

Veteran Sam Currie Wright-Hargreaves Pitches No-Hit Game

Kirkland Lake, June 4th—Sam Currie, veteran player-manager of the Wright-Hargreaves Mine nine in the Southern section of the Temiskaming Baseball League, entered his name in the Hall of Fame scroll Monday afternoon when he blanked Lake Shore Blues, 5-0, to register a no-hit, 50-run performance against his bitter mine rivals.

Currie, who is starting his fourth term as manager of the Hargreaves' squad, pitched masterful ball to completely handcuff the Shoremen. Only one man got as far as third base and that was in the ninth inning when Jimmy Doherty walked, went to second on another free pass, and to third on an error.

Ron Hastie, on the Lake Shore mound, turned in a good game but his team fell down badly in the clutches, having its worst attack of jitters when one hit and three errors counted for a trio of runs in the sixth inning.

Orval Privett, a student catcher from the O.A.C. at Guelph, had a perfect day at the plate for the winners, scoring two runs and hitting three for three.

McIntyre Wallops Hollinger in Fifth Inning Blitzkrieg to Take 6-2 Verdict Yesterday

Eddie Dunn Smashes Out a Long Double to Bang in Three Runs in Big Fifth Inning. George McShane in McIntyre Box Was Never in Trouble.

The McIntyre Baseball Park was officially opened yesterday in fine fashion for the Macs. The McIntyre club fashioned out a 6-2 win for themselves to get their ball park started off on the right foot. A fifth inning blitzkrieg that netted the Macs five runs spelled disaster for Barton's bombers.

Ike Solomon, grandfather of baseball in the Porcupine, threw the first ball and Bert Cooke batted a hit that was good for a single if he would have tried to run it out. The Macs counted on their win as they trotted big George McShane out on the mound to start the game.

Hollinger relied on their southpaw, Mike Yasinchuk, and even after he faltered badly in the fifth they left him in. That big fifth inning that the Macs had was a natural as they loaded the bases with nobody out.

Hollinger scored the game's first run in the second inning when Oltman doubled to left field after Lawton had been thrown out at first base. McKay's fly to deep right field advanced Oltman to third base. A wild pitch to Yasinchuk left Oltman come in with the first run of the game. On the next ball that McShane pitched, Yasinchuk flied out to short stop.

McIntyre tied the count in the fourth inning and then the bombers choked off their rally with a double play. Wil-

son was walked and then Richardson was given a safety on Yasinchuk's bad error. The error was when Yasinchuk threw wild to hit the first baseman on the back and send the ball off to the side. On the same play Wilson went to third while Richardson remained at first. Zachary flied out to right field and Wilson scampered in with the equalizer. Oltman lined a beauty to Chase at third who relayed it to Romualdi and the chunky Italian sent the sphere on to Oltman to complete the double killing.

In the fifth the Macs let loose with their full power and the Hollinger club collapsed. Cook was walked to start things moving and then he stole second. McShane's double advanced Cook to third where he was held. Webber got a safety on Karahan's error to fill the bases. Laplante drove a hard one to second base and when the play was made on Cook at the plate it missed. Eddie Dunn then stepped up and drove out a long double fly to left field that scored McShane, Webber and Laplante. Eddie pulled up at second. Wilson struck out and Richardson flied out to centre field advancing Dunn to third. Zachary hit safely to right field and Dunn came in with McIntyre's sixth run. Oltman then flied out to short stop to end the inning.

Hollinger got one of the runs back

in the next inning when Romualdi was walked and then forced at second as Chase settled down on first base. Barton flied out to left-field and Chase was held at third. Lawton got on base on McIntyre's first error and Chase advanced to second base. Oltman's error allowed Oltman to get on base and also let Chase come in with a run. McKay then fanned to finish the session.

The last three innings for each team went scoreless with McIntyre not having to bat in the last half of the ninth. In the seventh and eighth innings McIntyre got men as far as second base but couldn't bring them all the way around. In the ninth inning Oltman smashed out his second double when he was the first man up but he stayed there till the end.

Both teams meet again tomorrow night at the Hollinger Park in the third game of the schedule. Each team has now won one game. Tomorrow night's game will get under way at five o'clock.

Ontario Open Golf Championship to be Decided at Ancaster

The Ontario open championship will be enlarged this year to compare more favourably with other open championships. It will be held at Ancaster, Hamilton, June 27 and 28.

