

Popular Timmins Couple Observe Forty-fifth Wedding Anniversary

Mr. and Mrs. J. J. McCarthy, Esteemed Residents of Timmins for Twenty-three Years, Honoured by Friends on the Occasion of the Forty-fifth Anniversary of Their Wedding.

Mr. and Mrs. J. J. McCarthy, of 168 Elm street south, were the recipients of sincere good wishes and lovely gifts on the occasion of their forty-fifth wedding anniversary, Tuesday, June 10th.

In Timmins, Mr. and Mrs. McCarthy took up residence on Maple street south; there were only a few streets and avenues in the town at that time.

The host and hostess received guests during the afternoon and evening at their home which was bedecked with flowers sent by their friends.

For twenty-five years, Mr. McCarthy, who is now retired, was superintendent of the diamond drill work at the McIntyre Mine.

A beautifully-iced three-tier wedding cake was the centerpiece of the well-appointed table.

Their children are J. R. Holden McCarthy, of Gold Centre, who is married and the father of seven children.

The wedding ceremony forty-five years ago took place at the little town of Mattawa, in the Methodist Church.

Lord Mayor of London's National Air Raid Fund Now Runs into Millions

In January it Was Over Two Million Pounds Sterling, but Much has been Added Since. The Need, However, has Also Greatly Increased. Maximum of Help Required.

In sending Mr. E. Tomlinson, secretary of the Timmins Bomb Victims Fund, acknowledgement of the recent contribution to his fund from here, the Lord Mayor of London encloses a pamphlet showing the origin of the fund, the contributions made to it, the way the money has been disbursed and the plan under which the fund is administered.

Mrs. J. L. Mitchell Injured on Monday in Auto Accident

Was Struck by Car Backing Out of Warehouse Off the Highway.

Mrs. J. L. Mitchell, 161 Hemlock Street, was admitted to St. Mary's Hospital on Monday afternoon after she had been struck down by a car on the road just off the highway in front of the Swift-Canadian Building.

The driver of the car, Percy H. Carson, 112 Maple Street, South, took her to the hospital immediately and called a doctor.

