Interesting Report of Committee Given at the Kiwanis Meeting Monday

Education, Programme, Publicity, Underprivileged Children, Vocational Guidance, Auxiliary War Services, Juvenile Court, Boys "K" Club, and Air Cadet Squadron Dealt With.

There was no special speaker at the regular weekly luncheon of the Timmins Kiwanis Club at the Empire hotel on Monday, but the meeting was a very interesting and valuable one. The chief feature of this meeting was the receiving of a number of special reports by the conveners of important committees. These reports all carried valuable information that proved the merit of the work carried on by the several committees concerned. The reports were all notable for the large amount of detail that evidenced the work and interest given to worthy lines of activity.

P. T. Moisey, chairman of the Juvenile Court and Boys "K" Club committee gave an interesting talk on the work of his committee and advised that permission had now been received from Ottawa for the formation here of an Air Cadet Squadron. He announced that a meeting would be held Wednesday night at the "K" hall to complete the organization of the Air Cadets here. He also mentioned the appreciation expressed by the Timmins police force for the assistance given them and the boys by the Juvenile Court Committee. Other very interesting and informative reports were as follows: "Kiwanis Education," by P. H. Lapore; "Programme," by Fritz Woodbury; "Publicity," by E. H. King; "Underprivileged Children," by Jos. Jackson; "Vocational Guidance," by Gordon Irving; "Auxiliary War Services," by W. M. Widdifield.

President W. O. Langdon occupied the chair. Visitors were: Dr. Maxwell of Toronto General Hospital; Kiwanian Bill Booty, of Galt, Ont. The singing was led by Fritz Woodbury. The question of choosing delegates to the Kiwanis Convention at Montreal on Sept. 21st was drawn to the attention of the members. To-night (Thursday), Aug. 21st, there is to be a joint meeting with South Porcupine Kiwanis Club at South Porcupine to welcome Governor Burden of the Ontario-Quebec-Maritime District on his official visit to the Kiwanis Clubs of this part of the North.

Shower in Honour of Popular Bride-to-be

Miss Margaret Easton, Saturday's bride-to-be, was guest of honour on Wednesday at two shower events, the first, in the afternoon, a handkerchief shower at the home of Mrs. P. Bennett, 124 Birch street south, and the second, in the evening, a personal shower at the home of Mrs. C. M. Hatton, 44 Toke street. Gladioli and other summer flowers were tastefully arranged at the home of Mrs. Bennett, while the manner in which the "hankies" were presented to the bride-to-be was a masterpiece of artistry. Gladioli and other flowers were arranged into a colonial bouquet, with the lace-effect of handkerchiefs, and more dainty gifts attached to the streamers. A delicious afternoon tea was served by the hostess, with Mrs. Weir and Mrs. J. Yuller presiding at the tea table. Summer flowers also graced the home of Mrs. Hatton, where a large number of friends of the popular guest-of-honour gathered to extend their best wishes with charming personal gifts. Her mother, Mrs. J. T. Easton, poured tea, and the guests spent a pleasant social evening, during which the guest-of-

Popular Timmins Young Man Drowns Here on Sunday

Harry Boyd, Well-Known in Timmins, Was Drowned Seven Miles Up the River. Harry Boyd, popular Timmins young man lost his life on Sunday morning shortly after three o'clock when he fell from the outboard motor boat, in which he was riding, into the dark waters of the Matagami River about seven miles from Timmins. The unfortunate young man was with a party of friends and was going up the river for a week-end outing when the accident occurred. The boat from which he fell was driven and owned by Jack Dalton Jr., and the party were going up the river for the week-end when Boyd slipped into the river in the dark. Boyd could not swim and it is thought that he

drowned immediately. The young man's friends stopped and built a bonfire on the shore in case he had managed to reach shore and after searching for about three hours they returned to Timmins and notified the Provincial Police who started dragging operations to recover the body. Sunday night the police had to stop dragging because of the darkness but they started again at daylight the next day and on Monday afternoon about three o'clock the body was recovered in about ten feet of water and about fifteen feet from shore near the spot where he slipped in. Harry Boyd was very well known in Timmins being a member of the younger set of the town for years. Practically all of his life was spent in Timmins and he was known as a great sportsman. He owned several of the best outboard motor boats on the Matagami and was one of the best racers on the river. Many of his week-ends were spent up the river where he used to bring his friends on fishing trips. The late Mr. Boyd was thirty-five years old and had been employed at the Hollinger Mine for years. He is survived by his mother, Mrs. A. Boyd, his wife, one child, and two sisters, Mrs. Shantz, of Schumacher, and Mrs. Mitchell of Kirkland Lake.

