.

Whirlaway, the runniest colt to put heart and hoof into a race since War Admiral walked away with the Kentucky Derby, the Preakness and Belmont stakes in 1937, appeared to be a "shoo-in" to become the fifth winner of the most coveted crown in the American turf.

Warren Wright's stretch-running colt loped home Saturday in the Preakness with no more effort than it took him to win the derby, and convinced 42,000 spectators that he had a right to claim the 3-year-old championship.

Trainer Ben Jones, who refused to give up on Whirlaway through an in-and-out winter campaign, accorded Jockey Eddie Arcaro and the horse all the credit for winning the Preakness. But everybody who knew the time and patience and trouble that he expended in teaching Whirlaway not to run wide on the turns and to save his amazing speed for the stretch credited Ben with having accomplished the outstanding training job of the year.

If Ben sends Whirlaway on to win the Belmont, Whirlaway will join Sir Barton, Gallant Fox, Omaha and War Admiral in the hall of fame reserved for Equine immortals that swept the "big three" races of their division and ruled supreme among American 3-year-olds.

## Arcaro Praises Whirly

Arcaro said after the Preakness that Whirlaway was the "greatest 3-year-old I ever saw," and even went so far as to predict he would win the Belmont by as wide margins as he did the Derby and Preakness.

Whirlaway won Saturday in much the same way as he did in the Derby, except that he made his move earlier. He was five lengths ahead of Ogden Phipps' King Cole, who set the pace for more than half a mile of the 1 1/8-mile run, with Our Boots third. Our Boots barely saved show honors by a neck from the strong-closing Porter's Cap.

Whirlaway had a shorter stretch than in the Derby—three-sixteenths compared to a quarter of a mile—to set off his closing fireworks. He had sharper turns, and those who recalled his habit of running out in past races had argued that he might turn from the "rags" ball to the "big outcurve" once more.

He ran on a track rated only "good" after hours of rain Friday, a factor considered all the better for the mud-running stars such as Porter's Cap and Our Boots.

Whirlaway came from dear last, some eight lengths back at one time, right through the pack, to win.

His time was 1:58 4/5—snappy, considering the state of the track.

## Provincial Police Receive Another Threat This Week

Unknown Man Phones to Office in Timmins and Threatens Constable Stromberg.

The Provincial Police of Timmins have received a second threat this week when an unknown man telephoned the police office and threatened to do away with Constable Stromberg unless he closed up all the "blind-piggers." Police have been unable to track down the person who made the phone call as yet but they have an idea who it is.

The phone call was received at the Provincial Police office at about four o'clock on Tuesday afternoon when Constable Stromberg happened to be in the office. The constable answered the phone and the caller asked if that was Stromberg. Constable Stromberg then asked the man what his name was and the man is said to have answered, "Never mind my name, but if you value your life you had better close up all the blindpigs."

The first threat that the detachment here received was last week when they got a letter that had been sent Ontario Liquor Control Board in Toronto saying that if the Provincial Police here were not transferred he would shoot all of them. The letter was signed by Frank Prijately, of South Porcupine. Prijately had been convicted a week before on a charge of selling liquor.

Prijately appeared in South Porcupine police court Tuesday morning charged with threatening the police and his case was remanded. The man who phoned the police on Tuesday will also be charged if he can be located. The phone call came from an up-town pay station and as soon as the man had hung up the call was traced to Company Algonquin Regiment, 2nd battalion. There are vacancies for about thirty-five or forty men in the company. It is the intention of the officers of the company to be at full strength by the time they entrain for Camp Niagara next month.

## Over Sixty Teams Expect to Play For Main Prizes

Some Entries Already Received And More Coming in Every Day. Inco Club of Sudbury Will Defend Men's Team Trophy. Powerful Creighton Mines Team May Enter.

## Kiwanis Garden Plots Now Ready at South Porcupine

South Porcupine, May 14th Special To The Advance.

The Kiwanis Agricultural committee wishes to make known to the public that the garden plots north and east of the Kiwanis playground are now ready for planting. These plots are fifty feet wide and one hundred feet long. The ground has been tested by the Ontario Agricultural College at Guelph and found to be suitable for the growing of potatoes and other vegetables.

A small nominal fee will be charged to those taking these plots but in return each person will be given excellent fertilizer to put his plot in excellent condition. Each will supply his own seed and keep his crops. The only restriction imposed by the Kiwanis is that each person must keep his garden free from weeds; otherwise the plot may be taken back.

Since there are only twenty plots available the members of the Agricultural Committee will be forced to act on the maxim "first come, first served." Anyone wishing to take charge of one of these plots and to operate it as a garden should get in touch either with Mr. Walker or Mr. W. S. Blake.

## Fish and Game Club Posts Up Maps of Fish-Stocked Waters

The Porcupine Fish and Game Protective Association announces that maps, showing local waters stocked with trout and pickerel by the Association during the past five years, have been placed at convenient points throughout the district.