Poster Competition is Launched by the Legion

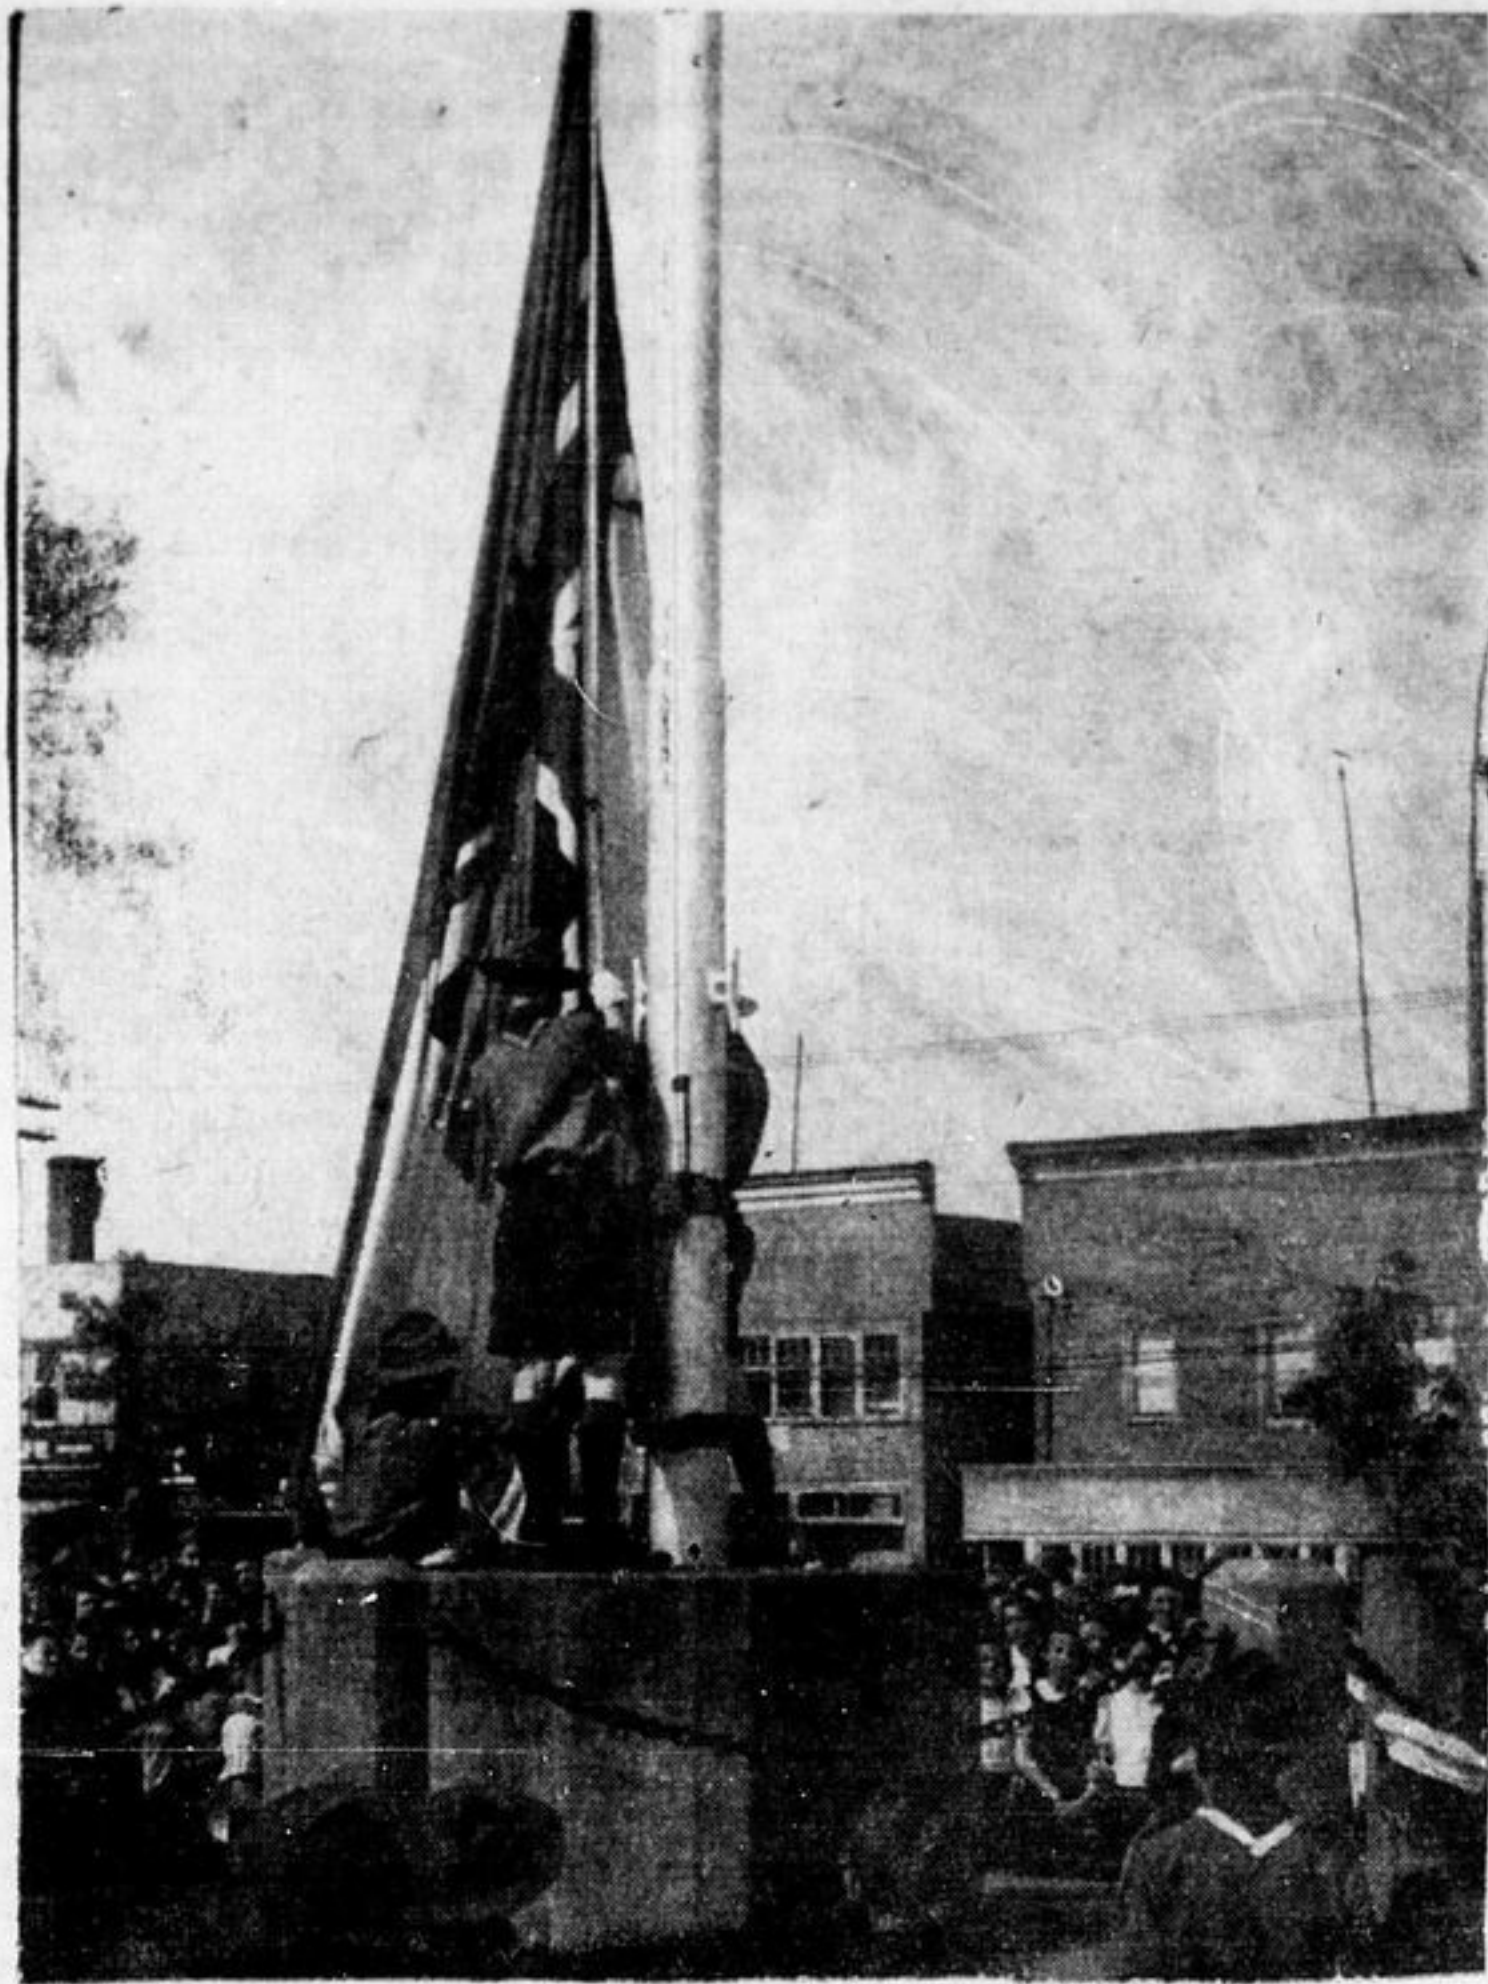

OTTAWA, June 11: The "Fighting Man's University" operated by the Canadian Legion Educational Services has announced, in conjunction with the National Gallery, a poster competition for artists and art students in all parts of the Dominion.

The posters—there will be one each for the Navy, Army, and R.C.A.F.—are intended to challenge the service men to take advantage of the educational facilities offered by the Legion, and the winning designs will be lithographed and placed in barracks, recreational huts and messes both in Canada and overseas.

The prizes are three firsts—of \$50 for each service—of \$50; three seconds of \$25; and three thirds of \$10 each. The "deadline" for entries is June 15, and all designs are to be sent to the director of the National Gallery, Ottawa.

Judges are F.S. Haines, president, Royal Canadian Academy of Arts, Toronto; Albert Cloutier, art and printing supervisor, Directorate of Public Information, Ottawa, and Lieut.-Col. D. E. MacIntyre, D.S.O., M.C., general manager, Canadian Legion Services, Ottawa.

