

Hollinger Bombers Cinch Second Half

Churchill is Pounded from the Mound Yesterday as the Bombers Unleash Their Withering Attack

Lanky Bob Churchill Doesn't Even Last Through the First Inning. Hollinger Scores Three Runs Before Edwards is Called in to Subdue Them. Macs Rally in the Fifth Inning But Lose Out Five to Three.

The Hollinger Bombers batted themselves to winners of the second half of the northern baseball schedule yesterday afternoon as they pounded the McIntyre Miners unmercifully to score a 5-3 win. Bobby Churchill was blasted from the box in the first inning and from then on the Bombers were a little quieter under the firing from Les Edwards but they had a three-run jump in that first inning that was enough for them to win the game.

Bill Lawton, solid first baseman for the Bombers, banged out a home run in the first inning and Mike Karahan almost got another one in the same inning. After Lawton's home run, Romualdi and Dorey each hit out singles before Art Quinn called Churchill into the bench.

In the fifth inning Red Schledewitz, first man up for the Macs, was beamed and knocked cold. The big redhead stopped a fast ball with the side of his head and dropped into a head on the ground. He had to be taken from the game and was replaced by Cooke, whom he had just replaced. The red-head got a big hand from the crowd as he walked off the diamond shaking his head.

The game was a long drawn out affair that lasted more than two hours

and it didn't show any spectacular playing. In the fifth inning when the Macs got their three runs the Bombers seemed to fall to pieces and got three errors bunched in together to give the Macs their runs. McIntyre had two double plays to pull Edwards out of a couple of bad holes in the sixth and seventh innings but outside of those flurries there wasn't much excitement in the game.

The bombers didn't waste any time to get started and right from the first they showed that they were going to give Churchill a lot of trouble. Cookson worked up a three to two count before he grounded out to Zachary of first for the first out. Karahan came up and hammered out a long hit between centre and right field that was good for three bases but when Dunn fumbled the ball Karahan streaked in with the first run. Chase went out easily at first and then Churchill walked Barton. Bill Lawton followed Barton with a home run to the same spot that Karahan had hit to. Romualdi singled to left field and Dorey hit another single to right field. Churchill was then taken from the mound and his place was taken by Les Edwards, the McIntyre hard-luck pitcher. Oitean, first man to face Edwards went out swinging.

McIntyre went down 1-2-3 in their first inning and then the Bombers came to bat again and got themselves another run. Cherevaty, first man up fanned and Cookson was thrown out at first before the Hollinger rally could get started. Karahan singled to right field for his second hit and he went to second when Chase was walked. Barton banged out a hard single through short and Karahan scored while Chase pulled up at second. Lawton was an easy out at first to retire the side.

There wasn't any more scoring till the fifth inning when the Macs got three runs to come within one of the Bombers. In the fourth inning the Hollinger were left with the bases loaded when Edwards walked three men and then fanned Lawton. In the fifth Schledewitz, first man up for the Macs, was hit on the head and was

taken from the game. Cooke went in to run for him and when Barton allowed him to remain in the game he went in to catch. Oulmet singled to left field and Cooke advanced to third base. Webber hit to second and loaded the bases. Dunn bled out to Romualdi in a line drive and Romualdi threw wild to second base for a double play and the ball rolled into the field. Cooke ran in with the first run and Oulmet decided to return to third and by that time Webber was at third. It left two men at third so Oitean whipped the ball down to Dorey who was at third then. Dorey fumbled the ball and Oulmet scored. Chase ran after the ball that got away from Dorey and threw to the plate to try and catch Webber but the throw was wide and Webber was safe with the Macs' third run. Cherevaty was up in the air and he walked the next man before he settled down again. Zachary then flied out to short stop and then Richardson forced Wilson at second base. In that fifth inning the fans saw some of the wildest baseball that ever was played in this district.

Hollinger got one man as far as second base in the sixth inning and the Macs got one man to first. In the seventh inning the Bombers added to their four runs assisted by an error by Edwards. Barton hit singled to right field and Lawton, next man up, hammered one at Edwards. Edwards had lots of time so he tried a double play on Barton but the ball landed in the dirt and rolled into the field so Barton went down to third while Lawton pulled up at second. Romualdi's single to second base scored Barton with Hollinger's fifth run. Dorey flied out to left field and Lawton tried to get in after the catch but was caught at the plate. Oitean flied out to left leaving Romualdi at second.