These maps, for the information of members, are located at 17 Cedar street north, in Timmins; at Byers' Barber Shop, Schumacher; at Marshall-Ecclestone's store, South Porcupine; and at the Pamour Mine office. Information is also available at 92 Third Avenue in Schumacher.

Two boats, for the use of members, will this year be located at Horseshoe Lake; three will be placed at Frederickhouse Bridge on May 15th; one will be placed at Reed Lake on June 15th, and one boat for Frederickhouse Lake will be kept at Scotty's Garage at Connaught. Oars will be available with the boats, and information governing the use of the boats is obtainable where boats are located.

## Dominion's Victory Loan for \$600,000,000 to Open June 2nd

Bonds to be in Four Denominations.

This week at Ottawa Hon. Mr. Isley, Minister of Finance, announced the new war loan—the Victory War Loan. The new issue (the third in this war) will be the largest in Canada since the opening of the present hostilities. The new loan is for \$600,000,000, but if it is oversubscribed the Finance Minister reserves the right to take up as much of the over-subscribed amount as he desires. The campaign for the sale of the bonds will formally open on June 2nd. In the meantime, all through the Dominion of Canada the most effective organization is being built up to assure the success of the drive. In Timmins the District of Cochrane Committee has headquarters, the premises being in the building formerly occupied by the A. & P. Store. While the campaign will not open officially until June 2nd, organization is being very carefully and capably built up here, so that everything will be all set for the drive when it commences. It is confidently expected here that the quota for this district will be oversubscribed.

Hon. Mr. Isley's announcement says that the Victory Loan bonds will be in

denominations of \$50.00, \$100.00, \$500.00 and \$1,000.00. The instalment plan provided will enable any purchaser to pay for the bonds over a period of six months. "These arrangements," said Mr. Isley, "will enable every Canadian to give the greatest support to this loan."

but when the police arrived they could find no trace of the man. No person there had seen any person phone that they could remember.

Over sixty teams are expected to enter the team competitions at the annual Northern Ontario and Quebec Bowling Association tournament that will be held at the Empire Bowling Alleys on May 22nd, 23rd and 24th. Two strong teams from Sudbury are expected to be here. The Sudbury Inco Club won the men's trophy last year and are expected to defend it this year. Besides them the Creighton Mines Athletic Association team that placed second in the Canadian Bowling Association tournament in Toronto a month ago is expected to enter.

The main trophy of the tournament is the big Brunswick-Balke-Collender trophy for the winners of the men's team competitions. It is by far the most impressive of all the trophies and was won last year by the Sudbury Inco Club. It is expected that at least forty-five teams will compete for this piece of silverware.

The prize for the winners of the ladies' team competitions is the Sole Brothers trophy. This one is also a lovely prize. It was won last year by a Noranda team. In both competitions there will be cash prizes as well as the trophies.

Two prizes are given for high aggregate scores. For the ladies the prize is a rose bowl and for the men it is a statuette. The statuette for the men is the figure of a man holding up a laurel wreath.

Lovely trophies are also up for competition for the ladies' and men's doubles competitions. In both cases it is a shield being held up by two persons. In the case of the ladies it is the figures of two ladies holding the shield and for the men it is the men who are holding the shield. On each shield will be carried the engraving.

The trophies for the singles events are something the same, with the figure of a man holding up a shield and another of a lady holding up a shield. In both cases the engraving describing the event is on the shield.

In all the events there are cash prizes with a percentage of the money collected in the form of entry fees being split up among the first three prize winners.

For the first two days of the tournament the competitions will be open to anyone, but for the last day all the alleys are reserved for outside teams. This is expected to bring in a lot of entries from Kirkland Lake, Halleybury, New Liskeard, North Bay, Sudbury, Noranda, etc. They can make the trip to Timmins with the holiday falling on the week-end.

In the doubles and singles competitions there is expected to be a landslide of entries. Some of the entries in these competitions can be chased with the best in Canada. In the singles competitions Archie Johnstone, of Timmins, will be entered and he holds the C.B.A. Singles Championship this year. Bie del Vedova, of Duparquet, Que., is also expected to be here for the tournament. Last Saturday he bowled a score of 995 for three games that was almost 50 pins better than the mark that Johnstone rolled in Toronto to take the Canadian title.

denominations of \$50.00, \$100.00, \$500.00 and \$1,000.00. The instalment plan provided will enable any purchaser to pay for the bonds over a period of six months. "These arrangements," said Mr. Isley, "will enable every Canadian to give the greatest support to this loan."

EMPIRE BOWLING ACADEMY SATURDAY is Students Day Special Rates Saturday 10 a.m. to 1 p.m. 24 MODERN ALLEYS Phone 2145 For Reservations 11 Balsam Street S. Timmins

Timmins Cricket Club TENTH ANNUAL MEETING to be held on SUNDAY, MAY 18TH, at 3 o'clock in the pavilion at the Hollinger Athletic Grounds.