RAISING VICTORY LOAN FLAG IN TIMMINS

Shown in the above picture are some of the Timmins Boy Scouts raising the Victory Loan flag at cenotaph in Timmins. This scene is witnessed by many of the people in Timmins every morning, when the flag is raised in a special ceremony.

Religious Services for Sunday, June 15, Magna Carta Day

Sunday, June 15, is Magna Carta Day—the 728th anniversary of the signing of the world's most important document, a document which through centuries has proved itself the very foundation of that liberty for which the free nations now fight.

Magna Carta Day in 1941 is of greater significance than ever, and its observance should, it is urged, be used to reiterate the old truth that freedom must be won in every generation.

Today, on distant battlefields, on the sea, on land and in the air, youth is doing and dying to the end that freedom may not disappear from the earth.

To this end churches, schools and organizations are urged to do all in their power to mark the day. Much interest has been created in the United States, largely at the instance of the International Magna Carta Association which body asks for the widest possible use of the following "Hymn of the Seven Nations" (written by Mrs. Josephine Dodge Bacon of New York) to the march tune, Elgar's "Pomp and Circumstance."

Great God of all nations, We, sons of one speech, Pray now for the wisdom Thou only canst teach. So strengthened in union, So weakened apart, (Repeat) Thou gavest one tongue, Lord— Oh, give us one Heart!

One Charter confirmed us, One Scripture we knew, One Bard is our glory, All history through, Now grant us one vision, Now show us one goal! (Repeat) Thou gavest one tongue, Lord— Oh, give us one Soul!

Now, shoulder to shoulder, Hand reaching to hand, What traitor shall part us? What foe shall withstand? What cannon shall thunder, Our voice cannot stunner, (Repeat) Thou gavest one tongue, Lord— Oh, give us one Will!

Timmins Man is Arrested in Port Arthur Monday

A Timmins police escort left Timmins Tuesday afternoon for Port Arthur where they will pick up a prisoner to be brought back to Timmins to face a charge of fraud.

The following letter is self-explanatory:— The Mansion House, London, E.C.4 14th May, 1941 E. Tomlinson, Esq., Secretary, Lord Mayor of London 3 Bomb Victims' Fund of Great Britain, 43 Seventh Avenue, Timmins, Ont., Canada.

Dear Sir:—I acknowledge receipt of your letter enclosing draft for two hundred and twenty-five pounds sterling, being the third donation from your Bomb Victims Fund in aid of my National Air Raid Distress Fund. Official receipt No. 64803 is attached. I am deeply appreciative of this further generous contribution which your Fund has made to aid me in my work, and I value profoundly the love and sympathy which accompany this gift.

It is indeed most encouraging and inspiring to know that our people are constantly in your hearts, and for the continued help which you extend to us we are most grateful.

We are, as a people, moved by the splendid token of friendship which the people of Canada have shown us, and we appreciate the part you have played in this connection.

Will you please convey to all concerned my heartfelt thanks for their unstinted support of and continued interest in my Fund.

Yours truly, G. H. Wilkinson, Lord Mayor.

Police Court Handles All Cases Inside of an Hour

Fifty-five Cases Dealt With. Number of Remands in Important Cases Because Provincial Police Were at General Sessions in Cochrane.

Tuesday was court day in Timmins, and it also happened to be the opening day of the general sessions at Cochrane. As a result of that a number of the police constables were absent and some of the cases had to be remanded till the officers were able to appear to give their evidence.

The charges against Anthony Sandrelli, Aestora Stefanelli, John McCaul and Stan Rawlinson were remanded for another week. The four men are charged with selling liquor at Cook's Lake about five or six miles west of Timmins. Sandrelli in addition faces an extra charge of illegal possession of beer. These charges were all laid by the Timmins detachment of the Ontario Provincial Police.

A large number of the other cases on the docket were disposed of before court when the defendants paid their fines before the court sat in the afternoon. Few of the cases were heard and the ones that were heard were disposed of in a hurry. The majority of the cases on the docket were laid under sections of the Ontario Liquor Control Act, there being thirty of the fifty-five cases on the docket being laid under that act.

Leading the parade in the number of cases laid under any one section were the drunks. There were fourteen of the inebriates on the docket with ten of them squaring the count before the court opened. The four that did appear in court pleaded guilty and were given the usual ten and costs or thirty days. One of those that pleaded guilty on Tuesday said that he wasn't drunk but he must have been "feeling good."

