McIntyre Maulers are Losers In Ennis Cup Game With the Wright-Hargreaves Saturday

Hargreaves Take Five Run Lead Before the Macs Can Get Started. Maulers Get a Tough Call Against Them in Seventh Inning That Costs Them the Game. Final Count is 5-4.

Art Quinn's McIntyre Maulers dropped an Ennis Cup game to the lowly Wright-Hargreaves team from Kirkland Lake on Saturday afternoon at the McIntyre Park. The win meant little to the Hargreaves team who are out of the running for the trophy anyway but it meant a lot to the McIntyre team who are fighting it out with the Hollinger Bombers for first place.

Hargreaves got off to a good start, scoring all five of their runs before the Maulers could get started. McIntyre got what looked like a bad decision in the seventh inning that kept them behind. Dunn was racing from second to third base and Vail had driven the ball to the short stop. Umpire Karahan ruled that the batted ball had hit Dunn between bases, retiring the side. Had the ruling been that the short stop had fumbled the ball the Macs would have been one run ahead.

There wasn't anything in the way of hitting on either of the clubs with only two men getting extra base knocks. In the seventh inning, Oumet led off with a long hit to deep centre field that should have been good for three bases but the squat Frenchman could only get as far as second. In the same inning Eddie Dunn stretched a long single into a double.

Les Edwards, in the box for the entire game, pitched steady ball but wavered badly in the third inning when the Hargreaves team pounced on him for three hits and three runs. George McShane was sent out to warm up in that inning but the Macs never used him. Roach went the route for the Kirkland Lake team and he also had a bad inning. In the seventh inning the Macs scored three runs off him with three hits and an error.

Axsmith, Hargreaves catcher, was taken from the game in the seventh inning when he sprained his ankle in attempting to field a passed ball. Privett who was at third took his place behind the bat.

The game was into the second inning before either of the teams could do any scoring and it was the Hargreaves team that started. Baird had got to first safely when he forced Sherwood at second and then he stole second while Axsmith was striking out. Privett's hit to centre scored Baird with the first run but Privett stayed at first when Anderson fanned.

In the third inning the Hargreaves team again put on the pressure and managed to get themselves three runs to forge away ahead of the Macs. Roach had flied out to start and then Don Price singled through the box. Zachary's error left Price safe at second and Farghar on first but Farghar was forced at second by Levandoski. Sherwood rapped out a long single to centre field scoring Price and sending Levandoski to third. Baird followed with another long single to centre scoring Levandoski and sending Sherwood to third. Just before Axsmith was thrown out at first, Sherwood pranced in on a passed ball.

The Macs couldn't get a man as far

Two-Ton Tony Runs Out on Promoter in Owen Sound

Had Refereed Wrestling Bout in Parry Sound the Night Before but Failed to Appear in Owen Sound Thursday.

Wrestling fans were disappointed in Owen Sound Thursday night when Tony Galento failed to show up to referee the main bout between Whipper Billy Watson and the Masked Wolf. Galento referred in Parry Sound on Wednesday night, and there was no doubt in the mind of Promoter Frank Tunney that he would not arrive in time for the bout.

"I will cancel all his future bookings, tomorrow night in Brantford, Monday night in Belleville, Tuesday night in Oshawa, and Wednesday night in Peterborough," said Tunney when he was questioned Friday as to what steps he is going to take against the Orange, N.J., bartender.

Asked if he could take any legal action against Galento, the promoter replied, "I could sue him for breach of contract, but his home is in New Jersey and mine is here in Ontario. I'm certainly going to investigate when I get back home tomorrow, and if it is possible to take action against him, I will."

Whipper Billy Watson won the main bout when Referee Phil Lawson disqualified the Masked Wolf during the second fall. Watson had previously won the first fall.

"I'd like to punch him in the nose, that's all," said Promoter Tunney Friday night when asked if he planned to instigate any action against Galento for his alleged breach of contract. Tunney said Galento never at any time intimated he intended going back home before he had made appearances at several points in Ontario.

"Maybe it will all be for the best," the Toronto matchmaker said as he revealed that he had secured Jimmy Braddock, former world heavyweight champion, to take the place of Galento. "The shows that I had intended to use Galento for will be held," Tunney said. "They'll just be put back one week until Braddock is able to come to Canada to referee the bouts."

Lake Shore Miners Saved After Being Buried Two Days

Three Men Laugh and Joke Over Experience. One of Them Through it Before.