The funeral services were held in Timmins yesterday afternoon at four-thirty in St. Matthew's Church and the services were conducted by the Rev. Canon R. S. Cushing. The Golden Beaver Lodge A. F. & A. M. of which Mr. Boyd was a member attended in a body. After the funeral services the remains were sent to Havlock, Ontario, for interment.

H.R.H. Duke of Kent Given Welcome to Timmins on Visit

(Continued from Page One) (R.) P., and number of other regiments and branches of the services, Cecil Linder of the Airforce and Frank Devine of the Provosts being in the number. Lieut. Countryman in charge. The St. John Ambulance Brigade. The Nursing Division of the S.J.A.B. The Porcupine Male Choir, under the direction of Ron Jones.

A platform had been erected in front of the post office, and on this, as well as in marches, the Timmins Citizens Band, the Pipe Band and the Porcupine Male Choir presented a programme during the wait for the arrival of the royal guest. During the stay at the town hall the choir and the bands also presented pleasing music. On the arrival of H.R.H. the Duke of Kent the Timmins Citizens' Band played "God Save the King," the visitors as well as the crowds standing at attention. At the conclusion of the National Anthem His Worship Mayor J. Emile Brunette welcomed the Duke to Timmins, taking him then into the town hall where representatives of the various organizations and prominent citizens of the town and district were presented to His Highness. Among those in the hall were: Judge and Mrs. R. A. Denis, Magistrate Atkinson, Councilors J. W. Spooner, William Roberts, W. McDermott, Karl Eyre and J. P. Bartleman, of Timmins; Major J. H. Cornthwaite of the Salvation Army, in command of the Legion; Maurice Williams, president of the Red Cross; Mrs. Jas. Keene, regent of the I.O.D.E.; Mrs. P. Theriault, president of La Federation des Femmes Canadiennes-Francaises; Reeve V. H. Evans, and Councilor Dr. Somerville, of Tisdale; Reeve W. Bannerman, Whitney township; Councilors Sawyer, Power, Needham and Jessup, Iroquois Falls; Councilors Grainger and Clements, Larder Lake; Mayor Penny and Councilors Miss Dempsey, O'Malley, Palangio and Martin, of Cochrane; J. A. Habel, member of Ontario Legislature for Northern Ontario; Dr. J. A. McInnis, former mayor and a pioneer citizen. To each of these His Royal Highness chatted informally, taking time for interested questions to each one. Councilor Roberts, Mrs. Keene and Mrs. Theriault came in for special time from the Duke.

After the reception in the town hall the Mayor accompanied the Duke of Kent on an informal inspection of the Boy Scouts and other groups in front of the hall. In each case His Highness chatted kindly with several in each group, as well as acknowledging the cheers from the crowd, and winning the hearts of all. Among those whom the Duke of Kent chatted with in the line before the town hall were: Bill Tonkin, Fred Curtis, A. Morgan and James Gordon, of the Canadian Legion; Mrs. A. Hardy (president), Mrs. S. Tilley, Mrs. A. Bellamy of the Ladies' Auxiliary of the Legion; Capt. K. Hitch, Toke street, of the Girl Guides; Esther Koza, (10 years old) of the Brownies; Mr. Bellek and one of the trumpeters of the Boys' Bugle Band; District Cubmaster Nick Paselano; District Scoutmaster Norm Green; Capt. Fulmer, of C.W.S.F., Mrs. C. M. MacElwee, Lieut. Marlon Sweeney; as well as the leaders and members of several of the other groups. After these happy interviews during which the Duke had won the hearts of all, there were cheers for His Royal Highness when he strolled across the street to speak to Mrs. Roza Brown, of Kirkland Lake, who had been in front of the town hall for hours, dressed in a brilliant Hungarian costume and carrying pictures of the Royal Family. Roza Brown went to Ottawa to meet the King and Queen and won further fame by sending the Princesses a black lamb as a gift. After chatting with Mrs. Brown for a few minutes, His Royal Highness re-entered the car to drive around the town. The streets were lined with loyal folks anxious to get a good view of His Royal Highness but many were disappointed as a closed car was used, though arrangements in this as in practically all other particulars on the part of the town officials had been about perfect, an open car being on hand to take the Duke of Kent on a tour of the town. Arriving at the Hollinger Mine, the party were received by Mr. Jules Timmins, president of the Hollinger. The Duke and party were taken all through the Hollinger plant and underground. His Royal Highness took part in the pouring of a gold brick, valued at over \$50,000. His Highness was greatly interested in all processes and in the mining work. A tea planned for the party had to be deferred on account of the late arrival, but His Royal Highness was entertained at dinner at the Hollinger Lodge. He remained at the Lodge for the evening. On Wednesday morning the Duke of Kent visited the McIntyre Mine and the town of Schumacher where he received a most enthusiastic and sincere welcome and there again he won all hearts. Mr. R. J. Ennis, general manager of the McIntyre, welcomed the distinguished visitor, who made a tour of the property, on surface and underground. He was guided by Mine Captain Dave Bennett, a former member of the Black Watch Royal Highlanders of Scotland. On his visit to the McIntyre and Schumacher the Duke met many of the leading citizens and showed much interest in all of them as well as in the workers and others encountered in the tour. From Schumacher His Royal Highness returned by car to the airport at Porcupine Junction, from which point he went by air to Toronto, leaving at 1 p.m. (E.D.T.). At Toronto he will officially open the Canadian National Exhibition to-morrow.