He received the same as the rest. Edward Trotter, 75 Middleton Avenue, argued on Tuesday that he had not given anything to drink to the seven people that were found in his house when the police paid him a visit last week. He said they were all drunk when they came into his house and that he had taken seven or eight drinks from a gallon jar of wine that was found, himself. Police had sworn that of the seven persons found in the place two were stupid drunk, while one of them was described as being fighting drunk and the rest were said to be staggering around the room and smelling strongly of liquor.

The magistrate didn't spend much time weighing the evidence before passing sentence of \$50 and costs or 30 days in jail. The place was also made public for one year.

Lorenzo Grimard, of Timmins, was charged with illegal possession of beer and was fined twenty-five and costs. Three other persons, Laurette Vigeant, Onesime Groulx and Joseph Sylvester were given the choice of a fine of \$10 and costs or the alternative of thirty days in jail on charges of having beer in a public place.

Fernand Desbrien, Mountjoy Township, was charged with having liquor in a public place following a police visit to his establishment last week-end. Desbrien was operating a place that had been made public last year and when the police entered the place they said that they found a quantity of beer and (Continued on Page Four)

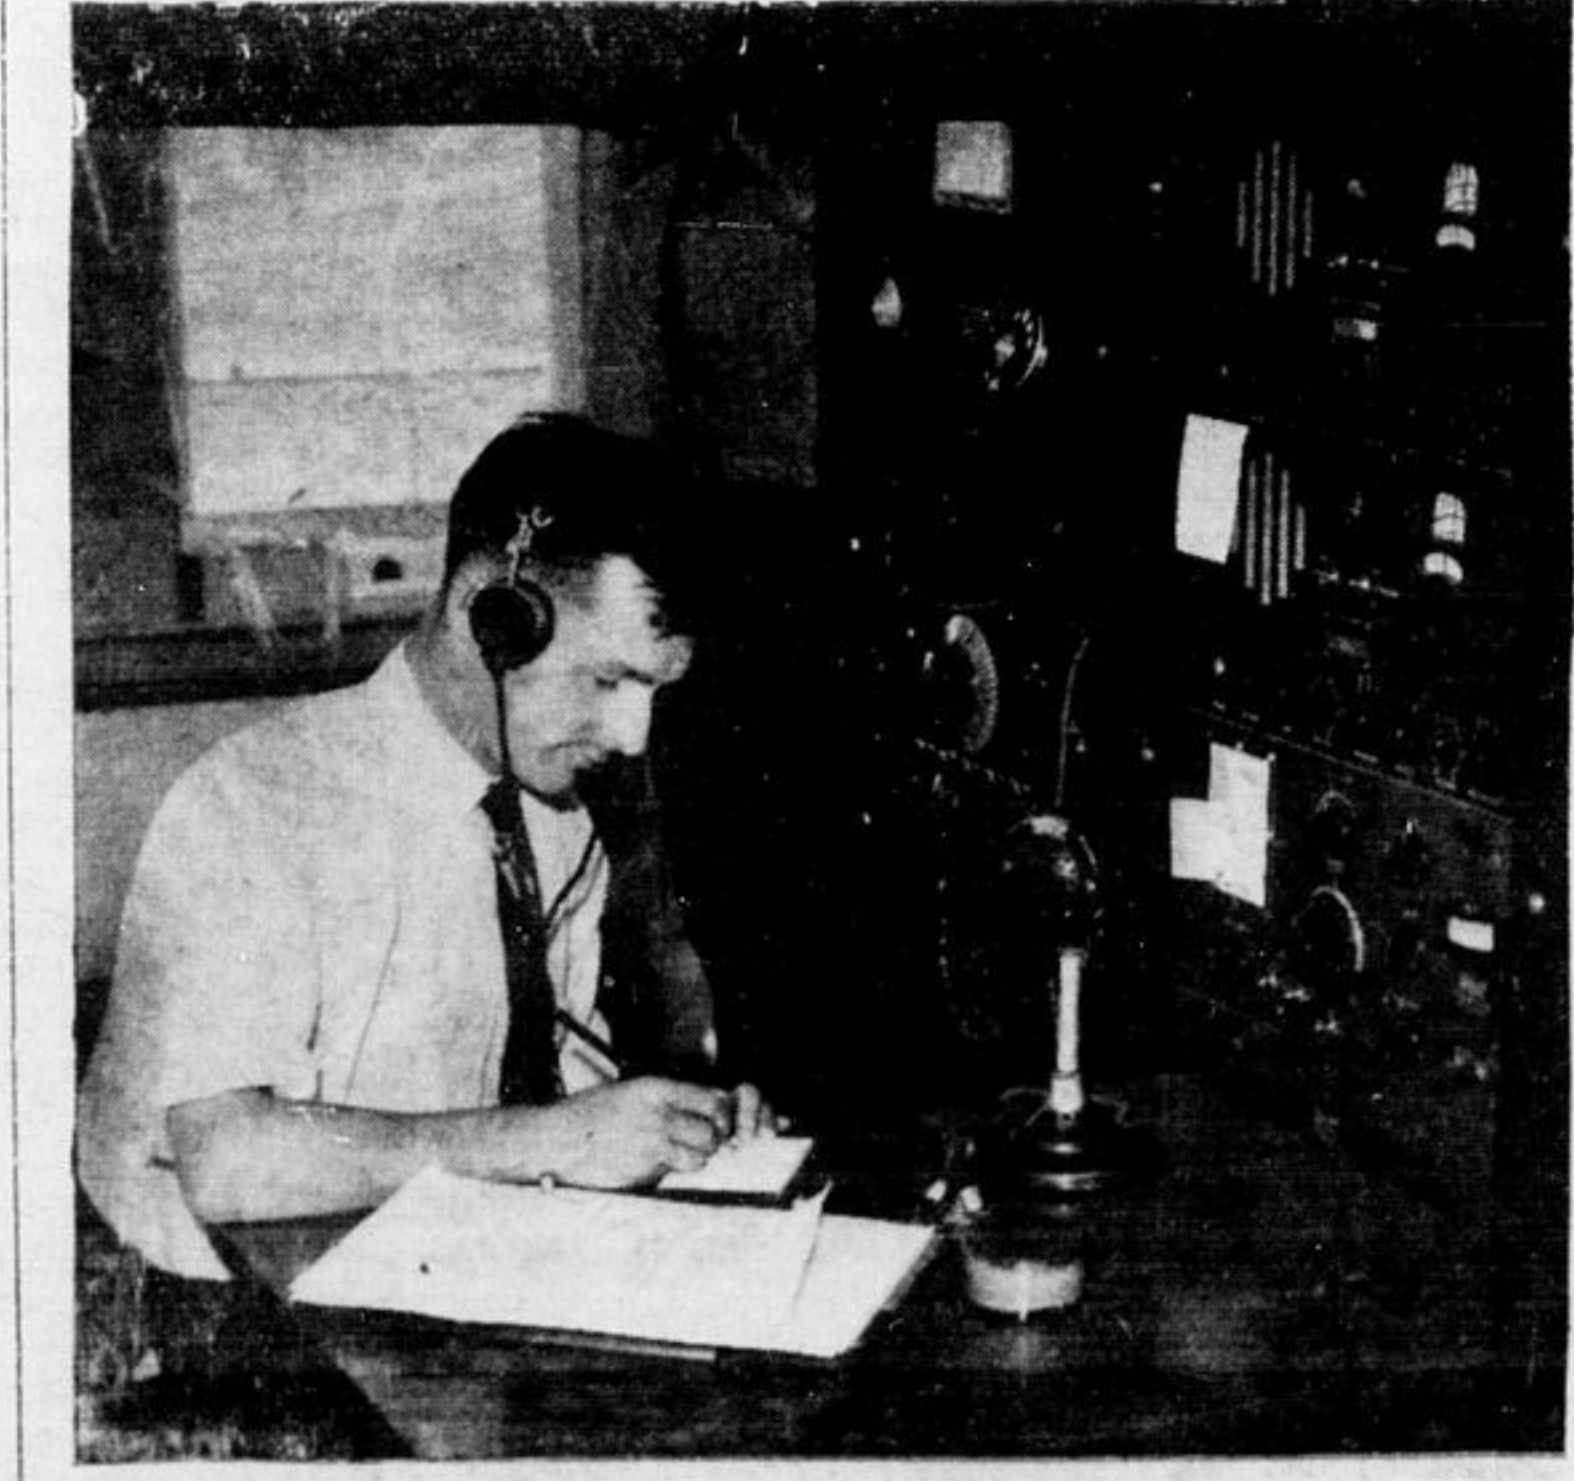

Lord Mayor of London Thanks the People of Timmins

Third Donation of \$1,000 for Bomb Victims Acknowledged.

