

Police Commission Makes Changes in Police Dept. at Meeting Tuesday Night

Raise Two Constables to Rank of Sergeant. Raise Jack Downey to Rank of Deputy Chief. Inspector now Becomes Senior Sergeant in New Set-up.

The Timmins Police Commission made some changes in the Timmins Police Department at their regular monthly meeting on Tuesday night. They raised two constables to the rank of Sergeant and hired one man who was formerly on the police force but who had left to enter business.

Constables Albert Lepic and Joe Gariepy were raised to the rank of Sergeant. Both men have been acting-sergeants for some time, Lepic acting in that capacity for the past month and Gariepy for the past two months. Sergeant Jack Downey was raised from the rank of acting deputy chief to deputy chief and Inspector Arthur Olson was made senior sergeant.

It was pointed out at the commission meeting that chief constable had never been appointed by by-law so the commission decided that they may as well have a chief. Last week the Timmins council passed a by-law that gave Timmins a jail and a police office and last night the clerk was told to instruct the council to pass a by-law appointing a chief constable.

The Timmins police force will now consist of a chief constable, Leo H. Gagnon; a deputy-chief, Jack Downey; a senior sergeant, Arthur Olson; two sergeants, Joe Gariepy and Albert Lepic, one detective, Ernie Gagnon; one identification officer, George Archambault and fourteen constables. This number is still, under the recognized safety line of one constable for each thousand people. The commission pointed out, though, that the chief had a hundred men in the Timmins Auxiliary Police Force that were ready to be called in any emergency.

A quotation was received from the Northern Electric Co. on electrical equipment. The commission is not buying any new equipment at the present time and had the letter filed.

A letter was received from Gregory T. Evans saying that he had purchased the insurance adjusting business that formerly belonged to Jack Atkinson and that Mr. Atkinson had no connection with the business now. After that letter was read it was decided to hire Jack Atkinson at the same salary that he had received before but that the move was not to be considered a precedent.

An item regarding the purchase of shoes for the constables of the Timmins Police Department was passed. The junior police court clerk was appointed till such time as the former clerk returned from military duty.

The monthly accounts were passed for payment and the chief constable's monthly report was filed.

Georgetown Veterans Go All-Out for Victory Loan

Georgetown, Ont.,—May 29th—First always in the service of King and Country, the Georgetown veterans do not do any fooling around where duty is concerned.

W. F. Bradley, Chairman of Publicity for the Georgetown district, reports this wonderful leadership by the local branch of the Canadian Legion of the British Empire Service League.

In last year's loan the Georgetown veterans invested \$800 and have been regular monthly investors in War Savings Certificates. Now, they have voted to invest practically their last dollar in the 1941 Victory Loan, an additional \$700.

This active branch of the Legion is also entering a decorative float to appear throughout the county during the period of the Loan Drive.

Dies Few Hours After the Finding of Husband's Body

Halleybury, May 28—Less than forty-eight hours after the body of her husband had been found in Lake Temiskaming, three miles south of the Old Mission, Mrs. Mary Dunbar Cooper, widow of the late Arthur Gordon Cooper, followed him in death late last week. Mrs. Cooper, who was 61 years of age and who had been an invalid for a long time, died at New Liskeard, Friday. Her funeral was held on Sunday afternoon from the Perrin funeral chapel in New Liskeard, and her burial was made in the cemetery there. A son by a former marriage, George N. Carragher, lives in New Liskeard.

The late Mr. Cooper had been at his usual duties at a small lighthouse on Lake Temiskaming, used in connection with lumber rafting operations, and located on the Ontario shore below the narrows at the Old Mission. His body was found in the lake last Wednesday and after enquiries by provincial constables Simpson and Parry from district headquarters at Halleybury, official investigation was made by Coroner Dr. G. R. Crann of Elk Lake. No inquest will be held. Mr. Cooper, a veteran of the last war and a brother of W. G. Cooper of Halleybury, was buried on Friday afternoon.

Victory Torch to be Here Next Week Ceremony to be Held

(Continued From Page One)

Mitchell Hepburn, premier of Ontario, possibly being present for the occasion. After the ceremony at the McIntyre Arena, the torch, torch-bearer, officers of the bomber and others, together with the torch and scroll being returned to Porquus Junction to resume their flight across Canada.

The tentative schedule issued for the progress of the bomber across Canada is as follows:—

June 2nd, the torch to be at Fort William and Port Arthur.

June 3rd—Porquus Junction Air Field and North Bay.

June 4th—Windsor and London.

June 5th—Brantford and Hamilton.

June 6th—St. Catharines.

June 7th—Toronto.

June 10th—Kingston.

June 11th—Ottawa.

Practically every municipality in Canada will have an opportunity to associate itself with the symbolic Torch which is being flown to Winston Churchill in the latter part of June.

In sympathy with the inscription on the Torch, "Part of the Tools—Canada's Victory Loan 1941," there will be an artistically designed scroll which is to be circulated to a large number of cities and towns which will not be in the itinerary of the Torch on its way from Victoria, B.C., to Halifax and thence to London. Signatures of Mayors and Reeves will be affixed to this scroll so that the expression of the determination of Canadian citizens to "help finish the job" will be as general as it is possible to make it.

As to the ceremony to be held at the McIntyre Arena and at other places where the actual torch will be present, the following has been arranged by the headquarters committee as a typical programme:—

Citizens will assemble at the point for the ceremony, with a proper local Guard of Honour for the Torch and a good sized band or bands. Adjacent to the bands, will be a large singing group, provided from the choirs of the various churches in the locality. There will be a song program for a period of thirty minutes during which the crowd will sing, "O Canada," "The Maple Leaf Forever," "There'll Always Be An England," and religious hymns proper to the dedication ceremonies. There will be Bidding Prayer by a local church dignitary, to be followed by the singing of all verses of "Onward Christian Soldiers," and a prayer for Victory for His Majesty's forces by another local dignitary.

