Horticultural Society Show Outstanding Success

Despite Most Unfavourable Weather the Attendance Was Large and the Programme a Delightful one. Best Show Held in North to Date. Many Points of Special Interest.

Community Building on Monday and in Timmins and which filled the arena of the McIntyre Tuesday for the annual Horticultural Show, proved that the Northland is equal to any other part of Ontario in its production of perfect flowers and vegetables, while the Household Science Section showed the culinary ability of pride in the number and quality of its Timmins and district housewives, as well as the eagerness of the people of ners in this year's garden competition the camp to take part in all patriotic conducted by the Timmins Horticul-

Entering the arena, the visitor was confronted with an amazing variety of flowers in all colours and perkaps some of the largest and most perfectly formed vegetables ever seen in this district. To the right of the main entrance was the Hollinger display, with flowers and shrubs from the mine gardens, and at the left was the display from the Buffalo-Ankerite Mirres. Along the entire length of the arena, at both sides, and in both ends, were arranged evergreen trees, as a fittingly rich background for the floral display. and at the very end of the floor was a large painting of mine shafts and gardens, painted for the occasion in strikingly realistic fashion by Miss Helen B. Manette, of Schumacher.

At both sides of the painting were displays from the McIntyre Mines Property, the one at the left from the Mc-Intyre Mines gardens, and at the right, from Mr. R. J. Ennis' garden. The 3rd, W. Baxter, 25 Borden, McIntyre gardens display was especially outstanding, featuring mine shafts, attractively surrounded by a collection of all kinds of flowers, grown for the McIntyre gardens by Mr. Waddell and his staff. The entire display was designed and arranged by Miss Helen B. Manette, assisted by Mr. Geo. Vaughn and staff gardeners. Mr. Harry Manette also should be given some of the credit for the outstanding perfection (Continued on Page Six)