The prize money has been increased to \$800, which may attract some of the big-name players from the United States. An 18-hole qualifying round will be played on Friday, June 27; 36 holes on Saturday, June 28, by the lowest 60 scores and ties. Total scores for 54 holes to count.

Golf gave \$60,000 to the Red Cross in the last war, and is likely to far exceed that figure during this war.

Texas is Favoured to Win U.S. Open

More than a score of the eligible divot-diggers had already arrived here for the National Open Golf Championship beginning today on the links of the sprawling and difficult Colonial Club at Fort Worth, Texas.

The field is expected to number about 170 contestants when the first golf ball goes screaming down the fairway.

It will be the first time that the Open Tourney has been held as far south as Texas. And it's more than likely that a native son will walk off with the title. If defending Champion Lawson Little fails to repeat his victory of last year, the experts say his probable successor will be a Texas product.

Among the Texas eligibles are such top-notchers as Byron Nelson, Ben Hogan, Jimmy Demaret, Ralph Guldahl and Dick Metz. Other stars scheduled to battle for the Open crown include Sam Snead, Craig Wood, Henry Picard, Gene Sarazen and Paul Runyan in addition to scores of others.

Recruiting Here for First Canadian Armoured Division

Information Booth Set Up Outside of Post Office

Recruiting in Timmins for the First Canadian Armoured Division is continuing satisfactory, recruiting officials said this morning. Col. S. A. Lee, second in command of the First Armoured Brigade of the First Canadian Armoured Division, arrived in Timmins on Tuesday afternoon, accompanied by Lt. Eric P. Zurrer.

At this point several presentations were made for valuable service rendered to the union. The first, made by Gerald Doughty, was to Erma Oppert-haus, who will be leaving the community this season, and who has been always willing to help and give leadership during the years she has been connected with the union. The gift was a lovely table-lamp for which Miss Oppert-haus thanked the group. The other two presentations were made by Ed. Wilson to Mr. Colin Sellar and to Mr. W. G. Schweitzer in recognition of their excellent work in the direction and make-up for the two plays put on by the young people this spring. Mr. Sellar received a handsome leather belt with an engraved silver buckle. The gift for Mr. Schweitzer was a desk pen on a marble base.

The recruiting is continuing at the Timmins Armouries and at an information booth that has been set up outside of the Timmins post office. Col. Lee returned to his headquarters to-day but Lt. Zurrer will remain in Timmins for some time yet. Three provosts, or troopers, are in town as well, and are scouting around the town and assisting Lt. Zurrer in interviewing applicants.

The objective of the recruiting drive here is to obtain about fifty men to bring the First Hussars Armoured Regiment up to strength. Drivers, mechanics and tradesmen are particularly wanted. The men are preferred between the ages of 19 and 30.

Col. Lee has been in Timmins three times since taking the post with First Hussars Armoured Regiment and Lt. Zurrer spent five months in Timmins last year when he was a student in Toronto and was working at the Hollinger in the summer months.

Any person wanting to join the Armoured division can contact Lt. Zurrer either at the Armouries or at the information booth at the post office. Any person having an interview is not obliged to join.

Annual Banquet of United Church Y.P.U.

