Tea tables and all decorations were in blue and white, and the two large baskets in which the gifts were precolours. The presentation of gifts was made by Miss Menzies and Miss Florine Berrigman, and a very dainty afternoon tea was served.

### Funeral at Ottawa of the Late Mrs. James Whelan

Largely attended by relatives and friends, the funeral of Mrs. James Whelan was held Saturday from the home of her daughter, Mrs. J. W. Laof Our Lady of Perpetual Help. Rev. Leo Blanchfield met the cortege at the door of the church and also said the mass, assisted by Rev. George Larose as deacon and Rev. Father O'Grady as subdeacon. Father Blanchfield said the prayers at Notre Dame cemetery.

Chief mourners were three daughters, Mrs. Lapensee and Mrs. Frank Little, of Ottawa, and Mrs. Harry Binkie, of Hull; a son, John Whelan, of Ottawa; three sisters, Mrs. Patrick Whelan, of Ottawa: Mrs. Patrick Maguire, of Chelmsford, Ont., and Mrs Thomas Donohue, of Eganville; two brothers, James Kennedy, of Timmins and William, of Eganville; 17 grandchildren and one great-grandchild.

Among the many spiritual and floral ployes, engineering department Bradford Breweries, Limited; members of Local 365, Brading Breweries, Lingted; Mrs. H. L. Dorion and staff, employes of Hotel St. Louis, Hull, and Whelan Brothers, Kirkland Lake.

#### Facts and Figures About Canada at War

More than 80,000 Canadian soldiers. sailors and airmen are now overseas About 70,000 are soldiers.

Canadians in the R.C.A.F. and R.A.F. have so far accounted for about 200 More than 800 Canadian soldiers, breaking the shell?"

sailors and airmen have been listed as killed or missing since the outbreak of When the war began, strength of the Canadian Navy was 13 ships and 3,600

and 17,500 men. Canada has now about 188,000 men in the Active Army-volunteers recruited to serve anywhere—and 170,000

men. Its strength is now 200 vessels

in the Reserves. The Royal Canadian Air Force is over ten times as strong as it was at the outbreak of war. About 35,000 more, men will be added to the Air Force during the present year.

The British Commonwealth Air Training Plan is operating 62 schools from coast to coast. Canada provides 80 per cent of the students.

Since the war began, British and Canadian governments have undertaken capital advances of \$425,000,000 to stimulate war industry in Canada. Canada's shipbuilding programme involves an expenditure of about \$120,-000,000. When war began, only 1,500 men were employed in Canadian shipvards. Now over 20,000 workers are employed in 17 major and 45 smaller

One Canadian factory will soon have the largest output of any automomatic

gun factory in the world. Fourteen types of land and naval guns, including latest types of antiaircraft and anti-tank guns, and ten types of mountings, are now being made or will soon be made in Canada. The first naval gun mounting ever made in Canada has just successfully completed its firing trials. Regular deliveries to the British Admiralty

cent official dispatches indicate that the South Africans, travelling 3,002 miles overland, have arrived at the Mediterranean's foreshore with a song entitled "We'll fight anywhere in Africa." The mere title of the song suggests the vastness of the continental mass of which British and Dutch setpensee, 337 Booth street, to the Church tlers accupy a very small part. These adventurers, all of whom are volunteers, have had remote points of departure. The Australians and New Zealanders are at least seven thousand miles from home.

## **How Many of These Questions Can You** Answer Correctly?

Don't Look at the Answers Till You Try Them Out.

(From Readers' Digest) One of the most hilarious and certainly the screwiest quiz programme offerings from private individuals were on the air is that conducted by Colonel those from R. Hector Aubrey and em- Lemuel Q. Stoopnagle. Now taking a summer recess, the Colonel will be back at it in the fall, firing his daffy questions sometimes at guest celebraties, sometimes at members of the studio audience, with a cash award of \$25 hanging in the balance. Here are a baker's dozen of his Quixie-Doodles and what happened to the people at whom he popped them. How would you fare if called upon to answer them in a hurry?

> 1 Judith Allen, the actress, answered this one (after someone had given her a pretty broad hint): "Now, Judith, standing right where you are, on this hard wooden floor, how can you drop an egg three feet without

2. Lee Tracy answered this one "How can you throw a baseball with all your might, and have it stop and come right back to you . . . without hitting any wall, or obstruction of any

3. Faith Baldwin, the novelist, muffed her question: "How could you head your automobile south on an ordinary road, drive it for one mile. and without turning, find yourself a mile north of where you started?"

4. Albert Hackett, co-star of the play hit Mr. and Mrs. North, missed this one: "Two fathers and two sons shot three rabbits. Yet each took home one rabbit. How was that possible?" 5. Peggy Conklin, also starring in Mr. and Mrs. North, did better in her answer to: "If sneakers are used in tennis, cleats in football and spike

in baseball . . . in what sport are a \( \bar{\mathbf{I}} \)metal shoes used?" 6. Budd Hulick, one-time radio partner of the Colonel (Stoopnagle and Budd), missed this: "You're the pilot of an airplane that travels from New York to Chicago-a distance of 1000 miles. The plane goes 200 miles an hour and it makes one stop for 30

minutes. What's the pilot's name?" 7. Lanny Ross, the singer, made a home run on this: "Under the law of some states the attempt to commit a certain crime is punishable but the successful commission of the crime is never punishable. What crime is it?" 8. Carol Bruce, of the musical comedy Louisiana Purchase, won \$25 by hitting this one on the nose: "After a man was blindfolded, someone hung up Tag Day. his hat. The man walked 100 yards. turned around and shot a bullet through his hat. How was that pos-

9. Florence Eldredge, the actress, won \$25 on this: "Suppose you wanted a log cut up. You called a farmer who said he would charge 50 cents to cut it into two pieces. But you wanted Nine types of gun ammunition are the log cut in four pieces. How much

10. Of a person in the audience, More than 100,000 army mechanical Colonel Stoopnagle asked: "Can you seat yourself in any particular place

11. Joe McCarthy, manager of the New York Yankees, was not caught on this one: "In a regular nine-inning baseball game, if the home team makes two runs each inning and the visiting team makes one run each inning, what is the score at the end of

12. Adrienne Ames, the actress, answered this: "In 1939 the Emperor of Canadians in the present war have India visited the United States. All not had much experience in departure. you have to do to win \$25 is tell us

13. Asked of a person in the studio mote from the home communities. audience: "How can you put your left There is one thing about departure hand completely in your right-hand age organizations south, hunting a which is common to all peoples and pants pocket . . . and your right hand place to set up headquarters in Mexico communities, and it is that the one completely in your left-hand pants or in some other Latin American who is leaving gets the thrill. The per- pocket, both at the same time? Go country.

And Here Are the Answers 1. Drop the egg from a height of his friends who see him to the train four feet. It will drop three feet withor the boat remain in their familiar out breaking. After that, what a