On one hit McIntyre got one man as far as first base in their half of the seventh and in the eighth the Hollinger got a man as far as second with a double. McIntyre again had a man left at first in the eighth while the Hollinger went down in order in the ninth and the Macs again placed a man on first base.

The line score was:
Hollinger 5 310 000 100-5 11 4
McIntyre 3 000 030 000-3 10 2

The batteries: Churchill, Edwards and Cooke, Schledewitz; Cherevaty and Oitean.

Hargreaves Coming to Hollinger on Saturday Afternoon

Timmins and district baseball fans have their fill of baseball coming up for this week-end two important games scheduled for Friday and Saturday afternoons.

On Friday afternoon the Hollinger and McIntyre junior teams will meet at the McIntyre Park. This game will start at five o'clock and is worthy of a good crowd. Both these junior teams are playing some fine baseball this season. The game was originally scheduled for Friday, July 18th, last week-end but the rain forced a postponement till to-morrow afternoon.

A senior game that was scheduled for to-morrow afternoon between McIntyre and Hollinger has been postponed so that the two Ennis Cup games can be played. These Ennis Cup games were scheduled for last week-end but they both had to be postponed because of rain. Wright-Hargreaves, second-place team in the southern section of the T. B. L., will be the guests of the Hollinger Bombers at the Hollinger Park on Saturday afternoon at five o'clock.

Mammoth Field Day is in the Making for the Civic Holiday at the McIntyre Ball Park

A Fine Programme of Sports Has Been Arranged for the Civic Holiday. Including a Baseball Game Between Hollinger and McIntyre. Special Free Attractions Are the Best Available.

One of the busiest spots in the Porcupine Camp on Monday, August 4th (the Civic Holiday) will be the McIntyre Athletic Park. A programme of sports has been planned for the entire day, starting with a band parade at ten o'clock in the morning and finishing with a dance in the McIntyre Gymnasium in the evening.

Biggest and most important event of the day for the McIntyre employees is the Safety Award Draw at three-thirty in the afternoon. Each employee is given a chance in the draw for each shift that he has worked without an accident. In the afternoon there is a draw held for prizes totalling over \$500.00.

A number of free attractions have been lined up by Bob Crosby for the afternoon. Among these is included an acrobatic act, a juggling act, an act with four dancing girls, an accordion player and a special act called "The Human Horse".

One of the special events during the day is the free distribution of tea and coffee. Any person planning on staying at the Park for the day is advised to bring along a picnic basket and free tea and coffee will be distributed between 12:00 and 1:30 p.m. This is one of the pleasing features of all the field days at the McIntyre Park.

Team athletic events scheduled for the day include a football game in the morning at 10:45 and a baseball game in the afternoon at 4 p.m. The baseball game will be between Hollinger and McIntyre and will be a regular Ennis Cup fixture.

All through the afternoon there will be races for individuals including open events and other events for McIntyre employees only. There will also be a number of children's events in the morning. There will be team events such as tug-of-war, etc., between different mine teams. Foot races, bicycle races, water sports and casting competitions will round out the fine programme of afternoon sports.

The whole thing will be brought to a close with a big dance in the McIntyre Gymnasium in the evening. Music for the dance will be supplied by the Mac Ambassadors and a small admission will be charged. At the dance in the evening the prizes for the afternoon sports will be distributed and a floor show will be presented.

The admission to the grounds in the afternoon is very reasonable and all McIntyre employees are being admitted free.

Toburn Takes Two Game Lead in the Southern Section

Toburn Beavers defeated Lake Shore for the first time this season in southern section Temiskaming Baseball League play in Kirkland Lake Tuesday afternoon, to take a two game lead in the standing of the southern circuit as three top teams continue their heated battle for playoff position. Jumping to an early lead in the first frame, the Beavers kept ahead of the Shoremen to win by an 11-7 count.

These two clubs have met on two previous dates, but Tuesday's decision is the first chalked up by the Toburnites over their bitter mine rivals this season.

Toburn is now two full games ahead of Wright-Hargreaves while the latter squad in second place, had a clear margin over the Lake Shore Mine.