The following letter is self-explanatory:— The Mansion House, London, E.C.4 14th May, 1941 E. Tomlinson, Esq., Secretary, Lord Mayor of London 3 Bomb Victims' Fund of Great Britain, 43 Seventh Avenue, Timmins, Ont., Canada.

Dear Sir:—I acknowledge receipt of your letter enclosing draft for two hundred and twenty-five pounds sterling, being the third donation from your Bomb Victims Fund in aid of my National Air Raid Distress Fund. Official receipt No. 64803 is attached. I am deeply appreciative of this further generous contribution which your Fund has made to aid me in my work, and I value profoundly the love and sympathy which accompany this gift.

CONTROL ROOM AT PORQUIS AIRPORT

Shown above is the control room at the Porquis Junction Airport. The radio operator, was, at the moment that the picture was taken, talking to the pilot of the Torch-carrying bomber when it was flying over Timmins recently. All told on the instrument panel there are five radios to look after and the airport is in direct communication with any of the planes in the north. Other instruments can tell the operator exactly where the plane is and how high it is flying, the direction of the wind and the speed of the wind. The "beam" is also located in the control room.

Appeal Made for More and More Workers Now for Canadian Red Cross

Letter from Mrs. Dye to the Ladies of the Eastern Porcupine District Red Cross Tells of the Need and Applies Not Only to the Red Cross District Addressed, but to All Canada.

Recently appeal was made by the Timmins Branch of the Red Cross for more workers with the special request that the work be speeded up rather than decreased during the summer months. Those who were leaving for the summer were asked to arrange substitutes to carry on, as the need is great and urgent.

All that was said about the need for continued and increased work for the Red Cross applies not only to Timmins but to all Canada. Emphasis is given to this by the appeal this week from the Eastern Porcupine Red Cross to the women of the district. Mrs. R. E. Dye, chairman of the Women's War Work Committee Eastern Porcupine District Branch Canadian Red Cross has sent out the letter given below together with a letter from the National Chairman, Mrs. Wallace Campbell. These appeals sum up the situation so fully and completely that they deserve the widest publicity as they apply to all branches of the Red Cross and all sections of Canada.

The situation is not difficult to understand. It is easy to see that Britain means everything to the defence of Canada, to the defence of freedom and decency in the world. That line of defenders in Britain—soldier and civilian, man and woman, young and aged—has stood firm against OUR enemy. They have thrown their substance and their lives in the breach to keep our homes and our way of life secure, as one official of the Eastern Porcupine Red Cross has phrased it. "Surely, surely," he adds, "we are not going to accept their sacrifice on our behalf without making some acknowledgement of our gratitude. We have our homes, our rest, our relaxation, our regular mode of life. This is no time for excuse or tardiness. Every last one of us must get in there and help to the very limit of our ability. A great many of our ladies have responded valiantly and have not stinted in their service from the very beginning. Now, when the need is greater we are asking for additional help."

The letter from Mrs. Dye and the appeal from Mrs. Campbell are given herewith:— An Appeal to the Ladies of the Eastern Porcupine District

Word has been received from Red Cross Headquarters that recent bomb raids in Britain have resulted in the loss of large quantities of Red Cross supplies when one of the warehouses there was destroyed.

Each Branch has been asked to do its utmost to promptly make good the loss. The need is great and many more workers are required to enable this community to do its full share, as it surely wishes to do.

Many people in the Old Land have been bombed as many as three times and have long ago lost everything they have. We, in Canada, are fortunate in that we can still work without the constant fear of bombs. We need many more workers for both sewing and knitting, if we are to do all that we should do.

The War Work Committee would like every woman in South Porcupine and District to do what she can to help with the work asked for by Headquarters.

The requirements are so urgent, and the need so great, that Headquarters have asked us to carry on through the summer without interruption. Many articles are required for civilian needs and for Women's Auxiliary Forces in Britain in addition to the constant stream of hospital supplies and articles required by our fighting forces on land, sea and in the air.