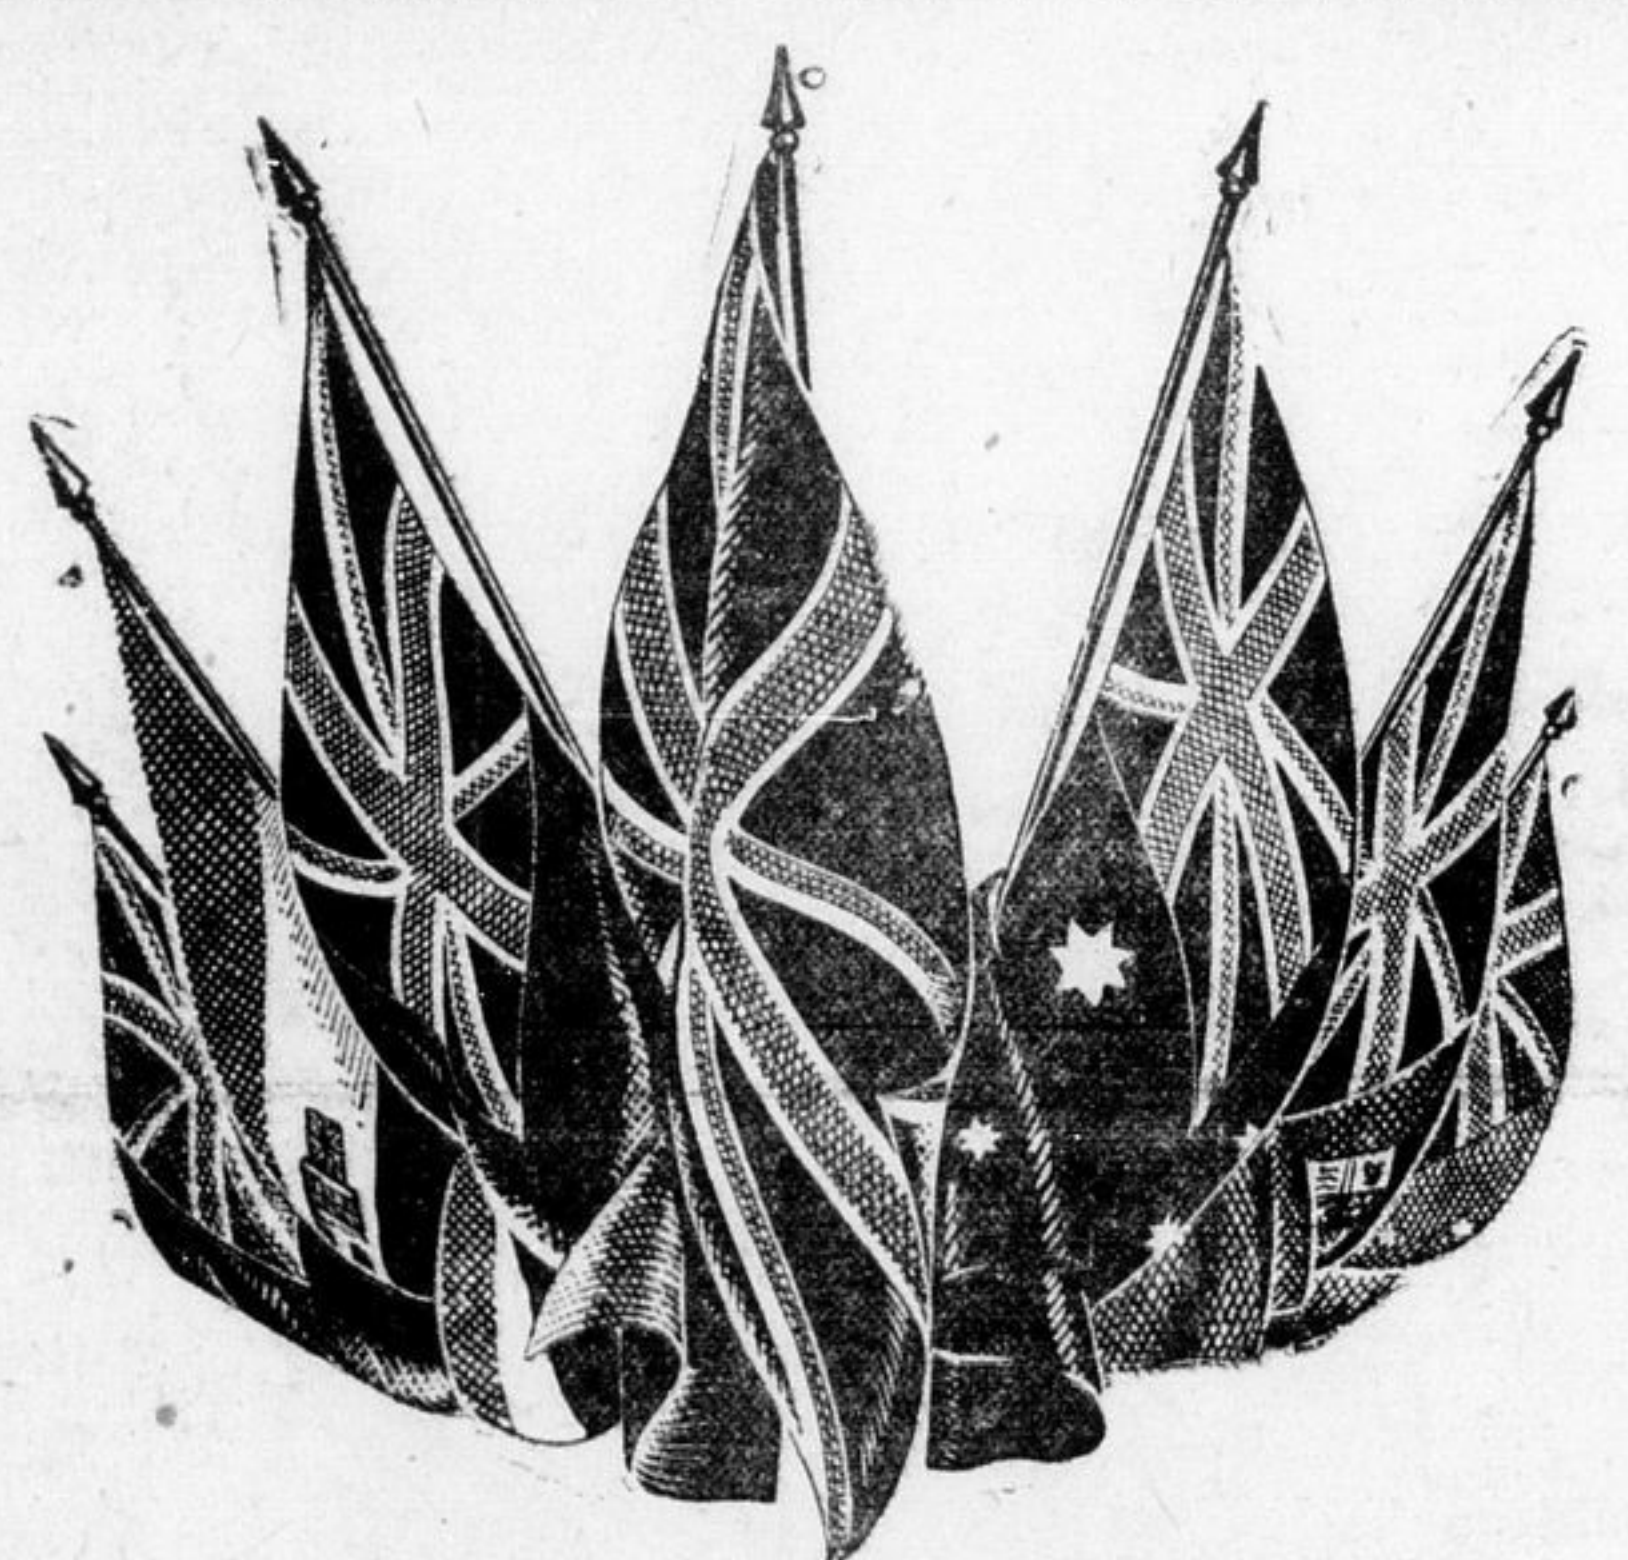

Mr. A. A. Rose the Guest Speaker Last Night.

The United Church Y.P.U. held their annual banquet at the church last evening with a fine attendance. Owing to the unavoidable absence of the president, Dorothy Taylor, the secretary, Bill Black acted as chairman for the evening. When everyone had for some time admired the table decorations prepared by Peggy Shaw and the social committee, they sat down to a delightful supper served by members of the C.G.I.T. Following the supper, Ella Mae White led the group of assembled guests and members of the union in a rousing sing-song that was entered into by everybody with great gusto. The chairman's remarks followed the sing-song and in closing, he proposed a toast to the King, after which the national anthem was sung.

A toast to the church was proposed very ably by Warren Tansley and responded to by Dr. Lee Honey. Mr. Fernand Archer proposed a toast to the Young People's Union, and the response was made by Helge Hongisto. After these various toasts, the group enjoyed a piano solo, "The Fountain," by Jean Gordon, and the applause called her back to play an encore, "Liebestraum."

At this point several presentations were made for valuable service rendered to the union. The first, made by Gerald Doughty, was to Erma Oppert-haus, who will be leaving the community this season, and who has been always willing to help and give leadership during the years she has been connected with the union. Mr. Sellar received a handsome leather belt with an engraved silver buckle. The gift for Mr. Schweitzer was a desk pen on a marble base.

The guest speaker for the evening was Mr. A. A. Rose who gave an interesting and enlightening address on vocational training as carried on in the Timmins High and Vocational School. Mr. Rose spoke of the opportunities available at the school and of the progress that has been achieved. The programme closed with the usual benediction.