Lake Shore started Monk Monique on the mound but he gave way to pint-sized Grant Clark in the seventh after having trouble controlling his offerings. Dick Lynott went the distance for the winners, but all the chuekers found the going rough as the swatsmiths fattened their batting averages with a total of 25 base knocks during the afternoon.

The turning point in the game came in the Toburn slice of the seventh, when with two on base and none out Red Rice clouted a home run into deep right centre field. Before the Shoremen could retire the Beavers, they had scored six runs. Lake Shore picked up four in that same stanza, but the pace-setters were well out in front and couldn't be reached.

Jack Allen, Toronto Sports Promoter was Here This Week

Jack ("the Deacon") Allen, popular Toronto sports promoter, was in Timmins this week rounding out arrangements for the big wrestling show at the McIntyre on Tuesday night in which "Two-Ton" Galento is scheduled to make his first appearance in the Porcupine Camp.

One of his chief difficulties seemed to be to make the people believe that Galento was actually coming to the McIntyre. Most of the people, he said, were inclined to think it was just another advertising stunt. The sport fans had been fooled before in that way and they were dubious about the idea this time.

A few years ago when wrestling and boxing matches were a regular thing in the Porcupine Camp, it was announced that Jack Dempsey would be in Timmins to referee a boxing show. It finally wound up with Art Leonard, local boxing man, handling the refereeing duties. At that time Dempsey had appeared in Hamilton and fans in Timmins figured that he would take the trip here. It was brought out later that Dempsey had not even been approached to come to Timmins.

However, this week, Jack Allen said that it was definitely set for Galento to appear here. The "Beer Barrel" is already on his way north and will appear in Kirkland Lake the night before he comes to the McIntyre. An Ontario tour has been drawn up and he is scheduled to appear in Niagara Falls, Hamilton, Ottawa, Windsor, Kirkland Lake and Timmins. Galento is accompanied on the trip by his manager, Harry Mendel.

Allen added that in the last week in August or the first week in September Jack Dempsey may appear here but so far there is nothing definite arranged. An attempt will also be made to have Max and Buddy Baer appear here in the fall. Dempsey, Allen added, is a hard man to get. He is in demand everywhere and is so busy filling engagements that he may not be able to take a trip up here.

"Two-Ton" Tony Galento comes to the Porcupine district next Tuesday night when he is scheduled to referee the all-star heavyweight wrestling card that is being presented at the McIntyre Arena.

"Two-Ton" Tony is to be accompanied by his manager, Harry Mendel, who succeeded the late Joe Jacobs in that capacity and reason for the pair's presence in Canada is two fold, for besides picking up some rather important money in his refereeing appearances, Mendel's idea is to keep Tony away from the bright lights of Broadway and his Jersey tavern for the next month in anticipation of an important battle in New York early in September.

Determined to make the card outstanding with several stars of the heavyweight division competing, Bob Crosby got off to a good start by signing Whipper Billy Watson, Canada's contender for the world's title to meet Cy Williams, of Tallahassee, Florida, in the main bout which will be a best two out of three falls battle.

Watson was the winner of the international tournament recently staged in Maple Leaf Gardens, Toronto, and his favorite hold is the "Irish Whip" which critics say he uses even more effectively than Danno O'Mahoney who won fame and a world's title with it a few years back. That Williams will give Watson plenty of opposition is evidenced by the fact that he just recently defeated the French star, Yvon Robert, in the latter's home town, Montreal.

Watson scales 226 pounds against 235 pounds carried by the "Tallahassee Terror," as Williams is known.

A semi-final match that could go as a main bout in any man's town, has been signed up and finds the current mystery man of the ring the "Masked Wolf" meeting Lee Henning of Iowa. Henning, a graduate of the University of Iowa, is a former football star, who scales 232 pounds and is ranked amongst the top-flight grapplers of the heavyweight division.

The "Masked Wolf" has been the biggest attraction in Canadian rings during the past season, and engaged in fourteen main bouts in Maple Leaf Gardens, Toronto, without sustaining a loss. "The Wolf" scales a mere 250 pounds.

One other match which is also in the heavyweight division is being lined up to round out the card.

New York Times:—Why don't automobile designers take a deep breath and develop a car in which the driver can sit right up front? The least they could do is to place the steering gear in the centre of the front seat. I have yet to see a vessel with the steering wheel on the port side of the bridge, or a plane where the pilot fiddles his controls and observes his many instruments while sitting out on the left wing somewhere.