Articles of many types are required, both sewn and knitted. Please call at the rooms and undertake some work.

The Red Cross Rooms are open each afternoon except Saturday from 2.00 to 5.00 and each evening from 7.00 to 10.00, except Saturday, during which times a competent sewing convener is in charge who will be glad to assign work and give any help required. Any wishing to take sewing home may do so. A competent knitting convener is at the rooms on the same days from 2.00 to 5.00 in the afternoon and from 8.00 to 9.00 each evening. The conveners will be glad to give any assistance which may be required.

When work sent in to Headquarters is not satisfactory, the Branch is notified so that mistakes may be remedied. This is done for both sewing and knitting. So far our Eastern Porcupine District Branch has had no notification of any faulty work—for which our ladies may be justly proud.

The dies who have been carrying on this work deserve a great deal of credit for their persistence and energy. More cannot be asked of them. What is required, is more help from a great many more people. Please come in and lend a hand. Both sewers and knitters are needed. A few hours a week devoted to Red Cross work on the part of many will accomplish wonders.

The War Work Committee would like every woman in South Porcupine and district to have a hand in meeting the constant and urgent appeals received from Headquarters.

Signed, Florence M. Dye, Chairman, Women's War Work Committee, Eastern Porcupine District Branch, The Canadian Red Cross Society.

Since writing the above appeal a message has been received from Mrs. Wallace R. Campbell, National Chairman of the Women's War Work Committee, as follows:

"An Appeal from the National Chairman"

"The falling off of shipments of all supplies coming into the warehouse necessitates an appeal to branches to realize the need of immediate effort. The following is a message from Mrs. W. R. Campbell, National Chairman:—

"As we have been fortunate enough to secure some additional shipping space for the month of June and are most anxious to get as much civilian clothing and knitted comforts overseas as can be possibly managed, will you urge your workers to redouble their efforts and ship everything you possibly can to the Bay and Hayter Street Warehouse at your earliest convenience.

"It is earnestly hoped that there will be no slackening on the part of our workers since the need grows more urgent hourly and since we must do our utmost to encourage the people of Britain by our gifts, which we know are being so gratefully received and which really mean so much more than just clothes.

"We beseech Canadian women to rally to the cause of our brave defenders and while we realize that it is a difficult time of year for many people, it should be remembered that for them the war is gathering momentum and for us it is little enough to give a few hours each day to a job we can still accomplish from the safety of comfortable workrooms or the shelter of our homes.

"Women of the Red Cross! "Work — Knit — Sew — Pray! The men, women and children of Britain deserve no less of us!

"Bear in mind the message of Mrs. Winston Churchill, wife of the Prime Minister of Great Britain, to the women of the British Empire:—

"I beg you all, not for a week, not for a day, not for an hour, to relax but make superhuman efforts to surpass if possible what you have already done." "The magnificent support and loyal co-operation of the branches in the past makes us sure that this will be exceeded and surpassed in the months which lie ahead."

"From the above it will be seen that the need is urgent.

Three R. C. A. F. Planes Put on Show Over Town Tuesday

Pass Over Timmins on Their Way to Manitoba and Püt on Short Show.

Three Royal Canadian Air Force trainer planes being flown west over Manitoba from Toronto passed over Timmins about nine o'clock on Tuesday morning. The planes had stopped at the Kapuskasing airport and had arranged to pass over Timmins on the way out.

As they flew in formation over the town they put on a show for a lot of the townspeople who were on their way to work. They would dive down and level off just over the rooftops and speed along. They criss-crossed over the different streets of the town and then headed out west again on their way to Manitoba.

The planes didn't spend more than five or ten minutes in Timmins.

Minor Car Accident on Elm Street on Monday

A minor car accident happened on Monday in which no charges have yet been laid but after investigation there may be charges laid. The accident happened near the corner of Kimberley and Elm Street South.

A car belonging to Frank Perello, was parked on Elm Street, South, in front of 203 and the other car belonging to Ben Lepage of 12 Balsam Street, North, was proceeding south on Elm Street.

The car that was parked on Elm Street pulled away from the curb and in doing so it struck the Lepage car on the right side causing slight damage to the front and rear fenders.

Perello was driving a 1940 Chevrolet truck and Lepage was driving a 1938 Terraplane.