Next comes "The Torch Day" address by a selected speaker.

Following this there will be a short, simple parade of the Torch during which a third local religious or civic dignitary will ask all assembled to place their right hands on their hearts and repeat with him the following pledge:

Renew Pledge

"I hereby declare my belief in Almighty God, and reaffirm my loyalty and allegiance to His Majesty, the King, and further declare my support for British Institutions.

"I pledge myself and my all to hold the Torch on high, and to march shoulder to shoulder with the Motherland and the Empire in our righteous cause through victory and enduring peace."

At the conclusion of the pledge the national anthem will be sung. And then comes the "Torch Day" parade.

The Torch Day parade will be the biggest parade that the community has ever carried out. It will be made up Try the Advance Want Advertisements

Among those speaking over the B.B.C. on the overseas programme of greetings to the folks in Canada, one of the soldiers on the air was Gunner Rene Girard, a Timmins lad, whose comment was that the mails are a little slow and so are the cigarettes, but both are certainly appreciated by the boys.

Capt. G. F. Morris Here for British Sailors' Society

Many friends here were pleased this week to greet again Capt. G. F. Morris, of Toronto. Capt. Morris was here on behalf of the British Sailors' Society, a patriotic organization that for 122 years has been helping the men of the British Navy and the British mercantile marine on the seven seas. Capt. Morris is best known in Timmins and district as the representative of the Navy League of Ontario. He came to the North many years ago on behalf of the Navy League and made hosts of friends in the work. A year or two ago ill-health compelled him to drop his connection with the Navy League and when he recovered his services were taken by the British Sailors' Society. It is a compliment to the Navy League, the British Sailors' Society and to Capt. Morris that on his visit here it was very apparent that there is no rivalry between the Navy League and the British Sailors' Society. They work together, rather than against each other, and the one thing they desire is the help of the sailor at home and abroad. The work of the Navy League is chiefly confined to Canada, but the work of the British Sailors' Society is world-wide, this old British society with its headquarters in London, England, having institutes for sailors in 105 ports, some of them in the war zone. At the present time the work of the British Sailors' Society is particularly heavy on account of the war. Previous to this year no general public appeal for funds was made in Canada but this was necessary this year on account of the great needs. The Canadian Branch of the work is under the patronage of Lord Athlone, Governor-General, and of the Lieutenant-Governor of Ontario. Hon. Angus L. Macdonald, Minister of National Defence for Naval Services, is one of the Dominion vice-presidents.

Sister Seeking News of Brother Here in 1938

As is well known, one of the special services the Salvation Army gives the people is its "Missing persons" work. Through the efforts of the Salvation Army, parents have been able to locate sons and daughters, brothers and sisters have been reunited, even after years of separation and husbands and wives have got in touch with each other after years. The world-wide organization of the Salvation Army has done a notable service in this matter of missing persons.

At the present time the Salvation Army is anxious to locate Onni Johannes Oihlaja, formerly of Finland, and who was last heard from when he was in Timmins in 1938. His sister, Miss Lempi Pinlaja, of Helsinki, Finland, is very anxious to get in touch with him again. If this should meet the notice of the missing man he should get in touch with Major Cornthwaite at the Salvation Army, 12 Birch Street, South. Anyone who can give any information as to the missing man is also asked to see Major Cornthwaite at once.

Onni Johannes Oihlaja, whose parents were Marie and John Oihlaja, left Finland for Canada in 1919. He was last heard from in 1938 when his address was 10 Mountjoy Street, South, Timmins. The local Salvation Army officers will appreciate very much any information that will lead to the location of the missing man, and thus relieve the anxiety of his relatives in Finland.

To Appoint New Minister of War Services for Canada

Brampton, May 28—Hon. J. G. Gardiner announced to an audience at a Holstein calf war auction sale here on Tuesday his retirement as Minister of National War Services to devote his entire time to the Federal Department of Agriculture.

Mr. Gardiner said his presence at the auction, at which 100 of the best Holstein calves are being sold to raise money for British war charities, was his last official act as Minister of War Services.

The agriculture minister's retirement from the war services portfolio has been rumored in parliamentary circles for some time. He has held both since the War Services Department was set up.

Expect Neat Sum from Schumacher Lions Jamboree

Net proceeds of the Schumacher Lions' Club Jamboree held at the McIntyre Arena on Monday, Tuesday and Wednesday, have not as yet been accounted, but it is expected that the three-day event will result in a profitable donation to the British Children's Bombed Victims' Fund.

The bingo, boxing matches, and games were the most popular features of the jamboree, while the interesting displays by the merchants won acclaim. These displays were remarkably varied and well-chosen, representing the various merchandising branches of this Northland.

The event was not attended by the large crowds that had been expected, but those who were present took advantage of the occasion to enjoy "games of luck," and at the same time donate to a worthy cause.

Local Salvation Army Wins Banner for Proficiency

Timmins Salvation Army has the proved distinction of being the winners for 1940 of the Salvation Army Young People's Proficiency Banner for Northern Ontario Division. The banner was presented to Timmins this week and will remain here for the year. The local Army, no doubt, will make a special effort to keep it next year also by particular effort in young people's work this year. The award is made each year for the best all-round increase in the division in young people's work.

This is the first time Timmins Salvation Army has won this banner. The banner was first awarded for the
