### Organ Recital Event at United Church at South Porcupine

#### Other News from South Porcupine and the Dome.

South Porcupine, July 5—Special to The Advance.

The members of the United Church in South Porcupine and their friends have a rare treat in store for them when they attend their church supper on Friday, July 11th. Besides the excellent meal and good things which the Guild ladies prepare for these occasions, there will be music throughout the meal—from 5 p.m. till 7 p.m. For on that occasion Mr. Wm. Edwards, manager of the Organ department in the Heitzman Co., will give an organ recital on the large Hammond organ. This instrument is unique in the fact that it is unsurpassed for flexibility, its unusual performance and for its infinite variety of beautiful organ tones. This is the first large Hammond organ to be placed in a church in Northern Ontario and the members of the United Church must indeed be proud of themselves on this achievement. From information gathered, Mr. Edwards will play a variety of musical pieces, intended to show the possibilities of this fine organ. The programme will consist of compositions by Victor Herbert, some of Bach's organ compositions; songs, including Indian Love Lyrics—"Indian Love Call"—a British medley which includes English, Scotch and Irish songs, and to further show what this organ can do, the organist will play compositions calling for clarinet, trumpet and saxophone solos. Violin solos will also be demonstrated on this organ, and some arrangements are being made to have a short concert later on in the evening.