In last Thursday's Advance reference was made to the fall of rock at the Lake Shore Mine, and it was believed at that time that Kirkland Lake that the three men imprisoned by the fall could not possibly be rescued alive. While every effort was made to reach the men, little hope was entertained at that time was centred on contradicting rumours that there were more than three men under the fall of rock. At the same time, however, strenuous work was done to reach the men, dead or alive. Friday afternoon the workers heard sounds that showed them that some of the men at least were alive, and then effort was redoubled. Immediately a diamond drill was used to install a pipe for communication with the men and for sending them food. Early on Saturday the three men, Peter Cain, 37-year-old shift boss, Harry McMillan, 37, and Griffith Jones, 38, were reached and brought to the surface, after 48 hours imprisonment by the fall of rock. They were practically unhurt, one having a scratch on his hand and another a cut finger. They were taken first to the first aid station and then to the hospital. They had escaped from the falling rock but had been penned in by the rockfall. They said that the first few hours were the worst, but when they could hear the rescue crew, at work, it was not so bad. They conserved light by using only one of their flashlights at a time. To pass away the time, they said they had played "noughts and crosses," using chalk as a pencil. After the pipe had been installed, food, cigarettes, etc., were sent down to the imprisoned men. After they were rescued the men laughed and joked with their rescuers. One of the men had gone through a somewhat similar experience on another occasion, and he is quoted as telling his two companions that everything would be all right, as it had been before.

Hollinger Takes Firm Hold on Leadership of Ennis Cup Series at McIntyre Park on Monday

Three Runs in Eighth Inning Brings Hollinger from Behind a One Run Deficit to the Top by Two Runs. Lawton and Romualdi Hammer Out Three Base Smashes to Win.

Launching a three-run attack in the eighth inning of their baseball game with the McIntyre Maulers on Monday afternoon, the Hollinger Bombers forged into the lead in the Ennis Cup series. The Bombers are now two full games ahead of the Maulers and McIntyre, to even the series, must beat them in their one remaining engagement and trust Toburn Beavers to beat them in a postponed game.

The Macs came from behind a one-run lead on Monday to tie up the game and then go ahead one run. In the eighth inning two three-baggers and two McIntyre errors spelled defeat for the Maulers. One of the biggest crowds to witness a ball game here yet, packed the grandstands and flooded out into the field, making new ground rules necessary. Few casualties resulted from the packed ball park, only one woman being hit by a thrown ball.

Lawton scored for Hollinger in the second inning when he got on by Oumet's error and went to second on a wild pitch, went to third on a fielder's choice and home on Oumet's single. McIntyre evened the count in the next inning when Webber walked, went to second on Zachary's single and home on Dunn's single.

McIntyre went into the lead in the sixth inning when Kosick singled, went to second on Oumet's single and then when a thrown ball bounced off Oumet's nose into the outfield, Kosick pranced in with the run. Oumet dropped at third base, his face splattered with blood but was back in the game in about ten minutes.

Hollinger's big eighth inning was made up of three hits and two errors. Barto, first man up singled and scored on Lawton's three-base knock. Romualdi banged out another three-base hit to score Lawton and then the stocky short stop scored on Richardson's error. That three run spurt was enough to win the game.

The line score was:
Hollinger 010 003 030—4 10 2
McIntyre 001 001 000—2 8 3

Toburn Commits 11 Errors But Still Beat Macassa 8-7.

Kirkland Lake, Aug. 6 (Special)—Toburn Beavers again are holding a one-game lead over Wright-Hargreaves in the two evenly matched clubs' continuing their fight for possession of top spot in the southern section of the Temiskaming Baseball League here.

In one of the wildest games played here this season, the Beavers committed a comedy of errors, but still had enough on the ball to pull through with an 8-7 decision over Macassa. Maulers here Monday. The defeat marked the eighth game that Macassa has lost by the one-run margin.

Toburn gave its weakest display of fielding that a Beaver club has ever displayed and losing the lead three times before gaining the extra run in the last of the eighth. Macassa contributed four bobbles to help mark a new single game record for errors—fifteen in all. The Toburn infield alone was responsible for ten muffs.

Ward gave Toburn five runs in the first inning before he was relieved by

Kirkland Golfer Scores Three Under Par Sunday

Griffith Owen, professional at the Kirkland Lake Golf Club, is the talk of fairway circles in Northern Ontario today, following his torrid tour of the local course over the week-end to cover the first nine holes in six under par, and finish the 18 with a 69 score—three under par.

Mr. Owen recorded a score never before approached by any golfer over the first nine of the local course. With a par of 36, he covered the distance in 30 strokes. The first two holes he pared. Then he birdied on the next six, and finished off with a par on the ninth.

Bob Stewart, who finished the game. Ray Larose, starting Beaver moundsman left the game in the fourth due to a blistered finger. After the exchange of chucks, the game was tied on two occasions with Bussiere finally getting credit for the win.