Damage to the building is expected to run into several hundred dollars. Firemen were hampered in their work at this fire by the very heavy smoke. Almost an hour later the firemen had another call to 50 Commercial Avenue where the stove pipes in a house occupied by E. Beauchamp were on fire. Firemen made short work of this fight and the loss to the occupant was negligible. On Monday the firemen were called to 88 Montgomery Avenue, to a house owned by R. Webb. It was a stove pipe fire and the firemen extinguished it in short order with the loss to the owner being very small.

Also surviving are two sisters, Mrs. W. Mayse of Vancouver, B.C., and Mrs. F. Williamson, of Belleisle, Manitoba, and one brother, Arthur, of Victoria, B.C. The many beautiful floral tributes were evidence of the esteem in which the deceased was held by his friends and relatives. Exchange: Bridegroom—I thee endow with all my worldly goods. Spruce Street House is Badly Gutted on Tuesday Afternoon

Fire Started in Clothes Closet and Spread to Attic. Smoke Was Very Heavy. Two fires broke out in Timmins on Tuesday that could have ended in tragedies but fortunately they did not. The two calls came in at a time when thousands of persons were packed in front of the fire hall awaiting the arrival of the Duke of Kent. One of the fires was serious and two trucks were sent out but the other was only a stove pipe and chimney fire. The firemen are to be congratulated on the way they got the two trucks out of the hall on Tuesday without being involved in any accident. The one fire that was bad on Tuesday was one at 157 Spruce street north, when a building occupied by E. Decour, started to blaze. Firemen say that the fire started in the clothes closet

Reason Enough

Describing the unusual features of various animals, the teacher dealt with the camel's hump, the giraffe's neck, and the elephant's trunk. Then she began asking questions. "Now, Tommy," she asked one youngster, "Why couldn't a giraffe come in at the door of this room?" "Because it couldn't turn the door-handle, miss," Tommy replied brightly.—Montreal Star.

Huntsville Amused

We were very amused on Saturday. A Wisconsin car stopped on Main street. (He was gouble parked). The driver left the wheel and went to the back of the car, took out a bottle of whiskey, a glass, a bottle of water and an ice-pick; poured himself a drink, chipped some ice from a cake in the back, filled the glass with water, and stood there enjoying his highball. There's nothing like feeling at home!—Huntsville Forester.

Be a Sport

Two farmers decided on a trip to town. After a round of sight-seeing they entered a hotel. "We'd like to stay here for the night," said the elder. "Certainly," said the clerk. "Would you like a room with a bath?" The elder farmer hesitated. "Go on, Oliver," urged his friend. "Be a sport. We only live once."—North Bay Nugget.

The Whole Story

Returning from his day's toil to his happy little home, father greeted his family. "What have you all been doing today?" he asked. "I washed the dinner things!" said Ann proudly. "And I wiped them!" exclaimed Sheila, just as proudly. Father turned to his only son: "And you, John?" "I picked up the pieces," was the brief reply.—Exchange.