Mark Burnett Wins Four Events at the Annual Field Day Last Monday Afternoon

First Time in History of Event That There Has Been a Four Time Winner. Events Were Not Quite as Good as Previous Years But Were All Close.

With thousands of sport-hungry patrons wandering all over the grounds, the McIntyre Athletic Association marked up another success in their Annual Field Day on Monday at the McIntyre Park. The crowd that attended was the biggest in the eight-year history of the event. Prizes distributed to the competitors were just as big as in previous years although the competition in some of the sports was under par.

Mark Burnett, Timmins athlete, led the field in the track and field events in the afternoon, marking up four wins to set a new record. It was the first time in the history of the event that one person has won four different events. The competition in all the afternoon events was not quite as good as in previous years although some of the marks were better.

The event started off in the morning with the children's races and a football game and two band parades and then swung into the afternoon with the men's events, a baseball game the safety award draw and the midway and free attractions in front of the grandstand. In the evening the event wound up with a dance in the McIntyre Gymnasium. All day long there was a lot of activity at the Lions' Club Swimming Pool where a number of races and competitions were held. The winners of the Children's races in the morning were:
6 years and under—Boys—1st, A. Mair; 2nd, S. Brownlee; 3rd, J. Kovyanach.
6 years and under—Girls—1st, M. Kenzie.

McIntyres Trounce Hollinger Ten to Four Last Night as They Capitalize on Errors

Hollinger Takes Three Run Lead in First Three Innings, the McIntyre Scores Five Runs in the Fourth. Both Score One in Seventh and the Maulers Add Another Four in the Eighth.

The McIntyre Maulers kept a life in the northern section of the Temiskaming Baseball League yesterday afternoon when they trimmed the Hollinger Bombers 10-4 in a game that surprised everybody but themselves. Hollinger took a three run lead in the first three innings but the Maulers launched a torrid attack as they started to pound Tennant's offerings all over the lot in the fourth inning to score five runs.

The Maulers threw Churchill into the game in a desperate effort to stay in the running and they even kept Eddie Dunn out of the game till the last inning as they changed all their players around. The Hollinger team played the same game as they always have and changed only in the eighth inning when they were trailing by two runs.

Karahan and Barton scored for the Bombers in the first inning and both teams went scoreless in the next but in the third the Bombers added another run to their pair to give them a nice lead. The Maulers were unable to get started till the fourth and when they did start in that inning they pounded Tennant unmercifully as they drove in five runs and died with the bases loaded. In that fourth inning Tennant helped them out with four walks, while Karahan also assisted, as he made a two-run error.

Things went along smoothly then till the seventh inning when the Bombers again threatened but they were choked off with one run. Tennant drove the run in with a long double to centre field. In the eighth inning Barton sent Avery into the box and the Maulers started to work on him. They bashed him for four runs and left two men stranded on the bags.

Errors played a big part in the McIntyre win and a lot of assistance came from the steady stream of passes that were issued. Of the fourteen runs that were scored only seven of them were earned.

The line score was:
McIntyre 000 500 140—10 11 3
Hollinger 201 000 100—4 7 6
Batteries: Churchill and Schledewitz, Tennant, Avery and McKay, Dupuis.

Hargreaves Climbs to Within Half Game of Toburn Beavers

Beat Out Macassa Last Friday Afternoon 4-3 After Ten Innings. Sherwood's Fourth Win.

Kirkland Lake, Aug. 5—(Special)—Wright-Hargreaves climbed to within less than half a game of the leading Toburn Beavers in the southern section of the Temiskaming Baseball League Friday afternoon when they defeated the tail-end Macassa Maulers 4-3 in ten innings. The game went into the extra inning, and the Macmen gave it to Wright-Hargreaves when Schonfeldt allowed two hits, walked a third batter to fill the bases with two out, and then hit Orval Privett with a pitched ball to force Art Fargher home with the winning run.

Macassa fought an uphill battle all along the route after the Duncanites jumped to a 3-1 lead in the first inning. Youthful Bud McLellan was on the mound for the W-H. squad, and lost his lead in the fifth when the Macs drew up even with two runs from four well-bunched hits. Schonfeldt and McLellan hurled hitless ball after the sixth. After McLellan was taken out for a pinch hitter in the ninth, Jimmy Sherwood finished the game for Hargreaves, getting credit for the win.

It was Sherwood's fourth victory in as many starts this season. While drawing closer to a first-place tie with Toburn, Wright-Hargreaves also widened the gap between themselves and the third-place Lake Shore nine, which is still very much in the battle for playoff positions.
